## MESSAGE FROM THE BOARD

The BHCA Board has been busy working on some of the priorities set for the year, including working to finish the community art banner project with the City of Calgary, finalizing our 2017 operational and event budget, working on procedure documents that are long overdue, as well as engaging other community groups about potential projects.

Many Board members have also been busy attending free sessions to increase their skill set and meet other community volunteers from around Calgary:

- Board Basics, Volunteer Management, Green Space Planning (hosted by the Federation of Calgary Communities)
- Gaming Information for Charitable Groups (hosted by the Alberta Gaming and Liquor Commission).

Lastly, we are gearing up for all of our summer community events, starting with the Garage Sale Parade in early June (registration will start early May), Neighbour Day BBQ (June 17), Canada Day Event, Park and Plan & Stay and Play, and some Pop-Up BBQs. Watch upcoming banners for more information. If you are interested in helping out with any of the events, please email [bhca@beddingtoncommunity.ca](mailto:bhca@beddingtoncommunity.ca).

# April BASP Update

Summer camp registration is right around the corner and begins for the public on May 1. You can find our registration forms on our website ([www.beddingtoncommunity.ca](http://www.beddingtoncommunity.ca)) or by coming in and visiting us for hard copies starting May 1. We run an intensive 7 week camp starting on July 3 and ending August 18. The fees are a weekly cost that have all fieldtrips and before and after care included in the price. Prices will be available at the time of registration. We break the children into 2 age appropriate groups based on their last completed grade. Program 1 consists of children that have just completed K-3 and Program 2 consists of children that have just completed 4-6. This allows us to cater the activities and fieldtrips to interests and abilities for the age groups. We go on 2-3 off site fieldtrips a week and enjoy involved, creative,

and active theme days the other days. All of our times will be listed on the program calendars to indicate when your child has to be here by to be included in the day's activities. If you have any further questions in regards to summer camp, please e-mail us at [bhca.basp@shaw.ca](mailto:bhca.basp@shaw.ca) or call us at 403.295.8837x104.

We have also started our September registration process. If you would like to be added to our waitlist for this upcoming school year, please contact us through one of the avenues listed above.

We look forward to adding some new faces to our camps, so please don't hesitate to inquire!

## Message from the Calgary Board of Education Board of Trustees

As Trustees, we are passionate about public education, student success and the lasting impact education has in our community and on society.

We continue to welcome and support each and every student because it is the right thing to do. Every child is entitled to a great education and we know Albertans agree with us. We also know that this is a tough time for Alberta, and the economic struggles faced by our province are challenging. We do believe, however, that education is the best investment we can make in our future, our province and our children.

Protecting education means more than providing funding for student enrolment growth. Our system continues to grow, and with our students' learning needs as our focus, our school board simply does not have the capacity to absorb additional costs without directly impacting learning.

If you are interested in sharing your perspectives with your Trustee, please contact us at [boardoftrustees@cbe.ab.ca](mailto:boardoftrustees@cbe.ab.ca). To learn more about our ongoing advocacy efforts, please visit our website.

### Traffic Safety

Ensuring our students get to school safely is everyone's responsibility. Please be mindful of crosswalks, parking rules and speed limits when you are driving near our schools, especially during the morning drop-off and afternoon dismissal times. Our students' safety is at stake!

When I talk to families in Calgary Mackay Nose Hill, one thing that keeps coming up is the high cost of mandatory school fees. I know that every September it can be a challenge for families to get the funds together to get their kids out the door and into their schools. For families, this can cost hundreds or more. That's why I campaigned on reducing school fees, and I am proud today to give you an update on fulfilling this promise.

In the Throne Speech, the government announced the first piece of legislation that will significantly reduce school fees for families. Across the province, this will save families hundreds of dollars. This legislation will be implemented this spring, so that when your kids go back to school in September, your fees will be reduced. The fees will be reduced by an average of 25% across Alberta, with more work to do in the future. In Calgary parents with three kids will save an average of \$1,424.

I know that the downturn in the economy has taken its toll on many families. That's exactly why we support reducing school fees, starting with the instructional supply and material fees that school boards have charged. As well, we support removing busing fees for the children that are travelling to their designated school. I've heard from many of you how expensive these fees are and I am happy to share that the government is taking action to reduce them.

As the economy recovers, Albertans expect their government to help them through the downturn to make things better for them. Reducing school fees will mean one less thing that families have to worry about to make ends meet. I am proud to stand up for quality education and to make sure it's affordable for all families.

Please send me your personal stories on what reducing school fees will mean to your family. I will share them in the Legislature so that all Albertans know this is the right thing to do for our province. You can email us at [calgary.mackay.nosehill@assembly.ab.ca](mailto:calgary.mackay.nosehill@assembly.ab.ca), call us at 403-215-7710, or drop by the office at #106, 8220 Centre Street NE, beside First Calgary Credit Union.

As you know, my top priority remains the Alberta economy and jobs crisis here at home. I will continue to work hard on your behalf and demand that this government provide the relief and job creating policies that Albertans need in order to get back to work. That's why my colleagues and I created the Alberta Jobs Taskforce, in order to listen to Alberta employers and those who are out of work and convey their solutions directly to the federal government. The report, along with the 11 recommendations, is on my website at www.MichelleRempel.ca.

I would also like to bring your attention to two important upcoming events:  
 1) Town Hall Meeting – April 27<sup>th</sup> at 7:00 PM at the Berkshire Citadel (222 Sandarac Drive N.W.)  
 2) Career Services Event – May 13<sup>th</sup> starting at 9:30 AM at Foothills Alliance Church (333 Edgepark Blvd. N.W.)

For more information on both these events visit my website at www.MichelleRempel.ca

As always you can contact me at my office, about issues important to you.
