## South Shaganappi Study: You shared ideas. We developed concepts. Let's evaluate.

The City of Calgary is continuing to conduct a transportation corridor study to explore the future design for the south end of Shaganappi Trail.

As part of Phase 2: Concept Development and Analysis, we are asking Calgarians to evaluate the preliminary concepts against the study's objectives and community values developed in Phase One: Project Initiation and Definition. We will then use the evaluation, along with additional technical review, to identify a set of recommendations for Calgarians to provide feedback on in Phase 3: Preferred Concept Selection in spring 2017.

Join us at the November open house or provide your input online.

**Thursday, November 24, 2016**  
**5:30 to 8 p.m.**

**Provide input online at [calgary.ca/southshaganappi](http://calgary.ca/southshaganappi)** Opportunities to participate online will be available around the same time as the events listed above.

Please note: an open house for the adjacent communities of Montgomery, Parkdale and Point McKay has been scheduled in November. This invite-only event provides those with homes and businesses in close proximity to the study area an opportunity to participate in the same event with others who may share similar perspectives.

## Humpty's Volunteer For The Fall

Likely you've seen the Little Library in front of Dale's house (the little library kiddie corner to Terrace Road School). Dale is an avid reader and so it seemed a natural extension of that love that he should curate a neighbour library. Dale says it's been surprisingly easy and a very rewarding task.

When asked why he volunteers Dale had a simple answer. Volunteering is being a good neighbour.

Dale has discovered that volunteering in the Montgomery Community, which he moved into in 2005, has allowed him to meet many of his neighbours.

When Dale is not managing the Little Library or hosting his September Sangria & Spritzer party (we need to move onto Dale's block to get an invite), he is Pastor Dale at the Maranatha Church in Montgomery. One of his goals was to ensure that the Maranatha Church is a great neighbour.

They are. They host family Movie Nights, Stampede Breakfasts and many other events as well as being an available location to many community organizations.

Dale thank you for all the volunteering you do in Montgomery and being such a good neighbour. Dale congratulations on being named Humpty's Volunteer for the fall.

### Wildlife of Bowmont Park

Who Am I?

Swagger, swagger, hop, hop, hop,  
Along the frosty ground,  
I travel with my family flock and make a raucous sound.

Feathers, mostly black and white,  
Against a winter sky  
May seem a little boring, though quite colourful am I!

Like an iridescent fan,  
My feathers on display  
Reveal a hint of colour on a grey November day.

Swagger, swagger, strut, strut, strut,  
I peck and pick at ticks.  
Though slow to fly across the sky, I'm quick at learning tricks!

## News from the Friends of Nose Hill

by Anne Burke

Our annual general meeting is on Wed. Nov. 16 at Triwood Community Centre NW and the public portion begins at 7:30 p.m. Our guest speaker John McFaul will offer a power point of Nose Hill Flora with an introduction to the City Biodiversity 10-year strategic plan. John was appointed by City Council as a member of the Biodiversity Advisory Committee and is a professional naturalist, who has been leading nature walks and hikes for 30 years. From 1986-2003, he worked for City of Calgary Parks as a naturalist for the Inglewood Bird Sanctuary. He received the Lorán L. Goulden Award from the Federation of Alberta Naturalists. John is a professional interpreter with the Interpretive Guides Association. For more details you can go to our website at [www.fonhs.org](http://www.fonhs.org).

Calgary has been called "Sandstone City" because it is a key component of many heritage buildings, including the old City Hall. Rather than importing the material, City Council approved a notice of motion to reintroduce mining within the city lim-

its, at Edworthy Park and/or the former John A. Lewis Quarry site. A scoping study will return to City Council about the feasibility of reactivating small-scale quarrying sites.

When news of the motion was published, Nose Hill Park was named as the second site. Council was already in session. As a result I wrote a letter opposing the plan, due to public safety issues, impact on wildlife, and damage to diversity. The Ward Councillor voted against the motion and said, "No one must touch Nose Hill". There was a recommitment to preserving Nose Hill for future generations of Calgarians. The assistant to the motion mover confirmed, while there was no reference to Nose Hill Park, it is important to preserve and conserve nature across our city. Fortunately, the second site is actually in the West Creek Valley, well outside the Park.

City Hall exhibited "Calgary Goes to the Dogs: A History of Dogs and Dog Licenses. In 1885, there were only 100 dog tags; now there are 100,000. There were no leash bylaws or fenced-in backyards. We have the Responsible Pet Ownership Bylaw and there are estimated to be 150 public off-leash areas. This accounts for 20% of park spaces in Calgary (1250 hectares).

Nose Hill is a popular park for walking dogs, in part because some communities do not have their own off-leash areas. The pathways on the escarpment are on-leash areas, while the multi-use plateau (top of the hill) is off-leash.

### Remembering Is Something You Do

During Veterans' Week, November 5th to 11th, I will join Calgarians and people across the country as we pay tribute to all Canadian Veterans. Throughout the week, thousands of commemorative ceremonies and events will take place across our country to honour Canada's Veterans, current serving members of the Canadian Forces and those who have made the ultimate sacrifice. The sacrifices and achievements of our Veterans have helped define and defend Canada's values of freedom and democracy. They will always be remembered.

Here are some ways to engage in Remembrance: Wear a poppy above your heart, attend local Remembrance Day ceremonies, and vow never to forget; Change your profile picture on Facebook to a poppy and blog or tweet about the importance of remembrance; or listen to Veterans talk about their experiences and thank them for their service. Remembrance IS more than something you think about – it's something that you do.

Another way to help remember is to find your connections to the past. You can obtain information on where the graves of all Canadian soldiers who died while serving abroad are located. Here's how to do a search for your connection to the past.

Visit the Veterans Affairs Canadian Virtual War Memorial online at [www.virtualmemorial.gc.ca](http://www.virtualmemorial.gc.ca). (If you are looking for an Allied soldier you could also try a similar search through the Commonwealth War Graves Commission at [www.cwgc.org](http://www.cwgc.org) as they keep track of all Allied cemeteries.)

Search by name and select the soldier you are looking for. (Keep your search terms broad to yield the best results. This is especially important with first names or common misspellings of names.)

Review the results of the search. When available, it will include photos, a copy of the page from the Book of Remembrance, vital personal details and possibly even a summary of the circumstances surrounding the soldier's death.

A quick Google search using the name of the cemetery often yields a link to photos of all the tombstones, lists of those buried (alphabetical and regimental) and a good description of the cemetery itself. Please don't consider the Veterans Affairs Canadian Virtual War Memorial as the only possible source of information and don't underestimate the power of a good online search engine like Google.

Share your findings and experiences with others in a gesture of Remembrance. I would be interested to hear from anyone who uses this process and finds it as rewarding as I have.

# About Wine

By Nik Rasula

I'd like to introduce a new newsletter feature - one about wine.

Not just any wine, but wine that might not be on one's usual shopping radar. Special, wine – made from a grape or blend, a region or country that may not be common or well known. A wine - or winemaker - with a story to tell – of place, process, climate, style.

*About Wine* is a regular feature that will highlight wines from smaller, artisanal producers; ones that produce unique, reasonably-priced (under \$50 retail) wines, while still demonstrating careful earth stewardship; through organic, biodynamic, sustainable, or water-wise practices.

**November 2016...Inaugural Feature**  
 2015, Haywire, Gamay Noir  
 Summerland, Okanagan Valley, B.C.

**ABOUT THE MAKER:** Established in 2007 by Christine Coletta and Steve Lornie, Haywire produces at The Okanagan Crush Pad in Summerland B.C. Here Christine and Steve, along with consultant Alberto Antonini, not only produce great wine, they offer their facilities and expertise to upstart winemakers in the production of *New Okanagan* wines.

**ABOUT THE WINE:** The famous grape of Beaujolais, France - the fruit for this

Gamay Noir was grown on Secret Mountain in Oliver, B.C. Fermented in open-top containers by carbonic maceration, with manual punch-downs – along with an ageing period in concrete tanks, the 2015 Haywire has a light burgundy appearance. The aroma features soft notes of cranberry and cherry melding with a touch of forest floor. Light-bodied, the aromatic notes reflect on the palate with a pleasing, acidic mouth-presence leading into a long and persistent finish.

**ABOUT THE MAKING:** Sustainable production.

**ABOUT PAIRING:** Pair with soft cheeses, salmon, and turkey with dressing and cranberries.

**ABOUT AVAILABILITY:** Check on the website [liquorconnect.com](http://liquorconnect.com) (call the listed store too) to confirm availability prior to purchase.

Traffic Safety Ward 1 Meeting  
 Silver Springs Community Association  
 5720 Silver Ridge Drive NW  
 Thursday, November 17, 2016  
 6:30pm-9:00pm

Together with The City of Calgary and the Calgary Police Service (CPS), Councillor Sutherland will be hosting a community traffic safety meeting on **Thursday, November 17<sup>th</sup>** at the **Silver Springs Community Association from 6:30 p.m. - 9:00 p.m.** **This meeting is open to all residents of Ward 1.**

Traffic Safety is of paramount concern to citizens, consistently appearing as a top concern in citizen satisfaction surveys. Traffic safety is also a priority of the Calgary Police Service, who utilize both education and enforcement to ensure the safety of drivers and pedestrians.

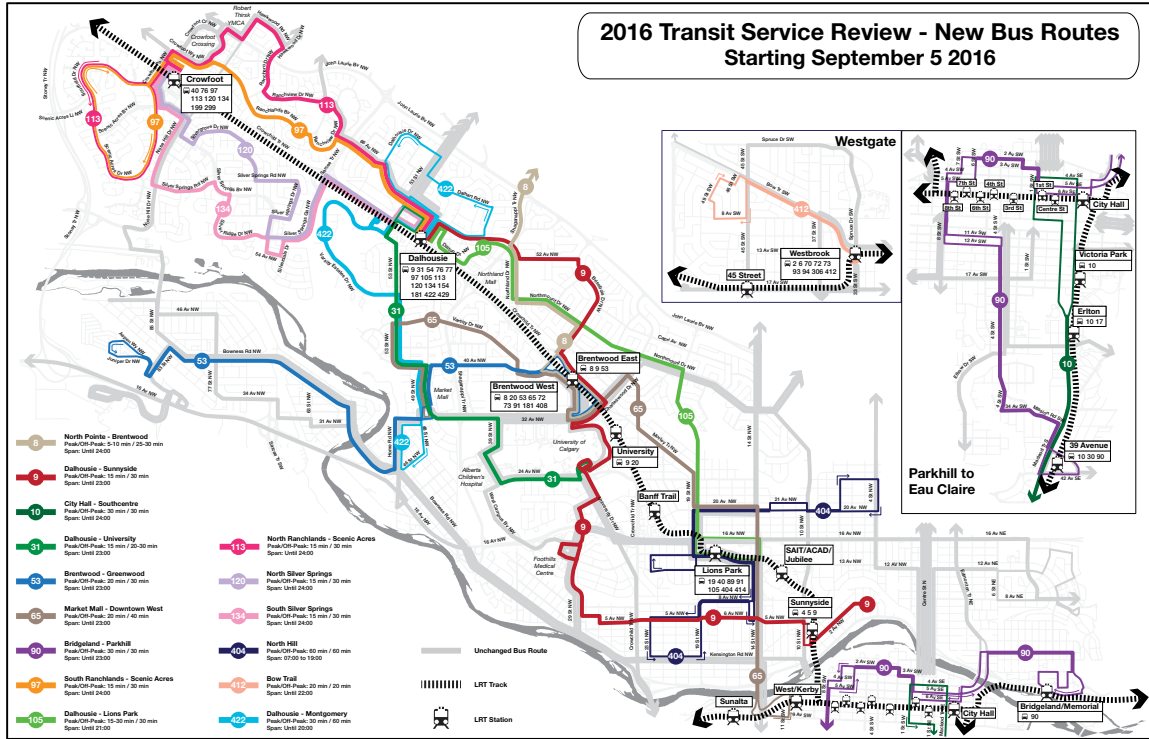

This meeting will give Ward 1 residents a place to voice their concerns as well as learn how to keep Calgary's roads safe for all users. The goal of these meetings is to create a forum to discuss and raise awareness of traffic safety and to take some specific actions, based on citizen concerns on a specific topic. Actual things that The City, CPS and citizens can do to improve safety will be discussed. Participants will then be asked to provide feedback about where they believe additional CPS enforcement would be beneficial in their ward.

Based on feedback, CPS will conduct additional enforcement in each ward and report-back their findings. The City's Transportation Department will then research and recommend specific engineering measures that could be applied where issues exist.

A follow-up meeting will take place in early 2017 and it will be organized by Councillor Sutherland's Office. To receive more information about the Traffic Safety Meetings, visit [www.calgary.ca/ward1connect](http://www.calgary.ca/ward1connect) or sign-up at [www.WardSutherland.com](http://www.WardSutherland.com).

# Your bus route may be changing this fall

Changes are coming to the following northwest and inner city bus routes on September 5, 2016: Routes 8, 9, 10, 22/122, 37/137, 43/143, 145, 404, 405, 407, 412 and 419.

Calgary Transit has completed a major review of these bus routes and is excited to share the results with customers. Earlier this year new bus route proposals were shared online and at open houses, and feedback was collected from thousands of transit users and community stakeholders. Public input was incorporated as much as possible in designing the new bus routes.

The new routes are simple and direct, and many of them have upgraded service levels, meaning that buses come more frequently and/or run longer on evenings

and weekends. Additionally, service has been increased or improved to major locations such as Foothills Hospital, The University of Calgary and shopping centres.

To see the new bus routes that start on September 5, 2016, please visit [calgarytransit.com/2016ServiceReview](http://calgarytransit.com/2016ServiceReview) or phone 403-262-1000.

Friends,  
 In October, the trees have lost the last of their yellow leaves in preparation for the coming winter. The nights were chillier and migrating geese were a common sight in the sky. I hope everyone enjoyed a wonderful Thanksgiving.

Now that everyone has finished raking the leaves, you can drop your bagged leaves and ghoulish pumpkins off at Varsity Athletic Park, 39 Street & 46 Avenue NW, until November the 6<sup>th</sup>.

Between preparations and ministerial work I've been in Calgary-Varsity to attend community events and ensure constituents have access to their representative. I was very happy to help Westmount Charter School celebrate the completion of their renovations in partnership with the province.

We found it a pleasure to discuss current events with Seniors at the Brentwood Community Association. We also had the opportunity to connect with Parents during a parents and tots playgroup in Brentwood; we had the chance to engage with folks about issues affecting families in our community. There are so many great opportunities for everyone in the Varsity constituency to connect, we encourage you to check out your local community association to discover how.

Looking ahead to November, the legislative session continues through the whole month. We also mark Remembrance Day to honour the sacrifices made by Canadian soldiers in protecting our country.

Throughout the fall my office will be attending Community Association meetings, AGMs, and Community programs throughout Calgary-Varsity to ensure I'm always informed about how best to represent local issues at the provincial level. We hope to see you there!

Our office serves all the people of Varsity, Dalhousie, Brentwood, Banff Trail, University Heights, Montgomery, and Charleswood. Our team is available to talk to constituents about provincial government departments, programs, scrolls, and services. Please visit us in our office, and let us know how we can help you.
