Your child's summer reading plan

It's never too early to think about what your child might read during the summer break. Reading over the summer not only improves children's literacy and language skills but also prevents what is known as the 'summer slide'—a regression in reading ability that can occur when children have an extended break from school.

How to help your child:

- Children need access to books and other print materials to help them become consistent readers. Make books and magazines available throughout your home (or in the car on road trips) and utilize your public library!
- Even reading just six books over the summer holidays can help your child maintain or improve their reading level.
- Children need books that are "just right"—not too easy and not too hard. Let your child choose what they want to read. As they fall in love with books, then you can help them discover more books!

Ways to make reading fun this summer:

- Get involved with your child's reading. Consider a family book club or read your child's book along with them and have conversations about the characters and plot. Read aloud a book above their reading level too—to build vocabulary and critical thinking.
- If you are taking a vacation or visiting family, involve your child in your on-line research and vacation planning; give them an attractive journal so they can write or draw about each day's fun and experiences.
- Does your child have a hobby, sport or interest they will be involved in during the summer? If so, build reading opportunities around this as they research to start a collection, read to build skills or navigate instructions.

The **CBC Calgary Reads Big Book Sale** runs from May 13 to 15, 2016. This is Calgary Reads' signature fundraising event. With children's books starting at just \$1, the Book Sale is a great time to stock up on summer reading for the entire family, keep books in circulation locally and to support our work to help children read with confidence and joy! Find full event details on our website www.calgaryreads.com.

Now that is some serious Calgary soccer pride.

AND WE'RE PROUD TO BE IN THE GAME.

It's the start of another outdoor soccer season. And this year, it's fully public — the way it should be.

That's because Calgary council has asked your city workers to take over management and maintenance of the the Calgary Soccer Centre from private organizations.

And here's our commitment to you:

- A clean, efficient facility — where you feel comfortable taking your family.
- Saving you money — city council saw a public solution as the most cost effective; there will be no more spectator fees.
- A community asset — open and welcoming to clubs, players and families from across the city.

We think this is a pretty good game plan moving forward: Let's keep city recreation facilities public and working for all Calgary families.

Making your city work for you

WHAT'S UP AT THE LAKE

Beach Update

In preparation for summer, Arbour Lake Residents Association has added fresh sand to the beach to ensure beach quality and size. An astonishing **66 metric tonnes** of sand was brought in by truck from Golden, BC. If you were in our parking lot at the time, you know that the giant trucks of sand couldn't actually drive into the lake area due to their capacity- and so the sand was dumped in the parking lot. Two and a half days were spent transporting sand from the parking lot to the beach, and many more spent spreading the sand over the beach. We had a good time getting our beach updated, and we hope that the sand will be up to your sand castle standards!

RED: full closure (stay off and far away from the water).
YELLOW: partial closure (contact the lake office or check the website for updates).
GREEN: the lake is open for all activities

Arbour Lake Garden Beautification Project

The Arbour Lake Residents Association is looking for dedicated and energetic gardening enthusiasts to form a group of volunteer workers for next summer's project to beautify our neighbourhood! Volunteers will meet in early spring to coordinate a group planting day, and to set up a plan for effective maintenance of our enhanced Arbour Lake Gardens. If you are interested, please call Karin B at 403-241-2994 or email karinpat@telus.net for further details.

ALRA Board Report

Hello Arbour Lake Residents!

Can you believe the great weather we have been having! Craig and the staff are a month ahead of schedule with the spring projects at the lake, starting with a load of white sand for the beach area. We got a fantastic deal on sand this year! Our biggest issue right now is the geese. They are really beautiful, majestic birds..... but, they leave a lot of droppings! We are looking for friendly solutions to keep them off the beach.

Our summer programs are filling up quickly. There are camps with only one spot left and we have one tennis program full as of April 1. There is a large variety of camps and programs to choose from. Please don't wait to sign up!

There are a number of events coming up. We have Family Bingo Night on May 6 and Ladies Night on May 14. These are events that you have to sign up for ahead of time. On June 4 we will be hosting our annual Epi Fun Run. Our Canada Day Pancake Breakfast will be held on July 1. We will feed the first 1,000 people. On August 1, Arbour Lake will be hosting the Canadian Open Water Swim Championships. This is a great honour for us, we hope you will come down to cheer on the athletes.

Arbour Lake has a new promotional drone video. Some of the footage was shot at our annual Polar Plunge. There is some fantastic footage promoting our unique little community. Please go to our website to check it out.

The Arbour Lake Residents Association will continue to work hard to bring you great events, programs and activities that make Arbour Lake one of the best communities in Calgary.

The ALRA is looking for an Arbour Lake resident with a financial background to be a part of our Finance Committee. The board feels that transparency is of the utmost importance to Arbour Lake, therefore we would like to invite other residents to share your knowledge. Please contact communications@arbourlake.com.

Happy Spring Everyone!

Neighbour Day is an opportunity for neighbours to come together in the form of BBQs, cleanups and potlucks to celebrate our strong community spirit in Calgary. Make Saturday, June 18 the day you host a block party, a picnic at your local park or even introduce yourself to a neighbour and lend a helping hand. The City of Calgary wants to encourage as many people as possible to host a local activity on their block or in their residential building. That is why they are waiving the fees for small scale local block party permits and neighbourhood park bookings for events that take place on June 18 this year. Please note the deadline for road closure permit applications is May 27. Visit calgary.ca/neighbourday for more information about Neighbour Day including an event planning kit, information about permits and other logistical considerations.

This spring, Calgary Police Service along with Alberta Commercial Vehicle Enforcement will be paying extra attention to safety infractions by heavy and light trucks. They will focus on moving violations, cargo securement, mechanical fitness and other related infractions to ensure all vehicles are roadworthy and safe. There will be check stops and enforcement blitzes throughout the spring.

With the population growth and the new development throughout northwest Calgary, certain major roadways are becoming increasingly congested. Two major projects that I have been advocating for is to twin the Shaganappi Trail overpass over Stoney Trail and to build a full interchange on 14th Street NW and Stoney Trail. Both of these interchange improvements are critical to the transportation network in northwest Calgary. I have met numerous times with officials from the provincial and federal government to advocate for these projects and I will continue to advocate for them at City Hall. If improving these roadways is a priority for you, please share your views with your local Member of the Legislative Assembly, Member of Parliament, as well as my office through www.joemagliocca.com.

Joe's Tips:

Until May 29, bring your leaves, branches, plants, grass and other yard waste to any City of Calgary landfill for free composting! You can also pick up free mulch from the landfills. Please note that the Spyhill Landfill is now open seven days/week from 7:30 a.m. - 5 p.m.

Alberta Guide Dog Services

Alberta Guide Dog Services is seeking volunteer Puppy Trainers to provide loving homes to puppies training to be Guide Dogs (for blind or visually impaired individuals) and Autism Support Dogs (for children with moderate to severe autism and their families). This is a 24/7 commitment that involves providing our pups with basic obedience and socialization skills, from the time they are 7-8 weeks to 14-18 months old. Through scheduled visits and obedience classes, as well as guidance from a Puppy Raising Supervisor and advice from existing volunteers, you will have a terrific support system throughout this very rewarding experience. Volunteers must be available during the day. We provide food, vet care and other basic necessities for the pup. If you are interested in raising a puppy that could grow up to change someone's life, please call Sandra at 403-616-3228 or email sandra.cramer@albertaguidedog.com.

EVENTS RECAP

Easter Event:

Our annual Easter Event was held on Sunday March 20th and was attended by close to 700 Residents! It was a beautiful day for the little ones as they were treated to an Easter egg hunt, goodies, prizes, face painting and balloon animals from our favourite clown "Froot Loop"! A big THANK YOU to our volunteers including, Rachel, Daniela, Kennedy, Amanda, and the YVC volunteers for all of their help handing out prizes, spreading Easter Eggs, painting hundreds of faces and more! We could not host such great events without the assistance of our volunteers!

SUMMER Camps 2016

This year Arbour Lake Residents Association is proud to offer six weeks of children's summer camps! All camps run Monday – Friday from 9:00am – 3:00pm. Activities are subject to change. Children must be ages 6-12 to participate in summer camps.

Local Teen Crowned Miss Teenage North Calgary 2016

Rachel Butler, a 14-year-old Arbour Lake resident, is the new Miss Teenage North Calgary 2016. The Alberta Provincial pageant took place on February 21, 2016, at the Coast Plaza hotel and Conference Centre. Participating in a pageant had always been a big dream of hers, but she had never looked far into it until the December of 2015. "I stumbled upon the website while looking through the Miss Universe commotion. Even then, I was hooked. I begged my mom to let me apply for Miss Teenage Alberta," recalls Rachel. Miss Teenage Alberta is a preliminary pageant for Miss Teenage Canada. Around 70 delegates from all across Canada, including Rachel, will be going to Toronto from July 17-24 to compete at Nationals.

Contrary to popular belief, beauty pageants aren't all about the looks. Winners are chosen based on their ability to be a positive role model for youth, as well as on interview and public speaking skills, attitude, photogenicity, contribution to the community, and platform. A platform is something that an individual is deeply passionate about, and wants to help make a change for the better. Rachel's platform goal is to change the stigma and take away the shame from people with disabilities/special needs, and give more support for them and their families. "My mother has friends with children who have special needs, and that has really opened my eyes to this topic of huge importance," says Rachel.

Rachel is the proud successor of Angel Berry (Miss Teenage North Calgary 2015), who last year placed top 20 in the National competition. This was Rachel's first pageant.

As part of her pledge to be a positive role model, she will be volunteering with many charities and many events. Keep an eye out for her throughout the year!

For more information about her and her platform, you can visit Rachel's Facebook page: www.facebook.com/missteenagenorthcalgary2016.
