With students back at school and leaves changing colour, the fall session of the Alberta Legislature is starting at the end of this month and I am looking forward to being back in session.

Over the last few months I have heard from constituents across the riding and attended some amazing community events. I really enjoy every opportunity to connect with you.

In September, I had the chance to join the residents of Heritage Village in MacEwan Glen for an afternoon tea, hear about their concerns, and answer some questions. The Government of Alberta provides a number of programs and services that support seniors in Alberta. For information on services you or a senior in your life may be eligible for, please visit: <http://www.seniors-housing.alberta.ca/seniors/>

In early September, I took part in Calgary Pride's 27th Annual Festival. I've been an ally for many years and I'm very proud to be part of a government that values all people, including the LGBTQ+ community. And Pride is always so much fun!

As part of the Alberta Jobs Plan, the Alberta government has allocated \$30 million over two years to promote long-term economic growth and prosperity in Alberta's communities and regions through the new Community and Regional Economic Support (CARES) program. The CARES program will fund initiatives that create a measurable impact and align with:

- improving local business environment and/or regional economic collaboration
- increasing support for entrepreneurs and small and medium-sized enterprises (SMEs) to grow and succeed
- enhancing support for businesses and industries that provide diversification to a community or a region
- increasing investment that drives high-value job creation

CARES program funding for economic development initiatives begins at \$10,000. Applications for the third intake of the CARES program will be accepted from October 1 to November 30, 2017. You can find more information online at <https://www.alberta.ca/community-regional-economic-support-program.aspx>

News from the Friends of Nose Hill

by Anne Burke

Over the past few years, a number of projects were done in Nose Hill Park as part of the implementation of the Nose Hill Trail and Pathway Plan. The controversial plan was approved by Council in July 2005 and construction began in 2006, with asphalt paving. Project plans are on the city website and there is a map with an update on our website.

Construction activities continue and focus on the following work:

- Building primary (gravel) trails, timber landscape stairs for problem grades, and stabilized tread (dirt - single track) trails.
- Other options are to re-vegetate trails naturally, ploughing a trail to a shallow depth, and reseeding. The length will be decided in the field, depending on the sightlines, and to the satisfaction of the City Project Manager.

One of our members said: "I hope all is in order but I was alarmed to see a backhoe parked above Charleswood and John Laurie, south of the gully from Brisebois Drive. I hope there is no plan to pave or gravel that path along the ridge crest. We have so many paved and manicured paths already on the Hill."

Here is an answer from the Zone 3 Parks Superintendent to the Ward 4 Councillor. "The backhoe is being used to construct the formal gravel trail that is on the

attached construction drawings in a little square. It will be a designated trail replacing a worn desire line trail. The construction of the stairway and designated trails have gone as planned this year and look great."

Just a reminder: Nose Hill Park is a natural environment park, so please respect wildlife and plants. Do not pick the flowers or they will not be there for future park users and stakeholders.

In 2012, Council approved the *CalgaryEATS!* plan developing a field guide of wild urban edible plants in the area. Since many members of the public are already foraging in our green spaces, this project provides the opportunity to increase public education around wild harvest, while promoting safety, sustainability, and environmental protection.

This field guide will have information on urban food foraging, such as how to identify urban edibles, places where foraging can be practiced (details still to be worked out), how to prepare wild edibles, and avoid non-palatable or poisonous look-alike species.

Dear Ward 4 Residents,

Cleaning up the yard is easier with your green cart

This fall, enjoy the convenience of using your green cart as you get your yard and garden ready for winter. Leaves, pine cones, branches (up to 6 inches in diameter and 4 feet in length), old annuals and pumpkins can all go in the green cart for weekly collection and will be turned into nutrient rich compost.

Three-step checklist for fall yard waste:

- 1. Fill your green cart first.** Yard waste can go directly inside the cart; there's no need to bag it first.
- 2. If your cart is full, simply use paper yard waste bags and roll down the top.** Home and garden or grocery stores sell paper yard waste bags. They're usually sold in packs of five. Please **don't use plastic garbage bags**. These bags will not be collected since they contaminate the compost.
- 3. Place the bags approx. one foot away from the cart for collection,** so you can walk between the cart and the bag. Bags should be easily lifted (max. 20 kg).

During busy fall periods, to ensure our crews stay on schedule we may not be able to collect all of your extra yard waste bags right away. Please leave them out and we'll pick them up as soon as possible.

Other options for disposing of yard waste are available at calgary.ca/yardwaste.

What to do about unwelcome junk mail

While most of us do our best to be good neighbours, sometimes we need a little guidance to do the right thing. That's where the Community Standards Bylaw comes in. Updated at the end of 2016, the bylaw promotes good neighbour relationships and addresses community concerns by regulating noise, fire pit use, untidy properties, weeds and grass, graffiti—and nuisances such as flyers.

One of the areas updated in the 2016 review refers to flyers, including non-commercial flyers. If you have a 'no flyer' sign visibly posted at your home, it's a violation of the bylaw to deliver flyers to your door. With the municipal election just around the corner, you should be aware that election advertising is exempt from this bylaw along with newspaper subscriptions, community newsletters and information provided by government and elected officials.

For more information, visit Calgary.ca and enter Community Standards Bylaw in the search bar. If you do continue to receive flyers despite having a 'no flyer' sign at your home, you can call 311 or submit a service request using our 311 app or on The City's web site.
