Planning Committee Update at August 3:

7812 Elbow Dr DP2016-1311 (M-CG 4 Units): Received 13 written responses from residents regarding height, massing, parking, privacy and traffic issues. Applicant plans to resubmit drawings by Sept 30.

69th Ave (J. Lee) - DP2016-0095 (M-C1 ~90 units): Committee met architect to review preliminary designs. This significant re-development broadly affects nearby residents so an open house will be held in the fall. Rezone release is pending DP approval.

840 68 Av DP2016-0484: M-CG (4 units): DP is released.

55 Kirby Place - DP2016-2667 (R-C1): Committee reviewed an application for a front porch addition. Committee had no objection and viewed this project as an enhancement to the streetscape.

The following applications are progressing with no updates this month:

729 7 St LOC2016-0037 (R-C2 to M-CG, 4 units noted in rezone)
6809 75t LOC2016-0118 (R-C2 to M-C1, 6 units noted in rezone)
620 67 Av LOC2016-0129 (R-C2 to M-CG, 4 units noted in rezone)

We encourage applicants to discuss their plans with our committee proactively. Please contact the planning committee director to arrange.

SEWER BACKUP

Hi Kingsland Residents: Over the past few weeks some people on 5th Street have been experiencing sewer backup in their basements. Please see comments from City to our Community Board when we posed this problem late last year. If you cannot or do not wish to have a backflow preventer installed you might want to call 311 and get on the list of houses to be contacted when work is being done in the back lane of 5th and 7th Street.

"Water Services indicates that the 5 Street / 7 Street area is where a flat line is – old infrastructure that requires regular maintenance every 5-8 months.

The best way to prevent any backup is to have a backflow pre-

Kingsland Community Hall Rentals

Phone: 403-255-1400
 Email: admin@kingslandcommunity.ca

Book your event early!

venter installed. If residents have concerns, please direct them to 311.

The district foreman indicates that the calls will be directed to him. Houses that are regularly affected by this can be documented; the district foreman has offered to send a list of addresses to the maintenance crew in order to notify affected houses when flushing will start."

SOCIAL COMMITTEE

Join our Social Committee

Do you enjoy the events in Kingsland? Would you like to see them continue?

WE NEED HELP TO KEEP THEM GOING!

The Social Committee needs extra volunteers to take over **organizing** the following:

- Parade of Sales (2017)
- Easter Egg Hunt (2017)

Specifically, we need someone to volunteer to "be in charge" of each of these events—making bookings in advance, shopping for supplies, leading the volunteer team on the day of the event.

Please contact kcamuhle@gmail.com for further information. You will be guided and supported thru the process, and can expect to spend 10-15 hours on the one event you pick.

The Social Committee wants your feedback!

What do you like/don't like at the events?
 Do you have ideas for new events?
 Do any of the events dates/times need to change?

Any and all feedback is welcomed at kcamuhle@gmail.com

Ph: (403) 216-5421, Fax: (403) 216-5423
Email: calgary.glenmore@assembly.ab.ca

Dear Constituents:

As we transition to autumn, I hope all of you were able to make the most of summer and get ready for the new school year and upcoming ventures. It was a great time for myself to do a self-reflection and I want to ask yourselves about the best possible ways I can best serve you as your MLA. I would be delighted to learn about how I can be the best I can be as the MLA representing you. Therefore, please contact me at the contact information provided to share your thoughts and suggestions. I look forward to having your feedback.

I, your MLA along with the government have been working very hard to create jobs in Alberta and boost our province's economy. The collapse in oil prices has caused economic pain and anxiety throughout the province. For this reason, in this newsletter I would like to share information about the **Alberta Jobs Plan** in-depth.

Alberta Investor Tax Credit: \$90 Million for the new Alberta Investor Tax Credit provides a credit to those investing in small-and-medium sized enterprises.

Kingsland Is Getting a New Playground

Call-out to all Kingsland volunteers, we need your help!

Kingsland is getting a new Playground! Please spread the word to your neighbours and anyone in the community who can lend a hand volunteering during the build. Note no experience necessary, we can use people of all skill sets and ages. The people bolting together the structure are just as important as volunteers unwrapping parts or serving food and drinks!

September 15, 16, and 17 we will be constructing our new playground at Loomis Park on 68th Ave.

We need 20-30 volunteers per day to complete the build.

Please show your support for this great community project and contact Sandra at kingslandsj@gmail.com to sign up.

Capital Investment Tax Credit: \$75 Million for this credit provides credits for the first-time acquisition of new or used property or spending in value-added agriculture, tourism infrastructure, culture, manufacturing and processing industries.

The Entrepreneurship Incubator Program: It helps entrepreneurs and small and medium sized businesses bring their ideas to market.

Reduction in the Small Business Income Tax Rate: The income tax rate for small businesses have been reduced from three percent to two percent and is effective January 1, 2017.

The New Alberta Child Benefit and Enhancements to the Alberta Family Employment Tax Credit: This provides approximately \$340 Million in combined benefits to 199,000 families and will help children get a good start in life. Also, it helps Albertans in need get back on their feet and under this plan, 380,000 children will be better off.

The Climate Leadership Plan: Invests in public transit, energy efficiency, new cleaner electricity and continuous strong negotiations with provincial and federal partners to build new pipelines-The safest and most efficient way to deliver Alberta's traditional energy products to new markets.

The Alberta Jobs Plan also provides help for apprentices to complete their training/work experience requirements and supports the Training for Work Program. For further details on the

~continued on page 18~

Draft, to be approved at September 8th 2016 Meeting.
Present: Chris Kemp-Jackson, Ken Reimer, Josh, Sue Barnfield, Cris Dombroski, Suzanne Bourbonnais, Ann Clarke, late arrival James Ulyyott
Absent: Meghan Muhl
Guest: Maggie Dycke NPC, Brandy Kapell – Brian Pincott’s office Meeting called to order : 7.05p.m.
Minutes of May 26th approved in motion by Sue, Seconded by Ken - Carried.
President’s report: Chris: Short discussion on Canada 150 Grant application, Ann brought up question of whether it was advisable to spend \$137,993.00 on replacing our boarded rink in view of the fact that not many community people use the rink. We have to commit to putting in 50% of this amount from community monies. Ken felt that the rink was used sufficiently to warrant spending the money and the majority of the board agreed. Ann brought up the cost of making ice (approx. \$12,000.00 per year) in another year when Ken has put in his 3 years of free icemaking that will be an ongoing cost for the next 20 years. Ken confirmed that the rink as it stands at the moment is in such bad shape that in another couple of years it will be unsafe to play on, each year we have to put something in the region of \$2,000.00 just to replace boards.
The money for our 50% will have to come from cashing a GIC. It was felt that our 50% of the money would come from Casino but it was pointed out that we need all our Casino money to run the hall. Our year end is June 2016 and there is approximately \$12,000.00 left in our Casino budget from the current Casino revenue which could be used, this money has to be used within 2 years. We will get the money from our latest Casino in the next few weeks.
Part of our 50% will come from volunteer time and will be used to decrease the demolition budget to about \$3,000.00 and therefore reduce the cost from our portion of the 50%. Approximately \$15,000 has been accrued from the ice work Ken has been doing over the last 2 years, he volunteered to look after the ice at no cost so long as a portion of the money saved went towards replacing the rink. \$15,000.00 will be the amount that would be accrued by 2017 the date the rink will be built. The two amounts of cash will come to \$25,000.00 and the volunteer hours to build the rink would reduce it by a further \$20,000.00. Ken felt that our portion of the 50% would be somewhere in the region of \$25,000.00 cash rather than \$65,000.00.
Question asked if we could generate revenue from the new rink? To do that we would have pay someone to be at the hall every evening and weekends to look after the rink. Could we not do it on an honour system? We have a notice on the rink saying that the rink can be rented. No-one has ever phoned and asked to rent the rink, they just come and play on it because there is no-one there to collect money.
Maggie mentioned that we could also apply for the CCG grant from the City which, if approved, would pay for 75% of the cost. Ann pointed out that we have never received two grants for the same project and it was not guaranteed that we would get

this grant. We have applied for it in the past and were turned down resulting in the community having to foot the whole bill for the pre-school upgrade. Maggie felt that as the rink was in our Lifecycle “to do” list we would stand a better chance of getting the grant. This grant would be applied for at a later date. Maggie stated that the Rink has to be completed by March 20th 2018 with money from the Canada 150 grant.
Straw poll of the Board members present showed that the majority of those present were in favour of going ahead with the rink and paying 50% of the cost. Ann abstained from the vote. It was decided to wait until James came to make a formal motion to go ahead.
Discussion on grant application postponed until James arrives at 8.30p.m.
Brandy Kappell – Councillor Pincott’s office: No report, Councillor Pincott’s office is busy with Property Taxes etc. Here to answer questions.
Question - What date does the community have to have our recycling bin installed and where do we get the bin? Bin has to be installed by November 2016, we could contract for an outside company to rent the bin and have it emptied periodically or we could rent a bin from the City. Size of the bin varies and we have to decide what size we need etc., size and collection schedule will affect price. Ann to look into this and come back to September meeting with some prices and options. Contact Enmax, 311 for City quote and private company. Right now we pay \$107.65 per month for rental of our garbage bin and collection schedule, this through Enmax.
Brandy asked what was the date for our September meeting. September 8th and September 29 with Annual general meeting on October 27th 2016. Loomis playground upgrade will take place on 15, 16 and 17th September at 68th Avenue and 7th Street. Brandy left meeting to attend meeting elsewhere.

Connecting City Resources
Navigation and Alignment of City Services, Leverage City Resources to Support Communities, Connections to Other City Business Units and Departments

Question from Maggie: Have we received our Enmax bill and were the lights from the back lane removed from our bill? Ann had the latest bill from Enmax and we have still been charged for the lighting \$150.80 for the month April 20th to May 18th. Maggie took the copy of the bill and will speak to someone at the City to have the cost transferred to them and reimbursed to us.
CCG Grant application begins again in September and is a more open ended application with no final deadline for applications to be presented.
Treasury Report June 2016 By Suzanne Bourbonnais
1. Account Balances - As at June 21, 2016

	June 22, 2016	May 24, 2016
Casino Account Balance	\$12,307.82	\$23,387.26
General Account Balance	\$72,346.82	\$72,393.36
	\$84,654.64	\$95,780.62
Investment Balances	June 22, 2016	May 24, 2016
Investments	\$136,132.24	\$136,132.24
Total as at March 23	\$220,768.88	\$231,912.86

2. Audit 2016
As reported in May, Birte and Suzanne will deliver the audit books to the auditor on July 8th. Jen, office Manager and Suzanne met on June 14th to prepare for completing the audit requirements paperwork. We will meet again just before July 8th to finalize the audit requirements.
Please ensure that you have all expenses, invoices and deposits in to either the office or Suzanne for payment, as soon as you can.
3. AGLC reporting
The AGLC report is completed except for the birth dates of the directors. and will be sent in via courier end of June.
The records for the April 10th and 11th casino are filed in the KCA administration office. These records are kept in the office until the next casino which is April/May/June 2018. Suzanne has kept a copy of the letter from the AGLC re: Request for Major Casino in the treasurers working files for reference of the date.
We have not yet received the casino funding from the casino that KCA participated in in April 2016.
Hall Directors Report - Ann:
Trees:
I phoned the City 311 to ask them to come out and remove dead and hanging branches from trees around the pleasure rink which are City trees. Peter from City Parks called and is inspecting the trees at the hall and setting up to get the dead branches removed. **Done**
I asked Davey Tree (Randy Look) to come down to the hall the check out the two trees in the front of the building. (not the lilac)
The larger tree has a disease which can be contained somewhat by pruning although it will always be there, might require pruning every 2 or 3 years to keep it under control.
The smaller tree has had all of one side broken down by vandals and needs to be removed and another tree planted in its place.
Large Mayday: Remove dead and diseased wood and prune \$392.00 + GST
Remove small tree and grind out stump \$189.00 + GST
New tree, depends what we get.
Conclusion: No action required, broken tree has been removed by City and large tree pruned to remove diseased branches. Do we want to have tree stump ground away, ask at next meeting., do we want to plant another tree?
Watering grass from Sprinklers:
Grass in front of our building is dying. Called 311 for someone to come and see why sprinkler system is not working in front of building.
Dave from City Irrigation department called on 15th June. We do have a watering zone in front of the community hall. We have zone 20 and 21 of 27 zones around the dry pond. Sprin-

~continued next page~

kler heads were broken. Dave has fixed them should have been fixed in April.

The system is now watering the front of the hall and all around the hall. Watering takes place 4 nights a week from midnight to 7.00a.m. when, for 10 minutes each zone is watered through 3 cycles.

We do not have to phone to have the water either turned on or off, the system is automatically turned on in April and off again in late September.

The heads are placed in such a position as to make it impossible for any grass cutting machine to dislodge or break them.

Action required: REPORT ONLY

Grass cutting:

Grass needs cutting every Thursday from now to middle of September and possibly later as needed.

Dick Bergman, Kingsland resident will cut and trim the grass from 1st July until middle of October as necessary. He will cut once a week on Thursdays, weather permitting.

Dick is able to cut the grass every week with the exception of two separate weeks when he will be on holiday. I have asked Reg Clowes will be backup when Dick is on holiday. Dick anticipates that he will be available to do this work for this year and the following 2 years and possibly more.

This will be a much cheaper way to go especially as the machine can have a blade attached to it for the winter and so could be used year round.

Potential problem with this route - Getting someone to use the machine and commit to weekly grass cutting.

City: Terry - 403 333 0131: City quote: 15 weeks = \$5,520.00 + GST 2 hours per wk with 4 men. City crew cut once. Called Terry Monday morning 13th June and told him to cancel city cutting until I get back to him after our Board meeting. We will have to pay for one cut.

Daniel PLS: 403 809 4246 - \$3,000.00 plus GST includes trimming and goes from 9th June to end of October

Bugaboo: Matt 403 283 7843 - \$300.00 per cut including trimming to 31st September. If we wish to have bi-weekly in September and October we let them know.

For 15 weeks, same estimated time as City \$4,600.00 plus GST Cost of "sit on mower" **\$2,349.00** + GST

D125 42-inch 20 HP V-Twin Hydrostatic Front-Engine Riding Mo...JOHN DEERE Model # BG20889

\$327.00 + GST

48 Inch Snow Blade for John Deere, Husqvarna and MTD Tractor...AGRI-FAB Model # LBD48D

"Weed eater" On sale until 30th June at MJ Mower an F38 which is what Wayne used. \$150.00 plus GST, regular price \$179.00 plus GST

Added to the cost of the machine is the maintenance, gas, oil and an additional blade for snow removal in the winter. I have asked Wayne to cut the lawn until after the Board meeting.

My recommendation is that we purchase the machines and have Dick Bergman to cut and trim the grass.

MOTION by Ann: "Purchase a "sit on mower" at a cost of \$2,349.00 + GST and a "Grass Trimmer" at a cost of approx. \$150.00 plus GST and hire Dick Bergman to cut and trim the grass once a week at \$35.00 per hour." Sue Seconded Carried

Ann to make up a Contract for Dick Bergman as a Contractor hired by KCA.

Weed Control & Fertilizer:

We already have a contract for Greener Grass for the area between the rink and the building and on the front of the hall. - 403 271 2111 second application for dandelions - some time week 13th June 2016 - two more applications to follow. Contract for dandelion control:

\$283.34 including GST for four applications on limited area. Lots of dandelions in the pleasure rink area - **do we want to extend the week control to this area.**

Quote for all areas: For 3 applications of dandelion control on all areas not already paid for \$480.00 incl GST if we pay up front, \$160.00 + GST if we pay as we go.

For 2017 - 4 application for all area \$800 incl.GST if we pay up front or \$200 + GST if we pay per application for 4 applications. Daniel at PLS quoted for weed control & Fertilizer : \$555.00 + GST per season - 3 applications.

Action required: DECISION for next season. We already have week control for the rest of this year. Decision to change for next season?

Conclusion: If we have grass cut in a regular basis it will take care of the dandelions in the future.

Pre-school Meeting:

Attended Pre-school monthly meeting and presented Board's suggestion that we do not increase the rent as the utilities have not increased significantly since the school has been in place prices have risen but use is not significantly more so we can assume increased price is due to increased utility price and not school use. Board voted at 26th May meeting to allow the school to continue paying \$900.00 per 10 month year for the rest of the 5 year contract.

However, since the school is using the meeting room the Board suggested that the school take over the cleaning duties for the whole basement. The exception to that would be if the community rented the meeting room out for an evening function and then we would have our cleaner clean the meeting room and the bathrooms.

The school are looking into the cost of hiring a cleaner to undertake the full cleaning of the basement but feel that this would be much more expensive for them than to pay the additional \$90 per month rent.

They are approaching our new cleaner to see how much she would charge them to clean the basement under a separate contract.

I RECEIVED AN EMAIL FROM THE SCHOOL ON MONDAY 20TH JUNE STATING THAT THEY CANNOT AFFORD THE \$4,750.00 PER YEAR THAT IT WOULD COST THEM TO PAY FOR A CLEANER 5 HOURS PER WEEK. WHAT DO THE BOARD WANT TO DO.

I met with our cleaner on Wednesday and she says that she would be able to clean the school room (dry mop, empty garbage, dry mop meeting room and clean the bathrooms) and she estimates it would take her 2 hours per week for 3 times cleaning. She charges \$25.00 per hour so her charge for the basement will be \$50.00 per week for 10 months.

MOTION by Ken: We have our cleaner clean the basement 3 times a week as agreed to in the Pre-school Contract. Suzanne Seconded: Carried

Other items of discussion: Pre-school are concerned about the problem of homeless people sleeping and using the basement entrance as a bathroom

The school suggested and asked permission to paint the area in a brighter colour and put up murals on the walls and door to try and discourage use of this area by homeless people, it was also suggested that a sign be put up indicating Kingsland Community Pre-school Entrance which might further discourage this use. (The school would undertake to do both these things. I said I did not think we would have any objection to this plan. **Agreed**

If neither of these plans work we might have to look at sealing off the area completely with chain link fence and a gate but that would be for down the road.

The school also asked that their floor be cleaned professionally at the same time as the rest of the floors are being cleaned as they have been in the building 3 years and the floor has never had a real professional clean. In view of the fact that remedial work is going to be undertaken at the beginning of July in the school room (part of Lifecycle program and ordered by the City) where drywall and ceilings are going to be removed and replaced I recommend that this request should be fulfilled in order to have a clean start for September.

The cost of this additional space cleaned by KBM will be \$548 plus GST to scrub/seal and wax with 4 coats of wax. Cost of having the room cleaned after the renovations, dust from drywall etc., on stationary articles in room, Kylin will do it for \$25.00 per hour. No idea of number of hours. **Conclusion: We wait and see if cleaning is required and if it is we get Kylin to do it.**

Action required: Report only, approval for school to paint entrance area and hiring exterminator for ant problem

MOTION by Ann: "That we have the floor of the school room cleaned by KBM at a cost of \$548.00 plus GST" Sue Seconded: Carried

Windows:

Window broken, Wayne couldn't fix, Estimate from Crystal Glass: \$407.91, this breaks down into \$178.49 for 28x30 Sealed unit, 2 men for 1 hour labour = \$180.00 and miscellaneous materials: \$30.00. GST 19.42 for a total of \$407.91 I have ordered

this and paid for it and it will be delivered and installed in 10 to 14 days. Crystal Glass to repair

Action required: Report only

Question: SHOULD WE PUT GRILLS ON THE WEST WINDOWS.

Conclusion: Ann to get price for stainless steel grill (ken will help) Ann will email price to board when the window is fixed. Agreed.

Tyco - Fire extinguisher Co.

Phoned Tyco. They charged additional \$22.00 for fuel on invoice # 82266048. Ann spoke with Manager and he said he would reimburse us \$22.00 and would make a note

on his file to NOT charge additional fuel fee next year. Have not received cheque so phoned

again 13th June. He said they could not send cheque but would make a note on our file that

next year we would not be charged an additional fuel fee and that we are to be CREDITED with

\$22.00 off our next year's bill. He is sending email confirmation. Asked Jen to make a note

on their file and watch out for it next year.

Action required: Report only

Microwaves for Kitchen:

Purchased trolley to stand microwaves on. (Trolley \$199.00 plus GST from Ikea) Ken got electrician to put outlets into kitchen to service new microwaves. **Report only**

Cleaner:

We gave Joe notice to quit hall cleaning from 12th June but offered him one month's pay in lieu of notice. Our new cleaner Kelyn Rivera started work on Wednesday 15th June 2016. She has signed a contract and a WCB letter, copies of which have been sent to Suzanne for Audit information. We have negotiated for a maximum of 7 hours cleaning per week as required by rentals with a review in 3 months time as it is impossible to determine just how many hours will be required for the level of cleaning she will do. She will work with Jen our Hall Manager.

New Chairs:

Our new chairs were delivered on Tuesday 21st June 2016. An invoice for \$862.50 plus GST, which was approved at 26th May meeting, will be forthcoming from Choice Office Furniture.

Action required: Report only. Cheque to be sent when invoice is received.

Income from hall rentals for June: \$3,075.00

PLANNING REPORT: Darren McDonald presented by Ann - 23rd June Meeting

New Members - We have 6 members (Ann, Darren, Mike, Colleen, Dave and Sue). We have one more opening for the right person.

7812 Elbow Dr DP2016-1311 M-CG Four-Plex:

Open house held to review drawings with nearby residents. Retinal Clinic and one resident showed. Committee was well represented. Committee met with applicant on June 13 to re-

MEETING MINUTES CONT'D

view drawings and concerns. Follow up emails were sent to file manager and Councillor Pincott to outline height, massing, shadowing, privacy and parking concerns. We have been building our case for an appeal while continuing to engage.

6809 75t LOC2016-0118 R-C2 to M-C1 (Four to Six Plex): We conditionally supported in our response letter to the circulation. We requested density (6 units) and height modifiers (2 storey). Demolition has started under the current land use with a major overhaul of the existing structure planned.

729 75t LOC2016-0037 R-C2 to M-CG: We objected to M-CG in our response letter to the circulation. We recommended R-CG with secondary suites to retain Low Density for 67 Ave (south side). The applicant verbally discussed an intent to update the property to be compliant for a suited semi-detached. A garbage bylaw complaint led to an inspection which led to this application.

69th Ave (Jim Lee) - LOC2015-0095: No update

Intercare on 68th Ave: Grand opening was attended and the facility seems to be very well run and seems to be a welcome addition to the community. All 8 paid parking stalls were re-assigned to staff and visitors for free parking, so this issue is resolved.

PBA Land: No update.

City Levy on Developers: We will arrange a meeting with City Planner to come to one of our meetings to speak to us about development in Kingsland specifically. This will probably occur in the fall.

Community Plan:

We are working on a crisper vision for re-designations and acceptable land uses in the various areas of the community. We will communicate more once the team is ready to engage for comments. We will not get an ARP for several years based on city priorities. One or two people may be added from outside the committee to support this initiative.

The intent is to provide to clear vision for residents, Councillors, development authority and developers as to what we want to see. This should help when we object to applications that stray while providing clear direction to developers. We will also provide some guidance on design aspects such as height and parking and other concerns that seem to be repeating themselves. Some of these details are already in the current document but we are finding some gaps that need to be filled. End of report.

Lifecycle Report - Ken

Investigation of cracking around windows to be done week starting July 4, 2016

Review revealed some fire taping that needs to be done, will be done week July 4th.

Stove gone, 2 microwaves installed; cost was \$1571.36

Microwaves \$1081.48, cabinet \$208.85, electrician \$210.00; electrical supplies \$71.03

Deck needs some work as per safety inspection, week of July 4th.

Electrical panel doors, week of July 4th, need Wayne to confirm

The City CCG grant is covering the cost of this investigation work, if problems are found we will have to apply for another grant to fix.

Chris: All reports sent to Secretary should also be forwarded to our "Cloud" gmail account. You all have the code. Basically there is lots of space and every email should be copied to that file.

Casino report - Ken

Next Casino: April, May or June of 2018. Monies from our last casino has to last us until September of 2018 depending on when Casino is held.

Social report: Meghan

1) Spring Festival was a huge success. Chantel did an amazing job organizing, and there was roughly 150 kids alone--with family members it may have been 250-300 people. Thank you to the City for the WCEF grant, as well as EMCO for donating balloons for the kiddies. Big thank you to all the volunteers that day as well.

2) Signing of the liquor license for Oktoberfest. Donna David needs the license signed by the President, Treasurer, and Secretary

3) Just need to confirm payment to Hip Image (\$825) for outstanding balance for photobooth has been made?

4) Cris D. will be taking over the planning of Volunteer Appreciation next year. I have been advertising for an event coordinator for each event the Social Committee hosts annually. Cris offered to take over Volunteer Appreciation, and we decided we would separate this from the general social events as it's a bit of a different beast in that it's by invitation only. We felt there was no need for Cris to join the Social Committee in order to take over planning this event. **Motion:** To separate \$1500 out of Social Budget to cover Volunteer Appreciation (leaving Social at \$6000).

5) Movie in the Park, Oktoberfest, and Bowling are all underway with their planning.

Conclusions: No need to split budget into two, \$1,500.00 for Volunteer appreciation and \$6,000.00 for Social, volunteer appreciation will be paid out of the Social \$7,500.00 budget.

Trico Report - Cris

Trico Centre Information for Community Bulletin Boards, Community Association Board Meetings, Community Association Websites June July August 2016

Trico Centre for Family Wellness is a non-profit, community-owned and operated recreation facility. At Trico Centre, you can work out in the fitness centre, use the gymnasium, swim, or skate, plus we have fun, active programs for all ages. Check the Program Guide or www.trico-centre.ca for more information on any of the activities and events listed below.

Residents of communities partnered with Trico Centre (like yours!) pay 20% less for a Trico Centre membership with presentation of a community association membership or payment of the Community Support Fee (which is sent to your community association.) Check the Program Guide or www.trico-centre.ca for more details.

MEETING MINUTES CONT'D

June, July, and August at Trico Centre

NEW Registered Summer Programs for Kids, Adults, and Older Adults

• For the first time ever, we are offering a **wide selection of summer registered programs** including adult and older adult fitness, skating lessons, parent & tot, preschool and children and youth programs. Check out our Spring Summer Program Guide. Plus, don't forget skating lessons as well.

Summer Day Camps

• Summer Day Camps – register now for super, summer day camps. More than 40 themed camps, ages 3-14, half day, full day, pre and post care, weekly and daily camps. Trained, qualified staff, low leader-to-child ratios, field trips, cool activities, special guests. Emphasis on quality, learning, and fun.

Older Adults

• Registered programs starting in July include Balance Builders, Bone Builders, Chair Yoga, and Foam Roller Workshop (July 9.)
• Drop-In Fitness options for older adults: there are many options on the drop-in schedule that are specifically geared for older adults and a great way to connect with other seniors.

Families

• Lots of drop-ins for families including Drop-In Gymnastics, Drop-In Playtime, Drop-In Crafts, Drop-In Gym, Drop-In Badminton, Leisure Skate, Stick & Puck.
• Complimentary admission for fathers on Father's Day, Sunday, June 19.

Children & Youth

• Summer Day Camps – register now for super, summer day camps. Ages 3-14, half day, full day, pre and post care, weekly and daily camps.
• Registered summer programs for Parent & Tot (First Moves, Gym Babies, Gym Tots) Preschool (Gotta Dance, Little Ballerina 1, Kinder Gym Kids 1, Sportorama, Sportball Outdoor Soccer) Children (Parent & Child Karate, Sports Extravaganza) and Youth (Dodgeball.)
• Summer Drop-Ins: Drop-In Playtime, Drop-In Craft and Drop-In Dodgeball.

Janice Piet Yoga
403-889-5223
Monday & Wednesday
9:00-10:30AM
@ Lakeview Community Centre
6110 - 34th St SW

Pool Makeover

• The pool is getting a makeover – target reopening date is **August 15, 2016**. Check out progress and pictures on our website blog.

• While the pool is being made over, you can purchase a new membership and receive **14 months for the price of 12** (until August 14) or a 10-Visit Pass and receive 13 visits for the price of 10 (until July 31.)

Fall Registration

• Fall registration is August 2 and 3 and ongoing for members and August 4 and ongoing for the general public. The program guide will be available online and in our stands and in mid-July.
• Check the Fall Winter 2016 Program Guide for lots of new programs for all ages.

Trico Centre is located at 11150 Bonaventure Drive SE. Residents of partnered communities' pay 20% less for memberships than those who reside outside partnered communities. Phone: 403-278-7542 or see www.tricocentre.ca to find out more.

Playground report: Sue

Everything going to plan, next meeting Friday 24th June 2016. Building date 15, 16 and 17th September 2016.

Icerink Project: Canada 150 Community Infrastructure Program Grant: James

Grant has been submitted for a budget of \$137,000.00. Make sure that a hard copy of the application is filed in the office.

Motion by James: Kingsland Community commit to paying 50% on the Outdoor Skating Rink Project to a maximum of \$80,000.00 contingent on receiving approval of 150 Community Infrastructure Grant. Sue Seconded. Motion carried.

Next Board meeting: 8th September 2016 and 29th September - 7.00p.m Basement meeting room.

MOTION by Chris to adjourned 9.30p.m. Seconded by Sue - Carried.

Pet of the Month

Please submit your pet's photo to:
admin@kingslandcommunity.ca
to have your pet appear in the newsletter.

VOLUNTEER OPPORTUNITIES

- Sit on our board as a parent representative of Chinook Park School. Requires attendance to monthly board meetings (last Thursday of every month at 7pm). The goal of this position is to keep our community engaged and informed of what is happening at the school.
- Join our Playground Committee and help plan for future playground builds
- Volunteer to help with our next playground build on Sept 15-17 (manual labour)
- Organize the messages that need to go on the notice board at 75th Ave and 5 St SW, and have the text sent off to the volunteer who posts them
- Join the Social Committee and help organize and/or run events
- Do at home prep for crafts we do at events (cutting etc, supplies provided)
- Volunteer to run the Mom and Tots Play Group (details in separate ad)
- Join the Planning Committee and have a say in the development of Kingsland
- Volunteer at Movie in the Park on Sat, Sept 10
- **Join the Board as an Open Director. We really need new members to keep things going!!!!**
- Volunteer to set-up, take tickets, serve at Oktoberfest on Sat Oct 15

Please contact Meghan at kcamuhle@gmail.com or 587-894-6917 for more information or to sign up for a position.

Kingsland Community Association Board Meetings

are held in the downstairs Meeting Room at 7:00 PM
All Community Members are Welcome!
Next meeting September 29, 2016

COMMUNITY ANNOUNCEMENTS

- ◆ Free announcements: lost/found, household items for sale, wanted, garage sale, student/senior services, etc.
- ◆ Forty word limit

Senior in Kingsland requires cleaning assistance as follows:

- Approximately 3 hrs every 4 weeks in small bungalow
- Vacuum, wash floors, dust, clean 2 small bathrooms \$20 per hour to start. Contact Susan at 403-258-3839 or 403-560-3264 to discuss or arrange to meet.

Attention all you seniors in Kingsland! Would you be interested in joining the Kingsland Chatter through your computer? It's a private chat club pertaining only to Kingsland residents. We would keep in touch with each other without going outdoors. What we talk about is up to us. It's a secure and safe program, developed by members of the Elder Service Corps, and presented to the Kingsland Board. If interested please contact franamy@telus.net.

NOT SURE WHAT TO DO WITH YOUR CLUTTER? The Clothesline program in Calgary collects gently used clothing, electronics and small household items-where proceeds support the Canadian Diabetes Association. To donate and schedule your free pick-up, call 1-800-505-5525 or visit www.diabetes.ca/clothesline.

Another summer has come and gone. I hope you enjoyed all it had to offer in and around our city. The City of Calgary and our Community Associations held many great events to get out moving and socializing like the Canada Day celebrations in the downtown, Stampede breakfasts, festivals, and mobile skateparks.

Council is back in session after the August break, along with all Councillor appointments to special committees. I'm involved in many facets of City and partner functions, and I love these opportunities to work with great organizations and make positive changes. Here's a bit about what I have been and will be up to. I sit on two Standing Policy Committees: on Community and Protective Services, and on Transportation and Transit. I also serve on Audit Committee and the Intergovernmental Affairs Committee.

I am on the board of Attainable Homes Calgary Corporation (AHCC), Calgary Housing Company (CHC), and the Calgary Homeless Foundation (CHF). These three committees represent the continuum of ensuring Calgary's citizens are able to address their housing needs. By helping to create strategies to get Calgarians into homes, stay sheltered if they face physical or financial hurdles, and move out of the system and into home ownership, I am able to recommend policy proposals which make sense within the larger picture.

My work on the boards of Family and Community Support Services Association of Alberta (FCSSAA), and the Federation of Canadian Municipalities (FCM) allows me to guide municipal policy development in conjunction with initiatives at the federal and provincial levels, and vice versa. FCSSAA meetings take me up to Edmonton once a month and FCM meetings take me all over Canada every few months to meet with colleagues in other Ca-

nadian municipalities. With FCM, I am the Chair of the Executive Committee, on the Governance Committee, part of the Prairies and Territories Regional Caucus, on the Standing Committee on Environmental Issues and Sustainable Development, the Chair of the network of francophone municipalities, the Standing Committee on Increasing Women's Participation in Municipal Government, Chair of the Standing Committee on Social-Economic Development, on the National Municipal Energy Infrastructure Task Force and the Governance Representative for Haiti projects.

The City of Calgary is the sole shareholder of ENMAX (while the City "owns all the chips", it doesn't play them). In my role on the ENMAX Board of Directors, I am really excited about the future possibilities of electrical distribution. ENMAX is a separate legal organization, and pays the City of Calgary dividends when able. I prefer that the City use these dividends for re-investment, such as into the ENMAX Legacy Parks Fund. This is the funding mechanism behind the Sandy Beach/River Park rehabilitation project.

I also act in an advisory capacity to the BiodiverCity Advisory Committee, the Climate Change Action Advisory and the National Zero Waste Council. Healthy native flora and fauna populations give our city increased resilience in the face of climate change. Especially at the municipal level, it's important to address waste, and the real cost of waste to both the municipality and our environment.

I also serve on the Calgary Arts Development Authority board. Besides my past involvement in and love of the arts community, there is a real economic argument for the arts that we as a City need to support.

As we gear up for a busy fall, be sure to subscribe to your Ward 11 update at www.ward11calgary.ca to receive an email or two a month letting you know about important happenings in your community and city.

MLA CALGARY-GLENMORE ANAM KAZIM CONT'D

Alberta Jobs Plan please check the website www.alberta.ca/alberta-jobs-plan.aspx as well as the website for Alberta Ministry of Economic Development and Trade at www.economic.alberta.ca.

The Government of Alberta could have chosen to make cuts during these rough times to the services people rely on but, it has chosen to support Albertans by creating jobs and investing in infrastructure.

The Alberta Jobs Plan Invests:

- \$3.5 Billion to build and modernize schools
- \$9 Billion in funding to municipalities
- \$900 Million to ensure Albertans live in affordable homes
- \$365 Million to continuing care

For further details, please do not hesitate to contact me.
