Legacy Names

Both Alberta and Lake Louise got their names from the fourth daughter of Queen Victoria, Princess Louise Caroline Alberta. However, the town of Caroline, Alberta does not get its name from the princess, and is instead named after Caroline Langley, whose family opened up the town's first post office.

August and September in Fish Creek

Score an Ace for Calgary Kids – Support Outdoor Education in Fish Creek

Birdies for Kids presented by Altalink provides a truly remarkable opportunity for the Friends of Fish Creek to support the TD Learning Naturally program, but we need your help! This program has immense potential, as any amount you donate through BFK will be matched by up to 50%. The Shaw Charity Classic will run August 30 – September 3 but you can donate now! For more information, please visit www.friendsoffishcreek.org/birdies

25th Anniversary Brick Program

Autumn Birding

Autumn is one of the best times of year for birding, during which you can see, hear and learn about more than 150 bird species. In Calgary we are fortunate to have an abundance of natural areas and waterways where birds congregate. All birding course sessions are held in the great outdoors - in Fish Creek Provincial Park and other natural areas. Outings are conducted by Gus Yaki, a lifelong naturalist who has birded around the world - and other experienced instructors. Course starts September 4. Registration required and fees apply. www.friendsoffishcreek.org/programs/birding-course

Road and Pedestrian Safety in Ward 13

With the summer break in full swing, and the summer driving season upon us, Ward 13 and its residents must ensure traffic safety is top of mind. Thanks to the tireless work of City staff, many of the concerns raised during the Traffic Tour were reviewed by the Roads department with many seeing immediate attention directly from Troy McLeod, Director of Roads.

Rectangular Rapid Flashing Beacon Installations (RRFB)

Listed below are the RRFB installations completed this year in Ward 13:

- Shawnessy Boulevard & Millrise Square SW (East Crosswalk)
- Bridleridge Way & Bridlewood Road SW (South Leg)
- Woodbine Boulevard & Woodfield Way SW (West Leg)
- Millrise Drive & Millcrest Road SW (East Leg)
- 6th Street & Shawnee Drive SW (East Leg)
- In addition to the RRFB list, below is the list of planned signals for this year and helpful links regarding traffic safety.

New Signal Installations

- James McKeivitt Road & Millrise Way/Shawnee Street SW (Developer)
- 162 Avenue & Macleod Trail SE (Transportation Infrastructure)

Traffic Calming Curbs Installations

- Everridge Drive & Everwoods Gate SW
- 24th Street & Eversyde Avenue SW

- Everridge Drive & Evermeadow Ave SW
- Everridge Drive & Everridge Road SW
- Everridge Drive & Everstone Drive SW

Glenmore Dam Update and Closure

Residents of Ward 13 enjoy one of the more expansive pathways in The City, with many frequenting the top of the Glenmore Dam, an integral part of the SW pathways. This fall, pedestrians and cyclists will lose access to the top of the dam as The City approved an \$82mil renovation project to improve flood protection along the Bow River. The renovation will mean closure to the public for three years beginning in autumn until 2020.

The City recently completed a tunnel under the Elbow River, just downstream of the dam. A new water feeder main and a natural gas line we built inside that tunnel, which clears the way for the removal of those utility lines that are currently running across the top of the dam. That structure is needed to operate new steel control gates, which will boost the reservoir's capacity.

The new gates replace an older system of wooden stop logs. However, even with the improvements, it won't prevent all flooding downstream on the Elbow River but will help mitigate damage. The City is applying to have the province pay \$10mil balance coming out of The City's capital budget.
