HELP END DIABETES

BOARD NEWS

By Michael Akbar

Greetings!

September was a productive month with several innovative projects coming on the horizon. Our board continues to strive with creativity, ambition, and dedication to bettering our community. This would not be possible with each and every one of YOU.

Among the items that took place, were discussed and reviewed over the last month include:

- Repairs on the rink doors and boards.
- Inception of the patio fire pit
- Potential amendments and updates to the bylaws
- A successful turn out for the seniors resource groups guest speaker

For the month of November the park celebrates its one year anniversary and will be having a small ceremony on Friday November 18th starting at 1:30pm.

Also, starting Thursday November 24th a series of events put on by KMotion Kids will take place. This series will take place for the following three Thursdays and will highlight "Jolly Tales" and "The Nutcracker". All details can be found on the website.

All of our events require volunteers to make them possible, a list of volunteer opportunities can be found on our website.

Thank you all for your hard work and commitment to making Haysboro the best place to live in!

I hope you all have a safe and happy Halloween.

HAYSBORO HALL HAPPENINGS

By Fiona

I was asked this week to help plan a Halloween party by a five-year-old. I decided it would be a scary dinner complete with egg eyeballs and cockroaches made of dates, green peppers with jack-o-lantern faces throwing up cream corn, and severed fingers made out of hotdogs. For dessert he decided he wanted ice cream and chocolate sauce to go with the yellow brains that jiggled on the table. We had a scary skeleton and a little noisy spider crawled up the wall as we ate. It was a delightful evening as young and old enjoyed the simplicity of scaring and caring about one another.

On Tuesday, November 1 on all Saints Day a spontaneous thing happened, a pumpkin walk was created in the park. Families brought their pumpkins to display in the park, the jack-o'-lanterns were lit, and everyone was invited to walk through the park with the glow of their light as the sun set until the only light surrounding us was the flickering flame of the candle in the jack-o'-lantern and the fire in the parking lot. It was another evening where young and old enjoyed the simplicity of the little pumpkin with a carved face and a warm light.

I enjoy the simple things and am very thankful for those in my life to help me enjoy them. There are simple events and more complicated events planned for Haysboro this year and we hope, I hope, that you'll be a part of making them happen. It's a simple request, but you make all the difference.

Mrs. Bigger had a baby who was bigger than she was because he was a little Bigger. Anyone can have four hands by doubling his fists. Even worse than raining cats & dogs is hailing taxi-cabs (we can relate to that in Calgary, can't we?!). When a man marries, he gets 16 wives – four richer, four poorer, four better, four worse.

Volunteers Needed

We're looking for volunteers for several upcoming events, including the skate party on January 7 and the cribbage tournament on January 29. There is also an opening for a new Horn editor.

HAYSBORO SENIOR RESOURCES GROUP

The Haysboro Senior Resources Group meets on the fourth Thursday of the month (except July, August & December) 1:30-3:30 p.m. at the Haysboro Community Hall, 1204 - 89 Ave S.W. All seniors welcome.

October was a very busy month for us. The regular meeting featured a travel presentation by Corporate Travel Canada highlighting River Cruises, bus tours in Europe and a tour in Newfoundland. Thanks to Peter Samuel and to Leslie for an interesting program.

As well we enjoyed a return visit from Bill Evans on Oct. 13 with another segment of "The Dirt Road: History of the Plains and Foothills". And on Oct. 29 we showed the movie Phantom of the Opera to get everyone in the mood for Halloween.

The annual Christmas turkey luncheon, always a popular event, was held on November 24th. Also in November seniors were invited to an open house at Anytime Fitness which is a local facility. They are setting up a fitness class for seniors and sessions are free during November and December. Further information from Anytime Fitness (403-255-1200).

The Senior Resources Group has been invited to hold a Bake Sale at the Community Association's Winter Market on Sunday, Dec. 4th (10 a.m. to 4 p.m.) being held at the hall. For this to be successful we require donations of baked goods. For information re: dropping off of donations please contact the hall at info@haysboro.org or 403-253-1563.

One more event to help get us in the spirit of the season will be the showing of the movie Elf starring Will Ferrell on Thursday, Dec. 8th at 1:30 p.m. at the hall. Admission is free.

We wish to thank the volunteers from the Lighthouse Church for once again raking leaves for a number of seniors in the area. It was very much appreciated.

And finally we want to wish everyone a happy and peaceful holiday season.

Haysboro Community Preschool

Hello neighbours! We have had an exciting autumn at Haysboro Community Preschool. We've welcomed many new children and families into our program, we've become stewards of a Little Free Library and the playground turns 1 year old this month. We are also happy to continue our partnership with Big Plans for Little Kids in providing early intervention services for our young learners. Preschoolers develop at varied rates and supports in areas like Speech/Language or Occupational Therapy (fine motor skills) can help children be ready for Kindergarten.

We would like to extend a huge thank-you to all our family members, caregivers and friends who build community by making every day special at preschool. We would also like to extend a special thank-you to the Burrell Family who envisioned a class set of drums for our classroom. They created a dozen beautiful instruments as well as the opportunity to experience new learning opportunities. We are excited and grateful.

Please note that we have space available in our 3 year old and 4 year old PM classes.

IN & AROUND SCHOOLS

St. Augustine Fine Arts School

This month has been absolutely fantastic and full of community building activities. Our Jr. High students had the chance to participate in their first off-campus physical education experience by walking over to Lloyd's Recreation and we also had our first School Council sponsored Family Dance which was attended by many of our families. At the end of the month, we started our Big Family Groups activities which saw our older and younger students come together to share ideas on how to build spirit in our school. These types of initiatives have tied in beautifully with our monthly virtue of thanksgiving and have provided us ample opportunity to reflect on our school wide question of, "What does it mean to be a St. Augustine Angel?"

Please check out our website at <https://www.cssd.ab.ca/schools/staugustine> if you want to find out more of the wonderful things happening at the school.

Happy Holidays Dear Constituents!

Peace to you, your family, friends, and loved ones during this special holiday season. I have been in session throughout this time with many opportunities to speak to various bills and motions. My participation in the house can be watched on a timely basis on my Facebook page as all video clips are posted there. Along with the session activities, I was happy to attend various community Halloween parties, Remembrance Day ceremonies and other community engagements to meet with you in-person, and stay engaged. Also, I was delighted to be at the opening of the Anderson Pedestrian Overpass between Cedarbrae and Woodlands that is 100% funded by Alberta's government. It is a great initiative to connect our communities. Based on the recent inquiries I have been receiving on the SW Ring Road, I am excited to include an overview on the matter. For further details, please do not hesitate to contact our office.

Southwest Ring Road: The project reached a financial close on September 13, 2016. The Mountain View Partners consortium was selected as the proponent. The contract is worth \$1.42 billion in 2016 dollars, to be paid over the 35-year term of the contract. The preliminary work is underway with a targeted opening date in Fall 2021. It is an excellent project to diversify Alberta's economy and create jobs. The completion of 101 kilometers of the ring road is an investment in the long-term safe and efficient movement of goods & people in and around Calgary. It will provide improved market access across Calgary, the province, Canada and to foreign ports. The government's objective is to complete this important project in a safe and environmentally sustainable way.

Alberta's government is working closely with the Tsuu T'ina Nation, partnering with them on initial work and will continue to build a collaborative working relationship in the future. Measures for environmental mitigation are being taken into account and further discussions with stakeholders will occur in the near

future. Until now, the Elbow River and Fish Creek crossings have been changed to strike a balance between safety, operations, environmental impact and cost. Based on the feedback from residents and some environmental groups, the bridges over the Elbow River upstream of Weaselhead Park were lengthened and the new bridge over Fish Creek was lengthened to match the existing bridge. Environmental specialists have identified potential impacts to Weaselhead Park and have recommended mitigation with steps to minimize those impacts.

The government will be working closely with the contractor to ensure all permits are established and environmental concerns addressed.

Also, our government is investing more than \$7 billion in our provincial highway network to help put Albertans back to work, connect communities, and improve safety/travel on our highways.

Mark Your Calendar: Meet Your MLA for some holiday cheer at the Constituency Office of Calgary-Glenmore on December 09th, 2016 from 4:00pm to 6:00pm.

Connectivity has been a big theme this year at The City of Calgary. We've heard and learned from many Calgarians on what modes and nodes they use, and what and how they would like to use them. Basically, how folks want to connect with where they live, work and play in our city.

We've discussed the Pedestrian Strategy, the Cycling Strategy, and the Public Transportation Strategy, to name a few. Importantly, we've looked at how these strategies work together to meet the needs of all of Calgary's citizens. This integrated approach – offering a variety of modes of transportation, and nodes to use them – is aimed at creating a more successful transportation system for Calgary. One that is inclusive and accessible for persons of all abilities and ages.

At the end of October, in Ward 11, we celebrated the grand opening of two projects that improve connectivity between communities for pedestrians, cyclists and motorists. The Anderson Pedestrian Bridge was built in advance of the Calgary South West Ring Road construction. Eliminating at-grade crossing is safer for those on foot, and results in less stop and go for drivers. The Flanders Avenue Interchange is a unique interchange design, allowing traffic to flow, while also accommodating the needs of pedestrians and cyclists. The rebuild of the previous bridge was much needed in order to accommodate the growth of the Currie Barracks development, and the campus redevelopment of Mount Royal University.

The City is currently conducting a study on the 50th Avenue SW Greenway Corridor and building the 61st Avenue SW Greenway Corridor and Pedestrian Bridge, two projects that factor in the integration of pedestrians, cyclists and motorists to major destinations like one of our beautiful parks or shopping centres. The SW Transitway BRT will amplify our public transportation network, and connect underserved communities in the SW via optimal transit routes. I put forward the motion arising to build a Pedestrian Overpass at 14th Street and 90th Avenue SW to better connect communities east of 14th Street to Glenmore Landing amenities and the res-

ervoir. All of these projects are in Ward 11 alone! Other city-wide studies, centred on connectivity, include Crowchild Trail, Deerfoot Trail and the Green Line LRT engagement.

Connectivity is the quality, state and capability we have of being connected to each other, within our communities, and across our city. We still have a lot of work to do in making our city accessible for all, but we are well on our way.

In the spirit of connecting, be sure to subscribe to your Ward 11 Updates at www.ward11calgary.ca. I wish you a Merry Christmas and a great Holiday season!
