LETTER FROM OUR COMMUNICATION CHAIR

My name is Lin Akkad and I am the Communications Committee Chair of Tuxedo Park Community

Association. I am thrilled to be part of an amazing, hard-working communications team at Tuxedo Park. The Communications team is an integral resource within our community. Through professional, creative, and strategic communications, this team helps the Tuxedo Park Community Association to fulfill its goals. The team collaborates in telling our community's story to its residents and Calgarians by providing:

- Strategic planning and media relations- Lin Akkad
- Editing and refinement of our Gazette newsletter - Anne Johnson
- E-News- Evan Nielsen
- Web communications, and blog posts on Twitter and Facebook- Kent Vuong and Lin Akkad
- Website- Kent Vuong
- Graphic design- Susan Stephen
- Sandwich boards- Susan Stephen and Chrystina Lusney
- Bold sign on Centre Street- Evan Nielsen
- Logo and brand definition- Ian Regier
- Crisis communications best practices- Lin Akkad

You will be noticing new sandwich boards all around our community. We have purchased 10 new contemporary sandwich board signs in July where a paper poster is inserted. The signs are 24" wide x 32" high, which is a bit bigger than the old ones we had before. We would like to mention that our signs are valuable and we have spent a lot to purchase them. Unfortunately, one of them has already disappeared, so we will have start

locking them up. Please keep an eye on our signs and let us know if you see any suspicious activity surrounding them.

A proposal has been submitted by our team to the board for installing a digital sign on the City Park's land on 29th Avenue and Centre Street north. The goal of this project is to effectively increase visibility, awareness and have a deeper connection with Tuxedo Park's residents. We have picked competent and economically feasible suppliers and professionals for this project. This project will include landscaping, sign installation, and electrical work and wiring. We are currently working with the City of Calgary on getting the development permit for this project.

We have created an Instagram account for Tuxedo Park. Please follow us to see more photos and videos of our community. Our next venture is looking into paid advertising on Facebook to reach more people and to further advertise our community's programming and classes.

We are constantly trying to find effective new ways to communicate with our community residents. Please check out our website at <http://www.tuxedoparkcommunity.ca/> and join our social media platforms to get regular updates on what's happening in our community.

EMS: Yielding to Emergency Vehicles

Time is the enemy in any emergency. For everyone's safety it is important for motorists to understand how to correctly yield right of way to emergency vehicles with lights and siren activated. You can help EMS, police, and fire get to the scene quickly and safely by following these rules of the road.

When an emergency vehicle approaches with lights and siren activated:

- If you're in the middle of an intersection when an emergency vehicle approaches with lights and siren activated, safely clear the intersection.
- On a one or two lane road, motorists should move to the right side of the road, slow down, and then stop. Remember to signal.
- On a road with three or more lanes, motorists should move to the nearest side of the road and stop. If driving in the centre lane, move to the right side of the road and stop. Remember to signal.
- Come to a complete stop and wait for the emergency vehicle to pass. Shoulder check for more emergency vehicles (there is often more than one!) before re-entering traffic flow. Remember to signal.
- Emergency vehicles might use *any* available road space to maneuver. This could include the shoulders or left hand turning lanes in order to pass other traffic.

When operating a vehicle:

- Drive attentively and defensively at all times. Be cognizant to sirens and be prepared to yield the right of way.
- It is Alberta law for motorists to slow down to at least 60 km/hour (unless a lower speed is posted) when driving past a stopped emergency vehicle. This includes EMS, police, fire, and tow trucks with their lights activated.
- Do not break the rules of the road in order to give right of way to an emergency vehicle. This could include proceeding through a red light or making an illegal turn. Actions such as these jeopardize all motorists in the area.
- Drivers must place their full attention on the roadway and toward the safe operation of their vehicle at all times. The fine for distracted driving in Alberta is \$287.00.
- Always leave plenty of space between your vehicle and an emergency vehicle should it be required to stop suddenly.

Nurturing a sense of belonging on National Child Day Nov. 20

National Child Day is celebrated annually to mark two historic events: the 1959 signing by Canada of the United Nations Conventions on the Rights of the Child (UNCRC) and the adoption of the convention.

This year's theme is **a young person's right to belong.**

Identity and belonging is about young people developing a positive sense of who they are, and feeling that they are valued and respected as part of a family and community. Positive messages about their families, backgrounds, cultures, beliefs, and languages help children learn, develop skills and a healthy sense of identity and belonging; this helps them later to better deal with bullying and discrimination.

One way your family can celebrate National Child Day is to share a book or story about belonging.

The book **How Far Do You Love Me?** by Lulu Delacre celebrates love and belonging. It gives parents and teachers an opportunity to share a story that features people from different corners of the world using their geographical locations as references for how great their love is.

More books about belonging (Calgary Public Library may have these to lend):

Corduroy by Don Freeman

I Like Myself! by Karen Beaumont

The Blossoming Universe of Violet Diamond by Brenda Woods

The Invisible Boy by Trudy Ludwig

Gaston by Kelly DiPucchio

Rump: The True Story of Rumpelstiltskin by Liesl Shurtliff

Calgary Reads helps children learn to read with confidence and joy. COUNCILLOR, WARD 9 GIAN-CARLO CARRA

c/o Office of the Councillors
PO Box 2100, Stn 'M', Mail Code #8001A
Calgary, AB T2P 2M5

Hello Ward 9,

Your Team Ward 9 has been working on many projects. Some stem from my Great Neighbourhoods platform, while the majority come directly from you.

Some of these projects, like the Green Line Area Redevelopment Plans, the Developed Areas Guidebook, the Zoo flood mitigation project, 12 Street SE bridge construction, Memorial Drive and Edmonton Trail N road improvements, 17 Avenue SE transitway, Blackfoot Trail and Southland traffic upgrade, and the Glenmore Interchange construction, can and do create major inconveniences for community members. I know that it can be frustrating at times with the seemingly indefinite workshops, public sessions, and construction activity. The consolation though, is that their completion will do exactly what we have worked so hard together to do – to make our Great Neighbourhoods even better.

Director and General Manager Meetings

One of the tools that your Team Ward 9 has implemented to manage and mitigate these projects is publishing my upcoming monthly meetings with city managers, directors, and general managers. For November and early December, they are:

- General Manager of Parks – Nov. 1
- Calgary Police Chief – Nov. 10
- General Manager of Planning & Development – Nov. 10
- General Manager of Transportation – Nov. 18
- Director of Community Planning – Nov. 18
- Director of Roads – Dec. 6

I invite you to submit your agenda item propositions to my office at ward09@calgary.ca.

Mid-Cycle Budget Adjustments

During the week of November 21, The City's focus will turn to reviewing the budget during the **Mid-Cycle Budget Adjustments**. At this week-long meeting, City Council will be discussing:

- Taxes & Fees
- Business
- Community

- Service Savings & Efficiencies
- Infrastructure

Your voice matters in this conversation, and I ask you to submit your priorities to my office so I can address these issues at the Council table.

The Road Ahead - Snow Removal

As you know, winter is officially here. Our office started meeting a few months ago to discuss improvements to the snow removal process that were identified by residents last year. I am happy to report that these improvements will be implemented. Your Team Ward 9 asks that should you see gaps in operations during snow removal that you call 311, go to 311 Online or download the mobile app, get a service request number and call our office to follow up, if you don't see an adequate response to those concerns.

As always, your Team Ward 9 remains accessible to you, and encourages you to reach out if you have any questions.

Yours truly,
Gian-Carlo

Remembering Is Something You Do

During Veterans' Week, November 5th to 11th, I will join Calgarians and people across the country as we pay tribute to all Canadian Veterans. Throughout the week, thousands of commemorative ceremonies and events will take place across our country to honour Canada's Veterans, current serving members of the Canadian Forces and those who have made the ultimate sacrifice. The sacrifices and achievements of our Veterans have helped define and defend Canada's values of freedom and democracy. They will always be remembered.

Here are some ways to engage in Remembrance: Wear a poppy above your heart, attend local Remembrance Day ceremonies, and vow never to forget; Change your profile picture on Facebook to a poppy and blog or tweet about the importance of remembrance; or listen to Veterans talk about their experiences and thank them for their service. Remembrance IS more than something you think about – it's something that you do.

Another way to help remember is to find your connections to the past. You can obtain information on where the graves of all Canadian soldiers who died while serving abroad are located. Here's how to do a search for your connection to the past.

Visit the Veterans Affairs Canadian Virtual War Memorial online at www.virtualmemorial.gc.ca. (If you are looking for an Allied soldier you could also try a similar search through the Commonwealth War Graves Commission at www.cwgc.org as they keep track of all Allied cemeteries.)

Search by name and select the soldier you are looking for. (Keep your search terms broad to yield the best results. This is especially important with first names or common misspellings of names.)

Review the results of the search. When available, it will include photos, a copy of the page from the Book of Remembrance, vital personal details and possibly even a summary of the circumstances surrounding the soldier's death.

A quick Google search using the name of the cemetery often yields a link to photos of all the tombstones, lists of those buried (alphabetical and regimental) and a good description of the cemetery itself. Please don't consider the Veterans Affairs Canadian Virtual War Memorial as the only possible source of information and don't underestimate the power of a good online search engine like Google.

Share your findings and experiences with others in a gesture of Remembrance. I would be interested to hear from anyone who uses this process and finds it as rewarding as I have.

Hello Calgary-Klein!

Economic diversification is a key element of Alberta's economic recovery. Alberta's economy must become more resilient to changes in the international price of oil. Our government is supporting small businesses to create jobs and get Albertans back to work.

Alberta's small businesses and investors create new jobs and diversify our economy. Small businesses in Alberta have a bigger economic impact than small businesses anywhere else in Canada, and make 35 per cent of all jobs in Alberta.

As part of the Alberta Jobs Plan, our government is creating a tax credit for investments in small Alberta businesses that will support up to 4,400 new jobs over three years, and contribute up to \$500 million to the province's GDP.

The Alberta Investor Tax Credit (AITC) will offer a 30 per cent tax credit for investments in Alberta small business made between April 14, 2016 and December 31, 2019. The tax credit will be offered to investors who provide capital to Alberta small business in a variety of sectors, including:

- Research, development, and commercialization of proprietary technology, products and processes,
- Development of interactive digital media and game products,
- Post-production, visual effects, and digital animation, and
- Tourism operations – like resorts, skiing facilities, amusement and recreation industries, hunting and fishing camps, and scenic and sightseeing tours.

Legislation establishing the AITC is being introduced this session. We know from similar legislation in other jurisdictions that this will provide a strong incentive for Alberta investors, increasing access to capital when and where small businesses need it most.

As always, my office is happy to hear from constituents. If you have any feedback about this initiative, or any other matter, feel free to contact my office at calgary.klein@assembly.ab.ca or 403-216-5430.
