PRESIDENT'S MESSAGE

There is only one holiday for Albertans this month - August 7 is Heritage Day. In 1974 the Alberta Government declared the first Monday of August an annual holiday to recognize and celebrate the varied cultural heritage of Albertans.

I would like to thank all the volunteers who donated their time in order to make the Cedarbrae Stampede BBQ another great success this year. We received many donations which were very much appreciated and really helped to make this a great gathering for the community!

Our new website was launched in late June; please check it out and let us know what you think!

Spanish Language Camp will be held again this August with a regular program offered in September through June 2018. Check out the advertisements in the newsletter and our website for program details. Contact Martha at 587-703-6815 for additional information.

Adventures Summer Camp continues through August. Please contact Ricardo at 403-483-1272 for information.

Pickleball will resume in September. CCLA members will be contacted by email and our website will have details regarding the fall program. Pickleball has been a tremendous success for Cedarbrae; the Centre is known as a great venue for the sport! There are over 330 regular participants engaged in beginner, intermediate and advanced level of play and we have over 70 new Cedarbrae Members involved with the Centre as a result.

Our current proposed project work for 2017 continues with the South Patio Project. The Centre exterior painting is now underway, giving a fresh look to the hub of the Cedarbrae community. The upstairs kitchen island now has under-mounted wheels allowing for mobility, chair rails installed in several rooms, shelving has been fitted in the C-can to better store the Centre's equipment, and the workshop has new used cupboards and drawers to provide more storage of tools and materials. In addition, a new Cedarbrae Community Centre sign has been mounted on the southeast corner of the building. Maintenance work has been done on the Centre's water fountain, and wheel replacements have been installed on the chair carts.

There is a lot of discussion regarding the South West Bus Right of Way, SWBRT and South West Calgary Ring Road, SWCRR. We post any information we receive on our website to assist in keeping you current with the latest news.

Our programs are regularly scheduled throughout the month, but are subject to change. Therefore, please check out our calendar and website or call the office for information. The Centre also brings many celebrations, weddings, birthdays, and parties of all kinds. We offer some beautiful renovated spaces for rent; please call the Centre office to book a tour. We would love to help you!

Community memberships are available for our 2017/2018 membership year. Meeting new friends, learning new skills, getting involved in community decision making and having a real impact on the lives of others, are just some of the benefits of becoming a member! Membership applications can be completed and dropped off at the Centre or purchased through our website.

Please visit our web page at www.mycedarbrae.ca, or like us on Facebook. You can also follow us on Twitter @ Cedarbraeinfo! The Centre office is often open too; stop by to check out all the activity happening in our neighbourhood!

We look forward to seeing you at the Centre!

Community Minded,
Steven Brown, President, CCLA

BOARD PROFILE

Steve Brown President

Steve Brown has worn many hats since he first became involved with the Cedarbrae Community League in 2014, but the hat that fits him perfectly is that of President of the Association. Steve has spent many unpaid hours a week working to bring about his vision for our community association. It is not uncommon to see him busy fixing various items, trimming trees or even painting lines in the parking lot! Since he became President in 2014, he has created new policies and processes for the management of the Centre, along with HR policies and procedures for the Centre staff. In 2015, Steve organized a review and complete overhaul of the Centre's bylaws, which took several months, with the skilful assistance of a member-lawyer and the Board Secretary. Part of Steve's vision for the centre was to provide some free programming for our Cedarbrae families in the form of free gym time, a senior's coffee group, free ice time at our outdoor hockey rink, a free used sports equipment program in partnership with Comrie's Sports, and some supported programs such as Volleyball Alberta, Wheelchair Basketball, Goball (for the sight-impaired), and Pickleball.

Steve is now in his third term as President, and has lead many new initiatives and grant applications for such projects as the replacement of flooring in the Parkview meeting room and adjoining bathrooms, including the installation of high efficiency toilets. The entire building, which was built in 1974, had to be brought up to code with proper exhaust fan systems for both the upper and lower kitchens, along with the air exchange system. The west patio was found to be leaking into the room below and developing mold issues, which turned out to be a substantial, and expensive remediation project. As well, all the exit doors have had to be replaced, along with several interior doors. The entire interior and exterior of the building will have been repainted by this fall and cost-efficient LED lighting has replaced the old system, both inside and out. One of the big projects this year has been a total refurbishment of the gym floor, due to damage caused in 2016. As with any public building over 40 years old, constant upkeep is required to maintain the safety and esthetics of the Centre, making it a desirable place to rent for many occasions, and continuing to be a gathering place for our community, whether it be for weddings, sports, meetings, clubs, children's daycare or sewing classes, just to name a few! Steve has had several key people help him to realize his vision, but it always takes one person who has the necessary skills, persistence and dogged determination to see projects through to completion and to problem-solve the inevitable setbacks along the way. As anyone who works with Steve can attest, he has these skills in spades, along with the ability to encourage others and help them to see possibilities in seemingly impossible circumstances.

Steve Brown was selected to receive the White Hatter award at the Cedarbrae Stampede BBQ on July 8, and it was presented to him by Anam Kazim, MLA. We are very proud that he has been honoured for all the hard work that he has done to revitalize the Cedarbrae Community Centre over the last few years, and we would like to take this opportunity to offer our heartfelt thanks!

(to read Steve Brown's complete profile, please go to our website at www.mycedarbrae.ca) To be completed.

CEDARBRAE STRATEGIC MEETINGS

Last Tuesday of the month, 7pm

Cedarbrae Community League Association
11024 Oakfield Dr. SW

If you wish your name to be added to the meeting, please contact **info@mycedarbrae.ca** 7 days prior.

Breaking News

PWA is excited to announce our NEW venue in Calgary starting August 12 we are moving to the CEDARBRAE COMMUNITY CENTRE

11024 OAKFIELD DRIVE SW.

We look forward to our new partnership in the beautiful community of Cedarbrae which offers a great facility located near the Southland, Anderson and Heritage Ctrain stations and on bus routes #16 & #84. PWA will also work with the community to raise awareness, equipment and monetary donations for the Comrie's Sports Equipment Bank.

Through the generous support of Comrie's Sports Equipment Bank, the Cedarbrae Centre can provide the loan of sports equipment to community youth and adults who want to use Centre's facilities but are in need of equipment.

Advance tickets for all PWA events at the Cedarbrae Community Centre will be available for purchase at our new sponsor, SAMMY'S World's Greatest Pizza starting THIS FRIDAY!

We look forward to a long partnership with our new venue and sponsor and to continue bringing the very best indie wrestling entertainment in Canada to Calgary.

PEOPLE OF CEDARBRAE

We are looking for articles about people with interesting stories, who have demonstrated outstanding service, or people who have gone above aand beyond the ordinary.

We would like to hear from you. Contact the community centre at 403-251-2101 or write info@mycedarbrae.ca.

My Cedarbrae Community Centre

2017 Cedarbrae Stampede BBQ Thank You

The Cedarbrae Community Centre Executive, Board of Directors and Community members wish to thank the following contributors through volunteerism or donation and succeeded in making this year's Stampede BBQ, in conjunction with Canada's 150Th birthday, an incredible experience for all residents of Cedarbrae and surrounding communities!

Bob Benson – MP, Anam Kazim – MLA, Naheed Nenshi - Mayor, Brian Pincott – Alderman, City of Calgary Ward Community Event Fund, Calgary EMS, Calgary HAWCS, Cold Lake CF-18 Squadron, Oak Park Church, South Calgary Church, Christ the Livingstone Fellowship Church, Love City Church, Church of Jesus Christ Latter-Day Saints, First Calgary, CO-OP Oakridge, A to Z Liquor, Arpis, Sammy's Pizza, Sobeys Forest Lawn, Royal Canadian Legion – Horton Branch 285, Inland Audio, Lorne Wyman, Shoppers Drug Mart Woodbine, Calgary South West United Soccer and Weston's Bakery.

We would also like to acknowledge participation from Braeside Automotive, RDS Gymnastics, Oxygen Yoga, Provincial Martial Arts, SWIGS Pub, Counter Point Dance and Comrie's Sports Equipment Bank.

This event is one of my favourites as I really enjoy meeting the residents and the volunteers from our supporting organizations. When you think about it, Cedarbrae has many organizations who reach out to help, and sometimes just listening to people can inspire ideas and help to solve issues and other problems.

Thank you everyone for participating - it was a great party! Please consider joining the Centre and volunteer with us. We are a great group!

Community minded,
Steven Brown, President, CCLA

SILVERBIRCH DISTRICT

Want to be part of our human totem pole?

As a woman who volunteers with Girl Guides of Canada, Silverbirch District you are playing a key role in providing girls aged 5-17 with the fun and the challenge of Guiding. You'll be their cheerleader and mentor as you help your girls develop skills and confidence that will last a lifetime in a positive environment where girls are free to be themselves. Imagine the fun, the smiles and giggles, and all the confidence-building moments for the girls – and for yourself.

All the while you will have opportunities to develop highly transferable skills such as leadership, communication and planning through hands-on activities and member-only training. You will have access to special events such as regional rallies, camping and international travel as you grow your group of friends in a fun environment.

Make a positive impression on the lives of girls and women in your community. Take the next step and start making that impact today!

Come join us by contacting Barb at 403-251-5169 or silverbirchgirlguides@gmail.com

Improving stormwater drainage in your community

In recent years, Woodlands, Woodbine, Cedarbrae and Braeside have had an unusually high number of heavy rainfall events resulting in flooding.

To better manage this stormwater, recommendations from a drainage study include a dry pond and upgrading existing drainage infrastructure. Work will begin in your community in August.

AT THE CEDARBRAE COMMUNITY CENTRE

A Class to teach young people the basics of sewing

The Cedarbrae Community Centre is proud to be able to provide low cost programming classes and events to our community. One such upcoming opportunity involves teaching youth the basics of sewing as a life skill. We have the volunteer instructors in place and some supplies to start with, but we're still looking for donations of sewing machines in good working order.

Do you have a working sewing machine you're not using? Consider donating it to the Community so that we can use it to teach others.

YOUR CITY OF CALGARY

Improving stormwater drainage for SW communities

The Community Drainage Improvements program was launched in 2010 to mitigate flooding in areas throughout the city. Drainage studies were undertaken to identify solutions for communities frequently hit by flooding due to extreme rainfall. Such solutions can include adding additional storm drainage pipes, increasing the size of pipes, and adding wet or dry storm ponds to help manage stormwater.

In recent years the communities of Woodlands, Woodbine, Cedarbrae and Braeside have experienced an unusually high number of high volume rainfall events.

These communities currently have a storm level service of a one-in-five year rainfall event or less. That means that there is a 20 percent chance (or greater) that the storm system will not handle rainfall events causing local flooding in any given year.

Drainage improvements being looked at for these communities target a 1-in-50 year level of service. Once upgrades are in place there will be a two percent chance in any given year that rain events would overwhelm the storm system.

Installation of a dry pond
The City of Calgary will be constructing a new dry pond in the fields located east of the John Ware and St. Benedict schools. This dry pond will greatly reduce flooding during extreme rain events, specifically the flooding that occurs at the intersection of Southland Drive and Braeside Drive. Construction is expected to begin in the fall of 2017 with completion by fall of 2018. The fields will remain inaccessible to the public for the entire duration of construction.

Construction impacts
Construction of the dry pond consists of earthworks (excavation and grading), underground piping and landscaping. Construction impacts will include:

- Increased traffic to site (construction crews, trucks hauling materials to and from site) on Southland Drive and on Palliser Drive
- Construction noise
- Fields will remain fenced off and closed to the public for the duration of construction
- Traffic and sidewalk detours

Community benefits
The dry pond will significantly reduce flooding that occurs at Southland Drive and Palliser Drive, and along Braeside Drive. During heavy rainfall, overall vehicle and pedestrian safety will be improved, traffic congestion reduced and emergency vehicle access unimpeded by flooding. John Ware and St. Benedict schools will each receive a new soccer field (two in total) and a new baseball diamond will be built allowing for more recreational opportunities for the community.

Dear Constituents:

I hope all of you enjoyed Canada 150 Celebrations, Citizenship and Stampede events. As I was able to attend and share many of these events with you, we had numerous opportunities to have good conversations, also on how we can work together to strengthen our communities and welcome new Canadians.

Our government continues to take new initiatives to make life better for Albertans as follows:

Expanded Cancer Treatment: Expanding treatment hours for cancer patients in Calgary and Edmonton by offering evening and weekend care at the Tom Baker Cancer Centre and the Cross Cancer Institute.

Home Care and Community Care: An increase of $200 million to home and community care, helping more Albertans get care right in their communities where they live, increasing total funding for home and community care to over $2 billion.

Seniors' Travel for Specialist Medical Appointments: Budget 2017 invests an additional $550,000 to help low-income seniors cover costs, like transportation and accommodation, associated with travel for specialist medical appointments.

Library Funding: Our government is providing $50 million this year to improve access and services at libraries; including increased operating grants to help keep pace with the province's growing population, and to ensure that all Albertans have a welcoming space to learn, play, share and research.

$25 per Day Child Care: 22 pilot Early Learning and Child Care Centers will receive funding to demonstrate the importance and viability of $25-a-day child care in Alberta.

More Supports for those with Addictions: Investing in housing for Albertans overcoming addictions with a $7-million to support 46 individuals and their families in Calgary who are recovering from addictions.

University of Calgary: Alberta invests in much-needed space with $270.6 million over four years to 500 new study and classroom spaces with the renovation of the MacKimmie Complex and Professional Faculties building.

Deerfoot Interchange: Interchange at Deerfoot Trail and 212 Ave SE. supports 25,000 jobs and potential for more than $4 billion in economic opportunity.

Cleaner Energy: An investment of $10 million to convert carbon dioxide emissions into usable products at the Alberta Carbon Conversion Technology Centre helping us transition to a cleaner energy future and create jobs.

Supports for Immigrant and Indigenous Women: $100,000 in funding for Making Changes Association to prepare immigrant and Indigenous women for careers in technology.

Schools: Budget 2017 allocates $500 million for 8 new schools, 9 replacements and 7 modernization funds for 2 additional schools.

Apprentices: We are helping put hardworking Albertans back on the job: 1,000 more Apprentice Training Awards have been introduced to reduce financial barriers for apprentices returning to technical training.

Affordable Housing: Funding of $5.7 million for planning 14 affordable housing projects across the province has been provided. The government is renewing or building more than 6,000 affordable housing units over the next 5 years.

For more details, please contact our office.
