PRESIDENT'S MESSAGE

As we move into May, full spring, green grass and planting gardens - almost half way through the year already! Where does time go?

I was reflecting on the passage of time in our community. I have enjoyed living in North Haven for over 17 years and have noticed changes in our neighbourhood and community in what feels to me like a short time. Children do have that effect on a parent's perception of time, don't they?

I met many neighbourhood friends through joining our Mom and Tots group in the hall basement when my children were infants, these Moms (and a few Dads) were a group of fabulous people, a resource of help, hope and laughter for a new parent. We got together pretty much every week, at the Hall, the Zoo, each other's homes, birthday parties, cookie exchanges and playgrounds, enrolling at the community play-school, volunteering, watching our children grow and forging bonds of friendship.

As our children grew older, we moved on to sports, school events, Brownies, Scouts and preteen dances, catching up on each other's lives when we met.

I still see so many of these parents, whether volunteering at events for our Community Association, at schools or out and about in the neighbourhood. It always brightens my day to run into someone from Mom and Tots or play-school I haven't seen in a while, and I cherish the feeling of community it brings.

Some of our residents - and Board members - have resided in NH since 1962, pretty much the beginning of North Haven. I've heard stories of dirt roads, only a few streets, wide open prairie beyond the borders of 14th street, along with packed youth groups, shinny leagues, epic dances and community parades.

It's hard to imagine that the neighbourhood grew little by little and didn't spring into existence fully formed, with a school, community hall, and corner stores, with Scout, Guide and Sport groups ready to entertain, exercise and educate our children and provide parents with a place to socialize naturally with their neighbours.

At times it feels like these things have disappeared little by little as well, as people turn to opportunities outside the community for their needs.

I believe much of what makes North Haven the wonderful, welcoming place it is, that draws people who grew up here, back to raise their families is the sense of community, the feeling of knowing your neighbours, not just on either side of your house, but the ones you meet at the soccer games, the school concert, community events, Guide Camp or Scout Bottle drive.

Come out and keep this feeling of community alive, volunteer, join us at our many 50th Anniversary events planned for this year, meet your neighbours and help us invigorate and celebrate what makes our North Haven great.

Jean

IN & AROUND CALGARY

Celebrate Neighbour Day on June 18

Do you miss the days when neighbours connected and got to know each other?

Held annually on the third Saturday of June, Neighbour Day is an opportunity for neighbours to come together in the form of a front yard barbecue, garden party, picnic, clean-up or afternoon tea in a local park to celebrate our strong community spirit in Calgary.

The idea is to meet your neighbours, make new friends, have fun and maybe work together on a project that benefits the entire community.

Make Saturday, June 18 the day you get to know your neighbours! Visit calgary.ca/neighbourday for ideas to help you celebrate.

MLA CALGARY-KLEIN CRAIG COOLAHAN

#9, 2400 Centre St NE

Phone: (403) 216-5430 • Fax: (403)216-5432
calgary.klein@assembly.ab.ca

Hello Calgary-Klein!

Spring has sprung, and the month of May is upon us. May 8 is Mother's Day, and so in addition to taking the time to appreciate and thank mothers and all that they do, I thought it appropriate to consider the history of Mother's Day as well.

The first Mother's Day observances began in 1908 in West Virginia and were organized by a woman named Anna Jarvis. Jarvis' own mother was heavily involved in peace activism, and when she died, Jarvis began organizing to have Mother's Day recognized as a holiday. By 1914, Mother's Day was finally proclaimed as a national holiday in the United States. This wasn't enough for Anna Jarvis, however: in the years that followed, she often criticized the commercialization of flowers and greeting cards that she felt overwhelmed the holiday.

Our government is committed to supporting families and building strong communities. I'm proud to say that Human Services Minister Irfan Sabir introduced the Alberta Child Benefit to support low-income families. Once fully implemented, this benefit will help 130,000 families. I'm also very proud of the work my colleague Deborah Drever has done with Bill 204, the Safer Spaces for Victims of Domestic Violence Amendment Act, which helps survivors of domestic violence escape unsafe living situations. Our government is also increasing supports for organizations taking initiatives to end violence against women and within families, and is working with community partners to break the complex cycle of family violence and protect the health, safety, and dignity of all Albertans.

Our government's cabinet is leading by example and has established the first gender balanced cabinet in Canadian history – including a new mother, the Honourable Stephanie McLean, Minister of Status of Women and Service Alberta.

I hope you'll join me on Mother's Day and celebrate not simply with cards, flowers, and gifts, but by also supporting the women and mothers in your life every day.

IN AND AROUND NORTH HAVEN

Parents and Tots

The Parent and Tots group meets on Fridays from September through June from 9:00 to 10:30 am in the basement of the Community Hall. The group is open to parents, grandparents and caregivers of children 0 to 5 years of age. As we share the space with our community preschool, any snacks brought during Parent and Tots time need to be peanut free.

This program could not be happening without the help of parent volunteers. We are looking for a parent volunteer that would be interested in helping with the Parent and Tots group starting in September 2016. The commitment is for 2 Fridays a month. If you are this parent please contact Ilinca at northhavennewsletter@gmail.com

Hope to see you soon,

Ilinca, Janice and Samara

Entertainment and Events Update

Spring is here! And with that comes spring cleaning! So, if you found you have a pile of stuff that you no longer want, what better way to deal with it than to join the awesome North Haven Garage Sale? It will be taking place on the field outside the hall on Saturday May 7 from 10am-1pm. Plots can be purchased up until May 6, and the cost is \$15 for NHCA members, and \$20 for non-members. Plots are 10'x10', and are outdoor only (rain or shine). We will advertise the event so all you have to do is show up and display your goods – it doesn't get much easier than this, and it is sure to draw a crowd! We will also be selling Mona's Pizza so you don't have to be hungry while you shop!

On June 11, we will be hosting our annual Pancake Breakfast from 9-11am. Pancakes, sausages, watermelon, indoor and outdoor games. There's fun to be had for all, so come on down and socialize!

Calgary soccer
pride.

AND WE'RE PROUD
TO BE IN THE GAME.

It's the start of another outdoor soccer season. And this year, it's fully public — the way it should be.

That's because Calgary council has asked your city workers to take over management and maintenance of the the Calgary Soccer Centre from private organizations.

And here's our commitment to you:

- A clean, efficient facility — where you feel comfortable taking your family.
- Saving you money — city council saw a public solution as the most cost effective; there will be no more spectator fees.
- A community asset — open and welcoming to clubs, players and families from across the city.

Making your city
work for you

We think this is a pretty good game plan moving forward: Let's keep city recreation facilities public and working for all Calgary families.

GUIDING NEWS

Thank you North Haven for your continued support of our programs and our cookie sales. We had another great cookie sale and were also very fortunate to have nice weather for it. We have a few new girls and parents who took part in the sale this year. They commented on the warm greetings they received and how great the neighbourhood is to our units.

Our Guiding year will soon be coming to a close. Leaders are busy planning year-end activities, camps and advancement ceremonies. In April the Sparks and Brownies had an outing to the Pisces Pet Emporium and worked on their outdoor and community badges. The Guides went geo-caching, took part in the area camp skills camp and are planning to do the Yellowfish Road project. The Pathfinders went to the opera, earned their leadership badge and continue to work on their Canada Cord award by helping as junior leaders in the Brownie unit.

Greetings Residents!

How safe is your backyard fire pit?

Backyard fire pits are great places to gather and share good times in Calgary's summer months, but these great times can quickly become tragic if you aren't safe.

The City of Calgary has bylaw standards to help minimize some of the dangers of your backyard fire pit, or outdoor fireplace, wood burning oven or chimneys. The Calgary Fire Department also has a number of tips to help prevent anyone from getting hurt.

Safety tips and bylaw regulations

- Backyard fire pits should be built into the ground, on brick or stone, or in a fire-resistant container.
- Portable fire pits may be used on a deck as long as they sit on brick or stone, and not directly on your wooden deck.
- Fire pits must be at least two metres away from your property line, house, garage, or fence.
- Fire pits must not be under any trees, branches, plants or other materials that can catch fire.
- Always have a way to put out the fire close to your fire pit. Easy options are your watering hose or a bucket of water.
- All fires in your fire pit must be kept to a reasonable size; under 1 metre high and wide. This helps ensure the fire's embers, sparks or smoke do not harm anyone or cause a nuisance to neighbouring properties.
- All fires in your fire pit must be continually supervised.
- Fires may only be burned in fire pits from 10 a.m. to 1 a.m., unless prohibited in a fire ban.
- Do not burn:
 - Painted, treated or lumber containing glue or resin
 - Wet, or green/fresh cut wood
 - Yard waste (cut grass or leaves)
 - Garbage
 - Rubber
 - Plastic
 - Furniture

Always check www.calgary.ca/firebans to ensure no fire bans are in effect, which may caution against or forbid using fire pits. Remember, you can be fined from \$500 to \$5,000 for not following Calgary's fire pit bylaws (5M2004) or the instructions of fire bans. Learn more about Calgary fire pit safety and By-laws by visiting calgary.ca and searching the term 'fire pits'.

Get Involved in the Charrette!

The Green Line project team needs your input

It's time to talk about Transit Oriented Development (TOD) in the north! Last year, we hosted three workshops called "Charrettes" with communities in southeast Calgary to plan TOD on the south leg of the line.

We are now starting this process for the north section of the Green Line, and we hope you'll join us in the discussion.

What is a Charrette?

A multiple-day, collaborative workshop led by a consultant team that brings together citizens, developers and policymakers to create a feasible and supported community plan based on four feedback loops: **Issues, ideas, concepts, and solutions.**

Upcoming Charrettes

96 Avenue North Charrette

May 2-7, 2016
