MESSAGE FROM THE BOARD

Glendale's 2017-2018 Board of Directors, from left: Grant McArthur, Veronika Duska, Lee Dowd, Mike Meredith, Paul McCormick, Councillor Richard Pootmans, Pat McIntyre, Terry Craigmile, Amanda Saigeon, Monika Smith, Jason Philipchuk, Chris Welner. Photo by Bruce Aitken.

Our huge annual Glendale Stampede Breakfast is right around the corner on July 8 with more than 1,000 people expected at this year's hoedown chowdown. For the first time, Glendale residents who bring their current community membership will gain access to a special express line-up. Memberships are available by filling out the application in the Thumper or contacting Pat McIntyre at membership@myglendale.ca. Memberships will also be on sale at the Stampede Breakfast.

Representatives of the City's This is My Neighbourhood team will be at the breakfast to speak with residents about our community and what kind of projects and initiatives they would like to see put in place in our community. Bring your ideas with you!

The Glendale Annual General Meeting was held in June and a new board of directors was elected to serve another term. Thank you to all those who attended the meeting and to the volunteers who have agreed to help lead community initiatives in Glendale and Glendale Meadows for the next 12 months. There are still board positions available and volunteers are required across a broad spectrum, including helping at our casino night in December, helping with our community garden plans or joining our rink flood crews among other projects and priorities.

Our board also bid a fond farewell to Ward 6 Councillor Richard Pootmans, who will not be running for re-election in this fall's civic election. Mr. Pootmans has served the ward since 2010. Glendale president Paul McCormick presented the councillor, who won the inaugural bocce tournament at Glendale Sports Day, with his own Bocce set. We're sure Mr. Pootmans will be practicing up for this year's Sports Day on Sept. 9.

The board does not meet in summer, so our next meeting is Sept. 13 and we look forward to picking up in the fall for another great year. See you there and have a great summer!

Green Carts are coming this summer

Starting this June, green carts will be rolled out to all households for food and yard waste collection. Here are some details on the rollout.

Green cart collection start dates

Green carts will be rolled out by quadrant. Once all residents in a quadrant have their carts, collection will begin as follows:

Quadrant	Cart delivery	Weekly green cart collection starts:
SW	June 5 - July 15	Week of July 17
NW	July 3 - August 12	Week of August 14
NE	August 7 - September 2	Week of September 4
SE	August 28 - September 30	Week of October 2

Three things to do when your cart arrives

- 1. Bring your cart up to your home.**
Carts will be delivered to the front of your home. Bring your cart up to your home and store it in a safe place (e.g. garage, against the side of your house or back fence).
- 2. Look inside the green cart.**
Everything you need to get started is inside the cart. This includes:
 - Kitchen pail and sample compostable bags.
 - Sample paper yard waste bags for extra yard waste that doesn't fit inside the cart.
 - Instruction guide and collection schedule.
- 3. Consult your collection schedule.**
The collection schedule inside your cart explains when green cart collection starts in your quadrant along with your new collection days and schedule. You can also find out your collection days and sign up for free automated reminders at calgary.ca/collection.

OPTIMIST PARK

Set to Shine with Baseball Talent

By Bruce Aitken

Elite youth baseball takes centre stage at Glendale's Optimist Athletic Park this summer with the 2017 Pacific Northwest Babe Ruth Regional Tournament. State champions from Oregon, Idaho, Montana, Wyoming, and Washington will make their journey north to Calgary to compete against representatives from Alberta and British Columbia in a battle for the border at the prestigious tournament.

Two age groups will be competing over the course of two weeks in July for the chance to represent the Pacific Northwest Region at the Babe

Ruth World Series. The 16-18 Division takes the field July 18-23, and the 14's Division swings the bat July 23-29. Games will be held at 10 a.m., 1 p.m., 4 p.m. and 7 p.m. daily.

"The talent is top shelf," says Babe Ruth Calgary president Mike Doyle. "A number of the kids playing in the PNW's will go on to be drafted into the major leagues."

Tournament organizers expect more than 3,000 fans at Optimist Park for the tournaments that will send the 14's winner to Glen Allen, Va. while the 16-18 winners will play for the World Series in Ephrata, Wa.

Last year, North Oregon won the 14's and South Washington won the 16-18's (in the PNW's).

Opening Ceremonies will be held prior to each division's first game, 7 p.m. on July 18 and 23, respectively. The championship game for the 16-18's is Sunday, July 23 at 10 a.m. The 14's final is Saturday, July 29 at 4 p.m.

Parking and admission is free and concession services will be available. The Pacific Northwest Tournament is a dog and alcohol-free event. For more information, visit www.BRCregionals.com.

The Glendale Community Preschool is a program of the Glendale/Glendale Meadows Community Association. The preschool is managed by an Executive and Parent Committees comprised of the families with children in the preschool. Mentoring: friendly support to help manage hearing loss

by Kylie Bradbury
Peer Mentoring Coordinator at Deaf & Hear Alberta

Hearing loss is one of the fastest growing chronic conditions facing Canadians and affects all age groups. The 2013 Stats Canada numbers show 7% of people aged 19 to 39, 16% of people aged 40 to 59 and 47% of people aged 60 to 79 experience some form of hearing loss. Hearing loss can be sudden or gradual and sometimes we may not even know we are experiencing hearing loss. There are many causes ranging from excess noise, illness, aging, genetic factors and pharmaceuticals.

Some signs of hearing loss include:

- Difficulty with conversations in noisy environments
- Being able to hear people's voices but not understand the words spoken
- Needing the TV louder than the rest of your family
- Trouble hearing from a distance or another room
- Trouble understanding women's and children's voices
- Experiencing dizziness, pain, ringing or buzzing in the ears – even if it goes away

If you are experiencing any or some of these symptoms, it is important to discuss this with your doctor to see if you need a hearing test.

On average, it can take up to 7 years for someone to acknowledge and act on hearing loss. There are many factors which impact why a person may or may not acknowledge this. It could be lack of awareness, feelings of embarrassment, shame or denial. The latest research suggests that the longer hearing loss goes unmanaged, the harder it is to learn to manage the change.

An important factor is the change that happens in our brains. Brains are relatively 'plastic' and as our hearing decreases, important brain functions don't get exercised and we lose them. *Use or lose it.* The good news is we can retrain our brains.

Also, those with untreated hearing loss are more likely to report depression or anxiety and are less likely to participate in organized social activities. However, hearing loss does not need to mean living less. There are supports out there.

Mentoring programs are one type of support that can alleviate the social impact of hearing loss. People with shared experiences are matched together and work on building skills and strategies to help manage day to day challenges. This is commonly known as *mentoring*. Programs like these have impact as it has been shown that participants experience significant improvement of quality of life. No one has to go it alone.

Peer-to-Hear at Deaf & Hear Alberta provides this support. Our program matches adults dealing with hearing loss with someone who has walked a similar path and now wants to offer support. Learning to manage hearing loss can be a challenging journey. Sometimes all it takes is some friendly support from someone who understands and has had similar experiences. Hearing loss does not need to be a barrier to fully participating in one's community.

This past May, we said goodbye to Rona Ambrose as interim leader. Rona was a champion for all Albertans, presented a strong conviction for justice within the House of Commons, and displayed her deep passion for improving the lives of Canadians across the country. Her overwhelming support was made clear during her tributes from our caucus and fellow Members of Parliament. Thank you, Rona, for your service to all Canadians.

Going forward, I would like to welcome Andrew Scheer as the new leader of the Conservative Party. I look forward to working with him in Ottawa.

Over the past legislative year, my colleague and Conservative Member of Parliament Michael Cooper re-introduced Bill S-217, Wynn's Law, to the House of Commons. Wynn's Law would require that the Crown disclose the criminal history and outstanding charges of bail applicants. Bill S-217 was proposed in response to the murder of Constable David Wynn, who lost his life to career criminal Shawn Rehn. Currently, under the Criminal Code, it is discretionary for prosecutors to present the criminal history of an accused at their bail hearing. Wynn's Law would close this loophole. Despite passing the 2nd reading in the House of Commons, Wynn's Law was defeated by the Standing Committee on Justice and Human Rights, as it voted to recommend that the House of Commons not proceed with the bill.

In March, the Liberal government tabled the budget for 2017. As member of the Official Opposition and Vice Chair of the Finance Committee, I have worked with my colleagues to find areas to criticize within the budget. I have been disappointed with the lack of tangible choices or measures made by the budget. It does not provide relief for unemployed Albertans, nor does it address the priorities of Albertan families. There has been no plan made to balance the budget before 2050-2051, and large structural deficits have been forecasted for the next five years. In Finance Committee, we have studied the subject matter of Bill C-44, An Act to Implement Certain Provisions of the Budget Tabled

in Parliament on March 22, 2017 and Other Measures. Within committee, I have stood up for Albertan interests, making it clear that a strong Albertan economy and oil and gas sector benefits the entire country. At Finance Committee and in the House, our Conservative caucus will continue to hold the government to account to ensure that the voices of Albertans are heard in Ottawa.

As always, your feedback is welcomed and valued. Now that the House of Commons has adjourned for the summer, I hope to see many of you around in the neighbourhood. I wish everyone an enjoyable summer with family and friends, and hope you find an opportunity to participate in a number of events celebrating Canada's 150th birthday!

When I worked as mechanic and then later, as a diesel engine salesman, I was lucky to have had positive experiences with each of my employers. But my experience is not everyone's experience. And that is why I am proud of the changes our government is making to ensure that Alberta has fair, modern and family-friendly workplaces that support our growing economy.

One of the bills of this past session was Bill 17 - Fair and Family-friendly Workplaces Act. This brought our Employment Standards Code and Labour Relations Code legislation in line with trends and standards across Canada. These amendments will make life better for Alberta families and protect vulnerable Albertans by, for example, repealing the ability for employers to pay employees with disabilities less than minimum wage. Albertans also had to work for one year before they were able to access compassionate care, maternity and parental leave. That was the longest wait period in Canada. Our government has reduced that period to 90 days like Saskatchewan, Manitoba, Quebec, and Nova Scotia.

Because all Albertans deserve to be treated fairly at work, you are now eligible for new unpaid leaves that would provide up to 36 weeks of job protection for parents with critically ill or injured children. Parents caring for a critically ill child should not have the extra stress of worrying about if they will have a job once they return to work. In addition, 36 weeks of job protected leave applies to those fleeing domestic violence. A new unpaid leave provides up to 10 days of job protection per year for employees addressing a situation of domestic violence. And as we celebrate Canada Day this July first, I am happy that we are providing new Canadians with a half-day leave so they will not lose their job for attending their Canadian citizenship ceremony.

This session also saw the passing of Bill 205 - Advocate for Persons with Disabilities Act - We will be one of three provinces in Canada to have such an advocate. I continued my consultative work on my own bill, The Henson trust. I travelled to Lethbridge in June, and in July I will hold a consultation in Medicine Hat. Thanks to

all for your excellent contributions. I look forward to this becoming the law of land in Alberta.

Here in Calgary Currie I recently attended the opening of a newly renovated affordable housing unit in Bankview. This Calgary Housing Company renovation provides 26 households with modern, safe, and affordable housing, and is part of a \$1.3 million investment in senior and affordable housing in our riding. In June, I saw many of you at the Lilac Festival and I look forward to seeing many more of you at my Stampede Breakfast at the Glenbrook Community Association on July 9th from 9:00-11:30pm. We will have food with halal options, face painting, music, and even wiener dog racing! I'd love to visit your events too - please contact me at the office, or on Facebook or Twitter @BrianMalkinson.
