## PRESIDENT'S MESSAGE

I mentioned in my previous column that we had a great, engaged group come out for Imagine Fairview at the end of January sharing all sorts of great ideas, history and vision for our community. All of the information has been gathered and sorted and will be presented back to the community on Saturday, April 16, 9am-12pm at lower level of In-Definite Arts. We hope that you will be able to attend to participate in the sharing of this important engagement!

Our annual Membership Drive is fast approaching and we need your help! We would love to hit every house in Fairview once again, but we can't do it without the help of many volunteers - roughly 50% of our sales come from this week alone. This is a great way to meet your neighbours in mid-April and it is my experience that residents are very happy to see us at their door! We are planning to beat our record of 530 membership sold in 2015-2016!

It was great to see a solid turnout for our Bowling for the Burtons fundraiser in February. More than that was the great buzz and atmosphere for the event. A full wrap-up as you read on! Thanks again go out to the ladies on Fleetwood for their amazing efforts in making this night a success.

And the full details of our community cleanup events have been confirmed - see our accompanying insert for all of these details and make sure you magnet this insert to your fridge! The events will once again be similar to last year, with the exception that there will be NO Hazardous Waste Roundup (every other year) accompanying our Bottle Drive. Make sure you come out to support these events, be it through volunteering for one of the events, selling at your own garage sale, buying stuff at your neighbour's garage sale(s), supporting our food truck or concession, dumping stuff at Spring Fling or donating your bottles at our bottle drive! Looking forward to seeing you there!

Dave

## BOARD BITS & BUSINESS

### November 2015 Casino funds:

The Fairview Board recently received notice of how much money we will be receiving from AGLC for our casino in November 2015: **\$72,280.02!** Thanks again to all of the residents who helped us with this event!

### Imagine Fairview report back:

Mark your calendars for **Saturday, April 16, 9am-12pm** for our report back from our Imagine Fairview group. This will be held in the lower level of IDA.

On January 30th, a number of Fairview Residents and a few of our Acadian neighbours got together to talk about ideas for the future of Fairview. This is a project run by the Federation of Calgary Communities, the University of Calgary Urban Studies program, and a different community association every year. We talked about what we see Fairview looking like in 50 years, and the barriers that impeded us from getting there. We talked about the places that make Fairview a great community and the places that could use improvement. All of this was recorded by University of Calgary Urban Studies students and on April 16th they will be presenting this vision back to the community - we hope to see you there! To register for free, visit [imaginefairview.wordpress.com](http://imaginefairview.wordpress.com). You can also find photos from our first engagement session there and on the Fairview Community Association website ([www.fairviewcommunity.ca](http://www.fairviewcommunity.ca)).

### Fairview Park (Baseball Diamond) Update

In the fall of 2015, the Fairview Community Association established the Fairview Park Committee to evaluate the entire Fairview Park (baseball diamond) site at the centre of our community. The purpose of this committee will be to determine if there is broad community support to repurpose and revitalize Fairview Park into a multi-purpose, multi-season park. The committee has met several times and has distributed work to compile information regarding this greenspace.

**We are also looking for any past history of the site, photos, etc. that can be included in a report. Please contact us (info below) if you have any such information!**

Residents of Fairview who are interested in taking on the work of this committee can contact one of our co-chairs: Vanessa at 403-808-6878 or Dave at 403-454-8327 or email [park@fairviewcommunity.ca](mailto:park@fairviewcommunity.ca).

Fawn Playground Update:

After much deliberation, reworkings and funding discussion, final plans for the Fawn playground have been finally sorted out! This proved to be by far our most challenging playground. First, its size - Fawn Park is our smallest footprint. Thankfully when the city came and did park improvements they were able to move the pathway, so now instead of the current long rectangular footprint, we will have more of a trapezoid area. Our second challenge was coming up with a completely different playground within our budget. Saying that, due to the type of playground equipment we envisioned for Fawn Playground (and the poor Canadian dollar), we were a little over our initial projected amount. So after many months of revisions and conversations with the suppliers we finally came up with two designs we were happy with. In December at our Skate with Santa event we unveiled two designs and let children and parents vote. The resounding outcome was the design you see here. We are currently awaiting formal approval to use our Gaming funds for this project as well as approval for CFEP (provincial government) funding - keep our fingers crossed for a late summer/early fall build!

# Bowling for the Burtons another community success!

Fairview community residents joined together, on February 20th, to host a fundraising event for our neighbours, the Burtons. The Toppler bowling night was an incredible success, both by how much money was raised and by the great social atmosphere and buzz of the evening.

We are thrilled to announce that through the event and the support of the residents of Fairview we were able to raise \$3,615 for the Burtons that evening. Also including cheques mailed in, an on-line fundraiser, and generous corporate donation from Crescent Point Energy, the

grand total raised for the Burtons was just shy of \$6,000. We are blown away with all the support the Burtons received throughout their tragedy. **A huge thank you to all of our generous neighbours and Fairview (and beyond) businesses for contributing to this local cause.**

We would especially like to thank the following for their generous donations to help make "Bowling for the Burtons" an amazingly successful night: Corinne Brazeau, Bernard Giles, Gill Giesbrecht, Charlotte Clarke and Paul Van Elsberg, Janine Reid, Schluter Systems Canada, Ten Thousand Villages, Tail Blazers, Springbank Cheese, Stonegate Pub, the Cooperators - Tammy Truman, Aussie Rules, Starlite Restaurant, Larry Soron - RE/MAX Realty, Toppler Bowl, Conoco Philips, Calgary-Acadia MLA Office - Brandy Payne, The Laugh Shop, Crescent Point Energy and many other anonymous donators. And a big thanks to Mark Dutkoski for being our event photographer! And one more big thank you to the Fairview Community Association for their tremendous support to make this event so fun and successful!

We are all so lucky to live in such a caring community!

### It's Cookie Time!

Spring is here and that means those yummy sandwich cookies are here. Our Sparks, Brownies, Guides, Pathfinders, Trex and Rangers will be selling them the first weeks in April so look for us in your neighbourhood or at a local retail location. They are only \$5.00 a box and support our many activities.

The Spark units are eagerly looking forward to spring. The change in the season will see them keep busy with a sleep-over at the zoo, a visit to the library, potting plants and looking for ways to be outside and celebrate Earth Day.

The Brownie units will be selling cookies, hold Easter celebrations and be hopping around doing clean-up in their communities for Earth day.

The Guide units made birthday boxes for the Calgary Interfaith Food Bank, will be learning basic first aid and many third year Guides are finishing up work on their Lady Baden Powell Award by preparing for tent camping and organizing service projects.

The Pathfinder, Ranger and Trex units attended Alberta Girls Parliament in Edmonton, are going to the opera, having an archery outing, prepping for backpacking and camping.

Guiding is a great place to build new friendships and experience new challenges. Why not give us a try!

If you have any questions regarding Guiding or registration please call **Calgary Area Girl Guides at 403-283-8348 or email at [ggcinfo@calgarygirlguides.com](mailto:ggcinfo@calgarygirlguides.com)**

The result will be a positive relationship with your child that will last a lifetime.

### Community Cleanups: Save Yourself a Trip to the Landfill

Calgary Community Standards (formerly Animal & Bylaw Services) in partnership with Waste & Recycling Services and your community association is pleased to offer another year of Community Clean-ups for FREE of charge to Calgarians. A Community Clean-up is a day scheduled at your community centre where you can bring your household items that may not fit in your black, brown or blue carts like furniture or old fencing or items that fill up your carts too quickly or just an accumulation of items that are ready for the landfill. If you live in a multi-unit housing complex, we welcome you to bring your waste and recycling items to this event especially if it is closer than the designated community recycling depots.

We are pleased to announce that 3 packer trucks will be provided this year (2 for waste and 1 for organic materials). Last year, 110 communities were served between April and October. Please check with your community association to see when your Community Clean-up has been booked and better yet, volunteer to help with the event which is held either on a Saturday or Sunday from 9 am – 2 pm. Your community association needs 15-20 volunteers to put on the event so your assistance is greatly appreciated. Calgary Community Standards provides funds for food and refreshments for the volunteers, advertising and promotion, gloves, garbage bags and any other items used to help Clean-up.

Please note, there are items that the City of Calgary's packer trucks will not accept:

- Tires, home appliances, paint, household chemicals, propane tanks, microwaves, car batteries, home electronics, liquids, metals and glass, railway ties.
- Your Community Association usually enhances the event with recycling services such as electronics, metal, paper shredding and possible tire recycling and paint pickup (or you can take your cans of paint to any fire hall station).

The Community Clean-ups provide a fantastic opportunity to work with your neighbours and community associations to Clean-up your yards and homes, parks, off-leash areas and sport playfields. Thank you for your commitment to help create healthy, safe and vibrant communities.

For more information about the date set in your community, please call your Community Association or you can go to [www.calgary.ca/cleanup](http://www.calgary.ca/cleanup) for the full schedule and further details.

## IN & AROUND SCHOOLS

### April brings cultural event activities to École St. Cecilia School

West Africa comes to École St. Cecilia School in April when students will learn traditional dance from that Region as part of PhysEd and music education. The African theme continues with students learning to play Djembe drums from April until the end of May.

Our Division I students are in for an extra treat – our grade one students will visit Heritage Park to learn about pioneering days and our Grade 3 students will learn all about farming with a field trip to Aggie Days.

This month also sees an opportunity for community members to contribute to École St. Cecilia School through our Education Society raffle draw. Hello friends and neighbours!

Have you ever wondered what services are available at your local MLA's office?

Our office prides itself on being a friendly and welcoming environment committed to supporting the residents of Calgary-Acadia.

Our office is staffed with two constituency assistants, Lynn MacWilliam and Carla Lloyd. Their primary job is to support the people of Calgary-Acadia and to support my work. Some of the amazing things they do for us on a daily basis are:

- Assisting constituents who have questions or are having difficulties with governmental services;
- Meeting with constituents to address concerns and feedback and passing them on to the appropriate ministry in government;
- Attending Community Association meetings on my behalf when I'm unable to attend;
- Representing me at public events, town halls and open houses that relate to constituent concerns, when I'm unable to attend;
- Providing information about government programs and services;
- Managing my schedule;
- Communicating new government initiatives to interested individuals and business;
- Organizing Community Outreach events like our bi-monthly Open House (next one on Saturday, May 28 from 1:30-3:30pm, and special events like our Annual Stampede Breakfast (scheduled for July 9);
- Sharing ideas.

They are also responsible for all aspects of office management including supply ordering, working within the office budget to ensure effective financial management and cleaning!

### Did You Know

Did you know that MLAs are Commissioners of Oath and Notaries Public? If you need those services there is no charge but you must make an appointment in advance due to my full schedule. Please call the office to book your appointment - we encourage you to have

the documents you need notarized with you when you call, as certain documents cannot be notarized by our office.

### In-Definite Arts

We are pleased to be working in partnership with In-Definite Arts. In-Definite Arts is an innovative visual arts centre that serves adults with developmental disabilities. They provide a supportive studio environment for artistic development as well as professional opportunities to exhibit and sell artwork. We are honoured to have beautiful works of their art throughout our office. Visit their website at [www.indefinitearts.com](http://www.indefinitearts.com) and plan a visit to their gallery on Fairview Drive SE. We are fortunate to have this gem in Calgary-Acadia.

As always, my staff and I are here to help and love to hear your feedback. If you need assistance accessing government programs, want some support for a community event or initiative or just want to say "Hi," you can reach us by:

If you've heard me speak you've heard my 'Great Neighbourhoods' platform, the five-point plan that guides the work I do at City Hall and in our communities every day:

- **Transforming Planning** to increase vibrancy in our neighbourhoods
- **Transforming Local Governance** enabling citizens to play meaningful roles in the evolutions of their neighbourhoods
- **Transforming City Hall** to make The City more responsive to neighbourhood needs
- **Taking Control of our Future** by establishing a Big City Charter

#### **Building a City That Pays for Itself**

With the change in our City's economy, my efforts have been more heavily weighted towards lessening

the blow for our citizens by working to build a city that pays for itself. I have long advocated that connecting revenue with expenses and transforming taxation are essential. Here's an update on some of what I am working on, and what I have supported within the last six months:

- **Supporting and voting for the Off-Site building levy.** This important vote affects future and current Calgarians, as taxpayers will now recoup 100% of the cost to build new communities - no longer subsidizing developers.
- **Supporting the 2016 budget adjustments.** This lowered taxes and provided more funding for infrastructure projects, putting people to work and stimulating our local economy.
- **Diversifying our economy and supporting established and new businesses.** I am working to remove provincial and municipal red tape, encouraging an environment that will create jobs through commercial and residential development, and within the service sector. I am doing this through Notice of Motions regarding the Airport Vicinity Protection Area, commercial and residential development along the LRT Red Line and Green Line, and introducing zoning changes to increase opportunities for businesses that deliver, or choose to deliver, child care services.
- **Reviewing the property tax assessment process.** I've heard primarily from flood-affected homeowners on the Elbow River about their repeated successful appeals to the Assessment Review Board since the 2013 flood. I am working to ensure that the assessment process is fair and uses the best methods to meet provincial law, while reflecting the realities faced by property owners.

Through your calls, emails, tweets, and attendance at community events, your voices are being heard, and I promise to keep acting on them. Please continue to connect with me and share your ideas on how we can emerge from this downturn even stronger.

Yours truly,
