Asado and Open Mic

Our first attempt at trying something new was a great success despite the scramble to bring everything indoors to escape the cold. We brought Latin American cooking into the heart of Cambrian Heights which, quite literally, warmed us on a cold and drizzly day. Inside, musicians of all ages amazed and entertained us with their talents. We were sorry to have to bring it all to an end!

Along with Cambrian Heights residents, guests from Mount Pleasant, Highwood, Cambrian Heights Baptist Church and beyond, lent more than just a hand to bring this event to life—they were the heart and soul of this event. Thank you for your generosity!

Salsita Mexican Food Market and Barbecues Galore supported our event with handmade salsas, fresh corn tortillas, the essential fire pit—and at the last minute—a canopy to keep the rain off our heads. We hope to collaborate with them more in the future.

Our first ever Asado BBQ and Open Mike Event on September 22 was a tremendous success. Asado is a Latin American term for a social gathering involving open fire and fresh grilled food. Despite cold weather that eliminated the outdoor children's activities, over 150 residents and neighbours attended the event held inside the Community Hall. Councillor Chu attended the event on behalf of the City. A pig and lamb were roasted outside as well as corn on the cob supplemented by various Latin American vegetables, sauces and spices. A special thanks must be handed out to sponsors Salsita Mexican Food Market, Barbecues Galore and Glenn Pickard for his welding, cooking and music skills. Live music was provided by local community residents and continued playing well into the evening. Also, we must recognize Jodie Dixon and Pablo Policzer who organized the event and recruited a large volunteer base for the evening. We thank all who participated and hope to make this an annual event. I have included some pictures from the event.

On September 29th, the Community Hall hosted a Scrapbooking Workshop which was very well attended and much appreciated by all attendees. Put on by Valerie Kapsha, it raised \$2,000 for Calgary Reads. For information on any repeat of this event please contact vkapsha@telus.net.

By the time this letter is published in the November community newsletter, we will have hosted our annual Halloween Party and Dance on October 27th at the Community Hall. As usual there was a DJ providing music for the children as well as pizza, treats, best costume prizes and other fun activities. This has always been a popular family event and I hope you took the opportunity to participate.

We also encourage all residents to take advantage of the early evening programs at the Community Hall. We have Yoga every Wednesday evening from 7-8, Jazzercise Monday & Wednesday 5:45-6:45PM, Fun & Fitness Tuesday evenings (check website for times) and Piloxing Thursday 6:30-7:30PM.

A list of currently scheduled fall events at the Community Hall are as follows:

Christmas Trade Show	Nov. 3
Lego Contest	Nov. 17
Sugar Craft Guild	Nov. 24

The Christmas Trade show is being put on by the Cambrian School Parents as a fundraiser for the school. For more infor-

mation please contact kristasteinke@live.com. The Lego contest will involve the theme of Science and Technology. This is the second time around for this Event which was well received last year. For more information see our website at www.cambrianheightscommunity.com or contact Nancy Else at nancy.else@gmail.com.

We are also hosting a Sugar Craft Guild Event on November 27. The Guild promotes the art of sugar crafting and cake decorating. For more information please contact Krista at calgary-sugarcraftguild@live.com.

Please check our website for updates and details of all events. Volunteering for setup, takedown or general assistance is an excellent way to make sure such events continue and to meet other members of the community.

From the Planning and Development perspective there has been an increasing amount of new developments within the Community over this year, especially in the southern portion. We expect this to continue and reference you to the website for information on procedures as well as contacts within the Planning Committee for your Community. We encourage everyone to get involved as this re-development of our Community takes place.

We continue to be urgently in need of the following part time volunteer positions:

- Secretary for Board & Annual General Meetings
- Social Activity Organizers
- Planning & Development Committee Members
- Casino Fund Raising Organizer

Job descriptions and experienced past directors are available to guide and ease the transition into community service. For more information please contact president@cambrianheightscommunity.com.

The next meetings of the Board will take place December 3 and January 7. All residents are welcome to attend and share any concerns, questions or ideas you may have for our community. These meetings take place at the Georgina Thomson City building on 14th Street and Northmount Drive at 6:30 PM.

Remember Participation Builds Your Community.

The featured topics at this year's AGM will include:

- Report from Councilor Sean Chu
- Report from our MLA Craig Coolahan
- Goings on at the Hall (Upgrades, Families Matter, Environmental Committee)
- And generally assess the state of health of the Rosemont Community.

Come out and be a part of keeping Rosemont such a great place to live...

ROSEMONT PRESIDENT'S MESSAGE

I get to start this report with wonderful news about our beloved dog park. After significant opposition from Rosemont and Cambrian residents, the city has withdrawn its application to annex it as part of the cemetery. This is wonderful news and couldn't have happened without your help, so THANK YOU to everyone who wrote letters, attended open houses and spread the word. I want to also thank the Parks Department for listening to our concerns.

I would like to thank Hanna Cedergren, Sara Stephenson, Jacquie Brennen and all the fantastic Rosemont School volunteers who put on our fantastic children's Halloween Party! The hall was decorated up fantastically and everyone had a spooky and wonderful time... Thanks to everyone who helped make this such a success. We can't do it without volunteers like you.

I would like to invite all the residents of Rosemont to the:

ROSEMONT Annual General Meeting

That will be held
Tuesday November 20
starting at 7 pm.

We will review the activities that have shaped our Community over the past year and try to look at what the next year holds in store for us.

In attendance will be our MLA, Craig Coolahan, to help provide an update from the legislature.

We have also invited our Ward 4 Councillor, Sean Chu, to provide us with updates from city hall and any news impacting Rosemont and the community at large. Our great city rep, Aaron, will be there to review any concerns or questions people may have with City hall.

We've invited our new principal from Rosemont School to give us an update on everything that going on at the best school in Calgary and our police liaison will update us on any crime stats for the area. We will have Corinna from Families Matter give us an overview of the Rosemont programs and how the first year in their new home has gone.

We have seen a number of new faces move into the Community this year. I would encourage all Rosemont residents to invite some of their new neighbors to come out to the AGM and meet the rest of the neighborhood. We will use the same informal format we used the past few years, which I thought worked very well.

Speaking of neighbours, catch up with yours at our monthly community tea. Held from 10am-12pm on Nov 16 and Dec 14. Bring a little goodie to share if you can, if not just bring yourself.

For information call Jean Blackstock at 403-284-9825 or 403-305-9447 (transportation available).

You may have seen (or may see) some friends of Rosemont going door-to-door with our membership drive. Be sure to say hi and sign up for your annual membership. You can also use the form included in this newsletter (bring it to the AGM) or sign up online (RosemontCommunity.com).

With the early blast of October snow we got, we are hoping that our outdoor rinks will have a great start to the year. We are calling on any interested people to come down to the Rinks any Monday or Thursday nights after November 12 after 8pm. We start by making a frozen base, which usually requires going every night for a couple of weeks until we can start making the good ice. This is of course weather-dependent but look for signs of life out on the rink and come on out and help us make the best outdoor ice in Calgary!

In addition to our newsletter, we have lots of ways to stay connected:

- Visit RosemontCommunity.com for all information such as hall rental info, events and membership signup
- Sign up for email reminders of upcoming events on our homepage
- Follow us on Twitter @RosemontYYC
