HELP END DIABETES

Diabetes is a complex disease with many causes and no known cure. In Alberta, an estimated 303,000 people have been diagnosed with diabetes and a further 600,000 live with prediabetes.

With your support, the Canadian Diabetes Association (CDA) can improve lives and make it possible to fund leading-edge research and innovative educational programs; send kids with type 1 diabetes to the CDA's D-Camps; and provide Albertans with access to programs, services and resources to manage their disease and live well.

IN & AROUND SCHOOLS

Mapleridge Cooperative Preschool

During the month of November at Mapleridge Cooperative Preschool the students were immersed in learning about colors, shapes and the exciting world of dinosaurs! The children also received a keepsake t-shirt and their class photos.

Everyone at Mapleridge Cooperative Preschool is looking forward to the holiday season and the excitement that this joyful time brings. With careful guidance, our little elves are busy creating wonderful crafts to decorate their homes and thoughtful Christmas gifts for their parents! HO! HO! HO!

Before taking some time off with their families, our three and four-year-old classes will each enjoy a Christmas party. This last preschool event of 2016 will be a fun-filled event with crafts, songs, and Christmas cheer. Santa will make a surprise visit to the party with a special gift for each child.

Mapleridge Cooperative Preschool would like to wish you all a fun, happy and safe holiday season. We look forward to seeing everyone again in the New Year!

If you would like some more information about MCP please contact us at 403-278-9594, info@mapleridge-preschool.com, or visit our school website at www.mapleridgepreschool.com.
