PRESIDENT'S MESSAGE

Happy Heart Month!

It's February! We celebrate Valentine's Day and Family Day and its Heart Month. And it also means that we are midway through winter and spring is not that far off. I know that winter has been a challenging, especially with all the snow. I want to send a thank you out to all of Walden for looking after your sidewalks and keep them clear; Thanks to all the snow angels with their snow blowers for all you extra help, not just on the sidewalks but on the walkways too. I know we still have ways to go for spring, and I'm sure we will get more snow. So keep up the good work.

Below, is a summary of the City of Calgary snow and ice bylaws:

- Within 24 hours after snow stops falling, all snow and ice must be completely removed from City pathways and sidewalks.
 - A **sidewalk** is that part of a street set aside specifically for pedestrian use.
 - A **pathway** is a multi-purpose thoroughfare used by pedestrians, cyclists and persons using wheeled conveyances such as skateboards.
- Owners and occupants of a home are responsible for removing snow and ice from the pathways and sidewalks in the front or to the side of their property.
- All snow and ice must be removed down to the bare surface of the sidewalk or pathway.
- Snow and ice must be removed from a City pathway or sidewalk that runs parallel to or directly adjacent to a street, even if it is separated by a boulevard.
- If you own a rental property, you are ultimately responsible for ensuring the sidewalks and pathways are cleared.
- The owner or occupant of land adjacent to a sidewalk must remove all snow and ice. Those adjacent to a pathway must remove snow and ice for a minimum width of 1.5 meters from the side of the pathway closest to their property.

More information can be found here: <http://www.calgary.ca/CSPS/ABS/Pages/Bylaws-by-topic/Snow-ice.aspx>

Recently we were approached about the Adopt-A-Rink program which is a winter volunteer program where community volunteers help flood and maintain existing community pleasure skating rinks throughout Calgary. Since Walden does not have a rink, and we missed the deadline for this winter season, we will be applying for next winter season. This is a volunteer run activity so we will be looking for volunteers to assist with this. Information about the current program can be found here: And a list of community rinks around Calgary can be found here: <http://www.calgary.ca/CSPS/Parks/Pages/Volunteer/Adopt-a-rink-program.aspx>

Also we are beginning the planning for the Annual Community Clean Up. We will be looking for volunteers and hope to make this a great event for all.

We continue to look for ideas for articles and pictures for the newsletter, please email us at newsletter@waldenyyc.ca. **Reminder:** Articles have to be no more than 300 words, Cover pictures must be at least 1MB in size and 300 dpi. The deadline for content is the first of the month. Keep those photos coming, we love them!

Safety Reminders: Please remember to keep your stuff locked up, your homes and your cars!!.

Get Involved! The Walden Community Association is a volunteer organization made up of members of our community. We encourage everyone to come out and see how you can get involved in your community. We are always looking for residents to help make Walden a great place to live! Feel free to send us an email at waldenyyc.ca if there is any area you are interested in helping with!

Ask Charles

I saw a house for sale, and I want to check it out – will I have to sign a contract to get a real estate professional to show me the house?

The short answer is no. If you see a house for sale and you simply want a real estate professional to show you that house, you're not required to sign a contract.

Simply viewing a home with a real estate professional doesn't trigger a regulatory requirement to sign a contract with that real estate professional. However, if you start sharing confidential information such as your motivation for buying or your financial qualification, the real estate professional has a responsibility to clarify your working relationship, at which point they are going to provide you with some documents to review.

In the process of clarifying your working relationship, the first document a real estate professional should present to you is the Consumer Relationships Guide. The Consumer Relationships Guide is a mandatory document for real estate professionals when they begin working with a buyer or seller of residential real estate. It explains the different types of working relationships between real estate professionals and consumers.

The Consumer Relationships Guide is not a contract. It does not commit you to a specific ongoing working relationship with your real estate professional, but it is an essential information piece for consumers to understand what working with a licensed real estate professional entails. Among other things, it discusses responsibilities and obligations.

The Consumer Relationships Guide contains an acknowledgement that consumers have to sign indicating they've read the Guide, understand it, and have been provided with an opportunity to ask the real estate professional questions about it. Consumers need to review and sign the Guide before entering into any contract with a real estate professional.

Some real estate professionals may actually present the Consumer Relationships Guide and request that you sign the acknowledgement even before showing you a single property, but that specific practice is not a requirement.

"Ask Charles" is a monthly question and answer column by Charles Stevenson, Director of Professional Standards with the Real Estate Council of Alberta (RECA), www.reca.ca. RECA is the independent, non-government agency responsible for the regulation of Alberta's real estate industry. We license, govern, and set the standards of practice for all real estate, mortgage brokerage, and real estate appraisal professionals in Alberta. To submit a question, email askcharles@reca.ca.

Sundance School

February is a special time at Sundance School because we celebrate "Carnival". We bring a bit of Quebec's Winter Carnival to Sundance for a fun filled evening for the entire family. Come and meet Bonhomme, skate on the lake, toboggan down the hill and much more. More information will be sent out soon.

We are also planning a movie night for families at the school on Thursday February 9th at 6pm. For those that were able to attend our movie night last year, it was a great success and a really unique experience for our students to have. Bring your pillow, blanket, and sleeping bag, or pull up a mat in the gym. Movie is to be decided but will be shown in English.

Teacher's convention is on February 16-17th this year. Sundance teachers will have the opportunity to explore, learn, and participate in workshops, discussions, and exhibits. There will be no classes for students during the convention.

Monday February 20th is Family Day. We at Sundance hope that you can take this day to reconnect with your own family and enjoy some time doing whatever makes your family happy!

All are invited to attend our School Council meeting on Wednesday February 22nd at 7pm in the library. This is a wonderful opportunity to meet other parents at the school, learn about what is happening at Sundance and to ask questions. We look forward to our Grade 2/3 and Grade 4 Regular Program teachers presenting at this meeting.

Hello Ward 14!

Before I get into the rest of this column, I want to make a point that could save you a lot of time, trouble, and even money. We have had the first real cold weather in several years over the last few months, which justifiably led many people to leave their cars unlocked and running. Over the same few months I have heard of countless instances of theft—in cars, of cars, and in homes—as a result.

Please seriously consider whether or not it is necessary to leave your car unlocked and running. You could be attracting theft to yourself, and your community by doing so.

Counciltalk

It really feels great to be back for another year of Counciltalk. There are few things that I enjoy more than gathering around a table to discuss and debate topics that matter to people. The last meeting did not disappoint. Your opinions bring me energy, and inspire me as I go about my work at City Hall.

This month Counciltalk will be in the Chaparral Lake House located at 225 Chaparral Drive S.E. I will be there on Saturday, February 25 from noon to 2 p.m. You can visit calgary.ca/counciltalk for details of the full Counciltalk schedule, and you can sign up to receive reminders for Counciltalk and other important Ward 14 news at calgary.ca/ward14connect.

Ward 14 Community Calendar

This project has been on my mind for some time now, and the stars are finally aligning to make it reality.

You can learn about them throughout the pages of this newsletter, or maybe on bulletin boards in community halls and churches all over the city. They are the small, local community events, and they have been a big part of my life for many years now.

You will now be able to see them on my website, and I will do my best to keep them up to date. Whether it

be the Fun Money Casino or the Friends of Fish Creek AGM my goal is to post it in an easy-to-use form on my website. Not only will there be information about community events, but you will find City of Calgary engagement sessions as well. You will find every Counciltalk session in the calendar, and even the Ward 14 Communities BBQ.

Go directly to the Community Calendar by visiting calgary.ca/ward14calendar, or just looking around on calgary.ca/ward14.

A final note

Finally, it is the month of love, and Valentine's Day is just around the corner. While you are thinking about what to get your sweetheart, I hope we can all remember a different type of giving too. Times are tougher than they have ever been for many of our fellow Calgarians. Charities like the Calgary Food Bank are in need more than ever. Let's not forget this as we get on with our day-to-day routines.

Feel free to contact me anytime!
