The Social Committee
wants your feedback!

Do you have ideas for new events?
Do any of the events dates/times need to change?

PRESIDENT'S MESSAGE

On February 20th, the Kingsland Community Association hosted a Winter Festival. It was very successful. Almost 150 children and their families attended, and great fun was had by all. In the upcoming months the KCA has a number of other activities planned for our community. These include an Easter Egg Hunt, a Spring Festival, Movie in the Park and much, much more. All of this is provided by our excellent Social Director, Meghan Muhle and her team of enthusiastic volunteers. These wonderful people do so much to help foster a sense of community for all of us who live and raise our families in Kingsland. We are lucky to have them, and we should show our appreciation for their efforts by attending in the events that they organize.

However, while there is a strong core of volunteers who have been working with Meghan and her team, they can always use more help. This help can be provided not just by being available for specific events, but by also serving on the KCA Board of Directors. The latter is extremely important as without a board, and especially the positions of Treasurer, Secretary, and President, the KCA will cease to exist. Yes, if these positions are not filled then it will no longer be possible to operate this community association and put on all of the events that we know that the people of Kingsland have come to enjoy and appreciate.

It is crucial that we have people on the board, not just for the present but to take over for departing board members in the future. This will allow us to continue to provide the activities, events and services that our community needs. Joining the board in one of the executive positions or as a director at large is not a full-time job. It just requires attending a meeting once a month and perhaps a few hours to deal with board matters during the month. This contribution of time and effort means so much for the children and families who live in Kingsland, and is one way that those of you who have enjoyed and taken part in KCA events can give back to your community.

May is membership month, we need volunteers, phone the office 403-255-1400 or Cris 403-280-1602 if you can do a route (about 25 houses). If not please purchase a membership, form in newsletter or on the web www.kingslandcommunity.ca.

KINGSLAND Community Preschool

Kingsland Community Preschool News

March is a busy month as we celebrate St. Patrick's Day, Easter and hopefully Spring!

The children have been studying and mixing colours. We've created the Magic sky (Northern Lights) and beautiful rainbows. We have constructed leprechaun traps and are hoping to catch one of those pesky, tricky leprechauns so that he can lead us to his pot of gold.

We are continuing our study of penguins. There are many types of penguins and each one is so interesting. We especially like the Blue Fairy Penguin, the Rockhopper Penguin and the Macaroni Penguin. The 4 year old class has enjoyed taking turns bringing our penguin Iceburg home and sharing their adventures in his journal.

We have been busy dying Easter eggs and learning about all the types of animals that hatch from eggs. We are planning to try and hatch some eggs at school as soon as the weather warms up.

We will continue to watch for signs of Spring as the days get warmer and longer.

If you have any questions about out Preschool, please call us at 403-258-1308 or visit our website at www.kingslandcommunitypreschool.com.

So think about it. By investing a modest amount of time you can make a big difference to your neighbours and community. Come out and give us a hand on the KCA board. We will welcome any contribution you can make, and your fellow Kingslanders will appreciate it.

Thanks,

Chris Kemp-Jackson
President, Kingsland Community Association

Agenda item 2: Call to Order by Chris at 7.00p.m.
Agenda item 3: Motion by Sue to accept the Minutes of 28th January 2016 as presented.
Second: Ken Carried.
Agenda item 4: President's Report - Chris
On February 3rd I met with the CA presidents of CKE , Lakeview, Cedarbrae and Haysboro. Unfortunately other CA presidents weren't able to attend, however those of us who could make it were pleased that we were able to meet face to face for the first time as a group. After the introductions the following topics were discussed:

- The Ring Road and the SW Transitway
- Our relationship with the municipal government
- Strategies for growing membership and a volunteer base
- Whether CAs should work with or keep an arm's length relationship with groups like Ready to Engage
- The need for (or not) a Civic Director to deal with the city and other civic groups

Conclusion: This position is covered by Planning Committee and the President. We really do not have the people to make this a position on the Board.

- Housekeeping matters such as by laws to permit e-voting

Conclusion: Ann will check in the Bylaws to see if there is a clause and if not we will write one up for approval at the next Annual General Meeting. Maggie is checking with FCC to see if it is possible to "flush out" our Bylaws rather than having to wait to the Annual Meeting in October to add it as an item. She will report back to the next meeting.
It was felt that since we confirm any email votes in the Minutes of the following meeting there was not a problem.
When the meeting ended we agreed to meet again on a quarterly basis. Our next meeting will be in May.

Chairs with red upholstery will be ordered, 771_TB_JB32. A discount of $1,200.00 was given for bulk purchase. Delivery will be 4 to 6 weeks. A deposit of $2,000.00 is requested to place the order. Ann will get that from the Treasurer and deliver it to Choice Office Furniture. Choice Office Furniture also sell secondhand furniture and would be willing to offer cash for our old chairs and tables. Ann to take photo of the chairs and let them have it. Also need to determine how many chairs and tables we want to sell.

Diabetes Bin: 403 509 0070 Homeless person seen exiting bin early in the morning. New bin will be delivered during the week of 21st – 27th February by the Diabetes Society.

Newsletter inclusion: Brandy would like to put something in the newsletter thanking Telus for their help with graffiti removal.

Conclusion: It was agreed to put something in the newsletter if nothing has been put in earlier. Ann will let Brandy know and ask her to put something together for the next newsletter.

City Work crews for Spring, Summer and fall work around the community. If we need help from this source we need to get in touch right away.

Conclusion: We have nothing at the moment, if we need them later we will contact them.

T4a's for Hall Contractors Our bookkeeper has brought up the need to issue T4a's to our Contractors. Ann had a conversation with the Tax department and the following conclusion was arrived at:

Conclusion: T4a's will be completed and sent to the Tax department on behalf of Office Manager, Janitor and Handyman. Ann will notify Birte of this decision.

Motion by Sue: That we prepare T4a's at the end of each year for our Contractors. Seconded by Ken - Carried.

Length of Tenure: Ann brought up the question of length of tenure for the Executive and suggested that it should be longer than one year. We would have difficulty finding people to take over Executive positions every year. We are already advertising in the newsletter for a Treasurer to shadow the present Treasurer who wishes to resign in October. We will also advertise for a Secretary. Meghan will put out an email to her mailing list to try and recruit someone. Chris will stay on for more than one year as President.

Kitchen upgrades: Do we have drawings and prices for the kitchen upgrades. The deadline for the CCG grants is now 31st May. We need to get prices for the kitchen renovation as it has to be done in the summer due to our long term renters throughout the rest of the year.

MLA Anam Kazim suggested that we could try for a CIP Grant (Community Initiative Program Grant) from the Government towards the kitchen renovations as well as applying for a CCG City grant. Maggie was not sure if kitchen renovations would fall under the requirements for the CCG grant as it was not called for in our Lifecyle Plan. She will look further into it and report back to next meeting. Ken will try and get drawings done as soon as possible.

Conclusion: We can apply CCG grant until 31st May and will look into CIP grant from the Provincial Government. Maggie will bring the questionnaire for the Upgrades to the kitchen for us to fill in for the Financial review. Contractors are very busy at the moment so hopefully Ken can get a quote for the next meeting.

Rental Income for February: $3,900.00

End of report.

This application will go to Council on 11th April 2016 to be approved by Council. This will be a public hearing and so we can speak to this change. We have, however, sent a letter stating that we have no objections to this change but will be carefully monitoring at the DP stage to make sure that we approve the actual build intention. We do not know when this will be and will monitor over the spring and summer.

Ann will meet with Councillors Pincott and Carra to ask advice on the DP process.

Intercare - Moving people in Open House invitation will be coming.

Plaques for Playgrounds, Sphere and Affordable Housing Projects:

We need to approve text for three plaques, one each for the two playgrounds and one for the Sphere to be installed outside the community hall. There will be one other plaque for the Affordable Housing project but that will have to wait until we get approval for the name from the City. Conclusion: Ann will get prices for 3 plaques for Loomis Park playground and Singh Hari Park and one for the Sphere. Prices will be brought back to the next meeting. A 4th plaque will be needed for the Affordable Housing Project but not until approval of name is received from the City.

Playground Report - Loomis Park:

I have not received a report from either Will or Brandy. Wil feels he may not be able to spend much time on the playground, he will see how things go.. The playground committee have applied for $35,625.00 from the CFEP grant which is a 50/50 grant which means a further $35,625.00 has to be raised by the community. We have committed $20,000.00 and there is $2,243.00 from left over Spur money but we do not know how much money we have in the account. We will hear about CFEP Grant application sometime in April

A discussion was undertaken as to how to proceed and which grants to apply for for both the playgrounds and kitchen.

Agenda item 11: Social Report. - Meghan

1) Winter Festival was very successful, estimating between 100-150 children attended. The wagon rides were full for 2 hours, the entertainment from Anacrusis Music and Dance with France was very well received, and we went thru 150 hotdogs! We used the Stepping Stones grant money ($600) as well as a sponsorship of $150 from TELUS to fund this event. Coop also gave us a $50 gift certificate that went towards hotdog purchase. Total cost to KCA was roughly $50. The Skate Shack was very well used, and thanks to Ken for maintaining ice to make skating available despite warm weather! Also thanks to the City for allowing use of Dry Pond for the wagon rides. We collected $70 in donations.

2) Our next event is being planned by Donna David, and is the **Easter Egg Hunt** on Sunday, March 20 from 11-1. Butterfields Acres Petting Zoo will be there, along with face painters. This is sponsored ($700) by National Bank.

3) We are still working in the **Volunteer Appreciation Night**, and a date isn't yet set.

4) Telus sponsored the Winter Festival and is interested in sponsoring multiple events/year so we will be talking to them about opportunities.

MLA - Anam Kazim – Information report.

Anam will be in the Constituency office on Fridays to meet with people. For the rest of the week she will be in Edmonton, The office is open 5 days a week 8.30 to 4. 30p.m with staff on hand should you have any queries. Someone will come from the office to attend our meetings if Anam is not available. If we need letters of support for any grants we apply for they will be forthcoming.

Southwest Ring road will continue with the same agreement put in place by the last Government however the end timeline has been amended to 2021 as if it runs over that date there will be penalties which will be costly to constituents.

There are different grants available from the Government, CIP Grant, Step program grant is back, as well as CFEP which we have applied for to upgrade Loomis Park. We will look at all of these for the kitchen upgrade.

~continued on page 17~

Winter Festival

A huge thank you goes out to the Calgary Foundation Stepping Stone's grant, Telus, and the Coop grocery store for financially supporting our Winter Festival. Without them, we couldn't have had such a great day with Horsepowered Adventures giving us free wagon rides! Kidsport's Skate Shack was in good use, providing skates for those that didn't have their own (yes, we did have ice despite the warm weather--thank you to Ken Reimer!). Anacrusis Music and Dance with France put on excellent performances, and, finally, thank you to all the volunteers that were out that day.

Donation Box

Thank you to Kingsland resident Reg Clowes for donating his time to make this beautiful donation box.

Please look for this box at events like the Spring Festival and Movie in the Park; we're raising money to build the new playground at Loomis Park.

Are you a business in Kingsland? Would you be interested in giving back to the community?

Our community association is starting to plan our events for 2016. One of our biggest events will be Spring Festival, happening on Saturday, June 18. While this is a long ways off, we need to start organizing some funding so that we can host a successful and fun family event! Activities at the Spring Festival usually include face painting, BBQ, bouncy castle, and a series of games for kids. This year we would also like to have a photobooth.

Specific ideas that you could support would be:

- $250-$500 to help cover our photobooth (hipimage.ca), with your logo printed on each printed photobooth
- hotdogs, burgers, buns, condiments for winter campfire
- water
- $100-$200 to help rent the field for Spring Festival games
- $100-$350 to help cover cost of facepainting ($350 for two hours)
- any other material donations that you think could benefit of us...we love suggestions!

If you're interested in supporting us, you can contact me at kcamuhle@gmail.com or 587-894-6917.

Sincerely,

Meghan Muhle
Social Director for Kingsland Community Association

IN & AROUND CALGARY

National Volunteer Week

April 10 - 16 is National Volunteer Week in Canada and on behalf of all Calgarians we want to sincerely thank community volunteers for all they do each and every day to improve neighbourhood life in Calgary!

There are 150 community associations in every neighbourhood across our city, and they are all run by volunteers. In fact, more than 20,000 volunteers are involved in community associations here in Calgary, making it the LARGEST collective volunteer movement in the city!

Without their hard-working volunteers community associations would not exist. They would not be able to provide you with the programs you enjoy, put on the year-round special events that bring you together as neighbours, advocate for your community on local issues, or produce this monthly newsletter full of important information. These volunteers are dedicated to making sure your community is a great place to live, work, and play.

Community volunteers are the lifeblood of the community association movement here in Calgary, a movement that brings Calgarians that small-town feel in our large urban centre. **So take a moment during National Volunteer Week, April 10 – 16, to thank a volunteer in your community for their hard work and dedication to ensuring you love where you live!**

IN & AROUND SCHOOLS

St. Augustine School

Upcoming Events for April

St. Augustine School presents Little Red Riding Hood and the Power Mutants! Little Red, of Little Red's Gourmet Catering and Home Delivery Service, is on a mission to deliver some goodness to Grandma's house. Unfortunately, Oswald The Big Bad Wolf, present and founder of Oswald's School for Wolves, is trying to teach her somewhat dim students how to steal baskets of goodies. Only The Power Mutants, a strange and mysterious group of mutant superheroes with rather silly powers, can help Little Red. Will the goodies get to Grandma's house on time?

The show will be performed Wednesday, April 13 and Thursday, April 14, 2016, at 7:00 pm in the St. Augustine School gymnasium. Tickets are $5 each and can be purchased at the door.

Elementary Angel Awards

Recognizing students for their contributions to our school community is an important part of creating a caring and positive learning environment. On Friday, April 29, we recognize those students that demonstrate their understanding of the virtue "Commitment".

EMS: Bicycle Helmet

Safety

Head injuries are a leading cause of serious injury and death to children riding bicycles*. Most injuries occur when a cyclist suffers a fall, strikes a stationary object, or collides with another cyclist/pedestrian. Remember – it's the law in Alberta that cyclists under the age of 18 must wear a helmet (and highly recommended for all ages). Helmets should be CSA approved and worn during recreational activities such as skateboarding, in-line skating, or cycling.

Getting informed

- Wearing a helmet while cycling can prevent a serious injury, or even save a life;
- Brain injuries can cause permanent disability or death;
- Reduce your risk by always wearing your helmet;
- Replace any helmet that has been involved in a crash, even if it appears undamaged.

Getting started

- Allow children to assist when buying their helmet. Cyclists who choose their own helmet are more likely to wear them;
- Start the habit early. Young children learning to ride tricycles need to wear helmets;
- Parents must lead by example – always wear a helmet when cycling.

Getting the right fit

- Take the time to properly fit and adjust your helmet to ensure maximum protection in case of a crash;
- When worn properly, helmets should fit level, not tilted up, or down over the forehead;
- Helmets should feel snug, but not too tight. To test the fit, the helmet should not fall off when you shake your head from side-to-side while the straps are unfastened;
- Adjust the chin straps to form a "Y" below and slightly forward from the ears;
- Only one finger should be able to fit under the chin strap when it is fastened;
- Do not forget to use the sizing pads included with the helmet. They will help improve the overall fit, comfort and safety.

Spring is just around the corner! That means the **City's annual Spring Clean-up** is coming to neighbourhoods across Calgary.

Spring Clean-up is an annual street sweeping program that removes sanding materials and debris that has accumulated on roads and along major sidewalks and boulevards during the winter months. The program, kicking off April 3, improves safety and mobility for Calgary motorists, cyclists and pedestrians. But you might see crews out there working hard before April 3: pre-sweeping has already begun, so we're busy removing materials along roads and boulevards. This year, street sweeping will end by June 1. In order to make this happen, crews will be sweeping streets on a compressed schedule, working seven days per week.

Keeping Calgary clean is a collaborative effort. To make sure the program runs smoothly, we're asking all Calgarians to help us make the city beautiful by removing vehicles and carts from city roads when they see street sweeping signs in their community. This year, that includes weekends. During the program, Calgarians can visit calgary.ca/sweep to:

- Find answers to all of their questions on our FAQ
- Visit a live map to track sweeper progress across the city
- Learn if there will be a parking ban in their neighbourhood, and
- Enter their address to confirm their street sweeping date.

Make sure to visit the website to learn more about street sweeping, and don't forget to watch for signs in your neighbourhood starting April 3.

I also want to let you know about **Neighbour Day**, held annually on the third Saturday of June, it is an opportunity for neighbours to come together in the form of BBQs, cleanups and potlucks to celebrate our strong community spirit in Calgary. Make Saturday, June 18 the day you host a block party, a picnic at your local park or even introduce yourself to a neighbour and lend a helping hand.

The City of Calgary wants to encourage as many people as possible to host a local activity on their block or in their residential building. That is why they are waiving the fees for small scale local block party permits and neighbourhood park bookings for events that take place on June 18 this year. Please note the deadline for road closure permit applications is May 27. Visit calgary.ca/neighbourday for more information about Neighbour Day including an event planning kit, information about permits and other logistical considerations.

As always, you can contact me at ward11@calgary.ca or feel free to connect with me on Twitter @bpincott, or on Facebook at Brian Pincott, Councillor Ward 11.

Guides Canada

Guides in Our Community

We have had a fun first few months of 2016: working on our fitness badge (including fitness tips to ice and roller skating, trying yoga and fitness in the water), Feeling Good as the theme for our sleepover at Kingsland Community Centre, and our engineering badge too. We celebrated our founders' birthday (Lord and Lady Baden Powell), learned first aid, tried coding at Microsoft, and visited a few businesses at Kingsland Mall to learn about customer service and some business basics. (Many thanks to Kingsland Shoe Repair, UPS and Shoppers). And we tried out our marketing as we sold cookies, the chocolate and vanilla type. If you need some cookies, please call me. Thanks for your support. These cookies fund our activities, including helping to pay for our spring camp at Camp Evergreen trying many outdoor challenges.

In April and May we will be outside hiking and exploring nature, including at Ralph Klein Park, and getting ready for our tenting camp. We will also be touring the Food Bank, and painting Yellow Fish on storm drains to remind neighbours these run directly into the Bow. Many of our activities have been organized and lead by our Guides. If your daughter would like to be a Guide, all our activities are done with games, skits, and hands-on learning. There are Guide programs for all ages, from Sparks to Brownies to Rangers, starting in September to early June.

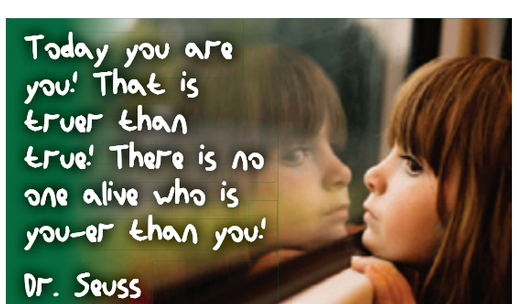
Dear Constituents:

As we approach spring, I want to shed light on some initiatives the government has taken to improve the quality of life for Albertans and speak to what I've heard from constituents at community engagements this month. However, please do not hesitate to contact our office for more personal inquiries.

Seniors Care:
Our seniors are innovative, hardworking people who built this province. The government has and will support seniors as they age in our communities; even in little things that make a difference, like a quick lift to the grocery store or a pleasant afternoon chat that lifts someone's spirit. So, we recently announced funding of a **new toolkit** to help seniors get around town. The University of Alberta's Medically At Risk Driver Centre developed this Transportation Toolkit for the Implementation of Alternate Transportation for Seniors. For further details on Seniors Transportation, please visit this website: www.mard.ualberta.ca/Resources/ResourcesForSeniors.aspx.

The government has committed to supporting seniors in three important ways: **Affordable housing, safe long term care and a strong healthcare system**. The government has also committed to: creating **2,000 long-term care beds** over four years; phasing in a new model of **expanded public home care**; and redirecting funds to publicly delivered services. **Home-based care** can save money, improve care and quality of life. This past fall, **25 new supportive living projects** were approved by the **Ministry of Seniors**. For the safety of seniors, the government has made **$1 million in grants available** to help Albertan communities **prevent elder abuse**. **Municipalities, seniors' groups and community organizations are invited to apply for up to $150,000 over three years.** We must ensure Alberta's seniors are safe in their homes and communities. Please do not hesitate to provide feedback on the role government may play in ensuring our seniors age with dignity. Since seniors deserve excellent care always, the government as top priority created the Ministry of Seniors and Housing. Also available is the Seniors Advocate Office: at 1-780-422-1812 that works closely with the Ministry of Health.



Job Creation/Diversification Plan:
Government grants for employers to add new hires through mobilized capital have been made available through ATB Financial and AIMCO for these start-ups entering the marketplace. Frontline public services such as health care, education and social services have been stabilized. An investment of $34 billion over five years in infrastructure has been made to build schools, roads, bridges and health facilities. This will boost the construction industry and create new jobs. The Climate Change Plan will assist our transition from coal plants to natural gas plants and renewables and create more jobs and protect our environment. The Summer Temporary Employment Program (STEP) has been reintroduced for students to gain valuable experience. An AB Royalty Credit program has been launched to attract companies to build plastic manufacturing facilities. The Northwest Upgrader facility in Sturgeon County will be running in 2017 that will generate many jobs for Albertans. Our government is also in positive negotiations with other provinces to construct pipelines.

As always, my staff continue to be available to each and every one of you, do not hesitate to contact calgary.glenmore@assembly.ab.ca or 403-216-5421.

P.S: Save these dates: MLA Office Open House- Friday, April 15 - 4:30pm-6:30 pm and Stampede Breakfast- Wednesday, July 13 – 7am-10am- Heritage Park.
