Halloween Safety

The members of Calgary's Halloween *Partners for Safety*: Calgary's Child Magazine, EMS, Calgary Police, Fire, 9-1-1, Bylaw, Transit, and Shaw Communications would like to remind parents and trick-or-treaters of some Halloween safety tips, as October 31st approaches. *Partners for Safety* vehicles will be out patrolling communities on Halloween night to provide a visible safety resource for parents and trick-or-treaters.

Trick-or-Treaters

- Remember: all regular pedestrian rules still apply. Be sure to cross the road at marked crosswalks, or well-lit corners only. It is safest to work your way up one side of the street, and then cross once to the other side.
- Stay away from houses that are not well lit. Do not accept rides from strangers, or enter any home you feel is unsafe.
- Let your parents know where you are going to be at all times (route) and advise them if you will be late returning.

Costumes

- All costume accessories, such as sticks, rods, or wands, should be soft and flexible, with no sharp edges.
- Consider using hypoallergenic make-up kits instead of masks that may impair breathing, or vision.
- Be sure costumes are loose enough to be worn over warm clothing, but not so long that they become a tripping hazard. Costumes should not be longer than your child's ankles.
- Ensure your child is wearing adequate foot wear that takes into consideration weather conditions and walking.
- Consider sending your children with a flashlight for additional safety and increased visibility.
- When purchasing, or making costumes, look for materials and accessories that are labeled flame-resistant.
- Choose bright colored costumes that are highly visible. Adding reflective tape to costumes further increases visibility.

Parents

- Be certain that young trick-or-treaters are accompanied by an adult. Older children should stay in groups.
- Advise children not to eat anything until they return home. Dispose of any items that appear to have been tampered with, or that are not properly wrapped.
- Pre-determine boundaries to trick-or-treat within and establish a firm time to return home.

STEP INTO FALL

Are you thinking of becoming more active?
The University of Calgary is recruiting volunteers for a 12-week physical activity study.

To participate you must be:

- 18 years of age or older
- Exercising less than 3 days per week
- Have internet access

You will be asked to wear a pedometer for 3 months, log your activity onto a website, and complete 3 questionnaires.

By completing the 3 questionnaires you will receive:

- A pedometer (\$25 value)
- \$10 gift card
- Prize draw entry for \$1000 gift card

To participate contact:

Ethics ID: REB15-2944
This study has been approved by the University of Calgary Conjoint Health Research Ethics Board.

Gardening by the phases of the moon

October 8 First Quarter (waxing)

Moonlight is strong, encouraging leaf growth. It is a good time for planting, especially two days before the full moon. Take cuttings from plants you wish to propagate. Fertilize as close to the full moon as possible.

October 15 Full Moon (waning)

As the moon wanes, the energy is drawing down. Strong gravitational pull but moonlight is decreasing putting energy into the roots.

October 22 Last Quarter (waning)

Decreased gravitational pull and moonlight. A resting period. Take cuttings from plants you wish to propagate. Dry herbs, flowers and fruit. If you want to control growth or encourage rooting, perform the necessary activities during the waning moon.

October 30 New Moon (waxing)

Increasing moonlight, lunar gravity pulls water up encouraging plant growth and proliferation. Grafting, transplanting, re-potting, and watering. Gather herbs used for essential oils. Oil content is more concentrated at this time.

Keeping your Pet Safe

Happy October!

It's hard to believe but Halloween is just around the corner! Soon the streets will be flooded with little ghouls and goblins looking to fill bags full of sweet treats. Halloween is a great opportunity to meet your neighbours, admire some creative costumes and, of course, enjoy the occasional mini chocolate bar!

While Halloween is a fun time for people, it can be a scary time for pets! The strange visitors, ringing doorbell and unusual costumes may cause stress or even frighten a family pet. Just as families must take safety precautions to ensure a safe and happy Halloween for children, pet owners should be mindful of safety during the festivities. To make sure Halloween is fun for the whole family, Calgary Humane Society wants to remind you of a few safety tips for your pets!

1. Keep candy out of reach of pets! Chocolate, artificial

sweeteners and certain types of nuts are toxic to animals.

2. Set up a safe space! Setting up a room with your pet's favorite items in a quiet area of the house will help to block out some of the stressful aspects of the holiday.
3. Leave Fido at home. Including the family pet on trick or treating may seem like fun, but strange costumes and fast moving children could cause your pooch a lot of stress.
4. Put a sign on the door asking trick or treaters to knock, especially if your pet reacts to the doorbell!
5. Be cautious with your costume, especially if your pet is easily frightened. Consider setting your pet up in a safe space before getting changed into your festive duds.
6. If your pet is dressing up, choose a costume that does not restrict your pet's airway or movement. Keep dress-up sessions short and watch for signs that your pet is becoming annoyed with their costume. Most pets do not like costumes so if you must dress up your pet, consider snapping a few photos and removing the costume right away.
7. Do not allow your cats to roam. A popular myth is that cats can fall victim to foul play on Halloween. While we have not seen that occur in Calgary, roaming cats can fall victim to the increased traffic or may become lost if they are frightened by all the little ghouls and goblins collecting candy.
8. Looking for more tools to help a stressed out pet at Halloween? Contact our FREE behaviour helpline at 403-723-6019 to speak to one of our behaviour consultants about different products and strategies that may work for your pet.

From all of us at Calgary Humane Society, have a safe and happy Halloween!

COUNCILLOR, WARD 2

JOE MAGLIOCCA

403-268-2430

Joe.Magliocca@calgary.ca

Calgary.ca/ward2

Facebook: Joe Magliocca • Twitter: @Joe_Magliocca

I would like to take this opportunity to wish residents of Ward 2 a Happy Thanksgiving. In spite of the economic challenges we face in both our city and province, as Calgarians we still have much to be grateful for.

This year's construction season is wrapping up and despite the many delays due to our wet summer, many infrastructure enhancements and community improvements were complete throughout the communities in Ward 2. Some of these improvements include:

- Stoney Trail / Sarcee Trail NW Interchange upgrade – to be completed by year end.
- Twinning of 112 Ave west of Sarcee Trail NW – to be completed by year end.
- Crowfoot Way NW Enhanced Crosswalk Markings & Rectangular Rapid Flashing Beacon (RRFB).
- RRFB for Crosswalk at Arbour Lake Road NW & Arbour Crest Drive NW.
- Re-development of the pathway under Symons Valley Parkway NW.
- New pathway at Robert Thirsk High School.

For Sage Hill and area transit riders Route 429 has been extended from the current terminus in Sherwood to the Sage Hill transit hub just north of the Sage Hill Walmart. This change will provide a new connection from the Sage Hill and Kincora area to the northwest LRT, as well as provide connections to Route 425 and the north central area of the city. It will also help connect the newly emerging shopping centre to surrounding communities.

Joe's Tip:

Halloween is coming up and with children excited and in costumes, please remember to slow down and be especially cautious in residential neighborhoods and around playground zones.

News from the Friends of Nose Hill

by Anne Burke

This year is North Haven's 50th anniversary. One of the seniors interviewed for a video said he led the committee of surrounding communities that lobbied the city for park status. As a result, we were asked for any information about Nose Hill, when it became a park.

Nose Hill Park is a natural environment park that lies in the northwest part of Calgary and is surrounded by 12 residential communities. We are often asked about its history and documents are posted on our website at www.fonhs.org. Here is an excerpt:

In 1858, Captain Palliser noted that the Blackfoot referred to Nose Hill as their wintering hills because it was a winter grazing area for the buffalo herds, since the frequent winter Chinooks kept the grass clear of snow. The area around the hill was mostly used for dairy farms, while the pla-

teau was grazed. The land has been subject to speculation since before World War I. "The Great Prairie Fire of 1944" put an end to habitation on Nose Hill. Its rich supply of gravel began to be exploited in 1961, when Calgary began to grow.

The Calgary Municipal Airport was constructed in the northeast corner of the city in the late 1950's. The runways were oriented north-south and east-west. Nose Hill was on the flight path of the latter, so it was necessary for the Federal Department of Transport to impose a development ban on the area. This forced some farmers on the hill to relocate. In the late 1950's, much of the suburban sprawl occurred in the area to the east and south-east of Nose Hill. Purchasers of homes in these developments were told that they would always have the open space of Nose Hill adjacent to their communities. In 1960-61, the Calgary Winter Club proposed that they be allowed to develop a golf course on the top of the Nose Hill but this idea was rejected by the Calgary Planning Commission, because of the caveat imposed by the Department of Transport. Communities that developed later in the 1960's to the south of Nose Hill were unaware of this caveat, which was dropped when the jet replaced the propeller airplanes. Indeed, some residents nurtured the ambition to own a house on top of Nose Hill because of the fantastic view that it afforded of the city, the foothills, and the mountains.

A Safety Management System (SMS) is all about managing the safety interaction you have with your workers. It's an overall strategy to help you communicate information on hazards and best practices in your workplace so you can develop a stronger, lasting culture of safety within all stakeholders in your organization.

Trivia

Jack-o'-lanterns originated in Ireland where people placed candles in hollowed-out turnips to keep away spirits and ghosts on the Samhain holiday.
