## VICE-PRESIDENT'S MESSAGE

We are looking forward to our big event coming up on September 8th! We sure hope you can make it out to our Fairview Family Festival & Film Night in Flavelle Park. Hopefully the glorious summer weather will hang on for this event! Food trucks, face painters, bouncy castles, popcorn and Cars 3 are confirmed! It should be a great time for everyone - don't forget to bring your family and friends! Please see our insert for all the details.

We continue to roll through the summer with great community-building events abound! We completed our casino event on July 30th and 31st with another strong volunteer showing and great fun was had by our volunteers. A wrap up is included in this month's newsletter.

And by now we should have completed our Fawn Playground build on August 11th and 12th. We will have a full write-up about the weekend in next month's newsletter. There will still be some time before the playground will be opened as some finishing work needs to be completed and final inspections passed. Please be patient and heed the fencing!

And don't forget about our rescheduled AGM on Tuesday, September 12th at 6:30pm, immediately prior to our September board meeting. We will be sure to keep this meeting brief and to the point of the basic business of an AGM. Please consider coming out to support the Association or consider volunteering for a spot on the board!

Enjoy the last few weeks of summer!

*Dave Eisenbart*  
1st Vice President, Fairview Community Association

Special mentions goes to Ian Heggie who came out with his bobcat and augured the holes! Thank you!

Hello Ward 9 Neighbours,

This October you and your fellow Calgarians will have the chance to participate in one of the most important and meaningful experiences we share as Canadians – voting. October 16, 2017 is your opportunity to have your say in the future of your neighbourhood, your community, and your city, as you head to the polls to elect a Mayor, your City Councillor, and your School Board Trustee.

Often, there can be cynicism about the political process of electing representatives who may not share or understand your personal views, priorities, or sense of direction for Calgary. When faced with that cynicism, remember that the thread that links these candidates is their love of community and belief that they can make things better for all of us. That diversity of vision, when tested against your questions and engagement, reveal the best person for the task in moving us forward.

Unlike other orders of government, we interact with our municipal government everyday – from the moment we wake up, to the moment we head to sleep, and even in between. From providing safe drinking water and electricity to our homes, to paving, maintaining and clearing roads during the winter months, providing transit, deploying our police and fire service, to providing recreational programming and affordable housing to Calgarians, local government impacts our lives immeasurably.

This year, there will be significant changes in Ward 9 as the ward boundaries have changed. The communities of Tuxedo Park, Winston Heights-Mountview, Rideau-Roxboro, Park Hill, Erlton, Acadia and Riverbend will move to Wards 7, 8, 11 and 12, respectively.

During the next few months you will have candidates knocking at your door, calling your homes and reaching out to you in a number of ways to ask for your support and for your vote. Be prepared to challenge them with your questions about everything from street sweeping, to transportation, to their long-term vision for Calgary. Sign up for updates. Attend your neighbourhood candidate debate. Speak with your family, friends and neighbours, and most importantly, vote.

To make the process of voting easier for Calgarians, The City has created a website specifically geared to this October's election. To sign up for updates, find out when and where to vote, and to confirm voter ID requirements, please visit [www.calgary.ca/election](http://www.calgary.ca/election).

All the best to you as you make your voting decisions!

Hello friends!

I hope that you had a fun and relaxing summer and had the opportunity to take in some of the many community activities and festivals in and around our beautiful city.

I enjoyed the opportunity to meet with many of you over the summer, whether at my constituency office, or at a community event such as the Riverbend Community Association Stampede breakfast, the Acadia Community Garden Art in the Park event, my annual Pancake Breakfast with the WillowRidge Community Association, the Emergency Services Appreciation BBQ at the ARC, or FLC Seniors' Annual Registration day at Trico Centre. It's been great to meet you, hear your suggestions, and talk about your compliments or concerns. If we haven't had a chance to meet yet, please do be in touch with my office – contact details below.

It's also been a summer of great announcements from our new Government. Like many residents in Calgary-Acadia, I was thrilled to hear that we will be building a new Calgary Cancer Centre at the Foothills Hospital Campus. The Centre will include additional inpatient beds, outpatient services, radiation therapy, and systemic therapy such as chemotherapy. This facility will be a vital part of our health services in Alberta, and provides much needed treatment for Albertans who are battling cancer.

This summer, I also attended committee and caucus meetings to prepare for the fall Session of the Legislative Assembly. As we move in to the fall season, the Special Committee on Ethics and Accountability will be seeking feedback on the Elections Act, the Elections Financing Act, the Whistleblowers Protection Act and the Conflicts of Interest Act to ensure they best serve Alberta's public interest. As Deputy Chair of the Committee, I look forward to hearing from you about these issues.

The Committee on Families and Communities will be reviewing the Mental Health Amendment Act - 2007.

This Amendment Act deals primarily with Certification (involuntary confinement), Notification upon Release, Community Treatment Orders, and the role of the Mental Health Patient Advocate. This review is in addition to the review of services provided under the Mental Health act that is being undertaken by a different committee. If you have any questions or concerns about this Act, or the Mental Health Services review, please be in touch.

As your MLA, I represent all residents of Calgary-Acadia. If you have any questions, compliments or concerns about the steps our government is taking, I want to hear from you. You can count on me to listen and bring your perspectives to the government and the Legislature. Likewise, if you are having some difficulty dealing with the provincial government or accessing provincial services, please contact me – you can count on me to assist you to the best of my ability.

You can contact our office by email at [Calgary.Acadia@assembly.ab.ca](mailto:Calgary.Acadia@assembly.ab.ca), or by phone at 403-640-1363. You can also visit our office at #10, 8318 Fairmount Dr SE, Monday-Thursday, 10 am to 4 pm, and Fridays 10 am to 3 pm.
