Stampede Breakfast

July 7, 2017

Thank you to the following who generously donated funding, supplies and door prizes to this year's Stampede Breakfast: The City of Calgary, Real Canadian Superstore, Anam Kazim/MLA, Scott Allan/Edward Jones, Alberta Model Engineering Society (Iron Horse Park), Oakridge Co-op, Romantic Nails, Heritage Park, Hair Soul, Woody's Tap House and Lorne Carse from All Canadian Karate.

A special thanks to Foundation Baptist Church for setting up the very popular 'dunk tank' this year and to Dave Halverson for making balloon figures for all the kids. Thanks to Dick Kostier and his band, to Lorne Smith and square dancers for providing such great entertainment for everyone's enjoyment.

Thank you to each and every volunteer who worked tirelessly from 6:30 a.m. to long after the breakfast was over! And, to all the volunteers working behind the scenes for countless hours preparing for this big event. Your continued support is what makes Braeside such a great community!

Check out Braeside's Facebook page for Stampede Breakfast photos.

See you at next year's Stampede Breakfast...Saturday, July 7, 2018.

Backyard Fire Safety tips from your Calgary Fire Department

Enjoying a recreational fire in your backyard can be a great way to spend a summers evening. Here are some Safety and bylaw considerations for you.

- Always confirm that a Fire Ban is not in effect before starting a fire for recreational purposes.
- Fires may only be burned in fire pits between 10 a.m. and 1 a.m.

Rules for Fire Pits:

1. Backyard fire pits should be built into the ground, on brick or stone, or in a fire-proof container. Portable fire pits may be used on a deck as long as they sit on brick or stone, and not directly on your wooden deck. Always refer to the Fire pit manufacturer for approved fire pit locations.
2. Fire pits must be at least two metres away from your property line, house, garage, or fence.
3. Fire pits must **NOT** be under any trees, branches, plants or other materials that can catch fire.
4. All fires in your fire pit must be kept to a reasonable size; 1 metre high and wide.
5. **A mesh screen or "spark guard" is now required** in order to reduce the spread of embers. The openings of the mesh must not be greater than 1.24 cm.
6. Only burn clean, dry firewood.
7. **Do Not Burn:**
 - Wood that is painted, treated or contains glue or resin
 - Wet or green/fresh cut wood
 - Yard waste (cut grass or leaves)
 - Garbage
 - Rubber or plastic
 - Furniture
8. Always have a way to extinguish the fire in the event of an emergency. Easy options are having your watering hose or a bucket of water nearby.
9. All fires in your fire pit must never be left unattended.
10. Aside from safety considerations, not following these rules can lead to fines of \$500, \$1000 or even \$5000.

FOR ART'S SAKE

Festivities in August

By Alex Bonyun

August is a great month to get out and experience art in our community for free! Whether it's an outdoor festival, or an indoor celebration, there's so much for you to see! Downtown you can take in Olympic Plaza on a warm August day with the Spaghetti Western Music Festival (August 20, noon - 9pm), Canada's alt-country music festival, or celebrate Canada 150 with Happenings (August 18, 5 - 9pm), the free visual art party with live music and creative activities inside Arts Commons. Another way to enjoy music outdoors this summer is at Calgary ReggaeFest (August 17 - 19), a three-day festival in Shaw Millennium Park.

For anyone looking for a bit of theatricality in their August, the Calgary Fringe Festival (August 4 - 12) returns to Inglewood this year with a unique line-up of unexpected, unforgettable performances. Calgary Opera's Opera in the Village festival is making the move from East Village to the newly unveiled Enmax Park with the hit show South Pacific (August 10 - 20, 8pm nightly).

If you're looking for a stroll through some of Calgary's character neighbourhoods Inglewood's Sunfest (August 5) and Marda Loop's Marda Gras Festival (August 13) are back again for another great year.

For something a little quieter with a slice of nature, the Calgary Dragon Boat Race & Festival (August 12 - 13) is a fun way to kick back on the banks of the Glenbow Reservoir and root for your favourite team! And, if you've never checked out Globalfest (August 15 - 26), Calgary's largest display of fireworks is a fantastic way to enjoy music and culture from around the world, while being wowed by a truly explosive display.

For a full list of Calgary's festivals this August, indoor and outdoor, you can visit calgaryherald.com/life/swerve/swerve-festival-guide-2017-august.

This column is provided by Arts Commons. Located in the heart of Calgary's vibrant downtown core, Arts Commons is home to six distinct performance venues.

CALGARY RENOWN

Freddie McCall's first airplane, the Royal Aircraft Factory R.E.8

Frederick McCall Canadian Air Ace, WWI and WWII (4 Dec. 1896 – 22 Jan. 1949)

Born in Vernon, BC, McCall and his family came to Calgary in 1906. As a young man looking to serve the country, he enlisted with the 175th Battalion of the Canadian Expeditionary Force (CEF) in 1916. Eight months later, he was in France overseeing the battalion as sergeant. In 1917 McCall received a commission as a lieutenant pilot trainee, and in December was assigned to No. XIII Squadron RAF on the Western Front.

McCall's assigned airplane was the Royal Aircraft Factory R.E. 8, a scrappy little two-seater craft that had improved speed and climb over its inferior predecessor, the B.E. 2. It allowed for better payload delivery over longer distances, an essential strategy in the wide-ranging and many battle fronts of WWI. The craft would serve McCall well in that first World War.

McCall's first aerial victory occurred while flying the R.E.8, shooting down a German aircraft. McCall was awarded the Military Cross "for conspicuous gallantry and devotion to duty," and two weeks later the accompanying Bar for downing an enemy scout aircraft while on a mission to take photographs.

After his third victory while flying the R.E.8, McCall was next transferred to No. 41 Squadron RAF and began flying the Royal Aircraft Factory S.E.5. He was awarded the Distinguished Flying Cross after scoring four "kills" in May 1918. On June 28th, 1918 McCall downed four enemy aircraft, including one shared with Eric John Stephens. Just two days later, on June 30th, Captain McCall downed five more Germans, four in the morning and

the fifth that evening. For this McCall was awarded the Distinguished Service Order.

Following the armistice, the pilot embarked upon a variety of civil aviation ventures, beginning with the risky and audacious profession of stunt flying. On July 5th, 1919, while barnstorming, he crash-landed when his engine failed while he was taking off. His landing site was the top of the merry-go-round at the Calgary Exhibition and Stampede. He and his two passengers walked away from the jaw-dropping mishap.

He founded his own company, McCall Aero Corporation Limited, in 1920. With this company McCall flew commercial freight and passengers across Canada, pioneering air travel to Banff. Later, he founded another aviation company, Great Western Airways. One of his more spectacular achievements was the flying of 200 quarts of nitroglycerin from Shelby, Montana to Calgary in 1928. The following year, he ignored bad weather to fly a doctor to the Skiff oil fields to treat two seriously injured workers.

As the Second World War began, McCall was recalled to service with the Royal Canadian Air Force as a Squadron Leader, based at numerous western Canadian bases. He died in Calgary in '49 at the age of 52.

Freddie McCall appears in exhibits in several museums in and around Calgary, such as the Glenbow Museum and the Calgary Aerospace Museum. In 1939 the Calgary Airport was named after him but has since been renamed Calgary International Airport.

If you make your way to McCall Industrial Park, McCall Way leading to and from the Airport or McCall Lake golf course, remember this remarkable Calgarian for a moment or two as his legacy survives in our bustling city.

Dear Constituents:

I hope all of you enjoyed Canada 150 Celebrations, Citizenship and Stampede events. As I was able to attend and share many of these events with you, we had numerous opportunities to have good conversations, also on how we can work together to strengthen our communities and welcome new Canadians.

Our government continues to take new initiatives to make life better for Albertans as follows:

Expanded Cancer Treatment: Expanding treatment hours for cancer patients in Calgary and Edmonton by offering evening and weekend care at the Tom Baker Cancer Centre and the Cross Cancer Institute.

Home Care and Community Care: An increase of \$200 million to home and community care, helping more Albertans get care right in their communities where they live, increasing total funding for home and community care to over \$2 billion.

Seniors' Travel for Specialist Medical Appointments: Budget 2017 invests an additional \$550,000 to help low-income seniors cover costs, like transportation and accommodation, associated with travel for specialist medical appointments.

Library Funding: Our government is providing \$50 million this year to improve access and services at libraries; including increased operating grants to help keep pace with the province's growing population, and to ensure that all Albertans have a welcoming space to learn, play, share and research.

\$25 per Day Child Care: 22 pilot Early Learning and Child Care Centers will receive funding to demonstrate the importance and viability of \$25-a-day child care in Alberta.

More Supports for those with Addictions: Investing in housing for Albertans overcoming addictions with a \$7-million to support 46 individuals and their families in Calgary who are recovering from addictions.

University of Calgary: Alberta invests in much-needed space with \$270.6 million over four years to 500 new

study and classroom spaces with the renovation of the MacKimmie Complex and Professional Faculties building.

Deerfoot Interchange: Interchange at Deerfoot Trail and 212 Ave SE. supports 25,000 jobs and potential for more than \$4 billion in economic opportunity.

Cleaner Energy: An investment of \$10 million to convert carbon dioxide emissions into usable products at the Alberta Carbon Conversion Technology Centre helping us transition to a cleaner energy future and create jobs.

Supports for Immigrant and Indigenous Women: \$100,000 in funding for Making Changes Association to prepare immigrant and Indigenous women for careers in technology.

Schools: Budget 2017 allocates \$500 million for 8 new schools, 9 replacements and 7 modernization funds for 2 additional schools.

Apprentices: We are helping put hardworking Albertans back on the job: 1,000 more Apprentice Training Awards have been introduced to reduce financial barriers for apprentices returning to technical training.

Affordable Housing: Funding of \$5.7 million for planning 14 affordable housing projects across the province has been provided. The government is renewing or building more than 6,000 affordable housing units over the next 5 years.

For more details, please contact our office.

STABILITY IN 2017

The first 6 months of 2017 have brought stability in the Calgary market. With a 12% increase in sales volume, we have seen a modest but positive increase of 1.7% in our city-wide benchmark price. There has been an increase of inventory to just under 7,000 properties currently on the MLS market and 10,322 total sales year-to-date. A very good market to be dealing in with a good balance of inventory and sales activity.

listings as at July 1, 2017.)
