We Need a New Social Director

After five great years of enjoying leading Kingsland's social events, I am looking to step down from my position to focus on our growing family. I sincerely hope we can find a volunteer to take over as Social Director, to keep all the events running and Kingsland's spirit alive.

As Social Director, you are expected to attend the monthly Board Meetings (last Thursday of every month), and be the head of the Social Committee. With a great team behind you, this role requires that you act as a point person and leader for event planning. I am hoping to have someone step in by June 2017, though any interest shown earlier would allow for some handover of information. Please contact Meghan at kingslandsocial@gmail.com for further info.

SOCIAL COMMITTEE

Do you enjoy the events in Kingsland? Would you like to see them continue?

WE NEED HELP TO KEEP THEM GOING!

The Social Committee **URGENTLY** needs extra volunteers to take over **organizing** the following 2017 events:

- Parade of Sales
- Easter Egg Hunt
- Spring Festival
- Movie in the Park
- Pub Night

Specifically, we need someone to volunteer to "be in charge" of each of these events—making bookings in advance, shopping for supplies, leading the volunteer team on the day of the event. Without new volunteers to lead these events, they are likely to be cancelled.

Please contact kingslandsocial@gmail.com for further information. You will be guided and supported thru the process, and can expect to spend 10-15 hours on the one event you pick.

The Social Committee wants your feedback!

What do you like/don't like at the events?
Do you have ideas for new events?
Do any of the events dates/times need to change?
Any and all feedback is welcomed at kcamuhle@gmail.com

PRESIDENT'S REPORT

It's a new year and with it come new opportunities and challenges for us as individuals and a community. Some of us face the new year by making resolutions. Many don't even bother since they are still working on resolutions unfulfilled from years past. Since the Kingsland Community Association is not a human being it is absolved from any obligation to make resolutions. However, those of us who live in Kingsland (and outside our community) are not freed from the obligation to, if not openly resolve to achieve a goal of some sort, then at least try and be better people in the year ahead.

One way we can do this and make a positive impact in our community is to look at the way that we interact with those people in Kingsland who volunteer their time and energy to make this a good place to live. Of course one of the best ways to show our appreciation for our marvelous volunteers is to join them by also volunteering. However, if this is not possible then at the very least all those who serve our community should be treated with respect and dignity.

This may seem obvious to most people. Unfortunately, there have been incidents where community volunteers have not been treated civilly. Recently a member of the board was subjected to an abusive email by a resident upset about developments in her neighborhood. While the emotions may be understandable the way they were expressed was unacceptable. Even when we disagree with others or disagreement must be couched in the language of civility and respect.

Kingsland is a great place to live, and it will continue to be so as long as we treat each other with the respect and dignity that we all deserve. In that way we will all achieve the goal of becoming better people in the year ahead.

Groundhog Day

Groundhog Day, celebrated on February 2, came about because of a German superstition. They thought if a hibernating animal cast a shadow on February 2nd that winter would last for another six weeks. If there was no shadow, spring would come early.

Life.
We don't
want you
to miss it.™

Life's best moments aren't the big ones. They're the billions of little ones. The simple ones we miss the most after they're taken from us. And then it's too late. That's why we love life. And that's why we're doing everything possible to make sure you don't miss it.

Community Youth Volunteer Award

Year July 1, 2016 - June 30, 2017

Ever volunteer plays a vital role in the success of a community.

To encourage youth to volunteer for community King-
sland Community Association is offering a "Community
Youth Volunteer Award".

Follow these four easy steps to volunteer for the com-
munity:

1. Go to the website to download or view the "Commu-
nity Youth Volunteer Award" document for full details.
2. File a "Community Youth Volunteer Application" form
with the Kingsland Community Association if you in-
tend to volunteer.
 - A volunteer age 12 to 25, can sign up at any time
during the year. KCA year starts in July, we encour-
age you to sign up in July to take advantage of all
the events to earn your time for the award. An ap-
plicant must complete a minimum of 15 hours of
volunteer work to qualify for the award.
3. Track your volunteer of hours using the "Community
Youth Volunteer Tracking Sheet".
 - Each volunteer is responsible for tracking their own
hours.
 - Take tracking sheet to each event to be signed by a
coordinator of the event.
4. File a "Community Youth Volunteer Submission"
along with the "Community Youth Volunteer Tracking
Sheet" as soon as possible after June 30 but no later
than August 15.
 - The Volunteer award will be issued in September.

For full details go to the website link: <http://www.kingslandcommunity.ca> or if have questions please call Cris (403) 280-1602 or general inquiries (403) 255-1400.

Calgary Board of Education Cinderella Project

Kingsland Centre (formerly Kingsland Elementary School) is once again hosting CBE's "Cinderella Project" on Saturday, March 11, 2017. This exciting annual event, sponsored by corporate Calgary and the Calgary Board of Education, provides an opportunity to Grade 12 female students, to select a dress and accessories for graduation. Over 300 students have been invited, with appointment times throughout the day, therefore parking will be in high demand. The CBE has sent a map to the organizers with acceptable parking locations, however, in addition, we ask for your patience and understanding during this important one day event, as there will be many extra vehicles parked on the streets surrounding the building. If you have questions or concerns please call Tennille Cooper, Specialist, Calgary Board of Education, 403-817-7245.

Are you a business in the Kingsland Community that would like your business to be listed in our monthly community newsletter? If so please email admin@kingslandcommunity.ca with your name and number so we can help support our local businesses.

IN & AROUND CALGARY

February Is Heart Month

Do you know the signs and symptoms of a heart attack and what to do if someone experiences these? Knowing can make the difference between life and death. Recognizing and responding immediately to the warning signs of a potential heart attack can significantly improve survival and recovery.

February is Heart Month - take the time to be heart safe and learn how you can reduce your risk.

Know the signs of a heart attack

(Any, or all, of these signs & symptoms may occur)

- Chest discomfort described as crushing, squeezing, pressure, or heaviness;
- Discomfort that moves beyond the chest, such as the shoulder, arm, neck, or jaw;
- Shortness of breath, sweating, or nausea and vomiting.

Reduce your risk

Heart attack risk factors include:

- Obesity*
- Sedentary lifestyle*
- Smoking*
- High cholesterol*
- Age / gender
- Family history

Speak with your doctor about how to treat your modifiable (*) risk factors and learn to be heart safe.

What to do when seconds count

- Call 9-1-1 immediately. Early treatment can greatly reduce heart damage and make the difference of life and death;
- Treatment starts the moment EMS arrives. Paramedics can provide oxygen, start an intravenous and perform an electrocardiogram (ECG);
- Paramedics can also administer important medication(s) in the early minutes of a heart attack to lessen heart damage;
- During transport, EMS will share information with the hospital, so definitive treatment can begin immediately upon arrival;
- Take a CPR/AED (automated external defibrillator) course. Training is widely available from many reputable organizations. It's easy, inexpensive, and only takes a few hours.

Kingsland Community Preschool News

After a busy Christmas season, we were excited to get back to our routine in January.

We listened to the "Music for the Royal Fireworks" by George Handel. Then we spent some time drawing and painting fireworks! Fireworks can be so noisy! We talked about New Years Resolutions and thought about what we could do to make the world just a little bit better.

We also spent time enjoying winter. We started to learn about Arctic and Antarctic animals, the Northern Lights and inukshuks. We brought snow into the classroom to play in, paint with and melt. We also love to set water outside and build ice sculptures.

Our open house is Wednesday, January 25 from 5:30-7:30. Registration for September, 2017 starts on January 31st from 6:30pm - 8:00pm for Alumni and Kingsland Community Members and February 1st from 6:30pm - 8:00pm for the general public. Registration will be on-going after those dates.

Please visit our website www.kingslandcommunitypreschool.com.

St. Augustine Fine Arts School

After a well-earned and restful Christmas break, the students of St. Augustine Fine Arts School are rejuvenated and are looking forward to opportunities that 2017 will bring. This month, we have started the basketball season, as the rosters have been finalized for the senior and junior teams, and students have begun to compete against other schools in our area. Our Junior High students are preparing works in Visual Art and performances in Dance and Band to be showcased in the coming months, and our Drama department is beginning to prepare for their spring production. Midterms have also been written this month by our Jr. High students as our elementary classes eagerly prepare for 100 days of school, marking the halfway point of the year.

The month of January is one of great opportunity and new beginnings for our students. It is a time that they can reflect on the past challenges and achievements of the previous year and can be mindful of what goals they would like to achieve in the coming months. For some of our students it will mark an occasion where they will make the decision to focus their ambitions on experiencing success in the classroom. For others it may be a time where they finally decide to try out for a sports team they were always afraid to join. Some students may make efforts to develop new friendships or to strengthen and renew old ones. The New Year offers all of us a second chance in our personal, professional, and academic lives.

The staff of St. Augustine Fine Arts School we would like to wish everyone a wonderful and opportunity filled year in 2017.

St. Gerard School

Happy New Year! I would like to welcome you all back as we kick off 2017. We hope that everyone had a joyous and wonderful Christmas and school break.

Thank you for your support of Mission Mexico and St. Vincent de Paul Christmas Hamper program! Although December can be a challenging time for all of us as we budget for gifts, juggle time, decorate spaces, and welcome relatives while working no less, through it all, our school community was able to generously support Mission Mexico as well as several families with Christmas Hampers of gifts. Merci!

Kind regards,

Christian Harries | Principal

On January 5th of this year, the Assessment Department mailed out the 2017 Property Assessment Notices to property and business owners in Calgary. The assessment process is how property taxes are distributed among all property owners to meet The City's budget needs to pay for services all Calgarians benefit from like police, fire protection, transit, parks, recreation and more. Your property assessment provides the basis for your share of taxes, relative to all non-residential properties in Calgary. On June 27th, 2016, City Council made the decision to reduce the 2017 property tax rate increase to zero through a one-time rebate. Please note this only affects The City's portion. Your property assessment is based on your property's estimated market value on July 1st, 2016, and is used to calculate your property taxes. Your property assessment can change year to year.

Residential Property Assessment

The average home in Calgary saw an assessment decrease of 4 per cent. If your assessment decreased 4 per cent, you will pay about the same municipal taxes as last year. If your assessment decreased less than 4 per cent or increased from 2016, your municipal taxes will increase. If your assessment decreased by more than 4 per cent, you will see a decrease in your municipal taxes. Please note, the Provincial portion of the tax rate is not announced until spring, and will also have an impact on your property taxes.

Non-residential Property Assessment

The average non-residential property saw an assessment decrease of 6 per cent. If your assessment decreased 6 per cent, you will pay about the same municipal taxes as last year. If your assessment decreased less than 6 per cent or increased from 2016, your municipal taxes will increase. If your assessment decreased by more than 6 per cent, you will see a decrease in your municipal taxes. Please note that regulated assessments are not subject

to the market value standard, and assessment changes may not be reflective of the average 2017 assessment changes for non-residential properties. The Provincial portion of the tax rate will impact your property taxes. This is not announced until spring. The Business Tax Consolidation will also impact your property taxes.

Business Tax Consolidation

The City is phasing out the Business Tax through a gradual transfer of the business tax revenues to the non-residential property tax. Each year, business tax bills will go down and non-residential property tax bills will increase. The Business Tax will be eliminated in 2019. Consolidating the taxes into a single, easy to understand real estate-based assessment and tax system for non-residential property owners will make Calgary more competitive and attractive for business. Please note that Business Tax Consolidation will not impact your property/business assessment nor will it be reflected on your assessment notice. It will not increase the amount of revenues collected by The City.

Customer Review Period

The Customer Review Period is from January 5th to March 6th, 2017. If you have any questions about your assessment, please contact 403-268-2888. Changes can only be made to your 2017 Property Assessment during the Customer Review Period.

The City offers online tools to help property owners understand and review their assessment. By logging into Assessment Search at calgary.ca/assessment, you can access details on your property to check and review the accuracy of the information The City has on file, and compare your assessment with other similar properties in your area to ensure your assessment is fair and equitable. You may also conduct more in-depth assessment research and can access sales, community and property reports.

Dear Constituents:

As we enter the second month of the New Year, I am happy to mention that I am chairing the Caucus Budget Advisory Committee: it works closely with the Minister of Finance and provides assistance to the ministry to prepare the upcoming spring budget 2017. I am glad to have this leadership opportunity to provide my insight into the budget to serve Albertans' best interests.

We are working hard towards job creation in our province: with new initiatives like the Energy Efficiency Program, the Alberta Investor Tax Credit and the Capital Investment Tax Credit, the Petrochemical Diversification Program and with capital investment in roads, hospitals and schools, you will begin to see the effects in our economy. Since August of 2016 the province has added 25,000 jobs.

- Two new facilities approved under the **Petrochemical Diversification Program**.
 - These plants, for the first time in Alberta, will process propane extracted from natural gas resources into value-added plastic products that people all over the world use every day. Both plants will operate in the Edmonton area (Sturgeon County and Strathcona County).
 - During construction of the Pembina/PIC petrochemical processing facility, there would be an average of 2,000 to 2,500 workers on site, with more than 150 full-time operations and head office jobs upon completion. Construction is expected to start in 2019, with the facility operating by 2021.
 - The second project, by Inter Pipeline, will create 2,000 full-time equivalent jobs over the three year construction period. About 1,600 of those would be at the site and the rest would be in fabrication or module shops and engineering firms. An additional 95 full-time operations positions would be created upon project start-up. Construction is expected to start in 2017, with the facility operating in 2021.
- New wells drilled under **Modernized Royalty Framework**

- Since July, 129 new wells have been drilled in Alberta under the modernized royalty framework.
- Each new well supports 135 direct and indirect jobs and about \$4.5 million in spending.
- It was clear that the old method of confrontational politics of shouting at Ottawa and the other provinces, was not working to get Alberta better access to markets for our oil and gas products.
- We chose a different path and decided to build a plan that would protect our environment and build our energy economy. The pipeline approvals are proof that this plan worked: When Prime Minister Trudeau announced these pipeline approvals, he said, "Let me say this definitively, we could not have approved this project without the leadership of Premier Notley and Alberta's climate leadership plan."
- Starting in early 2017, **Energy Efficiency Alberta** will deliver a variety of programs and services for energy efficiency and small scale renewables.
 - Free installation of residential efficiency products such as lighting, water fixtures, and heating components in homes across Alberta.
 - Rebates for efficient appliances, lighting, and insulation for homes.
 - Incentives for high-efficiency retrofits of lighting, heating, cooling, and hot water systems for businesses, non-profits, and institutions.

Calgary's city employees

Making your city work for you

You don't take clean drinking water for granted — and neither do we.

Calgarians put a higher priority on clean drinking water than any other Canadians... but you're also more confident in the people and systems that deliver water to your taps.*

For Calgary's city employees, your expectations spur us on to do even better.

As with all the services we provide, our commitment is to work in partnership with the City to deliver fresh, pure water for your home and family.
