## ALRA VISION & MISSION STATEMENT

### VISION

Arbour Lake will be the most desirable community that encompasses world class amenities, a sense of welcoming and engaging residents to live the exclusive lake lifestyle.

### MISSION STATEMENT

The Arbour Lake Residents Association is a limited company that was registered under the laws of Alberta on July 19, 1991. The purpose of this company is to care for, and improve upon, the Arbour Lake amenities, with the main focus being a pristine ten-acre lake in the heart of the community.

## ALRA BOARD REPORT

Hello Arbour Lake Residents!

Well time sure flies when you are having fun in the sun! We have had an amazing summer at Arbour Lake and we hope that you have too!

On Saturday July 1st, we celebrated Canada's 150th birthday with an awesome pancake breakfast. There were approximately 1000 residents in attendance. We hosted in the park this year which made the assembly line move much quicker than in the past. There are so many people who helped to make this event a huge success. We say thank you to all who were involved!

July 15th was our 25th Arbour Lake Anniversary BBQ. There was live music, bouncy castles, a photo booth and great food. We had approximately 1378 residents in attendance. The weather was amazing! We are so grateful for all of those who came to celebrate this milestone for Arbour Lake.

Movie Night In The Park is scheduled for Friday September 8th. The movie is "Boss Baby" and will start around 8:30pm (we have to wait until it gets dark!) The gate opens at 7:30 pm. Bring your pillows, blankets and don't forget to wear your jammies out for a great family night.

The Arbour Lake Residents Association will be holding our annual AGM on Wednesday September 27th at 7 pm. Location is the Arbour Lake Residents Hall. We hope to see you there.

Arbour Lake has had an exceptional summer of camps, classes, events and beach fun. We want everyone to know how much the Residents Association acknowledges and appreciates the hard work from Craig, Tara and all the staff at Arbour Lake. It would not be what it is without these amazing people!

Happy fall everyone!

## UPCOMING EVENTS

### Movie in the Park – September 8

There's nothing better than a movie night with friends – except movie night with all your pals in the neighborhood. Enjoy popcorn, ice cream, and a great Friday night movie. This year we will be showing "Boss Baby". If the hot weather won't last, we will make sure the good times will! The fun begins at 7:30pm, Movie at 8:30pm.

### Arbour Lake Residents Association AGM

The Annual General Meeting for Arbour Lake Residents Association will be held on September 27th at 7:00 pm in the Residents Hall. All residents in good standing are invited to attend.

### Cooler Weather is coming!

As cooler weather approaches, it is important to remember that the lake is not always warm enough for swimming and boating as the water gets colder throughout

the fall. Flagpoles are located around the lake and at the front entrance, which indicate if the lake is open for use. Boats and swimming will not be allowed once the water temperature reaches below 10°C.

RED: Full Closure, stay far away from the water or ice.  
 YELLOW: Partial closure (contact the lake office or check the website for updates)  
 GREEN: Lake is open for all activities for either the winter or summer season.

Check out [arburlake.com](http://arburlake.com), Twitter @arburlakeyyc or Arbour Lake Residents Association on Facebook for lake status or call the lake office if you have any questions.

### Summer in Review

Programs such as our adventure day camps, tennis lessons, youth rod and reel lessons, and our classes for various water equipment have been a huge success this year. Thank you to all those who have participated in our summer programs. We hope you had a great time and that we see you next year!

### Summer Blooms

We hope you enjoyed the flowers planted on medians, and around the lake and various intersections this summer. As the days get shorter and colder, the flowers will be removed to prepare the flower beds from the transition from fall to winter. We are excited for our flowers to look brighter and better each year!

## WHAT'S UP AT THE LAKE

### Fishing is Catch and Release ONLY!

At this time, only catch and release fishing will be permitted at Arbour Lake, until further notice. THERE WILL BE NO KEEPING OF ANY FISH OF ANY SIZE OR KIND! This is a result of Alberta Environment and Parks shutting down all fish stocking within the Bow River drainage area, of which Arbour Lake is included. Due to whirling disease found in the Bow River and commercial fish culture operations, the lake will not be stocked indefinitely, and as such, no fish may be kept indefinitely. Any fish that cannot be returned to the water, must be surrendered to a staff member.

More information regarding whirling disease can be found at <http://aep.alberta.ca/fish-wildlife/wildlife-diseases/whirling-disease/default.aspx> Please also see the Whirling Disease Life cycle Poster on page 9.

### Fishing

May only be done from designated fishing docks. Hooks must be Barbless and egg hooks are not permitted. No Triple hooks are to be used. This ensures the survival of released fish. No live bait, corn, bread, minnows, smelts, fish or nets may be used to catch fish. Only one rod per resident may be cast at any one time and fishing lines must be attended to at all times. Random tackle box, bag and hook checks will be performed to ensure all Rules and Regulations are being followed.

### Clothing Donation Bin

Have your kids grown out of their new clothes before actually wearing them? Do you have clothes in your closet taking up space that you don't really wear? Arbour Lake Residents Association has a clothing donation bin in front of the lake office, close to the fire lane. Drop off your gently used clothing to help clear up the clutter in your closet. Clothing will only be accepted in bags, dropped inside the container. Please do not leave bags next to the donation bin will be sent to the landfill. NO HOUSEHOLD GOODS PLEASE!

Did you know that over 10,000 tons of textiles was dumped into the City of Calgary landfill in 2014? That pile of clothes would be as tall as the Calgary Tower.

As our kids get back to school, please pay extra attention when driving, especially around schools and playgrounds. At our last council meeting in July, I re-introduced a motion to have administration look into requiring school buses to use their flashing lights when picking up and dropping off children. This is the norm in most other jurisdictions and can be achieved at zero cost to taxpayers because buses are already equipped with these safety features. I thank council for voting 12-1 in favour of this motion.

Another important vote in council was on the issue of an Olympic Bid Plebiscite. I supported Councillor Sean Chu's Motion for a plebiscite because I believed that a decision of this magnitude, both financially and culturally, should be made directly by Calgarians. I also believed that by October, voters could have had sufficient information to make an informed decision on this matter. Unfortunately, the majority of City Council voted against a plebiscite. As exciting as an Olympic Bid may be, I do not want to see the kind of costs downloaded on Calgary taxpayers that have been prevalent in many other cities that have hosted Olympic events.

Construction of the new "Shane Homes YMCA" on Country Hills Boulevard in Rocky Ridge is in its final stages and is scheduled to be complete at the end of this year and opened to the public in early 2018. When opened, this facility will contain an 8-lane competition pool, Leisure pool with a wave system and water slides, multi-purpose ice rink, 3 full gymnasiums, Fitness centre, Library, 300-seat theatre and many more amenities. I would like to thank Shane Homes for their \$3.5 million investment in the new recreation centre that will serve all of northwest Calgary for many years to come.

In the fall leaves change colour because trees slowly stop producing chlorophyll. In years when a number of warm, sunny days and cool but not freezing nights come one after the other the reds in the leaves will be more vibrant because sugar sap gets trapped inside.

## SCHOOL SHOUT-OUTS

### St. Ambrose School

Summer greetings from St. Ambrose School! Only one more week until we start of the new school year. We look forward to seeing our students on Tuesday, September 5, 2017. Our annual **School Council BBQ** will kick start our year as well as our **School Opening Liturgy** at St. Peter's Parish. We would like to extend an invitation to our St. Ambrose community to attend our school opening events. Please stay tuned for more information in our school newsletter.

Throughout the school year we will be focusing on friendships, healthy relationships and encouraging our students to challenge themselves in their learning. This year, we will be introducing and exploring our new faith theme which is **"Ask, and it will be given you; search, and you will find; knock, and the door will be opened for you" (Matthew 7:7)**. In this initial year of the three-year theme, we are focusing on the first part of the scripture verse, **"Ask and it will be given you."** This will be highlighted throughout our Catholic Community of Caring assemblies, social justice projects, buddy classes and other school wide activities. We look forward to another successful school year as we work together to develop creative, active young citizens.

## Blue-winged Teal – a Little Dabbling

Article by J.G. Turner, image courtesy of [www.naturespicsonline.com](http://www.naturespicsonline.com)

The Blue-winged Teal is a small, dabbling duck that is only about 16 inches (40 cm) long, with a wingspan of 23 inches (58 cm) and weighing in at only 13 ounces (370 g). The adult male has a rounded slate blue head with a crescent shaped band of feathers behind its black bill and in front of its black eyes. The male has a light brown body with a white patch near the rear and a black tail, and shows a blue patch with a white border on its fore wings, especially when in flight. The adult female is a mottled or scalloped grey-brown with a whitish patch at the base of the tail and bill, and a dark line through its black eye.

### Fun Facts:

- A dabbling duck feeds on the surface on vegetation or water insects just ducking its head under water, or by tipping right up, pointing its tail end upwards while feeding on submerged vegetation
- The Blue-winged Teal's formal name (*Anis discors*) comes from the Latin words for "a duck" (*Anis*) and *discors* or "disc about the mouth" which may refer to the face pattern of the male.
- This is the most common teal in Alberta's grassland and parkland areas. Although it is found in the right habitat throughout the province, the Blue-winged Teal is most common in central and southern Alberta.
- This dabbling is most often found in the calmer waters of marshes, sloughs, ponds and the weedy edges of

small lakes. Nests are built in concealing grasses or vegetation on dry land, but near to water.

- This little duck hangs out in pairs or small groups spending most of their time foraging in shallow waters.
- In the late summer, the Blue-winged Teal undergoes a moult (during which they shed their old feathers and grow new ones), which prevents them from flying so they will spend this time in prairie sloughs or large marshes with good food supplies.
- These dabblers are the first ducks to go south in the fall and the last ones to arrive north for the breeding season in the spring. It is likely that they leave early and arrive back late because they are long distance migrators, some going as far as South America – a Blue-winged Teal banded in Alberta was found in Venezuela a month later!
