PRESIDENT'S REPORT

Spring is in the air and we are all in full swing welcoming the warm summer months. I wanted to let the membership and readership know this will be our last printed newsletter for the summer. We come back in September with an online version and possibly a printed version. We have been put in a position that our current newsletter supplier that will no longer be able to support a printed copy of our newsletter. Saying that, the CMCA will do everything we can to do to produce an online copy of our newsletter and a small number of printed copies available at the hall office the first week of September. I thank Great News Publishing for their brief time looking after our newsletter and wish them continued success with their southern Calgary newsletter publications. Keep checking our website www.marlbroughca.com for updates.

Moving forward we have a number of great events throughout the summer. In June we have the Community Clean Up, 150 Neighbor Day and this year we have our new farmers market planned for every Tuesday starting on June 6th.

Our feature event – 150 Neighbor Day will be the biggest event of the year. From 1:00 pm to 4:00 pm we are offering a FREE BBQ, birthday cake, kids games, live events, mascots, face painting, bouncy castles, dunk tanks, come out and meet your neighbor. As part of the celebration for Canada's 150 birthday we will be celebrating Marlborough's 50th birthday. 1967 to 2017. We move indoors for the evening with a live band "One Way" rocking the lounge with hits from the 80s and 90s. Beverages and snacks are available at the bar all night.

Our next big event will be our Annual Stampede breakfast feeding up to 1500 cowboys and cowgirls throughout the morning. Come early as the food goes fast. Keep an eye out for new events as we have a number of irons in the fire for new events and programs.

As always, we welcome the new volunteers to the board and we can always use more. A few hours a month can go a long way.

During our Stampede Breakfast, we will be giving out our New Marlborough community Calendar. I don't want to talk about it too much yet as this is one of the best surprises you will receive when you renew or purchase a new membership this year. Reminder the new membership renewal in July 1st. Good for one year. Until then I hope to see you at the next CMCA event. Have a happy and safe summer. On behalf of the board and our volunteers, all the best.

GIRL GUIDE CORNER

Girl Guides of Canada Wants YOU!

June is the time of year when we shed happy tears and many hugs as we close the current Guiding Year. Now we shift our focus to the 2017-2018 Guiding year ahead.

Have you ever looked at the opportunities with Girl Guides of Canada this way?

"My dishes went unwashed today, I didn't make the bed, I took her hand and went with her to Girl Guides instead. That my house was neglected, that I didn't sweep the stairs, In twenty years, no one on earth will know or even care. But that I helped a little girl from child to adulthood grow, In twenty years, the whole wide world will look and see and know."

myYYC Plane Spotting

There is an avid community of plane spotters at YYC made up of aviation enthusiasts that observe, photograph and log registration numbers of aircraft. Plane spotters look for key characteristics to differentiate aircraft such as: number of engines, shape of the wings, length of hull and type of landing gear. Below are three of the most common aircraft at YYC and how to spot them:

- Boeing 737**
- Two engines located under the wings
 - Wings fixed under the fuselage
 - Pointy nose

- Beechcraft 1900**
- Two propeller engines
 - Multiple fins on the wings and tails
 - Square fuselage

- Bombardier Q400**
- Two propeller engines
 - Wings fixed above the fuselage
 - T-shaped tail

Share your best plane spotting moments on social media with us!

Out to Lunch with Donna and Laura

Today we had the pleasure of dining at Insadong, a Korean BBQ restaurant located at #132, 920 36 St NE. This restaurant has been in this location for approximately 5 years and is well worth visiting. We ordered from the lunchbox menu and the servings are large, well presented, very tasty and reasonably priced. Complimentary tea was served as our beverage. There is the option of cooking your own food at your table on a built-in BBQ. Next time for sure.

We hope you have the opportunity to eat at this spot. You won't be disappointed.

Building a Safe Community!

Some of you are already participating in building a safer community in Marlborough, and don't forget to invite your neighbors to get involved in this process that will benefit all of us.

To start up, don't forget to report immediately any incident or activity that is suspicious to ensure that our community is seen as intolerant to crime.

Even small offenses can escalate into major criminal activities; so, make sure to immediately report or communicate to your neighbors any illegal parking in driveways and alleys, illegal garage sales or business activities, graffiti, street light failure, prowled vehicles, suspicious activities, etc.

Remember the broken window theory: once you let a window be broken, many more broken windows will follow up.

Airport Noise Impact

YYC has not yet installed the permanent noise monitoring unit, but is committed to have it completed as soon as possible, and should be ready for the summer. As for now, no noise monitoring is taking place in Marlborough.

The Airport is also looking at a different way to report complains as it realizes the Public Vue can disengage communities as per time delay and accessibility.

Construction plans on some of the airport runways will modify temporarily the noise impact over our community in the summer.

Remember to keep filing your complaints if the airport noise is still impacting you. If you have any comments/ concerns, please send us a note!

Community's residents are able to interact with the Airport Authority regarding their questions and concerns through one of the following means:

- Dedicated e-mail - concerns@yyc.com
- Website Aircraft Concern submission form - yyc.com/aircraftconcerns
- Near-real time light tracking system - PublicVue

YYC aircraft concerns hotline – 403-735-1408

Great Scot!
Calgary was named for a town on Scotland's Isle of Mull. It can be translated from Old Norse as "cold garden" or Gaelic as "clear running water" or "bay barn."

Marlborough School

A message from the principal from the CBE website.

"Mathematics is not about numbers, equations, computations, or algorithms: it is about understanding." – William Paul Thurston

It is hard to believe that May is upon us and this is the second to last newsletter. Where has the time gone? It is wonderful to see the leaves popping out, hear the birds singing, see the neighbourhood children riding their bikes, and feel the warmth of the sun on our faces. Although we are nearing the end of the school year Marlborough School is not even close to slowing down!

Since the last newsletter, we have hosted some wonderful events at the school. Our students and families thoroughly enjoyed Marlborough School's first **Math Night!** It was delightful to hear from our Trustee Pamela King and to see so many of our families enjoying the tasks prepared for that evening. There were lots of great conversations as families learned new strategies and games alongside our staff. Thanks to some very generous community sponsors such as IKEA, Dollarama, Canadian Tire and Scholastic Canada, each family went home with a gift bag full of tools to support growth and the practice of math skills across the grades and curricular outcomes.

On Friday, April 21 we honored our volunteers with a **Volunteer Tea**. These tireless volunteers support field trips, assist in classrooms, and fundraise for many of the wonderful materials and opportunities we can offer students. Our volunteers are instrumental to many facets of the running of our school and are **greatly appreciated**. To be a volunteer one must complete a security clearance, valid for five years, and an annual volunteer registration at the school. Please consider being a volunteer, we need people just like you! **#MarlboroughIsAmazing**

We remain your partners in education,

St. Mark School

Our spring fundraiser with Vesey Bulbs made approximately \$1,400.00 for the school.

The kids enjoyed a fun lunch from Papa John's Pizza on May 3rd, and teachers and staff were treated to lunch and cupcakes by the Parent Council for a "Teacher's Appreciation" day at St. Mark.

Preparations are underway to celebrate Canada's 150th birthday to coincide with 150 days of the 2016/2017 school year on May 16th.

Kids are looking forward to the May long weekend.

Green Carts are coming this summer

Starting this June, green carts will be rolled out to all households for food and yard waste collection. Here are some details on the rollout.

Green cart collection start dates

Green carts will be rolled out by quadrant. Once all residents in a quadrant have their carts, collection will begin as follows:

Quadrant	Cart delivery	Weekly green cart collection starts:
Southwest	June 5 - July 15	Week of July 17
Northwest	July 3 - August 12	Week of August 14
Northeast	August 7 - September 2	Week of September 4
Southeast	August 28 - September 30	Week of October 2

Weekly green cart collection starts

Three things to do when your cart arrives:

- 1. Bring your cart up to your home.**
Carts will be delivered to the front of your home. Bring your cart up to your home and store it in a safe place (e.g. garage, against the side of your house or back fence).
- 2. Look inside the green cart.**
Everything you need to get started is inside the cart. This includes:
 - Kitchen pail and sample compostable bags.
 - Sample paper yard waste bags for extra yard waste that doesn't fit inside the cart.
 - Instruction guide and collection schedule.
- 3. Consult your collection schedule.**
The collection schedule inside your cart explains when green cart collection starts in your quadrant along with your new collection days and schedule. You can also find out your collection days and sign up for free automated reminders at calgary.ca/collection.
