## Sandstone/MacEwan Community Association Meetings

are held the 3<sup>rd</sup> Tuesday of the month  
at 7:00PM at the Berkshire Citadel-Sandarac Drive, NW  
Everyone is welcome to attend.

3rd Tuesday of Every Month

## PRESIDENT'S MESSAGE

As you read this note, the Sandstone Community Association Annual General Meeting will have taken place and members on the Board will have changed slightly. I have one year remaining on my term so will continue to represent Sandstone and MacEwan as the President.

Remembrance Day is November 11<sup>th</sup> and an extremely important date in Canadian History. Most countries observe this day to recall the end of hostilities of World War I on that date in 1918. Hostilities formally ended at the 11<sup>th</sup> hour, of the 11<sup>th</sup> day of the 11<sup>th</sup> month. The red poppy became a familiar emblem of Remembrance Day in recognition of the poem written by Canadian Lieutenant-Colonel John McRae "In Flanders Fields". Please take the time for two minutes of silence at 1100 am in honor of those who fought and lost their lives fighting for their country.

We are heading into winter and the individuals who maintain the two rinks throughout the winter will be busy preparing for another skating season! There will be a call out for volunteers to assist with the rinks so please consider offering a couple of hours a week to assist. We will be putting up Christmas lights again at the hockey rink and would be happy to have a few volunteers to assist us in doing this. We had a great turn out of young families last year and hope to see more of you this year!

I'm happy to announce we have our first winner for the "Nominate Your Neighbour" contest. Adam Sparkes was nominated by one of his neighbours who also lives in Sandringham Close. Adam's neighbor nominated him because he not only spends hours decorating his own yard for special events (Halloween, Christmas, etc) he also decorates around the neighbourhood. Those of you driving into Sandringham Close would have seen flags on poles for Canada Day or ribbons adorning the light poles for the Christmas season. Adam has taken it upon himself to extend his cheer throughout the neighbourhood by putting up these decorations. Some of you may recall the snow storm that occurred in September 2014 that severely damaged tens of thousands of trees in Calgary. Adam took his chain saw through the neighbourhoods offering his assistance to those

who needed to cut up wood from fallen trees. Adam's family will receive a \$50.00 gift card to a local area business as a token of appreciation from the SMCA board. A special thanks to Darlene for nominating Adam. Please remember to nominate your neighbour whose efforts deserve recognition by sending us an email to [macsand@macsand.ca](mailto:macsand@macsand.ca).

Thanks to those who have either renewed your SMCA membership or are new members. Those who purchase a three-year membership (\$50.00) will receive a SMCA go mug and those who purchase a one-year membership (\$20.00) will receive two SMCA beverage koozies.

Like us on Facebook and follow us on Twitter. Check out the website at [www.macsand.ca](http://www.macsand.ca) or contact us at [macsand@macsand.ca](mailto:macsand@macsand.ca).

Nominate  
Your  
Neighbour

Adam Sparkes is the first recipient of the SMCA Nominate Your Neighbour Contest. Adam was nominated by a neighbour for his efforts in celebrating special events by taking the time to decorate along the Sandringham Close entrance. For several years Adam has put ribbons along the light standards for the Christmas season as well as flags on poles to celebrate Canada Day. Those who know where Adam lives have been impressed with his decorating efforts in particular at Halloween and Christmas. Adam wants to share in this acknowledgement with his wife Kelly Sullivan who puts in the same effort to decorate the inside of their house. Adam and Kelly have been living in Sandstone for ten years with their girls Abby and Jane.

**"For thousands of homeowners, polybutylene plumbing has become a recurring nightmare."**

- Ed Bradley, CBS-60 Minutes

Polybutylene (also known as PB or Poly-B) pipe is a flexible, grey pipe that was used in several million homes built from 1970 to the mid-1990s. Due to problems with leaks, Poly-B water pipes are no longer accepted by United States or Canadian building codes and have been the subject of class action lawsuits in both countries. Poly-B fails without warning because it breaks down from the inside of the pipe over time, which can result in sudden catastrophic damage or severe structural damage including mold if a pipe has been leaking for some time without detection. The older the pipe, the more likely it is to fail. Not replacing Poly-B in a home has a 60% probability of failure within 20 years, which further increases over time.

Modern West Plumbing & Heating specializes in the complete turn-key removal of Poly-B in your home by a professional, courteous, and experienced team including a Master Plumber. Replacing this pipe in your home will protect your investment and your personal belongings, save thousands on repairs, and add significant value to your property.

## News from the Friends of Nose Hill

by Anne Burke

Our annual general meeting is on Wed. Nov. 16 at Triwood Community Centre NW and the public portion begins at 7:30 p.m. Our guest speaker John McFaul will offer a power point of Nose Hill Flora with an introduction to the City BiodiverCity 10-year strategic plan. John was appointed by City Council as a member of the Biodiversity Advisory Committee and is a professional naturalist, who has been leading nature walks and hikes for 30 years. From 1986-2003, he worked for City of Calgary Parks as a naturalist for the Inglewood Bird Sanctuary. He received the Loran L. Goulden Award from the Federation of Alberta Naturalists. John is a professional interpreter with the Interpretive Guides Association. For more details you can go to our website at [www.fonhs.org](http://www.fonhs.org).

Calgary has been called "Sandstone City" because it is a key component of many heritage buildings, including the old City Hall. Rather than importing the material, City Council approved a notice of motion to reintroduce mining within the city limits,

at Edworthy Park and/or the former John A. Lewis Quarry site. A scoping study will return to City Council about the feasibility of reactivating small-scale quarrying sites.

When news of the motion was published, Nose Hill Park was named as the second site. Council was already in session. As a result I wrote a letter opposing the plan, due to public safety issues, impact on wildlife, and damage to diversity. The Ward Councillor voted against the motion and said, "No one must touch Nose Hill". There was a recommitment to preserving Nose Hill for future generations of Calgarians. The assistant to the motion mover confirmed, while there was no reference to Nose Hill Park, it is important to preserve and conserve nature across our city. Fortunately, the second site is actually in the West Creek Valley, well outside the Park.

City Hall exhibited "Calgary Goes to the Dogs: A History of Dogs and Dog Licenses. In 1885, there were only 100 dog tags; now there are 100,000. There were no leash bylaws or fenced-in backyards. We have the Responsible Pet Ownership Bylaw and there are estimated to be 150 public off-leash areas. This accounts for 20% of park spaces in Calgary (1250 hectares).

Nose Hill is a popular park for walking dogs, in part because some communities do not have their own off-leash areas. The pathways on the escarpment are on-leash areas, while the multi-use plateau (top of the hill) is off-leash.

Happy November! As you are reading this our government is back in session and working on legislation that supports all Albertans through challenging times.

On October 1st, Alberta's general minimum wage increased from \$11.20 to \$12.20 per hour as part of our government's effort to achieve a \$15 per hour minimum wage by 2018. In addition to the 2016 increase, the general minimum wage will rise by \$1.40 to \$13.60 per hour on Oct. 1st, 2017, and a further \$1.40 to \$15 per hour on Oct. 1st, 2018. Currently, an estimated 300,000 Albertans earn less than \$15 per hour, a majority of those being women, often the head of the household. It is imperative that Albertans who are working full time earn enough to live.

I was fortunate to attend a number of events in October and brought greetings on behalf of Seniors Minister Hon. Lori Sigurdson to the Atrium of City Hall for the 25<sup>th</sup> Anniversary of the United Nations International Day of Older Persons celebration. The event was hosted in partnership with the Calgary Chinese Elderly Citizens' Association (CCECA), Immigrant Services Calgary (ISC) and the City of Calgary and the year's theme was "Take A Stand Against Ageism". We are all indebted to the contributions that our seniors have made, past and present, and it was a real honour to thank them.

It was great to meet so many of you on Friday afternoons for our Coffee and Chats throughout the riding. Thank you again for bringing me your thoughts and ideas! October was a very busy month in Mackay Nose Hill, including the celebration of the opening of the new International Terminal at the Calgary Airport, which is over two-million square feet (186,000 m<sup>2</sup>) in size! My staff and I also attended a number of Community Association meetings and I'm always impressed by the hard working community volunteers and acknowledge them for their dedication to community life.

If you have any questions or concerns, then please don't hesitate to contact me by email at [calgary.mackay.nosehill@assembly.ab.ca](mailto:calgary.mackay.nosehill@assembly.ab.ca), by phone at 403-215-7710 or drop by the office at #106, 8220 Centre Street NE, beside First Calgary Credit Union.

November presents Canadians with an annual reminder of the sacrifices made by brave men and women who have defended our country and our freedom. As we pause to reflect on their selfless acts, at Remembrance Day ceremonies across the country, let us also be reminded to always be thankful for the country we call home and the service members that have given us so much. I encourage you to attend a ceremony this November 11 at one of the many locations throughout Calgary.

The 42nd Parliament has included debate on a number of important issues. I continue to work hard on your behalf and I appreciate the feedback you provide me on topics of importance to you. Of course, the issue of most critical importance remains the condition of Alberta's economy and the current job situation here at home. I have received countless emails and phone calls from individuals who are concerned about their future. I share these concerns and am committed to raising the issue of Alberta's economy and job situation in Parliament and the media whenever possible. In October I, along with several other Alberta M.P.s, launched the Alberta Jobs Taskforce in response to the growing jobs crisis here at home. You can find more information about the Taskforce, its objectives, and how you can help on my website: [www.MichelleRempel.ca/ABJobs](http://www.MichelleRempel.ca/ABJobs) As always, please continue to contact me on any issue. I care deeply about our community and I appreciate the time you take to write, email or call me about issues of importance to you.

Greetings Residents,

### Fall/Winter Programs

The City of Calgary offers a wide variety of fun and FREE drop-in programs and activities for children, youth and families.

From after school programs, to health and wellness classes, to leadership opportunities, we have something for everyone.

Find out what's happening in your area, visit [calgary.ca/CommunityPrograms](http://calgary.ca/CommunityPrograms).

### Crews ready for winter snowfall

Crews are keeping an eye on the forecast all winter long, preparing roads with anti-icing solution before the snow falls, and maintaining City streets as soon as snowflakes hit the ground.

We know how important it is for Calgarians to get to where they want to go safely, and winter driving can be challenging because of snow and icy conditions. Stay informed during every snowfall by following @yyctransport on Twitter and downloading the Road Conditions App for frequent updates. See where our crews are plowing on the live map at [Calgary.ca/RoadConditions](http://Calgary.ca/RoadConditions).

After each snowfall, Roads crews follow a priority clearing system called the Seven Day Plan:

- Priority 1 routes, which carry more than 20,000 vehicles per day, are cleared to bare pavement within 24 hours after the snow stops falling.
- Priority 2 routes, which carry between 5,000 and 19,000 vehicles per day, are cleared within 48 hours after snowfall has stopped.
- Playground zones, designated hills, and residential streets on Residential roadways are cleared on Days 3-7. These roads are flat-bladed, which means snow is packed down so it is easier to drive on, and ruts are removed.

For more information on snow and ice control, including FAQs, snow route parking information, and free sand and gravel locations, visit [Calgary.ca/snow](http://Calgary.ca/snow).
