HELP END DIABETES

Diabetes is a complex disease with many causes and no known cure. In Alberta, an estimated 303,000 people have been diagnosed with diabetes and a further 600,000 live with prediabetes.

With your support, the Canadian Diabetes Association (CDA) can improve lives and make it possible to fund leading-edge research and innovative educational programs; send kids with type 1 diabetes to the CDA's D-Camps; and provide Albertans with access to programs, services and resources to manage their disease and live well.

HOW CAN YOU HELP?

JOIN TEAM DIABETES

Get active! Run, walk or hike in exciting international and Canadian events.

VOLUNTEER

We couldn't do what we do without the support of our volunteers.

GIVE TO CLOTHESLINE®

Donate your gently used clothing, books, toys, electronics, vehicle and more.

HOLD A FUNDRAISING EVENT

Explore the fun and easy ways you can help raise funds for diabetes.

BECOME AN ADVOCATE

Interested in sharing your story and speaking on behalf of those living with diabetes?

DONATE

PRESIDENT'S MESSAGE

Our upcoming Annual Christmas Craft and Bake Sale is ready for all you early shoppers. We sold-out all 65 tables by mid November proving its popularity. We will also have a visit from Santa and his Elves with activities for the youngsters with a small gift handed out. Many Board members contribute time and ingredients for yummy baked goods to help raise funds for Centre programming. The Centre's concession will be open and offer beverages and hot meals.

The Team has done an excellent job promoting the Centre for all sports of interest to the Community with the highest loading capacity in the last three years. The Centre is a hub of activity for youth, adults and seniors involved in many types of sports and personal wellness programs in Cedarbrae.

I am pleased to report that the Cedarbrae Membership has grown by 20% over the last two months. It is good to see people involved with the Centre and participate in the programs offered or sponsored by the Centre.

The third basketball camp was a huge success again with many participants. We look forward to schedule more in the New Year.

Cedarbrae Pacesetters continues to grow showing great attendance with a wide age group. It is a great cardio work out for all ages at your own pace. Check out the Calendar or please contact Julie at (403) 251-6717.

I met with our Parks Manager regarding the standpipe water source for the rink and all appears in place for us to test the functionality of the water shut off valves. One of your Board Members is a Master Plumber and has offered to lead with the testing. By the time you read this issue we should know if we are proceeding with the ice rink's operation this year.

We have resounding success with the Pickleball program partnered with the Calgary Pickleball Club. Check out CPC website for schedules of play times and the clinics. The three clinics offered in November filled up very quickly. Tentatively there are three offered in December, the 5th, 12th and 19th. Call the Centre to confirm dates and times. I have taken a clinic and enjoy the game. The Centre offers Pickleball Paddles and Balls for sale.

The AKIDIO self defense program has expanded to accommodate the demand. For more information, contact George at (430) 870-0937 and check out the Centre Calendar.

Meet Your Neighbor Night is scheduled for January 21st, 2017 from 6-9pm at the Centre, hope to see you there.

I was invited to an information session with the Tsuut'ina Nation regarding the area of development along Stoney Trail and the 37th Street - Sarcee Trail and HWY 8, Oakridge, Cedarbrae and Woodbine communities. It is a large development with amenities serving the West side of the City. Please check out the Tsuut'ina website for development details or drop by the Centre, we have the development maps on the walls.

Many of our regular programs have their regular season started therefore check out our calendar and website or call the office for information. The Centre also brings many celebrations, weddings, birthdays, parties of all kinds. We offer some beautiful renovated spaces for rent; please call the Centre office to book a tour, we would love to have you.

Community memberships are still available for our 2016/2017 membership year. Our members have found the heart and soul of Cedarbrae. Meeting new friends, learning new skills, getting involved in community decision making, and having a real impact on the lives of others. Membership applications can be completed and dropped off at the Centre.

Please visit our web page: mycedarbrae.ca, Twitter: @Cedarbraeinfo or like us on Facebook. The centre office is often open too; stop by to check out all the activity happening in our neighbourhood.

Finally, the Executive, Board, PA's and myself extend a Happy Holiday Season and Happy New Year - 2017 to all Cedarbrae residents and those of you whom use our Centre from neighboring neighborhoods.

Look forward to seeing you at the Centre.

*Community Minded,
Steven Brown, President, CCLA*

Join us in ensuring our neighbourhood remains the beating heart of south west Calgary! Become a member today.

The Cedarbrae Community League Association is a volunteer non-profit organization run by and for the residents of Cedarbrae.

Funds are raised through rentals at our Community Centre, fundraising events and our yearly membership.

All those funds are put right back into our Community, maintaining the Centre, low cost programming, hosting events and Community Outreach.

Exterior, Cedarbrae Community Centre

Memberships are for businesses too!

Own or operate a local business? Become a business member. Our business members agree to offer discounts or specials to our community members. In turn, your business will be recognized on our website, newsletter and social media communications.

Building our community means supporting local businesses. Get your company involved through our many volunteer opportunities. Come meet your customers and show off your support for Cedarbrae!

Who We Are

The Cedarbrae Community League Association is a dedicated group of volunteers who work hard every day to make our neighbourhood a better place.

Why not join us? Your involvement can be great or small, all contributions are valued!

What's the first step?

EMS: Cold Weather Safety

Alberta Health Services EMS responds to many cold weather related emergencies every winter. However, by taking appropriate measures to dress properly, anticipate sudden weather changes, and be prepared when out in the cold you can reduce your risk of sustaining a cold weather emergency. It's also advised you store an emergency kit in your vehicle at all times containing extra clothing, blankets, and other road-side supplies.

Frotnip

- Frost-nipped skin is extremely cold, but not yet frozen skin;
- It commonly affects the ears, nose, cheeks, fingers and toes;
- The skin may look red and possibly feel numb to the touch;
- When treated promptly, frostnip heals without complication;
- Move to a warm environment and immediately, but gently re-warm the affected area through skin to skin contact (i.e. hand covering tips of ears).

Frostbite

- Frostbite occurs when skin becomes so cold, the skin and underlying tissues freeze solid;
- Affected skin may look white and waxy and will feel hard to the touch;
- Move to a warm environment immediately and place the affected area in warm, *not hot*, water, until fully rewarmed;
- Call 9-1-1- or seek further medical attention as required.

Hypothermia

- Hypothermia is abnormally low body temperature, less than 34°C (as compared to normal body temperature of about 37°C);
- Early hypothermia may manifest as profound shivering; moderate hypothermic patients may act inappropriately: stumbling, mumbling, and fumbling, as their body temperature continues to drop resulting in severe hypothermia (<30°C);
- Left untreated, severe hypothermia may progress to unconsciousness or death;
- Early recognition and prompt medical attention is crucial. Call 9-1-1. Don't forget to protect yourself from the factors that originally lead to the patient's situation;
- Initiate gentle re-warming as quickly as possible. Remove any wet or constrictive clothing; cover with blankets, or sleeping bags. Protect from further heat loss: eliminate contact with cold surfaces, and shield from wind and moisture.

Learn more about your Calgary Catholic School District Board of Trustees!

Relationships matter. Organizations are only as effective as the strength of the relationships that they foster. The Calgary Catholic School District (CCSD) is no different. Ultimately, the success of our students is contingent upon strategic partnerships. Relationships with a diverse range of partners – from teachers to parents to families to communities are needed to create the best opportunities for student success. We also work closely with our provincial partners; in particular the Ministries of Education, Infrastructure and the Treasury Board and Finance, and our municipal partners are just as important.

You may have read recently that the City of Calgary, the Calgary Board of Education and CCSD signed a Memorandum of Understanding (MOU). This MOU is designed to be a statement of agreed upon principles related to use of reserve lands and joint use agreements. It represents an effort to streamline land use for schools and multiple other purposes to better compliment the needs of a community. We want to ensure that communities are all they can be for our students and families to thrive.

The MOU will support collaborative decision-making that will meet the needs of students within both of Calgary's publicly funded school systems, while at the same time, create an effective working relationship with the City. The key to this agreement is the emphasis given to collaboration, and consensus based decision-making. It is upon this foundation that relationships are strengthened and the best decisions are made.

Board Chair Cheryl Low made the following statement as the MOU was signed, "The MOU agreed to by the City of Calgary, CCSD and CBE illustrates what it can look like when the best happens. This agreement reflects a commitment by all three parties to work together to support the creation of the very best opportunities, not only for the students and families whom we all serve, but for Calgary's communities as a whole. It is the collaboration seen within this agreement that will serve Calgary well for generations."

At CCSD, we are proud to be a part of this agreement, which promises to serve not only CCSD's students and families, but Calgary as a whole, for many years to come.

Wishing everyone a blessed Christmas and a very happy New Year!

Books keep on giving this holiday season!
Your family may be one of thousands that celebrate at this time of year, and giving gifts may be part of your tradition too.

Books make wonderful gifts for children because they expand your child's listening power, inspire their creativity and imagination and increase their vocabulary.

Books last forever! They can be lovingly placed on book shelves or in baskets and book bags to be enjoyed over and over again. Or, gently-used books that your children no longer need can be donated to the Calgary Reads Book Bank and we give them to Calgary children who have few or none of their own at home.

Whether you are buying books or borrowing from the Calgary Public Library, consider sharing some wonderful Canadian children's literature with your family:

Read Me a Story by Barbara Reid, **Pre-school**

The Most Magnificent Thing by Ashley Spires, **K-G2**

Stella Star of the Sea by Marie-Louise Gay, **K-G2**

This is not my Hat by Jon Klassen, **Pre-school-G1**

A Visitor for Bear by Bonny Becker, **Pre-school-G2**

The Paper Bag Princess by Robert Munsch, **Pre-school-G1**

The Hockey Sweater by Roch Carrier, **G1+**

Lost in the Barrens by Farley Mowat, **G4+**

Jacob Two Two Meets the Hooded Fang by Mordecai Richler, **G2-5**

The Sky is Falling by Kit Pearson, **G4-6**

Anne of Green Gables by L.M. Montgomery, **G4+**

Calgary Reads helps children learn to read with confidence and joy. This includes helping children in Calgary to have their own books at home; supporting parents and caregivers to help their child develop literacy skills; and engaging businesses and the community to make reading a priority. Kindergarten | where your child's talents are treasured

Kindergarten is the start of an exciting adventure full of promise for children and their families. At the Calgary Board of Education, we understand that children bring their own unique talents and gifts to their learning experience, which is why we personalize students' learning to help them reach their full potential.

In the early years, personalized attention can make a meaningful difference in children's lives. That is what sets CBE early learning programs apart from the rest.

CBE schools are open to all children and are committed to embracing every student in a safe and welcoming environment. From the very first day of kindergarten, our teachers begin looking into the future to help children take those next steps in their learning. We never lose sight of our ultimate goal, which is for every student to complete high school with a foundation of learning necessary to thrive in life, work and continued learning.

Whether it is a community school, language program, or one of our many alternative programs, families can choose

the kindergarten program that is best for their child. They can be assured that the unique needs of each child will be taken into consideration at our schools.

Kindergarten is a child's first introduction to school and the CBE. The first year will be filled with significant early experiences they will remember for a lifetime.

We are proud to be part of creating those memories. We are proud to provide learning as unique as every student. Come learn with us!

If the school that your child will attend is one of the new schools that is opening in the 2016-17 school year please visit the Building & Modernizing Schools web page and click on the new school's name. The page will provide information about where and when to register as it becomes available.

Happy Holidays Dear Constituents!

Peace to you, your family, friends, and loved ones during this special holiday season. I have been in session throughout this time with many opportunities to speak to various bills and motions. My participation in the house can be watched on a timely basis on my Facebook page as all video clips are posted there. Along with the session activities, I was happy to attend various community Halloween parties, Remembrance Day ceremonies and other community engagements to meet with you in-person, and stay engaged. Also, I was delighted to be at the opening of the Anderson Pedestrian Overpass between Cedarbrae and Woodlands that is 100% funded by Alberta's government. It is a great initiative to connect our communities. Based on the recent inquiries I have been receiving on the SW Ring Road, I am excited to include an overview on the matter. For further details, please do not hesitate to contact our office.

Southwest Ring Road: The project reached a financial close on September 13, 2016. The Mountain View Partners consortium was selected as the proponent. The contract is worth \$1.42 billion in 2016 dollars, to be paid over the 35-year term of the contract. The preliminary work is underway with a targeted opening date in Fall 2021. It is an excellent project to diversify Alberta's economy and create jobs. The completion of 101 kilometers of the ring road is an investment in the long-term safe and efficient movement of goods & people in and around Calgary. It will provide improved market access across Calgary, the province, Canada and to foreign ports. The government's objective is to complete this important project in a safe and environmentally sustainable way.

Alberta's government is working closely with the Tsuu T'ina Nation, partnering with them on initial work and will continue to build a collaborative working relationship in the future. Measures for environmental mitigation are being taken into account and further discussions with stakeholders will occur in the near

future. Until now, the Elbow River and Fish Creek crossings have been changed to strike a balance between safety, operations, environmental impact and cost. Based on the feedback from residents and some environmental groups, the bridges over the Elbow River upstream of Weaselhead Park were lengthened and the new bridge over Fish Creek was lengthened to match the existing bridge. Environmental specialists have identified potential impacts to Weaselhead Park and have recommended mitigation with steps to minimize those impacts.

The government will be working closely with the contractor to ensure all permits are established and environmental concerns addressed.

Also, our government is investing more than \$7 billion in our provincial highway network to help put Albertans back to work, connect communities, and improve safety/travel on our highways.

Mark Your Calendar: Meet Your MLA for some holiday cheer at the Constituency Office of Calgary-Glenmore on December 09th, 2016 from 4:00pm to 6:00pm.

Connectivity has been a big theme this year at The City of Calgary. We've heard and learned from many Calgarians on what modes and nodes they use, and what and how they would like to use them. Basically, how folks want to connect with where they live, work and play in our city.

We've discussed the Pedestrian Strategy, the Cycling Strategy, and the Public Transportation Strategy, to name a few. Importantly, we've looked at how these strategies work together to meet the needs of all of Calgary's citizens. This integrated approach – offering a variety of modes of transportation, and nodes to use them – is aimed at creating a more successful transportation system for Calgary. One that is inclusive and accessible for persons of all abilities and ages.

At the end of October, in Ward 11, we celebrated the grand opening of two projects that improve connectivity between communities for pedestrians, cyclists and motorists. The Anderson Pedestrian Bridge was built in advance of the Calgary South West Ring Road construction. Eliminating at-grade crossing is safer for those on foot, and results in less stop and go for drivers. The Flanders Avenue Interchange is a unique interchange design, allowing traffic to flow, while also accommodating the needs of pedestrians and cyclists. The rebuild of the previous bridge was much needed in order to accommodate the growth of the Currie Barracks development, and the campus redevelopment of Mount Royal University.

The City is currently conducting a study on the 50th Avenue SW Greenway Corridor and building the 61st Avenue SW Greenway Corridor and Pedestrian Bridge, two projects that factor in the integration of pedestrians, cyclists and motorists to major destinations like one of our beautiful parks or shopping centres. The SW Transitway BRT will amplify our public transportation network, and connect underserved communities in the SW via optimal transit routes. I put forward the motion arising to build a Pedestrian Overpass at 14th Street and 90th Avenue SW to better connect communities east of 14th Street to Glenmore Landing amenities and the res-

ervoir. All of these projects are in Ward 11 alone! Other city-wide studies, centred on connectivity, include Crowchild Trail, Deerfoot Trail and the Green Line LRT engagement.

Connectivity is the quality, state and capability we have of being connected to each other, within our communities, and across our city. We still have a lot of work to do in making our city accessible for all, but we are well on our way.

In the spirit of connecting, be sure to subscribe to your Ward 11 Updates at www.ward11calgary.ca. I wish you a Merry Christmas and a great Holiday season!

Make a difference in the life of a family...

Are you looking for a way to give back to your community?

Our Home-Start program is looking for volunteers!

What is Home-Start?

Home-Start is a free program coordinated by Boys and Girls Clubs of Calgary that offers support to families, with young children, who may be experiencing a variety of issues:

Feeling alone Caring for twins and triplets Postpartum depression	Being new to Canada Parenting and/or family stresses Illness in the family
---	--

What does a Home-Start volunteer do?

- Visits a family's home once per week
- Provides support, friendship and encouragement
- Gets the family involved with the local community
- Shares their own experiences of parenting and family life

Training, Police and Child Welfare checks are provided.

Interested in getting involved?

For more info. or to learn about upcoming training sessions, contact our Home-Start Coordinators or visit our website at www.boysandgirlsclubsofcalgary.ca
