*Yeah, you sent her  
a card,  
but did you build  
her a shrine?*

Andrews Methodist Episcopal Church has been designated as a shrine to all mothers. The founder of Mother's Day, Anna Jarvis, attended the church in her youth and sent over 500 carnations on May 10, 1908, to be distributed to the congregation's mothers. In 1914, Mother's Day became a nationally observed holiday in the United States.

### Events:

Family games night was a fun way to spend Friday nights in March! Families came together in an informal evening of board games and fun activities. Watch for this again the fall.

We held a successful General Meeting/Open House at the Harmony Discovery Centre on March 27th. Several residents from all areas of Springbank came together to discuss important issues facing us. SR1 continues to be foremost in everyone's concerns for our neighborhood.

### Springbank Off-stream Reservoir (SR1):

As we continue to advocate for our neighborhood to ensure the health and safety of Springbank is maintained, the Springbank Community Association is working on a video series to educate all on the potential risks and questions that must be posed to the Government of Alberta regarding this project. We will also be hosting more information nights based on the feedback from our Harmony open house. To receive information regarding SR1 please go to [Springbankcommunity.com](http://Springbankcommunity.com) and sign-up for email updates.

### Springbank Community Centre:

The consultant is continuing to work on our feasibility study so that we can build a useful and responsible gathering space for our community. Springbank has needs that are not currently fulfilled by the facilities that we have so we are endeavouring to fill those gaps much like the trailblazers before us that built our original community hall that unfortunately was condemned last year. We should have a completed study to share later in the spring. Stayed tuned for updates.
