### CAMBRIAN HEIGHTS PRESIDENT'S MESSAGE

October will be a significant month for the City of Calgary with the civic election October 16. Cambrian Heights has been moved into Ward 4 and your Board will need to carefully monitor the platforms of those running in our Ward for Councillor. Advance voting runs from October 4-11 (excluding Oct. 9). We encourage all residents to vote for mayor, councillor and school board trustees and take an active interest in policies and issues in this election.

The Community Hall has witnessed an upgrade this summer towards establishing our facility as a full commercial kitchen. Once finalized this will allow increased usage of the kitchen and thereby expand the types of events that may be hosted at the Hall. This upgrade has been in planning and development for the past three years. Now is the time to generate ideas and programs that will develop its use potential into 2018 and 2019. Renting it out to commercial enterprises can add revenue for the Community but we hope its greatest use will be through community activities whether social, educational or charitable. If you have any ideas please contact us at [cambrianheights@gmail.com](mailto:cambrianheights@gmail.com)

At the end of September, we hosted a Canadian Wine Tasting experience at the Community Hall. This was the third such event since initiating the concept in 2016. Our next social event will be Saturday, October 28, where we will host at the CHCA Hall our annual Halloween Party for children of all ages with games, prizes for costumes, entertainment and food. Adults can enjoy beverages while watching the fun. Anyone wishing to help out may contact us at our email address above or call any of the directors. Further details will be forthcoming on our website [cambrianheightscommunity.com](http://cambrianheightscommunity.com).

Your community offers excellent facilities and the financial ability to promote social and educational activities for our residents. We have evening space available for community use. Our community always welcomes residents who wish to initiate new programs or join our Social Committee to bring new ideas for recreational or educational evenings. You need only commit time

to help organize and help manage one such activity a year. We have dedicated and experienced Directors to help guide and advise but need more members offering a little time once a year to help expand and improve our Programs and Events. Please contact myself at [president@cambrianheightscommunity.com](mailto:president@cambrianheightscommunity.com) or any other director for further insights into participation with our volunteer team. Without your participation, the programs and events cannot happen.

As announced at our Annual General Meeting the Community Membership fees will increase modestly in 2018 for all categories except for Seniors. This increase will bring us in line with neighbouring communities. Details may be found on the website.

The next meeting of the Board will take place Monday, October 2 at the Georgina Thomson building on 14th Street and Northmount Drive NW at 6:30PM. All residents are welcome to attend and share any concerns, questions or ideas you may have relevant to Cambrian Heights.

Remember Participation Builds Better Communities.

On Behalf of the Board;

*Daryl Connolly, President*

## Rosemont Community Goes Online!

**We are excited to remind everyone of Rosemont Community Association(RCA)'s new website:**  
<http://www.rosemontcommunity.com/>  
Please check it out. It is important that all Rosemont residents (not just RCA members) take a moment to register (by email address, Facebook or Twitter) so that we can be more effective at notifying you of upcoming RCA events and circulating important announcements about Rosemont to keep Rosemont residents informed. Please help us spread the word to everyone in the community. For those residents who do not have internet access, we will of course continue to try to reach them through other means.

A giant thank-you to all the folks who came out and helped us run our usually fantastic Rosemont Startup. I think our experiment to re-vitalize the Round-Up was a great success. First and foremost was a beautiful autumn afternoon that brought out a great crowd of new and old residents to mix, mingle and enjoy the day. The children's activities were a big hit with face painters, outdoor games, the bouncy castle, ponies, a firetruck and firemen to the delight of kids and moms and our favourite Rosemont clown, Button, who entertained all our little Rosemontians.

A huge debt of gratitude goes out to all the folks who helped make this such a fantastic Community event. Thanks to:

- Mark and Michelle Petros and Nick's Steakhouse for supplying all the hamburgers and hotdogs.
- Corinna Totino and all her volunteers from Families Matter, who provided all the kids activities
- Button for her always entertaining show.
- Calgary Fire department for bringing out their truck and crew to give the kids a real thrill of going inside a real firetruck.
- Kurt, Craig, et al, for manning the BBQ's.
- Diane and the gang that helped prepare all the fixings for the BBQ.
- DJ, Zach Blach (zach\_schijs@hotmail.com), who played a fantastic range of music that appealed to old and young alike
- And to everyone who helped clean things up...It takes many hands to pull something like this off, but because of all the great residents in Rosemont, we make it look easy...

The Rosemont School has undergone an extensive upgrade this summer with all the windows and siding being replaced. It now looks as awesome on the outside as it does on the inside!

Families Matter has now settled into the basement of the Hall on a full-time basis. They will be providing a full range of Programs for families on a variety of topics, all of which are open to residents of Rosemont. Please feel free to take advantage of this marvelous organization.

The City has created an interesting maze at the corners of Northmount drive and 14th Street. I am still waiting to see what the final product will look like, but so

far it looks like we will have a longer turning lane onto Northmount, which will work well until a bus tries to turn north onto Northmount Drive...Should be interesting...

Our community liaison officer with the Calgary Police service, Constable Denison, advised us at the last meeting, that there has been a brash of B&E along the 16th Ave. corridor. Although Rosemont has been quiet, he advises us to make sure we lock all vehicles at night, remove all valuables and advise police of ANY unusual people or vehicles around the neighbourhood. There has been reported a middle-aged man going door to door pretending to be a siding salesperson. He is not, and police are aware of this individual and are working to apprehend him.

Rosemont welcomed a very special, new resident this summer. A mother bobcat and her four kittens have been spotted at numerous places around our Community. In talking with the Fish and Wild Life folks, they say that the group poses no danger to humans, but people with small dogs and cats should be careful. So far, they have proven to reduce the rabbit population around Rosemont...Please be aware of these beautiful animals and treat them with respect.

Mark down these dates on your calendar for upcoming Rosemont events! We are looking for help in running some of these events so if you can spare a couple of hours to help, could you please drop a short note to me at kris@rosemontcommunity.com. We'll supply all the materials and planning, we just need bodies to help run things.

### ROSEMONT HALLOWEEN FAMILY Party - Saturday, October 28

We are splitting the day into two age groups:

For the little ones, ages 0 – 5 yrs: 2 – 4pm

For the older ghosts and goblins, ages 6 – 12 yrs: 6 – 9pm at the Hall.

Jacque will create another spooky haunted house in the basement...We'll have some games, arts and crafts, Halloween goodies, food and a spooky family movie that all can enjoy.

Come on out and enjoy a little Halloween fun in the comfort of the nice warm Rosemont Hall

### I would also like to invite all the residents of Rosemont to the Annual General Meeting

That will be held **Thursday, November 23** starting at 7 pm.

We will be fresh out of our civic election and we will attempt to have our elected councillor and some representatives from the City will be there to review the upgrades to Confederation Park and anything else of concern to Rosemont residents. We've also invited our MLA Craig Coolahan, to come out and update us on the going's on at the legislature. Our favourite police liaison, Constable Denison, will update us on any criminal activity in the area. And we'll also invite the new principal from Rosemont School to give us an update on everything that is going on at the best school in Calgary.

We have seen a number of new faces move into the Community this year. I would encourage all original Rosemont residents to invite some of their new neighbors to come out to the AGM and meet the rest of the neighborhood.

Another note: our development review committee has been extremely busy this spring with many building and development permits being reviewed. We have noted that although the Rosemont Community reviews and comments on all permits that we receive, unless the permit requires some relaxation of the bylaws, the Community is very limited in its ability to alter a construction permit.

**It is essential for all neighbours who see a building or development permit notice on a property near them to make note and submit any comments and concerns to the city and to the Rosemont community.**

We would like to remind folks to keep track of what's going on in Rosemont by following our new website: <http://www.rosemontcommunity.com/>

Albertans, we need your input!

The Government of Alberta is launching a review of the Province’s occupational health and safety system to improve workplace safety and better protect Albertans.

Alberta’s Occupational Health and Safety (OHS) Act sets the minimum standards for workplace health and safety, and outlines the roles and responsibilities of employers and employees. While there have been small changes over the years, the act has not been thoroughly reviewed since 1976.

The review will examine the OHS Act, as well as compliance, enforcement, education, engagement and prevention efforts in Alberta’s OHS system. The review is organized around three principal themes:

- 1. Responsibility:** how is responsibility for OHS shared among worksite parties? Who is responsible for promoting health and safety culture, implementing best practices, and developing worker and employer self-reliance?
- 2. Worker engagement:** how do we address the right of workers to know about all workplace hazards they may be exposed to in their workplace? How should we address the right of workers to participate in decisions related to workplace health and safety, free from reprisal? And how do we balance these with the right of workers to refuse unusually dangerous work?
- 3. Prevention:** how should data and information inform appropriate actions? How should programs be developed to build public awareness and knowledge for prevention purposes? And how might partnerships between government, industry, workers, WCB and health and safety associations work best?

Along with an online survey and written submissions, the review will include roundtable sessions with employers, employees, academics and health and safety associations.

You can participate in the review by completing an online survey at [alberta.ca/ohs-review](http://alberta.ca/ohs-review) and by sending written comments or submissions to [lbr.review@gov.ab.ca](mailto:lbr.review@gov.ab.ca). Submissions will be accepted until Oct. 16, 2017.

As always our office is happy to hear from you, and may be reached at [calgary.klein@assembly.ab.ca](mailto:calgary.klein@assembly.ab.ca) or 403-216-5430. I’ll be available for the next *Coffee with Craig* at the Velvet Café (502 25 Ave NW) on November 11<sup>th</sup> from 10am-12pm.

**Not All Corporations Are Big**

My office has been inundated with hundreds of letters from Calgarians upset with the proposed changes for private corporations. Canada’s tax system should be fair and equitable for all. However, I am concerned that the Liberals’ proposed tax changes will make it harder for Canadians to get many critical goods and services.

Private corporations are a popular tax arrangement for business owners, such as farmers, doctors, lawyers, engineers and other independent professionals. They limit their and their family’s liability from the financial risks they undertake in their professions. They also help facilitate a savings method for those who do not have formal group pension plans. This legitimate tax structure has been in place for many decades and has proven to work well.

By incorporating, a person is able to create a separate legal entity to operate under and have their revenue, expenses and assets treated separately from their income. This makes sense as the money you pay to your dentist, for example, is not entirely their income. It is revenue that pays for staff, business expenses, insurance, rent, etc. Only after those expenses are paid does your dentist draw a salary from the corporation which is taxed the same as you and I. If they leave profit in the corporation, they do not pay tax on it now, but will pay tax on it later when they draw the income (likely in retirement).

Some are facing a three-fold increase in their tax rates and this drastic increase could drive many professionals out of their professions and many out of Canada.

I am concerned any changes will make it harder to find a family doctor and increase wait times; make local meats and produce more expensive; and discourage young Canadians from starting their own business. We know government spending is at an all-time high, but hitting key parts of our community and our economy with dramatic tax hikes is not the answer.

# News from the Friends of Nose Hill

by Anne Burke

Over the past few years, a number of projects were done in Nose Hill Park as part of the implementation of the Nose Hill Trail and Pathway Plan. The controversial plan was approved by Council in July 2005 and construction began in 2006, with asphalt paving. Project plans are on the city website and there is a map with an update on our website.

Construction activities continue and focus on the following work:

- Building primary (gravel) trails, timber landscape stairs for problem grades, and stabilized tread (dirt - single track) trails.
- Other options are to re-vegetate trails naturally, ploughing a trail to a shallow depth, and reseeding. The length will be decided in the field, depending on the sightlines, and to the satisfaction of the City Project Manager.

One of our members said: "I hope all is in order but I was alarmed to see a backhoe parked above Charleswood and John Laurie, south of the gulley from Brisebois Drive. I hope there is no plan to pave or gravel that path along the ridge crest. We have so many paved and manicured paths already on the Hill."

Here is an answer from the Zone 3 Parks Superintendent to the Ward 4 Councillor. "The backhoe is being

used to construct the formal gravel trail that is on the attached construction drawings in a little square. It will be a designated trail replacing a worn desire line trail. The construction of the stairway and designated trails have gone as planned this year and look great."

Just a reminder: Nose Hill Park is a natural environment park, so please respect wildlife and plants. Do not pick the flowers or they will not be there for future park users and stakeholders.

In 2012, Council approved the *CalgaryEATS!* plan developing a field guide of wild urban edible plants in the area. Since many members of the public are already foraging in our green spaces, this project provides the opportunity to increase public education around wild harvest, while promoting safety, sustainability, and environmental protection.

This field guide will have information on urban food foraging, such as how to identify urban edibles, places where foraging can be practiced (details still to be worked out), how to prepare wild edibles, and avoid non-palatable or poisonous look-alike species.

# KIM TYERS

PUBLIC SCHOOL BOARD TRUSTEE

### Dear Community Member,

Hello, my name is Kim Tyers, and I am running for school trustee in this fall's municipal election.

As a parent and community arts educator, I have a solid understanding of the current structure, as well as what families need and expect from their school system.

It's time for change.

Calgary should have the best public system in the province; I will work diligently to make that happen, using my three platform values:

### TRUST

- You were promised a high school in Northern Hills in 2004. With no progress in 13 years, it's time local youth had a high school of their own. As trustee, I will make a motion to ensure the Northern Hills High School is a priority. I will foster the provincial and municipal relationships required to push for this to become a reality.
- I will build trust through openness and accountability; you will have a voice and you will be heard.

### TRADITION

- Education's foundational focus should be the traditional core classes that have been proven, time and again. CBE studies show that our math scores are declining.
- We need input from our community members to build a strategy to tackle this head-on.

### TRANSPARENCY

- Using democracy and discourse to face the issues that arise, I will stand up for my constituents, while supporting my colleagues as they do the same for theirs.
- As an independent voice, I will make rational yet compassionate decisions to deliver the best solutions for students.

Visit my website [www.kimtyers.com](http://www.kimtyers.com) to learn more about my vision for public education in Calgary. You can also contact me via email, social media or my website.

I look forward to hearing from you and am excited to work together to build a better future for our children.

Kind regards,
