We hope that you have enjoyed the beautiful summer weather and made wonderful memories with your families. School will be starting before you know it, and we have planned a fabulous Fall session for our children. Pre-Kindergarten is an early literacy focused preschool program combining play with learning. We have partnered with a great new program offered by "Jumping Jellies," which we enthusiastically look forward to seeing in action. Our annual field trip to the corn maze is an off-site favourite each fall. **For more information, please visit our website.**

If you are already registered in our program, we would ask you to please visit our website or email the Registrar to make sure that you do not miss the important "first dates."

Some space is still available and registration is on-going at all of our locations. **To register**, please email our program Registrar at her contact address below. Our experienced teaching team is looking forward to meeting your children in the fall.

## Braeside's Annual Community Clean-up and Recycling Event

**Saturday, September 2**  
**9:00 a.m. – 2:00 p.m.**

### TIME TO CLEAN UP YOUR HOUSEHOLD AND YARD

Have you been planning to get organized and clear out old or unused electronics, unwanted household and yard items? Well, here's your chance to do some cleaning, de-clutter and get rid of discarded items. Your unwanted items (unacceptable items are listed below) can be brought to the Braeside Community Centre Parking Lot (11024 Braeside Drive S. W.) on Saturday, September 2 (between 9:00 a.m. – 2:00 p.m. ONLY).

Braeside Community Association thanks The City of Calgary, Waste & Recycling Services and Animal & Bylaw Services for co-sponsoring this event. City of Calgary trucks will be on site to haul away your unwanted items. Arrangements have also been made with Techno Trash Alberta for recycling electronic items including laptops, computers or computer parts, monitors, televisions, printers, small batteries, telephones and microwaves. And, this year we have a company recycling metal!

The City of Calgary will supply an extra truck this year designated strictly for organics and yard waste.

Again, at this year's event we will have a free table set up for items too good to dispose of, but no longer of use in

your household. Anyone can come have a look see and take what they need.

We will also be accepting donations of bagged bottles and cans. Proceeds will be used to offset costs to host special community events.

The following items WILL NOT BE ACCEPTED:

- Auto parts, tires, motor oil, chemicals.
- Large household appliances and furniture, mattresses and box springs (small furniture items will be accepted).
- Refrigerators, air conditioning units, water coolers (anything containing Freon).
- Household hazardous waste, including propane tanks, light ballasts and chemicals.
- Liquid waste such as cooking oil.
- Medical waste and expired prescription drugs.
- Glass of any type.

This event is NOT designed to accept common recyclables – these should be placed in your blue carts or taken to recycling depots.

Please consider bringing a donation for the Veterans Food Bank.

Dear Constituents,

Since the by-election in April, it has been an eventful few months. From my swearing in ceremony in Ottawa, to moving the constituency office in Calgary, to celebrating Canada's Birthday and attending Stampede events, it has been a whirlwind of activity as I have worked hard to hit the ground running with my new job as your MP.

Following the by-election in the spring, we moved the constituency office to a convenient location on the corner of Macleod Trail and Southland Drive [1010 – 10201 Southport Rd SW]. Our office hours are from 9 AM to 4 PM, Monday to Friday. I am available to meet with constituents to help navigate government services, and to listen to your concerns regarding issues facing our community.

This summer was particularly memorable as we celebrated the sesquicentennial of Canada's Confederation. Canada's 150 Birthday offered us an opportunity to reflect on our history and shared values, and to look optimistically towards the future.

Over the summer, I was able to take in many events in our community. From Stampede BBQ's and pancake breakfasts, to fun charity activities; I had a wonderful time meeting and talking with constituents. I can't thank our community associations and their volunteers enough for putting on such terrific events – you really bring our communities together and it wouldn't be possible without your hard work.

As autumn approaches, I am preparing to head back to Ottawa. Parliament will soon be sitting again and I will be doing my best to represent our great riding. If you have any thoughts about what is being debated or voted on in Parliament, please send me a note [bob.benzen@parl.gc.ca] or call my office at 403-253-7990. I always appreciate hearing from you and it helps me represent you better in Ottawa.

I hope you have a safe, fun, and memorable autumn.

Dear Constituents:

I hope all of you had a great summer with family and friends. As we enter the beginning of the fall season, I am happy to look back to share the most recent and upcoming initiatives of Alberta's government to make life of Albertans even better.

#### Economy and Job Creation:

Job creation and diversification is our government's top priority. In the last year, Alberta has created 48,000 full time jobs.

-The government's **Petrochemical Diversification Program (PDP)** will result in nearly \$6 billion in private investment in petrochemicals and plastics and over 4,000 related jobs - for a \$500 million investment (in foregone natural gas royalties)

-Besides two new petrochemical complexes with over 4,000 associated construction jobs, there are a number of projects advancing in Alberta that represent good jobs for Alberta tradespeople.

- Kinder MorganTMX – 15,000 jobs in BC and AB
- Enbridge Line 3 – 7,000 jobs
- Keystone XL – 5,000 jobs
- Oilsands projects and expansions including below – est. total 4,900 jobs
  - Cenovus Christina Lake Oil Sands Project Expansion
  - JACOS Hangingstone Expansion
  - Suncor Fort Hills
  - Harvest Black Gold Phase 1
  - AOSC Hangingstone Expansion
  - CNRL Horizon 3
  - CNRL Kirby North Oilsands expansion
  - Cenovus Foster Creek Oilsands
  - Cenovus Narrows Lake
  - Imperial Oil Aspen

#### Anti-Racism Initiatives:

- Our government is committed to making life better, promoting inclusion and mutual respect and it is clear that Albertans share our commitment.

- However, there is more work to be done to ensure that all Albertans are treated with respect and have opportunities to build successful lives for themselves and their families.
- We know that our strength is in our diversity, our sense of inclusion and our commitment to stepping up and helping one another.
- That is why we are reaching out to communities across Alberta to gather their input on racism in Alberta and on practical steps our government can take to fight racism, foster acceptance and promote inclusion and diversity today, tomorrow, and for generations to come.
- Several meetings throughout the province will be hosted this fall with community organizations working to combat racism.
- The government wants to hear from Albertans who are experiencing racism and find out from them if it's getting worse and work together on ways to fight it.
- There has been an increase in hate crimes across Alberta whether that is because racism is on the rise or not, or whether there's more support for people reporting these disturbing incidents but that's what that needs to be found out.
- A government website will be launched where Albertans can share the perspectives on how the government can support efforts to combat racism, foster acceptance, and promote an inclusive society where all Albertans are treated with respect.
- Together, we will continue to build a successful province and make life better for Albertans regardless of their faith, skin colour, or immigration status.
- It is a small group of people who don't represent Albertans or their/our values.
