# Fairview Community Association ANNUAL GENERAL MEETING

Wednesday, June 8, 2016, 7:00pm  
8038 Fairmount Drive SE

Mark your calendars! Our Annual General Meeting is on June 8th. This is an important meeting for our Association. Come and hear about the exciting things happening in Your Community!

**We've done some Amazing things!**

This year's AGM is for our year from March 2015 to the end of February 2016. The meeting will feature a recap of the past fiscal year, our financial statement presentation, and election of officers.

**Please consider stepping up this year to volunteer for your community association!**

## PRESIDENT'S MESSAGE

June will mark the end of my term as President of the Fairview Community Association and I appreciate all the support this community has given us during that time. When I started out in October of 2012 we focused on three main areas for the Association and I thought I'd use this month's column to reflect on our progress in these areas:

### Communication

Before my term as president we had already undertaken a facelift of our newsletter and website as well as a new logo to better brand our name in these modern times. While our newsletter remains a very important vehicle for information in Fairview, I pushed to expand our repertoire towards a multimodal approach to reach different audiences. We expanded on this by creating an email newsletter that had reached nearly 300 people prior to the anti-spam legislation halved that number. We have since come back up to nearly 210 on our distribution list and growing. Shortly after that we developed a Facebook page that is used primarily as an information distribution channel which has nearly 300 likes. We do our best to keep the information on our website current. We have improved the quality of our advertising while utilizing local help in this area (thanks Paul!). And earlier this year we made a major change to our newsletter by switching to a different printer/distributor, Great News, that significantly improved our distribution (particularly to businesses and apartments), provided a more professional-looking newsletter and saves us a significant amount of money.

### Relationships

Our relationships with our community partners and volunteers has always been strong and I strived to maintain these through open communication, honesty, hard work, fulfilling promises and showing appreciation. However, I also saw opportunity to build new relationships within our volunteer base and residents, public representatives and private businesses. We have maintained a very good relationship with two of our biggest, central community partners, In-Definite Arts and the Fairview Arena. We have worked closely with two levels of government (municipal and provincial) on community interests and issues and tried to maintain contact with our two local schools whenever possible. We have expanded our volunteer base

in large part by exploring new initiatives and engaging residents with diverse interests. And we have significantly developed and strengthened ties to many local and a few larger businesses by finding mutually beneficial partnerships including sponsorship of many of our events and infrastructure projects as well as through our Fairview Business Initiative newsletter column. And most importantly, we have expanded our membership base to record highs and maintain one of the highest rates of memberships within the entire city!

### Finances

Ensuring our long term financial sustainability was one of the most pressing areas we have focused on. Some of the key moves we made in this area include (but are not limited to): Actively soliciting donations at all of our major community events; attempting to make each community event and program financially independent (i.e. cost recovery); better utilizing our Gaming funds (rather than general funds) to cover many different expenses including some admin/office expenses, ice rental for skating and shinny hockey, our Hazardous Waste Roundup expenses and our outdoor movie night company expense; actively seeking out business sponsorship for all of our events; changing newsletter providers to reduce our printing, editing and delivery costs; investing our stagnant Gaming and general funds into GIC's to realize a small amount of interest; increasing our membership fee from \$10 to \$15; changing our financial service provider to realize more interest and investment options; eliminating our internet expenses and drastically reducing our phone expenses at our office; expanding fundraising efforts through social events (Wine & Cheese, bowling night) and other venues (e.g. Bottle Drive). While some of these decisions may not have always been the most popular, they were necessary and I stand behind the decisions of the Board here more than anywhere else. There is still some work to do on this file, but we are in a much better financial position moving forward.

It's been an amazing 4 years full of great successes (with a few misses along the way), meeting wonderful and spirited people and developing relationships to last a lifetime. It has been exceptionally rewarding personally. We've come a long way, but when I look around the City at all the great community initiatives, there is still a world of possibilities left to explore!

On that note, our AGM is coming up on Wednesday, June 8th, 7pm at In-Definite Arts (lower level). We will celebrate another great year for the Association and are

## PRESIDENT'S MESSAGE

...cont'd

asking for your support at this important meeting. And please consider stepping up to fill a spot on the Board (only 4 spots are currently open!) - if you have enthusiasm for improving the community you live in or if you have a specific interest in something that we are doing (or could be doing, or could be doing better!), then consider joining us! We also have particular needs to find individuals interested in our traffic committee, off-leash dog park committee, Fairview Park committee, social committee and cleanup events committee

And lastly, another big thank you to all the volunteers who helped make our Spring Cleanup Events and Membership Drive another success! We continue to have a super strong volunteer base for these popular events and a great turnout from Fairview residents and beyond supporting our efforts. A full wrap-up on the events can be found as you read on.

Enjoy your summer!

Dave

## BOARD BITS & BUSINESS

As we wind down for the summer, here is a final summary of the things your community association has been working on this year:

We wrapped up Imagine Fairview with a report back to the community in mid-April. Many ideas were shared and hopefully some of them can be incorporated into future ideas for the community. As mentioned in last month's newsletter, some very interesting, creative and informative videos about the community of Fairview were made by each group and are now available through our website (fairviewcommunity.ca) or directly at the Imagine Fairview website: imaginefairview.wordpress.com.

Our Social Committee is organizing the details of our next big events including our Fairview Family Festival & Film Night on Friday, September 9th (mark your calendars!) and our next Wine & Cheese event (aiming for October/November).

The Fairview Park (baseball diamond) Committee continues to work hard to gather information to present to the community to determine the appetite for repurposing this central park space into a multi-season, multi-use site that considers the needs of many different demographics of the community. We are also looking for any past history of the site, photos, etc. that can be included in a report. Please contact us if you have any such information through one of our co-chairs: Vanessa at 403-808-6878 or Dave at 403-454-8327 or email park@fairviewcommunity.ca.

We continue to work hard to build our membership setting new records every year and maintaining one of the highest membership percentages in the city!

At the time of this writing, the Playground Committee is awaiting final approval for CFEP funding and to use our Gaming funds to put towards our Fawn Playground - details on the final plans for this site can be found on our website. We should hopefully know about funding shortly after you receive this newsletter in your mailbox.

And last but not least, we are working on getting our last few Free Little Libraries installed this spring/summer.

# Membership Drive The Tradition Continues!

Some very sunny and warm weather was the backdrop to the Fairview Community Association Annual Membership Drive this year. Our fantastic group of Membership Drive volunteers did it again! Through our annual “Knock on Every Door” campaign, we have topped five hundred memberships for the 2016 – 2017 membership year. We had several new canvassers this time and along with our VV’s (veteran volunteers) we once again have a strong presence of Community Members in the neighbourhood.

If you still have a Pink Sheet dropped in your mailbox during the drive, please take a moment to join the Association – all the ways to do that are listed on the sheet for you.

**Here is the Team of Volunteers – Thanks to All!!!**

### CALGARY AGING IN PLACE CO-OPERATIVE CONCEPT

*"Grow old along with me! The best is yet to be." Robert Browning (1812-1889)*

In a Co-operative the seniors that are members are the owners, they decide what the Co-operative does.

The mission of the Cooperative is to allow for seniors to stay at home and be supported as they age. The first leg of this project is to find services that support our members by providing services such as house cleaning, handy persons, snow removal, lawn care, etc. The concept being as a member you get to help determine what those services will be as we grow.

We are also looking for existing service providers in your community, if you know of anyone who owns their own business and offering any of these services, please do encourage them to also come out and meet with us. All service providers will be required to complete a Criminal and Vulnerable Sector Check with Calgary Police Services.

We are looking at other opportunities to continue support of the live at home option for seniors in our communities, such as a secondary suite in your existing home. Suites would be managed by our Co-operative in consultation with the home owner.

Please join us at one of our membership drives in your community to hear more about this concept.

# Spring Cleanup Events Wrap-Up

We were fortunate this year that the weather cooperated and we had mostly sunny days for all three of our cleanup events! (especially fortunate that the pouring rain held off until the evening of Spring Fling!). Thank you so much to all of the volunteers who helped make these events a continued success! Here's what transpired:

Our **18th Annual Parade of Garage Sales on April 30th, sponsored by Ed Belanger of Maxwell Realty** remained extremely popular with garages full of people throughout the day! Sales were again very strong likely because we remain one of the earliest parades in Calgary. We had a total of 34 sales in this year's parade, down from our record high last year of 44.

Big thank you's go out to:

- **Ed Belanger** of Maxwell Realty for continued sponsorship of this event!
- Stacey McDougall for organizing this event, keeping everything sorted and delivering packages
- **Paul Van Elsberg** of paulparrazzi.com for the design of our beautiful inserts and colourful maps once again!
- **Digital Post** for printing support.
- **Wilk's Booth YYC food truck** - mmmm... very delicious burgers... hope you didn't miss out!
- The **Fairmount Medical Clinic** for use of their parking lot during the event and the volunteer crew who helped sweep up the parking lot before the event!
- The volunteer crew who helped sweep the medical clinic parking lot the night before the event.

Our **20th Annual Spring Fling Community Cleanup** continued to be popular, though slightly less busy likely due to coinciding with Mother's Day. The weather was decent (not too hot, not too cold) and we had an up and down lineup of vehicles until about 1:00pm. However, with an additional garbage truck starting early in the day this year, the lineup moved a little quicker than the last couple of years.

Between the cookies and lunch fare, the concession sales were just shy of \$370 and donations totalled around \$280! Thank you for your support! We are still awaiting the total weights of garbage and recycling but we had roughly 140 different homes drop off materials plus our volunteer drivers collected from 44

different houses (a modern day record!). There were some issues regarding electronics recycling (our recycler will now only accept personal home electronics such as TV's, DVD's, computers), but we will have this sorted out for next year. We are also planning on having tire recycling for next year (and likely every other year as there are minimal amounts of tires dropped off on a yearly basis).

Big thanks go out to:

- The **City of Calgary** for providing their trucks and support for the event.
- The private organizations for their involvement - **Navajo Metals, Technotrash, and Women in Need Society.**
- And again thank you to **Paul Van Elsberg** for the design work on our advertising inserts and Digital Post for printing assistance.
- Resident **Randy Wentz** for the donation of his loader and services to move/crush heavy materials
- **SAWHA** for providing volunteer parking directors and **IDA/Fairview Arena** for allowing use of the parking lot
- And of course to **all of the volunteers from this community** - you continue to be the biggest reason why this event remains the best in Calgary!

We had, yet again, a perfectly warm, sunny day for the **6th Annual Bottle Drive** on May 14th. The day ran very smoothly with volunteer truck drivers collecting all the bottles quickly and a strong volunteer counting crew. Volunteers enjoyed a free lunch and we had everything completed right around 2pm. We raised just over \$2500 at this event! (up from around \$2100 last year!).

Thank you to: **Youth Volunteer Corp** for providing a group of hard working youth volunteers for the event; **Chinook Bottle Depot** for their support of this event; and of course **all of the volunteer leaflet deliverers, truck drivers, truck loaders, sorters, cooks and cleanup crew** (just over 100 volunteer hours!) for all of their hard work! We hope to see you out next year!

## Insects & Technology

The Namib Desert's darkling beetle is the inspiration for a new idea to turn morning fog into droplets of water and will have the ability to provide enough water per day for survival of Namib Desert people. The beetle's body has little bumps that repel water, sending the droplets down his back into his mouth.

## IN & AROUND SCHOOLS

### Mapleridge Cooperative Preschool

Our students had two wonderful field trips in May. The 4-year-old classes spent some time in the Inglewood Bird Sanctuary classroom before heading off on a beautiful nature walk and picnic. The 3-year-old class went to the zoo and learned all about penguins as they took part in the preschool penguin program. These were two memorable adventures and the students are still talking about them!

The end of May brought a year-end party for all the students. The 4-year-olds proudly participated in a graduation ceremony. June will bring a day to share with families and school friends with a final picnic together at Lake Bonavista.

As our school year comes to a close, we would like to thank all parents and families that helped support our school this past year. We would especially like to thank Mrs. Killam for all the love and devotion she has provided to each and every child, as it has allowed for their early school years to be filled with positive memories.

Please mark your calendars for the 2016/2017 school year orientation on September 6, 2016. We still have a few spots in the 3 and 4-year-old classes! If you would like more information about the preschool please call us at 403-278-9594, email us at mapleridgepreschool@hotmail.com or visit the website at www.mapleridgepreschool.com.

#### Connecting you to the Resources you Need

You live in one of the 28 communities served by the SWCRC. If you are in need of information or resources, or if you are facing a challenging situation of any kind and you aren't sure how to move forward, please call us at 403-238-9222 to make an appointment with one of our Community Resource Workers.

Our two Community Resource Workers are social workers who will:

- sit down and talk with you for an extended period of time
- provide supportive counselling
- help you assess your situation
- identify the strengths and resources you already have
- provide information about, and referrals to, other available resources, programs and services
- help you "navigate the system"

#### Neighbours Helping Neighbours

Calgary's economic downturn is hitting people hard. The baby and personal care items we have in stock are dwindling rapidly. We are in need of the following to share: newborn and sizes 1 to 6 diapers and pull-ups, formula and baby shampoo; for children, youth and adults shampoo, conditioner, toothpaste tooth brushes, bar soap (Dove recommended), feminine hygiene products, deodorant, disposable razors, men's shaving cream.

#### SWCRC Volunteer Opportunity: Parenting Group Assistant

SWCRC is expanding its parenting education programming. To support the participation of low income and socially isolated parents, we offer free child care for the parents' young children. As a member of our team of Parenting Group Assistants, you will care for the children by providing a safe, loving and fun environment in which to play, socialize and learn. The time commitment is approximately 2 1/2 hours, 9:30 – noon, either Tuesdays or Thursdays.

It takes a village to raise a child. Your passion for kids, and your desire to contribute your knowledge and experience towards a community effort to optimize children's social, emotional and intellectual development, will inspire you to contact the SWCRC for more information about this important volunteer role. Call 403-238-9222 ext. 222.

## West Coast Kids

Fairview Community

West Coast Kids was born 40 years ago in Winnipeg Manitoba when a young mom was looking for baby furniture for her first born. Not being able to find a specialty store with options, she decided to open her very own store in the heart of the Exchange District.

From the very beginning, the store was founded on the concept of offering parents a specialty store, from newborn to teen, which could provide parents with the best and largest selection of merchandise at the very best prices. After the success of the Winnipeg location, Marsha set her eyes on the west! With locations in Edmonton, Vancouver, Richmond two in Calgary and our latest addition, the Toronto baby out East, West Coast Kids is pleased to be able to offer their array of products across the country.

As priorities have shifted to more eco-friendly and environmentally sound products, West Coast Kids has followed the needs of our customers. Offering a variety of organic, eco-conscious and green products ensures that West Coast Kids gives parents the 'baby-safe' nursery they are looking for.

E-Children, along with West Coast Kids, is committed to the safety and comfort of your children. Our many years of experience enables us to identify firsthand which products best demonstrate safety, quality and value. You will love our friendless and will often find a family member in any one of our stores. E-Children and West Coast Kids is dedicated to making shopping a positive and fun experience for you and your family of all ages.

Almost summer! Blackfoot District units are busy as bees with activities both inside and out as many units wrap up their Guiding year. Several units attended Calgary Area Rally Day at Camp Jubilee to learn about Guiding across Canada and around the world.

Sparks units are wrapping things up with community clean-ups, family cook-outs, neighbourhood walks and will have some girls "advance" to the next level of Guiding which means they will be joining their Guiding sisters in Brownies in the fall for new challenges.

Brownie units are prepping for camp, year-end BBQs, sleepovers at Telus SPARK and walks in Fish Creek Park. Some girls will advance to new adventures with the Guides in the fall.

Guide units attended Guide Camp Skills event at Camp Jubilee, are prepping for tent camp and travel. Third year Guides are finishing work on their Lady Baden Powell Award and some will be advancing to Pathfinders.

Pathfinder, Ranger and Trex units went to 4Cats studio to splatter paint, attended the Calgary Area geocaching event, went to the opera and made terrariums. Some units are getting ready for a backpacking weekend, tent camp, an outing to Jubilations and travel as well as attending the national camp Guiding Mosaic being held right here in Alberta.

## COUNCILLOR, WARD 9 GIAN-CARLO CARRA

c/o Office of the Councillors  
PO Box 2100, Stn 'M', Mail Code #8001A  
Calgary, AB T2P 2M5

Hello Ward 9!

I wanted to take this opportunity to express to all you how lucky and privileged I feel to be a Calgarian and to have the amazing honour of representing the communities of Ward 9. In life, we often have moments where we take a step back and think about all we have to be grateful for. I think that for us as Calgarians, and particularly as residents of Ward 9, one of our most significant expressions of our gratitude is Neighbour Day.

Neighbour Day signifies something important in our city – something that, for a long time, we have thought was uniquely our own. A time for us to gather with our friends, family and neighbours to celebrate the incredible resiliency our city demonstrated in the aftermath of the 2013 Floods.

That resiliency has been mirrored by our friends from Fort McMurray and Wood Buffalo and all the northern communities impacted by the destructive fire we have witnessed.

As Albertans helped us through the flood, we saw that same outpouring of generosity for our neighbours to the north from Calgarians.

This June, while some of the evacuees will have returned home, some may not have a home to return to and will be dealing with that devastating prospect. During this difficult time, we Calgarians have done our best to make Fort McMurrayites feel welcome in our City.

With Neighbour Day happening on June 18, let's share in the events taking place in Ward 9 – from Tuxedo Park to Riverbend – and invite our new neighbours to enjoy the day with us.

Events can be big or they can be small.

This Neighbour Day, there are some incredible milestones in our ward. We have two communities celebrating anniversaries - Dover is turning 45 and Millican-Ogden-Lynnwood is turning 60. To commemorate, Team Ward 9 coordinated a photo project in each community. We have collaborated with local schools to help students bring out their meaning of 'neighbourhood' through photography. These photos will be exhibited at each Neighbour Day event and later displayed throughout each community.

We also have events happening all around Ward 9. Check with your community association or [www.calgary.ca/neighbourday](http://www.calgary.ca/neighbourday) to see what's happening in your area.

Thanks to all of you who have shown so much generosity and support to our fellow Albertans. We hold community and togetherness as unshakeable values and our resiliency as Calgarians endures.

Happy Neighbour Day!
