# A Summer of Great Tuxedo Park Events

The Tuxedo Park Community Association would like to thank all the volunteers who worked so hard help us host two great events this year. Without your support, elbow-grease and smiles, our Neighbour Day Flea Market and Canada Day celebrations just wouldn't have been the same! From our volunteer coordinator Christina Baer, to our perennial pancake flippers Pat, Glenda, Steve, and Glen, our volunteer photographer Albert Nguyen, to our board members and community volunteers—days like these are made by people like you. A special thank you also goes out to our Tuxedo Park businesses who stepped up with extra volunteers, donations, swag, and even popcorn—First Calgary Financial (16th Avenue branch), Starbucks (Center Street and 9th Ave), Telus, and the City of Calgary Fire Department.

## PRESIDENT'S MESSAGE

Summer is here! Most definitely my favourite time of year. Tuxedo just revelled in an amazing flea market Neighbour Day in June and had off the charts attendance at our Canada Day breakfast! Together, with these two amazing events Tuxedo Park raised \$768.50 in donation for the Red Cross. Thank you, Tuxedo!

What is bringing people out? I think everyone is getting more and more interested in local.... More interested to come out and mingle in the best neighbourhood Calgary has to offer. As I walked home from the breakfast, I was overcome with the amount of spirit that people have for Canada, and for Tuxedo!

Thanks for joining us, for sharing your ideas and opinions, for laughing and having a good time when we have an event in Tuxedo. Hope to see you next time!

Chrystina Lusney  
President, TPCA

News from the Friends of Nose Hill

by Anne Burke

I came across a website which ranks Alberta parks and playgrounds. See: [calgaryplaygroundreview.com/nose-hill-park](http://calgaryplaygroundreview.com/nose-hill-park). In addition to free parking, Nose Hill has many features, with hiking, off-leash area, washroom, wildlife spotting, interpretive signs, native grasslands, larger mammals, such as deer and coyotes. You can also find geocaches. OISEAU Agents of Nature is a free downloadable mobile app about nature and wildlife. The idea is to encourage outdoors discovery with interactive fun. Be an agent of nature and solve challenges. You can access Nose Hill and the codes for the app from the parking lot off Berkley Gate. Then unlock some mysteries of nature. Go to the City website for details about the program: <http://www.calgary.ca/CSPS/Parks/Pages/Programs/Get-to-know.aspx> and follow the links.

Speaking of city parks and other green spaces, after the City decided to end the Adopt-a-Park program, there were a few complaints about these areas. The residents involved are proud of how beautiful and green their neighborhoods are through the help of this volunteer program. If this is coming to an end (or being replaced) due to more strict water management, how can we keep the neighbourhoods looking green and nice so that the residents continue to be proud of them?

The General Manager of Community Services responded that the Adopt-a-Park program came into effect in 1984 and was discontinued in 2015. It served a very good purpose and encouraged pride in community, but there were several issues with the program, such as the possible wasteful use of water, safety, collective agreements, and some centralized pieces of the services that the City provides.

The program was replaced with two new programs. The Green Leaders program for community volunteers pro-

vides oversight to doing projects in the community to enhance it, such as painting park benches or weeding. The second project, Water Stewards, will have volunteers focus mostly on keeping the city's many high-use playing fields watered.

Both programs are trying to address some of the issues that had emerged but also respond to the community desire to continue to care and have pride in their community with a more focused, targeted, and supportive approach. The General Manager noted that the programs will be evaluated over the course of 2016.

## Insects and Technology

### Fleas Knees

*Scientists have been studying a resilient protein that makes up the joints of many insects, including fleas.*

*This protein allows fleas to leap 100 times their body length in a single bound (that would be 600 feet high for a human). A*

## Broadway Kids Drama Classes Coming to Tuxedo Park

Starting in September, the Tuxedo Park Community Association will be rolling out the red carpet at Tuxedo Park Community Hall for the launch of the Broadway Kids Drama Class program. Students will have the opportunity to grow their self-confidence, promote their capacity for imaginative and creative thought and develop a respect for others by acting out and reflecting on dramatic situations in class.

The program will run every Wednesday between September 14 and December 7, 2016, with Broadway Littles (4-6-year-olds) taught between 5:30 pm - 6:00 pm, Broadway Kidlets (6-9-year olds) taught between 6:00 pm - 7:00 pm and Broadway Bigs (10+ years old) taught between 7:00 pm - 8:00 pm.

The cost to enroll is only \$25 per child for Tuxedo Park Community Association members (\$35 for non-members) and children can be registered for Broadway Kids Drama Classes via email or by phoning 403-277-8689. Online registration will also be available on the Tuxedo Park Community Association website by the end of August.

## Spring Forest Qigong in Tuxedo Park

**Qigong (chee gong)** is a simple, efficient, and effective method for helping you experience your optimal health, wellness, and happiness; helping you heal physical and emotional pain; and helping you enhance the quality of your life and the lives of others.

The goal of SFQ is to enhance the quality of your life by teaching you ways to open your energy channels and maintain balance. Remove the imbalance, and you remove the pain.

The SFQ method is simple and easy to learn. It is comprised of four parts that all work together:

- Breathing
- Gentle Movements
- Mental Focus
- Sound

Here is what Medical professionals say about Qi gong practice:

*"I'm convinced that we will see important evidence that (Qigong) is a strong and critical alternative or complementary therapy for humans in the maintenance of health and even in the stabilization of disease."*

- Neil Kay, M.D., Prof. of Medicine, Mayo Clinic College of Medicine

Come and experience qi gong practice

Where: Tuxedo Community Hall

When: 9am on Wednesdays (starting from September 7)

Cost: by donation

Did you know that 24% of the residents of our Calgary Confederation riding are over the age of 55? In Canada, 30% of the population are aged 55 or older and by 2020 that number will increase to almost 38%.

Canada is the best country in the world in which to live and we owe much of that to our nation's Seniors. They are largely responsible for fighting the wars that gave us our freedom, paying the taxes that built our cities and having the foresight to create the infrastructure and programs many of us take for granted.

As your Member of Parliament, I will continue to stand up for all constituents, but it is my privilege to show my respect and gratitude to our Seniors by devoting my recent community mailing to them. The mailing goes to every household in the riding and is also available on my website at [www.lenwebber.ca](http://www.lenwebber.ca).

For Canada's elderly to receive their full benefits and entitlements, it is critical that they apply for these programs. One of the best ways for any person to determine if they are getting the benefits they may be entitled to, is to visit [www.canadabenefits.gc.ca](http://www.canadabenefits.gc.ca) and use the online 'benefits finder' which generates personalized results based on a few simple questions.

Also, many financial assistance programs require up-to-date tax filings, so it is also very important that those in need of some help keep up-to-date on their taxes. The Canada Revenue Agency has thousands of volunteers who can also assist with this task.

Should you encounter difficulties getting your benefits, my staff and I are here to assist you. It is requested that you make an appointment before coming to the office with your concerns as this allows us to serve you better and ensure you are not required to wait an excessive amount of time. Often, we are able to assist you over the telephone without the need for an appointment too.

For office contact information, photographs, my Parliamentary speeches, helpful links and other important information, please visit my website at [www.lenwebber.ca](http://www.lenwebber.ca) on a regular basis. You can also follow me on Twitter, Facebook and YouTube for the latest updates.

Finally, I want to congratulate all the Canadian Olympic athletes and their coaches on their achievements. While the world focuses on these elite athletes for only a few weeks every four years, their dedication to their sport and personal success is a daily commitment for many years.
