FROM THE BOARD

ECCA Members Discounts

“Show your Card and Save”

The ECCA is running a “Members Discount” Program.

Our Business Members have graciously extended special offers for card carrying ECCA residential members. This program was newly launched earlier this year, and will continue to grow as we partner with more local businesses.

We invite you to check in regularly for offers on our community website <http://www.eccacalgary.com/business-directory/ecca-members-discounts/>

The ECCA is continually striving to increase the benefits and value of holding a current residential membership. 100% of membership fees go towards community programming and future development projects.

RESIDENTIAL ACCESS MODIFICATION PROGRAM

Albertans benefit from a generous Residential Access Modification Program (RAMP). Under this program, eligible Albertans of all ages who use wheelchairs and seniors who use four-wheel walkers can apply for the RAMP grant throughout the year, to make modifications such as door widening, flooring changes, porch or stair lifts, exterior ramps and bathtub door inserts. The grant is available to modify their primary residence to be more accessible, regardless of whether they rent or own the property.

In May 2014, Residential Access Modification Program (RAMP) funding was increased to better support lower income Albertans with mobility challenges in achieving greater independence at home. The maximum grant available has been increased to \$7,500.00. In addition, both new and previous applicants may qualify for multiple RAMP grants totaling up to \$15,000 in a 10-year period.

To learn more about RAMP, please contact my office at [403.215.7710](tel:403.215.7710).

Multi-family Recycling is Coming to Calgary

If you live in an apartment, townhouse, or other multi-family complex, on-site recycling is coming soon!

Council has approved a bylaw requiring multifamily complexes to provide on-site recycling for residents by February 1, 2016.

Recycling companies can provide collection and processing. The City of Calgary will provide communication, education and monitor compliance.

To learn more about multi-family recycling, visit www.calgary.ca/multifamilyrecycling, or contact 311.

Graffiti Prevention and Resources

Graffiti is vandalism and it hurts everyone. Its presence suggests to vandals that residents don't care about their community.

Graffiti is defined as words, figures, letters, drawings or stickers applied, scribbled, scratched, etched, sprayed, or attached on or to a surface. The markings may appear on any surface, including walls, fences, mail boxes, newspaper vending machines, signs, utility boxes, roads, sidewalks and windows.

"The Broken Windows Theory" has proven time and time again that graffiti will attract further vandalism and crime if not addressed. This theory is based on the premise that if disorderly behaviours such as graffiti and littering are left unchecked in a community, they invite more serious crime and disorder.

- If you see graffiti in progress, please call 911
- Record graffiti that you see in your community.
- Report the recorded information to 311.
- Remove the graffiti within 72 hours if it is on your property.

The following are some tips on how to protect you and your property from being victimized by graffiti:

Fences, Hedges and Plants

- If you are installing a fence consider staggering the fence posts so there is not a smooth canvas for a vandal to write on.
- Use fences, rails and other barriers to discourage through traffic in areas where graffiti could be an issue.
- Plant a hedge, this will give you privacy and doesn't leave a canvas for a graffiti vandal.
- Put in shrubs, clinging plants such as ivy, or plants with thorns to protect exposed walls. This will break up the writing space and make it harder for vandals to paint the wall.
- Trim trees or bushes that block the public's view of potential targets and vandals.

Lights

- Install motion-detector lights at the rear of your property; this will make vandals feel exposed but not give them continuous light to work by and can prevent "show casing" the graffiti.

Paint

- Talk to your local paint store about applying a transparent coating to make graffiti removal easier.
- When painting, choose paint colours that are darker and keep leftover paint for touch-ups.

Keep up the Neighbourhood

- Keep your property in good repair and free of vandalism. Graffiti and other forms of vandalism left on properties are open invitations for more, not just on your property but on your neighbour's as well.
- If graffiti does appear on your property, try to remove it within 72 hours, this will significantly decrease the chance of it reoccurring.
- If the graffiti is not on your property, please do not remove it yourself. Please record and report graffiti you see on a neighbour's house, fence, schools, parks, bus shelters, etc.
- Encourage your neighbours to watch for and report graffiti vandals.

Resources

- Discounted colour match paint and graffiti removal supplies available at your local Cloverdale Paints or ICI paint stores.
- Corporate Coordinated Graffiti Abatement Program (CCGAP):
 - If you are not able to remove the graffiti yourself, the City provides limited graffiti removal services free of charge. Go to www.calgary.ca/animalbylaw services and click on Graffiti and Our Services for more information. Graffiti removal tips are also provided on this page.

Residents can also call 311 to get a Community Standards Logbook. This pocket-sized booklet is free of charge and outlines potential bylaw infractions that citizens can watch for. It provides important information about how to report problems, log pages to record details and steps that will be taken after infractions are reported.

Community Cleanups: Information can be found at www.calgary.ca/cleanup

If we all strive to be more proactive, we help to ensure that all Calgarians live in safe, healthy and vibrant communities.

New look. New library. Free membership.

We are so excited to welcome you to our new website and catalogue. Explore what's new and improved, and let us know what you think! The new site address is www.calgarylibrary.ca.

Some of the new features include:

- Searching the catalogue has been improved to make it easier to find what you are looking for
- You can log in with your username once your new account is registered
- There are many new ways to discover great things to borrow, as well as our library services, programs, and events
- You can keep track of things you want to borrow by using lists, and you can share your comments, reviews, and lists with other library patrons

Also, as of January 1, 2015, memberships for everyone are free. That's right! Chief Executive Officer, Bill Ptacek, unveiled the library's new visual identity and announced that, with the extensive service and system changes in progress, Calgary Public Library is well on its way to becoming the world's best public library. Come visit us at Country Hills Library and ask our friendly staff to help you wonder, seek, discover and share.

CALGARY BOARD OF EDUCATION BOARD OF TRUSTEES

Website: <http://www.cbe.ab.ca> • Email: boardoftrustees@cbe.ab.ca

Health and Wellness at the Calgary Board of Education

The Calgary Board of Education knows that students who are healthy and feel safe learn best. Our schools play a key role in working with students, families and communities to create vibrant, physically and mentally healthy schools.

We are committed to doing everything we can to promote student health in our schools, including, creating strategies to foster safe and caring school communities, taking a whole-school approach to health, following the Alberta curriculum, and by working together with community partners to support students' health and wellness needs.

At the CBE, we believe in a whole-school approach to health and wellness. We call this our Comprehensive School Health (CSH) approach and it includes active living, supportive social environments and positive mental health. As a system we focus on the following four areas:

- healthy eating
- healthy relationships
- physical activity
- positive mental health

Every school is asked to create its own set of goals related to these four areas of focus. To support the schools in reaching their goals, the CBE has many different programs, partnerships and strategies to support our schools in creating healthy communities.

Students, staff and school communities have the shared responsibility of cultivating environments that welcome everyone and provide opportunities to thrive in life and learning. Since no two schools are the same, this looks different in every school.

The Board of Trustees are proud of what our schools have done and continue to do to create healthy, safe, positive, inclusive, and welcoming environments that support and respond to the needs of students and staff.

We welcome your comments, feedback and questions. You can contact the Board of Trustees at boardoftrustees@cbe.ab.ca. Follow the Calgary Board of Education on Twitter @yycbedu.

Nine Tips to Bring Your Lost Pet Home

Warm spring weather brings an increase in lost pets. At Calgary Humane Society, one of our roles is to make sure lost pets find their way home! If your pet has gone missing, here are a few tips:

- 1. DON'T PANIC!** As scary as it is to find your pet missing, the most important thing you can do is remain calm. Stop and take a few deep breaths. Examine the situation and think about what may have happened. Once you have some ideas, start making a plan. If your pet has been gone for a very short time, it may make sense to go looking and calling for them. If they've been missing for a while, then calling friends to help look and calling in lost reports might be a better plan.
- 2. Start making lost reports.** When you call, provide as much information as you can about where and when your pet was lost and provide as much descriptive information as you can. Was your pet wearing a collar? Do they have distinctive markings? What is their microchip/tattoo number? These little details greatly increase the chance that someone will correctly recognize your pet. Sending or posting good quality photos of your pet will also help.

Places to send lost reports:

- Calgary Humane Society Animal Admissions – 403-205-4455
- City of Calgary Animal Services – 311
- Kijiji/Craigs List/Local Buy/Sell websites
- Facebook/Twitter/social media (encourage others to share)
- Social media has many local lost pet groups (Southern Alberta Pet Connection and YYC Pet Recovery are two example of pages in Calgary)
- Contact smaller rescues in the city directly

- 3. Put out things to entice your pet home.** Put food, a favorite bed and other familiar objects out to help tempt your pet back home. If your pet is skittish or

scared, renting or borrowing a live trap and putting the items into the trap may help. Have somebody keep an eye on these items to watch for your pet to return.

- 4. Arrange a search party.** Call friends, relatives and neighbours to help search for your pet. Choose the people that your pet is most familiar and friendly with to go out and search. Ask the people who do not know your pet as well to help with other jobs, like lost report phone calls.
- 5. Create lost posters and hang them up.** Include a number that you can always be reached at (like a cell phone) on the sign. Hang up the posters in the areas that you think your pet might be, concentrating on areas where lots of people will see the signs. Remember where you have signs so you can remove them once your pet is home!
- 6. Keep updating your signs and lost reports.** Update lost reports and social media posts. Check that posters are still hanging up and readable.
- 7. Never give up hope.** At Calgary Humane Society we have seen some amazing reunions. We have reunited pets with their family years, and even decades after they went missing.
- 8. When your pet is home, thank everyone!** Everybody loves a happy ending. Cancel lost reports, update social media postings and take down any lost posters.
- 9. Stop this from happening again.** Examine the situation behind how your pet went missing and evaluate what could prevent a similar problem in future.

As always, prevention is the best medicine. Investing in permanent identification (a tattoo or microchip) for your pet and routinely checking your property to ensure your pet cannot go wandering are the best way to protect your pet from loss.

 **Laser Assisted
Dentistry**
Dr. Sylvia Kowalewski
GENERAL FAMILY DENTIST

No needles
No numbness
No drilling
No vibrations
(in most cases)

"We believe that no dentistry is the best dentistry. Your oral health and happy smile is our top priority. We have a preventative approach and use minimal invasive laser technology. As strong believers in patient education, our happy and compassionate team is committed to empowering you with knowledge so that you can maintain a beautiful and healthy smile."

Tracy's Training Tip:

If your dog does not seem to be able to focus and pay attention during training, try a higher quality dog food. After all, they are what they eat! Remember, your dog's mealtimes are a terrific training opportunity. Ask for a "down" or something you have been working on in exchange for their dinner - it is a great motivator to your dog and practices nice manners too.

THE ALBERTA FILE

NOT Business As Usual

Oil prices continued to slide through the end of 2014. For every \$1 per barrel drop in oil prices, the Alberta Government's revenue drops by approximately \$215 million. With a decline from \$95 per barrel as projected in the 2013-14 budget to less than \$50 per barrel at press time, this amounts to a loss of over \$7 billion; or about 16% of our provincial budget.

Your PC Government continues to be focused on making decisions based on conservative fiscal principles, while continuing to support crucially needed services and accommodating our growing and aging population, by supporting schools, continuing care and seniors' facilities. This will mean hard decisions will have to be made, including both cuts to government services and increasing non-resource revenue. Every Albertan will be affected by this drop in revenue.

During this period, I want you to know that I will be fighting hard on behalf of my constituents to protect essential services, particularly those which are needed by students, seniors and our most vulnerable citizens. Alberta has seen tough times before and once again, I am confident that we will still emerge as the best place in the country to live, work or raise a family. I thank you for the opportunity to continue serving as your MLA and look forward with optimism to our future together.

Sincerely,

Neil Brown, M.L.A. Calgary-Mackay-Nose Hill

Let me be your voice in the next Alberta Legislature.

- ✓ Accessible healthcare
- ✓ Affordable education
- ✓ Sound fiscal management
- ✓ Strategic infrastructure investment

Jan 30 2015

PC Party calls for nomination in Calgary-Mackay-Nosehill

Did you know that anyone 14 years and older living in your home can directly help to determine our province's future?

My name is AKO. I began my career by literally lifting Purolator boxes and have gone on to running successful businesses in telecommunications and accounting right here in Calgary. I have volunteered my time with many community organizations such as Scouts and a charity focused on adult literacy. Given the current economic realities and the need for better government, I want to be your voice in the next Alberta Legislature! We work hard and often we are not given a voice. I want us to be heard – so I need your help, insights, passion and energy.

I have heard from you already that the economy, ethical and transparent decision-making with our tax dollars ('we want value for money'), infrastructure, health-care, and education are top of mind. Additionally, you want your MLA to work with all stakeholders to ensure our oil and gas sector regains its position creating jobs for Albertans. Now let me be your voice.

SKILLS – I am a Certified General Accountant with professional credentials in Canada, the US, and the UK. In addition, I have a Masters degree in Business and have experience running companies right here in Alberta. I have personally experienced the challenges and need for affordable post-secondary for our students, while still ensuring the quality of our excellent institutions such as SAIT Polytechnic and the U of C both of where I have either taught or been involved in curriculum development.

My personal commitment to you is that I shall continue listening to you, to ensure transparent and sound fiscal management, and improve our communities quality of life. If you believe in transparent fiscal management and vibrant economy, we need to work together to be heard! I ask you to support me today, so that the voice of Calgary MacKay- Nosehill is heard loud and clear in Edmonton.

WHO CAN HELP? ANY ELIGIBLE RESIDENT 14 YEARS OR OLDER IN YOUR HOME

- Becomes a member of PC Party of Alberta (see below), and
- Votes for me on the Mackay-Nosehill Nomination Meeting Day - March 7th 2015

MY PRIORITIES

| | | | | |
|---|-------------------------|---|--|--------------------------|
| Sound and Transparent Fiscal Management | Affordable Education | Strategic Infrastructure Investment (roads, community) | Working with all Partners for a Strong Alberta Economy | Accessible Healthcare |
|---|-------------------------|---|--|--------------------------|

Join the PC Party of Alberta to nominate Ako at www.voteAKO.com | Email: info@voteAKO.com | Phone: 587.703.7102 & 587.703.7103
