Halloween hazards! Keeping your Pet Safe

Happy October!

It's hard to believe but Halloween is just around the corner! Soon the streets will be flooded with little ghouls and goblins looking to fill bags full of sweet treats. Halloween is a great opportunity to meet your neighbours, admire some creative costumes and, of course, enjoy the occasional mini chocolate bar!

While Halloween is a fun time for people, it can be a scary time for pets! The strange visitors, ringing doorbell and unusual costumes may cause stress or even frighten a family pet. Just as families must take safety precautions to ensure a safe and happy Halloween for children, pet owners should be mindful of safety during the festivities. To make sure Halloween is fun for the whole family, Calgary Humane Society wants to remind you of a few safety tips for your pets!

- Keep candy out of reach of pets! Chocolate, artificial sweeteners and certain types of nuts are toxic to animals.
- Set up a safe space! Setting up a room with your pet's favorite items in a quiet area of the house will help to block out some of the stressful aspects of the holiday.
- Leave Fido at home. Including the family pet on trick or treating may seem like fun, but strange costumes and fast moving children could cause your pooch a lot of stress.
- 4. Put a sign on the door asking trick or treaters to knock, especially if your pet reacts to the doorbell!
- 5. Be cautious with your costume, especially if your pet is easily frightened. Consider setting your pet up in a safe space before getting changed into your festive duds.
- 6. If your pet is dressing up, choose a costume that does not restrict your pet's airway or movement. Keep dress-up sessions short and watch for signs that your pet is becoming annoyed with their costume. Most pets do not like costumes so if you must dress up your pet, consider snapping a few photos and removing the costume right away.

- 7. Do not allow your cats to roam. A popular myth is that cats can fall victim to foul play on Halloween. While we have not seen that occur in Calgary, roaming cats can fall victim to the increased traffic or may become lost if they are frightened by all the little ghouls and goblins collecting candy.
- 8. Looking for more tools to help a stressed out pet at Halloween? Contact our FREE behaviour helpline at 403-723-6019 to speak to one of our behaviour consultants about different products and strategies that may work for your pet.

From all of us at Calgary Humane Society, have a safe and happy Halloween!

Halloween Safety

The members of Calgary's Halloween *Partners for Safety:* Calgary's Child Magazine, EMS, Calgary Police, Fire, 9-1-1, Bylaw, Transit, and Shaw Communications would like to remind parents and trick-or-treaters of some Halloween safety tips, as October 31st approaches. *Partners for Safety* vehicles will be out patrolling communities on Halloween night to provide a visible safety resource for parents and trick-or-treaters.

Trick-or-Treaters

- Remember: all regular pedestrian rules still apply. Be sure
 to cross the road at marked crosswalks, or well-lit corners
 only. It is safest to work your way up one side of the street,
 and then cross once to the other side.
- Stay away from houses that are not well lit. Do not accept rides from strangers, or enter any home you feel is unsafe.
- Let your parents know where you are going to be at all times (route) and advise them if you will be late returning.

Costumes

- All costume accessories, such as sticks, rods, or wands, should be soft and flexible, with no sharp edges.
- Consider using hypoallergenic make-up kits instead of masks that may impair breathing, or vision.
- Be sure costumes are loose enough to be worn over warm clothing, but not so long that they become a tripping hazard. Costumes should not be longer than your child's ankles.
- Ensure your child is wearing adequate foot wear that takes into consideration weather conditions and walking.
- Consider sending your children with a flashlight for additional safety and increased visibility.
- When purchasing, or making costumes, look for materials and accessories that are labeled flame-resistant.
- Choose bright colored costumes that are highly visible. Adding reflective tape to costumes further increases visibility.

Parents

- Be certain that young trick-or-treaters are accompanied by an adult. Older children should stay in groups.
- Advise children not to eat anything until they return home. Dispose of any items that appear to have been tampered with, or that are not properly wrapped.
- Pre-determine boundaries to trick-or-treat within and establish a firm time to return home.

A Message From Your Member of the Legislative Assembly of Alberta

With school now in full swing, I wanted to take a moment to write to you concerning a few details that we're talking about during the fall sitting.

Of major concern for our party is the NDP's plan to subsidize political parties. As you have likely heard, the NDP introduced a motion at committee over the summer which would have taxpayers reimburse candidates and political parties for a significant amount of their election campaign spending. When Albertans are suffering from lost jobs, higher taxes, and low oil prices, the NDP continues to find new ways to line its pockets – this time by having you, the taxpayer, foot the bill for election campaign spending.

Let me be frank with you about my position on this issue: the only funds that should go to electoral campaigns are those that are donated by supporters of the candidate and the party. Funds shouldn't come from corporations, unions, and they definitely shouldn't come as a required payment from taxpayers. You can count on the Progressive Conservative Opposition to continue to fight for you on this issue.

Our PC team has a very comprehensive website at www. abpcmla.net which I hope you'll take a moment to visit. Each member of caucus regularly contributes updates on our critic areas to the website. We also send out a weekly email digest of what is happening in the Legislature. Please visit the website for more details.

I wish you and your family all the best as fall continues. As always, if you have any questions or concerns, please call me at 403-216-5439 or email Calgary.West@assembly.ab.ca.

2017 will be a milestone year in Canadian history as our country celebrates its'150th birthday.

Planning for the sesquicentennial anniversary (let's call it Canada 150) began in 2012, under the previous Conservative government, with the mandate to build our nation and celebrate our history. Celebrations that will inspire Canadians to get involved have been planned.

I wanted to take this opportunity to inform constituents of a number of initiatives where you can get involved as the countdown to Canada 150 has already begun. Become part of it.

Canadian Heritage and CBC/Radio Canada have joined together to share what is taking place across the country and to collect your stories. For more information on what is planned and to share your photos, videos and stories please visit http://www.cbc.radioCanada.ca/en/explore/2017/ or http://canada.pch.gc.ca/ to reach the Government of Canada's website. In addition, there are several legacy grants that will go towards supporting culture, history, heritage, and sport in Canada. Those applications and guidelines can also be found on the Government website.

Our Capital city is planning celebrations throughout 2017 to mark Canada's 150th birthday. If you are planning a trip to Ottawa, this would be a spectacular time to visit. Here is a website that can direct you to the events that will be occurring in Ottawa - http://www.ottawa2017.ca/.

For a more local look at the celebrations, I encourage you to look at the imagiNation 150 website to see what is being planned in Calgary. Canadians of all ages, back grounds and walks of life are being encouraged to reflect on where we've been and to dream audaciously about the future we will create. This website can be reached at http://www.i150.ca/

The Canada Council for the Arts is marking the 150th Anniversary of Confederation by creating a special program to support the creation and sharing of exceptional artistic and literary works. The hope is to inspire works that interpret the world we live in and envision our shared future. This website is http://canadacouncil.ca/council/grants/find-a-grant/grants/new-chapter

Canada's 150th anniversary is an historic moment with the power to bring people and places together as we dream big about our communities and our country. It's a chance to encourage all Canadians to contribute to their communities in a way that will foster a greater sense of belonging, support meaningful reconciliation and leave a lasting legacy now and for future generations. For more information about Canada 150 grants through the Community Fund for Canada's 150th, please visit www.communityfoundations.ca/cfc150

It is going to be an exciting year for Canada so plan to participate in one of the several celebrations that will be happening across our country. Follow along at @ Canada150th on Twitter and use #Canada150 and help countdown this milestone year.

STEP INTO FALL

Are you thinking of becoming more active?

The University of Calgary is recruiting volunteers for a 12-week physical activity study.

To participate you must be:

- -18 years of age or older
- -Exercising less than 3 days per week

COUNCILLOR, WARD 6 RICHARD POOTMANS

PO Box 2100, Station "M", Calgary, AB T2P 2M1 403-268-1035 • C: 403-660-6692 F: 403-268-8091 • E: Ward06@Calgary.ca Communications & Community Liaison: Eileen Badowich, CAward6@calgary.ca www.calgary.ca/ward6 • € 3

Hello,

Please accept your Ward 6 Team's warm wishes to you this Thanksgiving. I hope you will explore some of the great parks in Ward 6 with your family like Griffith Woods, Paskapoo Slopes, the Strathcona Ravine, and nearby Clearwater Park. These natural areas provide great views of fall foliage and the changing seasonal landscape.

I am hosting a **Traffic Safety Ward Town Hall Meeting on Saturday, October 22, 2016** from 9 a.m. to noon at SCA Community Association located at 277 Strathcona Drive SW. This Community Traffic Safety meeting will be an opportunity for City staff and the Calgary Police Service to let citizens know what our organizations are doing to improve safety and how citizens can help. Specific things that we all can do to improve safety, particularly intersection safety, will be discussed.

You can also join me at my **Fall Councillor Chat on Wednesday, November 30, 2016** from 5 – 8 p.m. at Glamorgan Community Association, 4207 41 Street SW. Councillor Chats are another opportunity for us to meet to discuss any issues that are important to you. All Ward 6 residents are welcome to attend. The Ward 6 Team looks forward to hosting a Chat in early 2017 as well!

As the Southwest Calgary Ring Road (SWCRR) begins construction, the City of Calgary is planning to mitigate downstream impacts in several ways throughout Ward 6. As part of the SWCRR, Alberta Transportation is building a complex interchange at Highway 8 and Sarcee Trail SW (www.transportation.alberta.ca/sw-crrgp.htm), which requires The City to ensure safety and manage congestion by building an overpass at Richmond Road and Sarcee Trail SW. Public information sessions regarding this interchange are anticipated in the latter half of November this year. Other impacts include the opening of a new road called Westhills Way SW, behind the Westhills Shopping Centre, and construction is underway. This road will be open for public use once the SWCRR is

complete. For more information on this project, please visit calgary.ca/westhillsway.

As well, the design is being finalized for improvements at the intersection of Bow Trail and 85 Street SW, including the widening of Bow Trail SW between Old Banff Coach Road and 85 Street SW. The City anticipates beginning construction next year.

I continue to work with the Provincial Government to encourage the building of the West Calgary Ring Road, which has yet to be announced. I believe it is vital to address Ward 6 traffic congestion with a timely commencement of the West Calgary Ring Road project.

You can stay up-to-date on all SWCRR downstream impacts in Ward 6 on my website at calgary.ca/ward6 or by signing up for The Ward 6 Report sent directly to your email bi-monthly at calgary.ca/ward6connect. The next edition will be sent out in November. As we receive updates and information sessions are confirmed, we will post updates on our website, as well as @pootmans Twitter and Facebook pages.

Thank You.
