Get involved with Green Line this summer

There's a new LRT line coming to Calgary!

The Green Line will serve more than 27 communities and move over 41 million passengers per year on 40 kilometres of track. This new LRT will provide a link for residents to downtown from the Northern Hills communities in the north and Seton in the south.

This summer watch for our Green Line ambassadors who will have information about the new LRT at events across the city.

You can also visit **Calgary.ca/greenline** to learn more about the project, including alignment options for Centre City and the Beltline.

The North Central Family Support Program

The North central Family Support Program is looking for volunteers interested in helping out with a number of initiatives.

- Volunteers to help with family games/connection afternoons with our new Syrian community residents and their children. Arabic speakers would be greatly appreciated but all volunteers are welcome.
- Summer youth engagement volunteers to help with outreach activities for children in Huntington, Beddington and Thorncliffe/Greenview.
- Volunteers interested in helping to get a neighbourhood service exchange/timebank initiative up and running. We are hoping to launch "Pay It Forward Calgary" in fall 2016 and need project start up volunteers (social media, graphics, new members orientation, website, community promotion etc).

Please contact Lili at 403-275-6666 ext 221 or lili@weconnectyou.ca or Jodi at 403-275-6666 ext 232 or jodi@weconnectyou.ca for more information.

Have a wonderful summer!

Home. It's where we live. It's the feeling we get from freshly folded laundry in our bedroom.
It's playing the piano and singing with friends and it's shared moments over dinner with family.
It's feeling healthy, eating well and enjoying the community we savour with other great people.
It's looking forward to a little exercise and some laughter at the lounge afterwards.

Welcome to your life at Evanston Summit. Welcome home.

Oystershell Scale Disease: Affecting Calgary's Hedges

By Christine Deschamps

Oystershell Scale Disease can affect over 120 species of trees and bushes, including Cotoneaster hedges and Lilac hedges. City of Calgary entomologist Jim Watts has informed the public through the media, of the spread of the Oystershell Scale Disease that is currently in the "crawler stage," from *late May to early June*. The *vulnerable crawler stage* is short lived, lasting only a week to ten days. It is also the period when the insects easily spread to new plants. During the insect's crawler stage, the plants can be successfully treated with insecticide soap or horticultural oil, with advice from your local garden center. For more information, please visit:

IN & AROUND SCHOOL

Huntington Hills School

Hello from Huntington Hills School. We are a small school with a big heart of approximately 240 students grades K-6. The past few months have been filled with wonderful opportunities to enhance our student's learning by spending time within our community and beyond. Our grade 5 and 6 students were fortunate to spend four amazing days at YMCA Camp Chief Hector connecting their Science and Social Studies curriculum with leadership, teamwork, and the great outdoors. All of our students took part in the Calgary Parks and Recreation 6-day swim program in early April at Thorncliffe Aquatic and Recreation Centre. To enhance our love of music, an exemplary Celtic fiddler named Kierah came to teach us about Scottish and Irish fiddle music. Some of our students also took part in the Young Writers' Conference to hone their skills through mini workshops delivered by famous Canadian authors and illustrators. In May, the Huntington Hills students headed to the Calgary International Children's Festival to see some great performances and experience one of Calgary's incredible opportunities. Our students, parents, and staff are very proud of their school and welcome Volunteers, particularly through the Calgary Reads program.

The 1st session of the 42nd Parliament has been busy and filled with topics that are contentious to say the least. The vital issues of electoral reform and assisted suicide should be of concern to all Canadians and the resolution of these issues will affect the very nature of our country.

In May I held a Town Hall Meeting and was able to hear from many of you on these subjects as well as many others. The participants are to be commended on their forthright honesty and I very much appreciate their feedback. I would like to express my thanks to the Harvest Hills Alliance Church for their excellent service and hospitality.

In April I was proud to host a well-attended Career Services event which featured governmental, educational and community based resources available to Albertans who are looking for work or to upgrade their employment skills. I am acutely aware of the precarious nature of the economy in this province and will persist in advancing the interest of Albertans at the federal level. Thank you to the Foothills Alliance Church for their help and support.

I look forward to meeting as many of you as possible this summer, on Canada Day, at Stampede and other community events. I would like to extend a big thank you to the hardworking volunteers who make these events possible and are tireless in their efforts to improve the quality of life in their communities, and ensure a bright future for Calgary and all of Alberta. I will continue to engage with local community groups and associations, constituents and many stakeholder groups in the riding with visits, meetings and roundtables and I am always delighted to hear about the issues that are important to you. Your comments are always of great help to me. I will also be out out door knocking in the riding again this summer and I am always appreciative for the feedback I receive from you and I will thank you advance for taking the time out of your busy days to talk with me.

I will continue to be a strong voice for you in Ottawa and pledge to work hard to make your voices heard in the halls of government. As always, if you wish to comment on these or any other issues that are important to you and your family, please feel free to contact my office with your concerns or you can send in your suggestions and comments directly to me through my website www.michellerempel.ca.

Happy Summer to Everyone,

Thinking about a yard improvement project?

Garages, decks, fences and even driveway widening are just some of the projects that often require a permit.

"Before you pay for materials, hire a contractor, or do it yourself, we encourage you to visit Calgary.ca/homeimprovement or get in touch with us here at The City," says Jamie Fandrich, Planning Services Technician at The City of Calgary. Fandrich is part of the team that helps Calgarians understand Alberta's safety codes and City bylaws on the phone and in person at the Municipal Building. The latest resource Fandrich's team uses to educate Calgarians on development and building regulations is the webpage calgary.ca/homeimprovement, which allows anyone interested in doing a renovation to browse popular home renovation topics for bylaw and permit information, property and land designation, drawings and forms they will need to complete their home renovation.

"It can sometimes be difficult to understand when you need a permit and what City bylaws might impact your project – we're here to help guide you through the process," Fandrich says.

YYC UPDATE TO THE COMMUNITY

Calgary International Airport (YYC) is an urban airport that connects Calgary and Alberta to the world. As an important part of the community, we work closely with community associations, government agencies and airlines to address noise concerns. Current efforts include:

Required Navigation Procedure (RNP) approaches are being implemented by NAV CANADA for arrivals to YYC. Implementation includes a 180 day review to assess noise in flight path areas and address any community issues.

Further reduction of aircraft deviation on 17L departures. YYC has requested that NAV CANADA investigate reducing the 10 degree turn on Runway 17L to 5 degrees. Any change would require approval by Transport Canada. NAV CANADA is currently investigating the safety of the operation.

Noise monitoring studies. The Authority has engaged a firm to study the utilization of YYC noise monitors throughout Calgary, add monitors in communities south of Runway 17L, and to monitor areas further away from YYC.

To read the full RNP report and learn more about these options visit www.yyc.com or contact us at community@yyc.com.

- Lower your monthly payments

CORE VALUES

The values driving Matt Grigg's quality lending services also drive him in his everyday life. He is passionate about building trusting relationships, serving his community and helping individuals reach their real estate goals by getting ahead of the process.

WHAT DOES THIS MEAN FOR YOU?

- Win-Win for YOU: There is no cost to YOU. Matt is compensated by the lender for providing them with qualified business. The fee is the same regardless of what lender is chosen and it is not built into the rate.
- Matt will be YOUR dedicated partner throughout the mortgage process.
- He will provide current information on how mortgages work and what is applicable to YOU.
- Matt will provide proactive solutions to help find a competitive mortgage that works for YOU.
- YOU can have confidence and trust in the results of YOUR unbiased mortgage options.
- Matt will work as YOUR intermediary between YOU and the lender (bank) to negotiate mortgage loans.
- Matt will continue to support YOU beyond the home buying purchase.

WHY UTILIZE A MORTGAGE PROFESSIONAL?

- Benefit from an unbiased advisor. Rather than working for one financial institution, Matt deals with many financial institutions on a daily basis. This allows him to offer YOU more choices and highly competitive options.
- Matt brings expertise, simplicity and a sense of calm to the mortgage process.
- He is a facilitator on your behalf who will also provide current mortgage education along the way.

TESTIMONIALS

"Matt Grigg helped me buy my first home. He led the entire mortgage application process proactively so that I was ahead of the process. Once I made an offer, my side was accounted for and I felt in control as a home buyer. Matt made it easy. I have comfort in knowing he will be there for me when my renewal comes up."
