LETTER FROM THE PRESIDENT

"Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek."

- Barack Obama, in honour of Guy Fawkes Day (5th Nov)

Friends, residents, neighbours... the past month has been a tempestuous one with an early hibernal hug to welcome in the change of seasons, and the flood of activity surrounding the new school safety infrastructure. I would like to commend you all for your voice in addressing the issues as well as the fastidiousness of our Ward Councillor, Joe Magliocca. You have made tremendous strides in improving the safety of our community.

The Board of Directors has been searching for volunteers to fill some of our empty director portfolios: Secretary/Newsletter Editor and Memberships. If you are interested in volunteering and have some ideas that you would like to share, please email us at ECCABoard@eccacalgary.com.

Finally, lest we forget that this is the month in which we honour and remember the sacrifices of our men and women in uniform. On the 11th, we encourage you to take a moment to remember those that have come before us or join in the many ceremonies throughout the city, to pay our respects.

Regards,

Jason Yardley

Lest We Forget

The National (Silver) Cross Mother represents all mothers whose sons or daughters died while on active duty. Chosen by The Royal Canadian Legion, the annual honouree places a wreath at the base of the National War Memorial at the National Remembrance Day Ceremony.

Christmas Art, Craft & Bake Sale

Evanston Grand Village's 3rd Annual Christmas Art, Craft and Bake Sale. December 1st, 2nd and 3rd from 10am-4pm at 40 Evanston Way NW; all proceeds go to supporting senior programs in the Village.

Here is some of what we were up to in September and October, and some upcoming events in November. Many units are already planning their fall camps.

Our district covers the communities of: Edgemont, Evanston, Hamptons, Hidden Valley, Hanson Ranch, Kincora, Nolan Hill, Sherwood and Sage Hill. We have units for all age groups – Sparks (ages 5-6), Brownies (ages 7-8), Guides (ages 9-12), Pathfinders (ages 12-15) and Rangers (ages 15-17).

Sparks

#165 Sparks- September and October are jammed pack months for us. We are learning the Spark promise and new campfire songs. Getting ready for enrolment to welcome the new girls into guiding. We have fun thanksgiving crafts planned and a Halloween party planned by the Pathfinders for us and the Brownies. We also have a Princess themed mother daughter sleep over planned for October.

The 145th and 70th Spark units have had a very fun time meeting all of the new girls and leaders! We still have a few spots open in the Tuesday and Thursday night Spark units.

In our few meetings so far we have played get to know you games, practiced our Promise for when the new Sparks will be enrolled and have learned about the yummy mint cookies. Looking forward to our upcoming mother daughter Princess sleepover.

Brownies

4th Brownies is a new Tuesday night unit in our district. September and October have been busy months for our unit. We have sold cookies at Sage Hill Walmart, learned our Brownie promise and law in preparation for enrolment, and we will be having a sleepover in early November with another Brownie unit.

85th Brownies have had a great start to the guiding year! In September, we got to know each other and learned all about Brownies. We have been selling cookies to our families and friends and had a cookie stand at Canadian Tire in Beacon Hill. In October, we will be busy working on badges and preparing for our November camp.

151st Brownies - We have an excited group of girls keen to sell cookies. We have introduced our girls to the opening and ending songs, our campfire songbook and they have had an opportunity for outdoor nature scavenger hunt with the pathfinders. We are attending a nutritional tour at save on foods

and some activities we have planned include teddy bear first aid, making pasta at pc cooking school and guest speaker from memory project for Remembrance Day.

Guides

25th Guides - We have had an exciting few weeks for our unit, lots of new girls this year. September has been busy with cookie sales selling door-to-door and having a cookie stand at Walmart in Sagehill. We are excited to attend a big camp with two other units in a our district at our Fall Camp at Camp Jubilee in Cochrane. October will be fun with planning a Halloween party, and preparation for enrollment.

Pathfinders

The 90th Pathfinders, who meet on Monday evenings, have been busy with a tent camp already completed in September. We will be selling cookies at our 'Drive Thru' in the Co-op parking lot, participating in the Calgary Area Nite Trek and having a Halloween party for the Sparks and Brownies in October. November will bring us into another sleepover and our enrolment with many more events planned to follow.

Trex

The 9th Trex is a new unit to the district. It is open for girls from 12-17 years old. The girls in the Trek units do activities but not any programming. This year there are 4 girls and they have planned most of the Guiding year with some Hostelling in Canmore, a stay in Banff and the girls are planning a service project!

As many of our units are full, please consider becoming a leader, *even if you don't have a daughter in Girl Guides!* Relatives such as aunts, cousins, grandmas, or even university students can become leaders, and volunteer experience looks great on a resume! No previous experience is required to become a leader and training is offered through Girl Guides to help you become a great leader. If you are interested, please email guiderkarlayyc@gmail.com

Evanston Family Enjoys Small Town Feel

Photos and article by Remember When Photography

I was thrilled to meet Jesse and her little family at Big Hill Springs park for their Fall Family session! I couldn't have asked for better-behaved children to laugh and joke around with.

Jesse grew up in Maple Creek, SK, and moved to Crossfield in 1994, with her parents and her younger sister

she moved to Calgary in 1997. Ian grew up in Crossfield with a younger brother and moved to Calgary in 1999. Ian attended SAIT and received his diploma in Engineering Design and Drafting Technology. Jesse obtained her certificate in accelerated accounting at SAIT.

www.rememberwhenphotography.ca

www.rememberwhenphotography.ca

The couple met in high school and started dating at the beginning of the 12th grade. They welcomed their first baby, Hannah, 7 years ago. Now in grade 2 at Dr. JK Mulloy, she is involved in gymnastics, swimming and piano. Hannah enjoys baseball in the Spring. Their youngest daughter is Leah. She is in junior-kindergarten at Joso's here in Evanston. She loves gymnastics and swimming. Little Connor is the youngest and just turned one. He goes swimming with his mom while his sisters are in their swim lessons.

Ian has worked for WSP Canada Inc. as a senior piping designer for the last 8 years. Jesse has worked in accounting since graduating high school. She started her own bookkeeping company, JW Bookkeeping, Jesse describes it as a boutique bookkeeping company that serves all types of small to medium-sized businesses. She also started with NuCerity International this passed summer. Jesse feels this is a perfect fit for her as she wants to work from home but isn't into 'product pushing'. She plans to grow both businesses to full-time once all three kids are in school.

The family camps most of the spring and summer months throughout Al-

berta, British Columbia and Saskatchewan. They enjoy tobogganing and skating in the winter and spend a lot of time with their friends and family. Ian enjoys playing baseball with the FMBA in the spring and summer, and goes snowboarding in the winter. Jesse somehow manages to find time for yoga, reading, music and swimming.

While most of their travel is spent in the spring and summer, camping around Western Canada, they do take a trip to Barbados every couple years to visit Jesse's mom and stepdad. Currently they don't have any pets, however they have promised the kids they will get one when Connor starts school.

Jesse and Ian moved to Evanston from Country Hills 6 years ago. They love living in Evanston. Since they both grew up in small towns, they really enjoy the small town, community feel. Some of their closest friends live in Evanston and they know they can depend on their neighbours. All the kids on their street play together and are always running back and forth between houses, especially in the summer. Everybody seems to look out for one another.

I had a great time getting to know this wonderful family and hope to capture family memories with them for years to come!

On September 25, an additional southbound lane was added onto the Shaganappi Trail Bridge over Stoney Trail. The purpose of the additional lane is to help with traffic congestion during the morning rush hour. So far, I have heard and observed that this enhancement has made a significant improvement in reducing traffic congestion. The City of Calgary has also adjusted the traffic light timing to allow for improved traffic flow on Shaganappi Trail south of the Stoney Trail interchange.

City of Calgary Crews are keeping an eye on the forecast all winter long, preparing roads with anti-icing solution before the snow falls, and maintaining City streets as soon as snowflakes hit the ground. Stay informed during every snowfall by following @yyctransport on Twitter and downloading the Road Conditions App for frequent updates. You can also see where crews are plowing on the live map at Calgary.ca/RoadConditions.

After each snowfall, Roads crews follow a priority clearing system called the Seven Day Plan:

- Priority 1 routes, which carry more than 20,000 vehicles per day, are cleared to bare pavement within 24 hours after the snow stops falling.
- Priority 2 routes, which carry between 5,000 and 19,000 vehicles per day, are cleared within 48 hours after snowfall has stopped.
- Playground zones, designated hills, and residential streets on Residential roadways are cleared on Days 3-7. These roads are flat-bladed, which means snow is packed down so it is easier to drive on, and ruts are removed.

For more information on snow and ice control, including FAQs, snow route parking information, and free sand and gravel locations, visit Calgary.ca/snow.

Joe's Tip:

Please take a moment on November 11th to remember the sacrifices made by our veterans for the freedom that we enjoy today.

Happy November! As you are reading this our government is back in session and working on legislation that supports all Albertans through challenging times.

On October 1st, Alberta's general minimum wage increased from \$11.20 to \$12.20 per hour as part of our government's effort to achieve a \$15 per hour minimum wage by 2018. In addition to the 2016 increase, the general minimum wage will rise by \$1.40 to \$13.60 per hour on Oct. 1st, 2017, and a further \$1.40 to \$15 per hour on Oct. 1st, 2018. Currently, an estimated 300,000 Albertans earn less than \$15 per hour, a majority of those being women, often the head of the household. It is imperative that Albertans who are working full time earn enough to live.

I was fortunate to attend a number of events in October and brought greetings on behalf of Seniors Minister Hon. Lori Sigurdson to the Atrium of City Hall for the 25th Anniversary of the United Nations International Day of Older Persons celebration. The event was hosted in partnership with the Calgary Chinese Elderly Citizens' Association (CCECA), Immigrant Services Calgary (ISC) and the City of Calgary and the year's theme was "Take A Stand Against Ageism". We are all indebted to the contributions that our seniors have made, past and present, and it was a real honour to thank them.

It was great to meet so many of you on Friday afternoons for our Coffee and Chats throughout the riding. Thank you again for bringing me your thoughts and ideas! October was a very busy month in Mackay Nose Hill, including the celebration of the opening of the new International Terminal at the Calgary Airport, which is over two-million square feet (186,000 m²) in size! My staff and I also attended a number of Community Association meetings and I'm always impressed by the hard working community volunteers and acknowledge them for their dedication to community life.

If you have any questions or concerns, then please don't hesitate to contact me by email at calgary.mackay.nosehill@assembly.ab.ca, by phone at 403-215-7710 or drop by the office at #106, 8220 Centre Street NE, beside First Calgary Credit Union.
