De Winton Pre School

Registrations are currently being taken for the 2014 /2015 school year. The school's philosophy is for our children to learn through play and socialization. The three year old program will be held every Monday

and Wednesday with one class in the morning and one class in the afternoon. The four year old program will be held every Tuesday and Thursday also with one class in the morning and another class in the afternoon. A few spots are still available in each of the four classes. To register or if you have any questions, please contact the preschool by phone at 403-852-5990 or by email at: dewintoncommunitypreschool@gmail.com.

Quilting

Our dedicated Q Bee Quilting group is a wonderful group of ladies who welcome anyone joining them with whatever project you have on hand; valuable suggestions and help also available. They assemble every Wednesday at 9:30 am. Contact Ruth Olson at 403-938-2241

Book of Kells

The **Book of Kells** is likely the most famous example of medieval illumination and calligraphy in existence, and is one of Ireland's most precious artefacts, on permanent display at Trinity College, Dublin.

It is probable that illumination began in the late 8th century at an Irish monastery on the Scottish island of Iona and after a Viking raid, the book was taken to the monastery of Kells in County Meath, where it may have been completed in the early 9th century by several calligraphers, not just one artist.

NEWSLETTER CO-ORDINATOR'S NOTE

Spring is supposed to be on its way. Therefore, we hope everyone is still working on all the New Year's Resolutions of keeping fit, helping others, attending new events near by, enjoying life with one's family and friends or travelling to favourite places.

The community will soon be setting up their calendar for events to look forward to this spring and summer. But the regular events still are happening in the DeWinton Centre so check if there is something new you would like to do: quilting, yoga, bridge, bookclub, zumba, OR...

Do you have an idea of something new you would like to see happen at the Centre? Your board members would love to hear from you!

EMS: Burns and Scalds

Every month Alberta Health Services EMS responds to emergencies where a young child has sustained severe burns or scalds. These incidents often occur inside the child's own home. Common causes include a child accidentally tipping hot liquids onto themselves, touching a hot surface, or making contact with an electrical outlet. Fortunately, incidents such as these can be avoided by taking simple preventative measures.

Prevention of burns

- Check the temperature of your hot water tank. Many homes keep hot water temperatures as high as 60°C / 140°F. This temperature will scald a child in just seconds.
- Use placemats instead of tablecloths. Tablecloths can be yanked downward causing hot drinks or food to spill on a child.
- Turn pot handles to the back of the stove and ensure cords from kettles, slow cookers, and other electrical appliances cannot be reached.
- Avoid picking up a child while holding any hot liquids.
- Ensure electrical outlets are made secure by installing commercially available safety devices that prohibit access.

Degrees of burn

- 1°: Affects only the top layers of the skin; appears red like a sun burn; discomfort is generally tolerable.
- 2°: Deeper and much more painful than 1° burns; broken skin or blisters commonly develop.
- 3°: Severe: the deepest layers of skin and tissue are injured; may appear charred or leathery.

First Aid for burns

- Skin may continue to burn if not aggressively cooled. Immediately douse burns with large amounts of cold water.
- Cover the burn with a sterile dressing, or any clean, non-fluffy material to protect from infection.
- Over the counter medications may be used for pain. Adhere to directions given on the label.
- Seek further medical attention from your doctor as required.

If you require immediate medical attention for a burn, call 9-1-1.
