THE CHRISTMAS PICKLE

There's a tradition in the U.S. to hang a pickle-shaped ornament on their Christmas trees. The first child to find the pickle on Christmas morning receives an extra present from Santa or will have a year of good luck.

PRESIDENT'S MESSAGE

I normally have some pleasantries to put in this space, but we've all been busy running the show and enjoying ourselves, I just haven't.

Information of Note in the Community:

The **X-mas Singalong is December 16th**, (not Dec 9th, as was previously published. Sorry about that). 12-5pm at the hall. There's nothing better than hot chocolate and a good rousing round of songs with your friends, family, and neighbours. This year we have a fabulous new piano, and will be joined by a violinist, as well as members of the Men's Folk Choir.

The **New Skating Rink** is done! We're having a **skating party to celebrate on December 10th**. There will be a ribbon-cutting ceremony, hot drinks, a fire pit, and some special guests. And of course, plenty of ice-based games!

A **Kids Playgroup has started up at the hall**. We have partnered with them to make the group more affordable for community members. Mondays 10am-12:30. It's drop-in, and if you'd like more info email info@apvillage.ca.

Finally, our new preschool is up and running. As of September, **Seedlings Spanish Preschool** is operating out of our basement (just a couple days a week so far). We're happy to have them, and look forward to a great relationship with the community.

The formidable and very long-running **Ladies Auxiliary group is formally winding down**. They represent a group of women that without a doubt contributed the most thoughtfully and consistently to the community over the years. Their members were instrumental in construction and funding of the community hall that

we treasure so much. I couldn't hope to list their accomplishments here, but I do hope we can put together a more detailed article about them in the near future. For now, I just give them my great thanks and gratitude.

We need a **Spring Kids Soccer Coordinator**. Our soccer program draws kids from all the surrounding communities. Last year around 140 kids played, and we as a community believe offering super-cheap healthy activities for kids and their families makes a us a better community. The task has a few things to do in Feb-April, ordering supplies, sorting out registration, etc., but it not too difficult to do. If we don't get a coordinator, we won't be able to run the program. If you might be able to help, or would like more info about the role, email me at president@banfftrailcommunity.ca and I'll get you what you need!

We have taken on a new person – **Abigail Harker** is our new facility manager. She also manages the Capitol Hill community hall, and we look forward to working with her to build community programmes and make the most of our hall.

Every one of these fantastic items happens thanks to the help of interested members of the community. If you have anything you're interested in, don't hesitate to get involved. We're at the hall the first Wednesday of the month 7-9pm. If you'd like to talk with us or just observe, send me an email at president@banfftrailcommunity.ca. You'll be welcomed into a pretty awesome group of neighbours who are here to make Banff Trail a great place to be.

New to Banff Trail

If you have been walking around Banff Trail lately, you will have noticed that in addition to all of the new housing, we also have new businesses taking root! Convenience stores, a nail salon, and a take-out pizza joint are just a few of the places opening their doors and sharing space with the businesses we already know. Because of the age of our community, we still see small commercial strips among the blocks of houses, particularly near the schools and community hall. Visit our new and pre-existing business neighbours and keep it local!

SCHOOL SHOUT-OUTS

Queen Elizabeth High School

We know that it has been a month since it happened, but we are just so thrilled for our Senior Girls Soccer team!

The Queen Elizabeth Senior High Girls soccer team was victorious in the City Championships on a cold, blustery and wet night in late October. Floodlights, hundreds of fans and two very evenly matched teams added to the tension and excitement. After going ahead, the girls found themselves 2-1 down but fought hard to grab an equaliser to send the game into extra time. After ten minutes, the issue was still unresolved, so the game moved to a penalty shoot-out. Astonishingly, Queen Elizabeth prevailed with the very last kick of the game. It has been ten years since the last championship, but it now sets a standard for the reigning champion boys in the spring!

Please join us for our Open House on December 11 from 6pm to 8pm. There will be light refreshments as well as entertainment from our school band. Then there will be an opportunity for parents/guardians and prospective students and families to meet the staff and administration.

December is musical theatre month! This year Queen E musical theatre students are proud to present Cabaret. Cabaret is a show full of urban drama and love. Taking place in Berlin in

1931, Sally Bowles is a well-known British performer at the popular nightclub, the Kit Kat Klub. There are lines of men who fall head over heels in love with her, but only one stands out for Sally—Cliff, an American author who has just moved to Berlin. Will Cliff provide the stability that an increasingly out-of-control Sally needs? In the same building in which Cliff lives, there are two old souls so perfect for each other, it might as well be destiny. The desire to be with one another is clear, but with the National Socialist party's increasing popularity leading to political turmoil and changing societal norms, they may be torn apart.

Come to the Cabaret at 6:30 from December 12 – 15, 2017 at Queen Elizabeth High School for an evening out to escape your worries. Please contact Mr. Philip Sword, the Musical Theatre teacher at QEHS, for ticket information and availability at pssword@cbe.ab.ca or call 403-777-6380. **Note: this show is not recommended for audience members under the age of 14.**

Queen Elizabeth High School is looking for volunteers to support small groups of students with literacy and numeracy skills. Volunteers will need a current police security clearance. Please stop by the main office for more details! If you wish you can contact Aimee Furey at alfurey@cbe.ab.ca.

Happy Holidays from Ward 7!

On October 23rd, a new City Council was sworn in to represent Calgarians. It is an honour to serve the residents of Ward 7, and I look forward to delivering on a shared vision for a more sustainable, progressive, and resilient Calgary.

On Election Day, Ward 7 boundaries changed. We say goodbye to departing communities and wish them the best of luck in Ward 4. Ward 7 welcomes Montgomery, University Heights, University District, University of Calgary, Tuxedo Park, and Winston Heights/Mountview. I am excited to work together to enrich all of our neighbourhoods.

It is also that time of year when we gather 'round the kitchen table to spend time with friends and family. We reflect on good fortune and happy times, as well as look forward to an even better 2018.

Sadly, not all of our neighbours will be as fortunate this holiday season. Whether due to the recession, loneliness, poor health, or other challenges, many Calgarians could use a kind word and a helping hand. Here are just a few of the ways we can help:

- Call 211 (www.ab.211.ca) to access social programs and services.
- Make a donation to a non-profit. For information on charities and their finances, visit www.cra-arc.gc.ca/charitiesandgiving/.
- Volunteer! From visiting seniors' centres to reading to children, you can make a difference. Call 211 to connect to volunteer opportunities.
- Start a conversation about poverty. To learn more about poverty in Calgary, visit www.enoughforall.ca.
- Learn what it feels like to live in poverty at www.makethemonth.ca; *Make the Month* is a simulation that shows how Canadians living in poverty face choices that make or break their monthly budgets.
- Watch for people in your neighbourhood who could use help shovelling snow and lend them a hand. You can recognize a neighbour's good deeds at www.calgary.ca/snowangels.

From the Ward 7 family to yours, we hope all Calgarians can enjoy a happy and compassionate holiday season.

Friends,

With December we have the official start of winter, but we all know winter started long ago here. It is of course a very busy month for us all. The year is coming to an end, so many things have to be finalized. And there are the holidays to prepare for and enjoy.

December also brings a busy legislative session to a close. We amended the Human Rights act to protect against age discrimination. It includes provisions which allow seniors-only housing to continue without violating the act. The minimum age cut-off would be 55. Existing age-restricted condominiums would be granted a 15-year transition period to provide affected Albertans with substantial notice.

I recently announced the first stage of regulations related to the Condominium Property Amendment Act. These new regulations are focused on condo buying. New protections include: more information for buyers at the time they make their purchase; the option to cancel a contract if the unit doesn't look like what were promised, or if their occupancy is delayed; new trust money safeguards for deposits; more information handed over from the developer to the first condo board after it has been elected by the owners; new inspection and enforcement powers for government to ensure developers are following the rules. The bulk of the new regulations focused on buying a condo will come into effect Jan. 1, 2018, with the remainder coming into force April 1. There is currently a survey available until November 10 at condo.alberta.ca for people to give input on the next round of condo regulations.

Looking ahead in December, the Triwood Community Association will be hosting their Christmas Market from 11-4 on December 3rd. They will also have a children's Christmas party on December 10th from 12-4 and an adult Christmas party on December 16th from 6:30-9.

Our office serves all the people of Varsity, Dalhousie, Brentwood, Banff Trail, University Heights, Montgomery, and Charleswood. Our team is available to talk to constituents about provincial government departments, programs, scrolls, and services. To find out more drop in, call, email, or check out stephaniemclean.albertandnpcaucus.ca.

I wish to take this opportunity to acknowledge and thank each and every one for your support. This past year seems to have gone by so quickly. It has been busy and full, with each of us in our own way having faced challenge, opportunity and change. It is by your actions and contributions that I am continually reminded of our collective strength in sustaining a sense of stability and "can do" philosophy. This is evidenced in the support and good work of people across our community, coupled with the achievements of our younger generations. I am inspired by the wisdom and inquiry of those 'young and old' who have visited my office or sent emails of concern or inquiry. Responding to hundreds of emails and meeting with numerous constituents have kept me apprised of your priority areas requiring attention. I appreciate your thoughtful comments and commitment to bring issues forward.

And now, December is upon us. This is such a special time of year—a month when millions of homes all around the world are decorated with Christmas trees, lights and candles. This is Christmas. It is a time of when we remember others, when we make extra effort to contact all those special people who quietly support us in so many different ways throughout our life. It is a time to slow down...to fill some of our days with fun, family, friends and festivity.

For me, this festival celebrates the birth of Jesus Christ. Over the years, Christmas has become a time of gift giving and rejoicing in peace. We have taken many customs from different places around the world and mixed them together to form our modern celebration of Christmas. But one tradition remains universal—the tradition of sharing and love, in fellowship and togetherness. It is in spreading the warmth in our hearts to touch the lives of others with joy and good cheer that the true meaning of Christmas unfolds.

I hope we can pause to consider our blessings often forgotten or taken for granted...take some time to think about and plan for a future that encourages opportunity, is sustainable and values family and community...where we can share ideas, listen, learn and preserve a quality of life we all hold dear.

I am truly honoured to represent you in the House of Commons. I will continue to work to the best of my abilities to be sure your voice is heard in government.

My family and I join in extending our very best wishes to you this holiday season. May the wonderful blessing of Christmas be with you throughout the coming year.
