It just doesn't get better than this

OUR JOB IS TO KEEP IT THIS WAY

Your city employees want to start the new year with a big *Thank You* for appreciating our efforts in keeping Calgary clean and green. You gave our garbage and recycling teams a *97% satisfaction* rating last year.

And we'd also like to thank the City for reaffirming their commitment to keeping this service public — and saying *No Thank You* to a for-profit service that would have cost taxpayers *5-20% more!*

Here's to another great year, in Canada's greatest city.

February is here - the last full month of winter! We have some community groups that are optimistically looking forward to spring. Registration for Brentwood Outdoor Soccer opens February first and runs until the 29. Register early for a wider choice of volunteer shifts. The Brentwood Community Garden Group is gearing up for spring as well. Anyone interested in a plot in the garden should contact the Garden Bed Coordinator by February 22. The annual Seedy Saturday event is coming up in March, so all gardeners can mark their calendars. Details about all these programs can be found in this edition of the Bugle.

Speaking of gardening, the City of Calgary is bringing the ReTree program to Brentwood. This is a free program which will be run over three days beginning in March. The program was initiated to help communities recover from the tree loss following the snow storm in September, 2014. Registration for this program opens on the BCA website on February first. Details are inside.

We need you, neighbours; the BCA has two volunteer positions available. The first is Secretary to the Board of Directors. The secretary takes minutes at the monthly BCA meetings held the last Tuesday of the month except for July and December. The second is Community Cleanup Coordinator. The cleanup will be scheduled for a weekend in June and the coordinator will have plenty of community and City support. More details on these positions can be found inside.

There are plenty of community activities to enjoy while waiting for spring to arrive. Public skating continues until the end of March. Playgroup, Seniors' Teas, 55 Plus Bridge and Seniors' Scrabble are very active and welcome new members; check the articles inside for details.

Lastly, Happy Valentine's Day and Family Day everyone. To all those with children in school, have a pleasant break in the middle of the month.

We are Knitting for a Cause!

Your donations have helped us knit well over 500 sets of hats, mitts and scarves, as well as a variety of other items for young children in need. The group has donated to various causes including multiple schools throughout Calgary and Ronald McDonald House.

If you have any yarn, wool or knitting/crochet needles you would like to donate, please contact Erika, the Community Development Officer, at 403-452-5575. Thank you, Brentwood!

Join us on February 23 for Bingo

Join youth volunteers and community members to spend an evening of fun and Bingo with the residents of Carroll Place.

BCA Seniors' Tea News

By Dorothy Haerberle

Our December 17, 2015 Seniors' Tea was very busy with 46 music students from Captain John Palliser Elementary School entertaining us. They sang "The Night Before Christmas" arranged by Ruth Artman and "Solfege Santa" by C. Miller. The Hand Bell Choirs performed "We Three Kings", "The Huron Carol", "Angels We Have Heard on High" as well as a movement from the "Surprise Symphony" by Haydn and the "Fifth Symphony" by Beethoven. Students worked on these pieces for the past two months during lunch hour rehearsals. They were honoured to be able to perform for us at the Christmas Tea as we were delighted with their music.

We decorated gingerbread and sugar cookies and also enjoyed having the students with us. Thank you to Music Specialist Karen Neufeld and Grade 5-6 Teacher Sarah Walter for organizing and preparing for the event.

We would also like to thank all the volunteers who helped make the 2015 Seniors' Teas so successful and the Brentwood Community Association for making them possible.

Our next tea is February 25, 2016. We plan to make permanent name tags for everyone so it will be a crafty affair!

Brentwood News Community Mural Vandalism

By Lee Hunt

Sadly, our mural at the corner of Charleswood and Northmount Drives was badly damaged by vandals in late December 2015.

Many Bugle readers will recall that this mural was designed in 2005 by a Brentwood teen and that design in turn was transformed into reality by 42 local young people between the ages of 8 and 19. Many local residents and businesses plus the Brentwood Community Association, the City of Calgary, The Calgary Foundation, the Federation of Calgary Communities, Grassroots Calgary, and Urban Youth Worx contributed money, time, and food, to help create the mural.

Should you have any information regarding this vandalism, please contact Constable Dave Ladic (Deputy Graffiti Coordinator) at 403-428-8324 or call Crime Stoppers at 1-800-222-8477.

When the snowflakes start flying, the City and Calgarians come together to make the season safe, productive and enjoyable for all.

The City's Roads department works hard to plow, salt and sand roadways on a seven day priority schedule. The Parks department quickly clears designated multi-use pathways within 24 hours. Teams often work overnight to keep the greatest number of Calgarians moving safely. Keeping our roads safe for everyone is also a joint effort between the City and Calgarians. When it snows, make sure to give yourself more time to reach your destination, and leave a greater distance between yourself and the vehicle ahead of you. Please also be extra mindful of people walking and cycling, who may struggle more

in difficult conditions. Calgary.ca/snow is the one-stop shop for winter travel tips, the road conditions map, frequently asked questions, updates, and more.

Sidewalks are the responsibilities of adjacent property owners and must be cleared within 24 hours. Unfortunately, not everyone is able to clear her or his sidewalk. Keeping sidewalks clear of snow and ice can be challenging or impossible for seniors and others with limited mobility. Please consider becoming a Snow Angel and helping those who are less able. All you need to do is adopt someone's sidewalk and clear it as you would your own. Watch for neighbours who could use help removing snow and lend them a hand. Visit Calgary.ca/snowangels for more information.

If you have questions on snow clearing, need to report sidewalks, pathways, or roads that are not cleared, or want to recognise the work of a Snow Angel, please call 3-1-1.

News from the Friends of Nose Hill

We can preserve nature and foster biodiversity for future generations, by staying on designated pathways and trails in our parks, in addition to respecting wildlife habitat and their migration patterns. The long-range plans are to monitor and manage invasive species (weeds); reduce habitat fragmentation; and link important habitat areas in the city and region.

The city-wide Biodiversity committee has met and a website with agenda and minutes is in the works. In the meantime, digital versions of the 10-year strategic plan can be found on the City's biodiversity page at: www.calgary.ca/biodiversity.

Many of Calgary's existing open space sites, such as Nose Hill, Union Cemetery, Reader Rock Garden, Riley Park, Fort Calgary, and Inglewood Bird Sanctuary are in the category of Cultural landscapes. A major challenge is determining which method is most appropriate for the resource, with a view toward protection, preservation or conservation, and restoration.

Cultural resource projects may include some or all of the following:

- Protection: measures needed to guard against further damage or deterioration;
- Preservation: ongoing maintenance activities that preserve the historic appearance or features of the landscape;
- Restoration: the removal of later additions and the re-creation of missing elements

Of the 800 kms of city-wide pathways, City Council approved snow clearing for up to 350 kms. Generally, City Parks crews are to clear snow on pathways within 24 hours and on sidewalks adjacent to parks within 72 hours. Re: concerns about pathways in natural parks not being cleared, some trails/pathways are best used only in non-winter months. Due to the steepness of the slope or site conditions, there may be safety concerns for potential

pathway users and crews.

Environmentally Significant Areas (ESAs) are land with conservation value.

This applies to the river valley system, the urban forest, and natural environment parks. The land includes escarpments, natural grasslands, woodlots, and native pasture but also pertains to wetlands, natural bodies of water, and riparian corridors (along the river margins and banks).

There is an update on Open Space policy for recreational and environmental park spaces. Stakeholder consultation meetings with City Parks staff and industry began in February 2015. A final draft form of impact assessment for ESAs was debated by Council in early 2016. Planning and mapping guidelines are expected and a work program completed by March 2016.

BCA Volunteers

By Alicia Clifford

Another soccer season is just around the corner

Soccer registration is set to open on February first. Each child registered requires a parent or guardian to complete one volunteer shift/role to a maximum of three shifts. Currently, we have a number of shifts available for February and March 2016. The sooner you register the better the choice in shifts.

As a Community Association we rely heavily on volunteers to help us offset the cost of programs.

We often find ourselves having to hire out shifts during the months of February and March. This takes money away from the Community Association as a whole. Please consider registering early so we can minimize the financial impact on the BCA.

BCA Volunteer Positions Available

Sherri Dupas is stepping down from her long-time volunteer position of Secretary to the Board of Directors in June, 2016. If you are interested in this volunteer position, please email Linda at the BCA Office: brntwdca@telus.net. The Secretary's duty is taking minutes at the monthly Board meetings and at the AGM. The meetings are held the last Tuesday of the month at 7:15 and are approximately 2 hours long. There is no meeting in July or December.

Each year the Brentwood Community Association partners with the City of Calgary to host a Community Cleanup. The organized Community Cleanup events save residents a trip to the landfill for items that do not fit in their waste or recycling carts or for residents who do not have cart service. The Community Cleanup service is free of charge to all Calgarians.

The City of Calgary supplies three packer trucks with crews (two for waste and one for organic materials) and funds for advertising and promotion, gloves, garbage bags, food and refreshments for the group of community volunteers.

This year the Cleanup will be coming to Brentwood in June. The BCA is in need of a volunteer to fill the role of coordinator on the day of the event. The date will be booked and there will be help for the set up. If you are interested in helping with the Cleanup, please email Linda at the BCA Office: brntwdca@telus.net.

By Cynthia Sim,
Coordinator for Brentwood Community Garden Group

Winter is still with us, but as the daylight hours increase, there is a definite promise of spring – albeit we may yet receive a snowy blast, probably in May. However, gardeners are a hardy bunch and are rarely deterred by the vagaries of weather in Calgary.

February and March are busy times for planning which plants and seeds to try this season. The seed catalogues are out and those with indoor growing space are probably well launched by now. The choices are abundant with vegetables predominating, but with flowers also adding a welcome touch of colour, especially later in the season. The experienced gardeners in our group are a marvellous resource for those of us who are still relative newcomers in this area. They are patient and generous with their time and their advice; without them, the garden would never have flourished.

Every year, a Saturday in March is set aside as Seedy Saturday. This spring's event will be held on March 19, 2016, at Hillhurst Sunnyside Community Association, 1320-5-Avenue NW. This is part of a worldwide event celebrating open-pollinated seeds and is an attempt to keep "the skill of growing from seed to seed" viable in

the Calgary region. For further information, visit their website at seedysaturdaycalgary.shawwebspace.ca or on Facebook at [calgaryseedysaturday](https://www.facebook.com/calgaryseedysaturday).

For those interested in joining us, garden bed rentals for new members will be available on February 23, 2016. The contact person for the bed rentals is our membership coordinator, Cheryl Moller at cm.checky@gmail.com. For returning Brentwood Community Garden members who have not yet renewed their beds for the upcoming season, renewal begins on February 1. Beds not assigned by February 22 will be available for new gardeners.

Brentwood Elementary

By Devina Sharma, Brentwood School Council Secretary
Valentine greetings from Brentwood School! We look forward to another fun-filled month of learning and growing at our school. Our Grade 2 classes will be going on a field trip to Fort Calgary this month and there will also be an in-school performance of "The Steadfast Soldier" by Alberta Opera on February 24.

This year our school-wide Character Education has focused on answering the question, "What does it mean to be independent?". The activities in the beginning of the year focused on personal independence, helping students recognize the everyday problems that they are able to solve on their own. With our participation in the annual Mayor's Food Drive in December, students began working towards understanding how they, as individuals, can make a difference in other people's lives. In the coming months we will be continuing to focus on the link between independence and service.

We will be holding our annual School Carnival on Friday, February 19 from 6:30 pm-9:00 pm. This is always a big hit with the students and families of Brentwood School for an evening of fun and revelry! As always, we will encourage our parents to park around the perimeter of the school and field area to limit the inundation of vehicles being parked within the neighbourhood.

Brentwood School will be closed for Teacher's Convention on February 11, and 12, as well as on the February 15, for Family Day.

Friends,

January provided our office with the opportunity to further connect with our constituents. Our office was closed at the end of December and part of the first week of January, so that our staff could enjoy the holiday season with friends and family, and we hope you had the opportunity to do the same.

Throughout January, we were able to engage more closely with some of our community associations within the Varsity constituency. We had the opportunity to meet with members of the Dalhousie Community Association and the Brentwood Community Association. Over the next few years I look forward to every opportunity to engage more fully and frequently with our Community Associations, as they are the heart of community building and organization. We also had the opportunity to attend the University Heights Annual General Meeting. We find our Community Association AGMs very informative, as our office continues to build our knowledge of local community programming and services.

As we head into February we are all getting prepared to brave some of the coldest days of the year. This time of year can bring out the "blahs" in many folks, as we long for Alberta's sunny summer months. If any of you find yourself in need of a little extra support for your well being at this time of year I encourage you to reach out. Calgary has many fantastic resources such as the Distress Centre. As always, our office is happy to connect you with a variety of community resources, and can point you to free services and events to help you beat the winter "blahs".

As you may know, I will be welcoming a new member to my family as my husband and I expect our first son at the beginning of February. I want to take this opportunity to assure my constituents that my office and I will continue to serve the community throughout February and thereafter. I am looking forward to introducing each of you to my son when he arrives!

Stephanie McLean, J.D., M.L.A.

Community Program The ReTree Community Program is coming to your neighbourhood

Building strong and resilient communities together!

This new initiative is targeting 25 communities over the next three years. The choice of communities was based on factors such as fall 2014 storm damage, open canopy space and community interest. Trees will be planted on City owned property such as boulevards.

Free education programs will be provided for each host community. The dates for the BCA program are below. If you have questions about the ReTree Community Program, please contact 311 or visit Calgary.ca/trees.

ALL RETREE PROGRAMS ARE FREE!
PROGRAM REGISTRATION OPENS FEBRUARY 1, 2016

Pruning and Planting 101

March 22, 2016 7:00 pm, upstairs at the Brentwood Sportsplex (1520B Northmount Dr NW).

Demonstration plus Q&A with a certified City of Calgary Urban Forestry Technician. Learn about tree planting and pruning. This is a beginner to intermediate course. Participants will receive a take away with extra information and a surprise treat! Age Group: 18 and older.

To register go to the Program Registration page at www.brentwoodcommunity.com.

The Under Story

April 16, 2016, 9:00 am, upstairs at the Brentwood Sportsplex (1520B Northmount Dr NW).

Are you finding it difficult to grow anything under that tree in your back yard? Learn fun and successful ways to incorporate under story growth and/or other landscape techniques to rekindle your relationship with your mature tree. Age Group: 18 and older.

Nose Hill Library
1530 Northmount Drive NW

Book Truck

Calgary Public Library is adding two brand new mobile libraries to its list of 18 community libraries. The Book Trucks will make stops in communities throughout Calgary, starting January 2016. Each Book Truck will feature 1,800 books and movies for children, teens, and adults. All you need is a FREE Calgary Public Library card (you can even sign up for one on The Book Truck)! To view The Book Truck schedule, visit www.calgarylibrary.ca/booktruck.

To register go to the Program Registration page at www.brentwoodcommunity.com.

Stretch Your Roots Walk

May 28, 2016, 9:00 am, commencing at the Brentwood Sportsplex (1520B Northmount Dr NW).

This tour consists of three parts that intertwine throughout the walk. The tree ID and facts portion of the walk is where you learn how to identify native and non-native trees along with learning interesting facts about their biology and life cycles. Learn about Calgary's tree history and their benefits in Calgary's urban forest. The walk is fun and interactive along the way with tree bingo for the little munchkins, and a tree hugging exercise that gives you the opportunity to experience trees using all your senses. Age Group: all ages (children must be accompanied by an adult). The walk will be about 1.5 hours.

To register go to the Program Registration page at www.brentwoodcommunity.com.
