A Safety Management System (SMS) is all about managing the safety interaction you have with your workers. It's an overall strategy to help you communicate information on hazards and best practices in your workplace so you can develop a stronger, lasting culture of safety within all stakeholders in your organization.

Insects and Technology

Fleas Knees

Scientists have been studying a resilient protein that makes up the joints of many insects, including fleas.

This protein allows fleas to leap 100 times their body length in a single bound (that would be 600 feet high for a human). A manufacturer has produced a near-perfect rubber

with 98 percent resiliency which could improve the responsiveness from heart valves to the bounciness of running shoes.

PRESIDENT'S MESSAGE

Hi Folks!

Well, we are half way through this summer season and I think everyone's grass must be green by now with all the recent rain. Today was wonderful - the sun was shining and the birds were singing - too bad the Stampede was LAST week!

Things are running smoothly at the hall but this slow economy has had its effect on us, too. Several weddings booked for this year have been put on hold till next year but at least the Christmas bookings are still filling up fast.

Today, I was very impressed. I had put out an e-SOS for some extra hands for a pre-wedding setup and four "locals" popped by to help. An all-day gruelling task of moving and setting up for a big wedding was done in just over half an hour. Thank you so much to Sue, Tammy, Sebastien and Andrew for your community spirit and support and to Barb and, of course, our very reliable Bill as always!

Late Night Prowlings - We received word from one of the neighbours in Marquis Meadows area about a recent 4AM encounter with a suspicious stranger - right in their yard! When approached, the person mumbled something about needing gas and where was a gas station? In the meantime, there was a vehicle seen circling in the area and this person did eventually hop in to that vehicle and take off. So if they really needed gas, how come the vehicle was still able to drive around - hmmm? Owner was not able to get a license plate number quick enough but later discovered some keys and at least one power tool missing but not sure exactly the timing of their disappearance and if related.

Another neighbour mentioned they also had seen some odd vehicles around in recent days so thought we would use the email-vine and community newsletter to get the word out so everyone can be step up their game on their lockup routines around their properties with their equipment and vehicles.

Since the email notice went out, we received further

word about another odd incident where an unknown truck "dropped off" a large 5th wheel and then roared out of the resident's yard making a mess on their property at some point while they were in town. When they went to follow-up the next day, the trailer was long gone and no information could be collected.

Don't make it easy for these thugs so they keep coming back to our area!

As always, be sure to report anything suspicious to the Calgary Police and make a note of vehicle description and license plate if possible. DO NOT put yourself in harm's way. Don't forget - our CPS Community Liaison Officer is Const. Matt Forest at POL5067@CalgaryPolice.ca.

Canada Post Pending Strike Action - apologies for the late newsletter in July - a direct result of pending strike action. Should this action go forward in August, there are always additional copies in our four local pick-up locations including Prairie Schooner bulletin board, Shepard Hall (bin and inside), Shepard Hamlet bulletin board and 146 Ave at 110 St. bulletin board. If the strike happens, we will be looking for anyone that would like a "paying" job for delivery of the newsletters on behalf of Great News Publishing - please send a note to ShepardExpress@gmail.com or call the hall you are interested in this item.

Reading - There is quite a stash building in our "Take It or Leave It" book swap so if you find yourself at loose ends and want some new words to absorb, drop on over. Barb is in every Wednesday so call ahead and she will meet you at the door.

Halloween - Cassie is organizing the Halloween Party so anyone wishing to lend her a hand can leave a message at the hall at 403-290-0144 and I'll get you folks connected.

Casino - Once again, a reminder that we are still short a few volunteers for the Casino Fundraiser on September 5 and 6. Please contact me right away if you can spare a few hours.

Our next monthly meeting and AGM with elections will be on September 21 so mark your calendars. Until then, enjoy your summer and keep those water shoes or gum boots handy - just in case!

IN & AROUND CALGARY

The scoop on dog poop

With 150 public off-leash areas and over 100,000 dogs in our city, it's clear Calgarians love their canine companions. What isn't to love is the stinky situation left behind when owners don't pick up after their pets.

Cleaning up your dog's waste helps keep our yards, parks and off-leash areas safe and healthy, and is part of being a responsible pet owner.

Here are five facts you may not know about doggy doo-doo:

1. It's classified as a hazardous pollutant. It's in the same category as toxic chemicals!
2. It's crawling with E. coli and often contains round-worm larvae which, if ingested by humans or dogs, can lead to brain, eye and other organ damage.
3. It's not a good fertilizer. Its high nutrient content is toxic to lawns and will create "hot spots" causing the grass to burn and discolour.
4. It doesn't absorb into the soil, so the risk of spreading its harmful effects can linger for years!
5. It attracts mice, coyotes and other wildlife that consider it a delicious snack.

Keeping our city pet-waste free is easy, if we all do our part. Always carry pet waste bags with you when you walk your dog, and pick up and properly dispose of your pet's waste as soon as possible.

To learn more about the importance of picking up after your pet, join us at a P.U.P.P.Y. (Pick Up Pooch's Poo Yourself) event near you. Visit calgary.ca/puppy for details.
