PRESCHOOL NEWS

October was a month to be thankful and spooky!

We have so much to be thankful for. The children made special Thanksgiving placemats and drew lots of pictures of all the things that they were thankful for. It included family, rainbows, roads, bridges, cookies, friends, marshmallows and our warm and cozy homes.

We collected "beautiful stuff" from our homes and brought it to school. We looked at everything that our friends had bought and then sorted, categorized and organized it so that we can use it for our art and class projects throughout the year.

The 4-year-old classes were so excited to go on a big yellow school bus to Kayben Farms. We drew maps for the bus driver so she wouldn't get lost. There is so much to learn about pumpkins. We saw how they grow, what they are used for, and how many different kinds there are. We even tasted a few things that we made from pumpkin.

After all that pumpkin talk, we were excited to make jack-o-lanterns to get ready for our Halloween parties. It was so fun to dress up in our costumes!

We are excited about new adventures in November. Should we build a fire station, a restaurant, or build an entire city?

Pet of the Month

We would love to get to know your pets! Please email your pictures of your furry friends to hall for a chance to have them featured in the next edition of Your Kingsland Post!

PRESIDENT'S MESSAGE

This month's President's Report is going to be shorter than usual. The reason for this can be seen below. These photographs were taken on September 9 at the official opening and dedication of Clarke Court, a new affordable housing development in Kingsland. The photographs are of Ann Clarke, for whom the complex is named, and who has dedicated over 30 years of her life working for Kingsland and the people in it. Ann is pictured solo, as well as with the outgoing City Councillor, Brian Pincott, MLA Anam Kazim, and Calgary Housing Company president Sarah Woodgate.

Ann is a shining example of how one person can make a positive difference to her community and thus to the city in which we live. While few of us have her energy and dedication, we can all, in our own way, make a contribution to our neighbourhood and community. Ann has since retired from taking an active role in community affairs, but her spirit lives on. I hope that all of us can be inspired by her example to do what we can to keep Kingsland a welcoming and deeply livable community.

Dear Constituents:

The fall session of Alberta's Legislature began on October 30th, 2017. As our government has been working hard, I am pleased to share with you the progress of Alberta's economy.

State of the Economy:
Several of the most respected Canadian economic experts are forecasting Alberta will lead the country in economic growth for the next two years.

Last week RBC pegged GDP growth at 4.2 % this year - far higher than Alberta's average growth rate of 2.6% between 2005 and 2015.

Nearly 40,000 jobs were created here over the last 12 months. Alberta also continues to have the highest employment rate in the country and the highest weekly earnings.

Alberta consumer spending is up as well. Retail sales in Alberta were at $6.8B in May – higher than the pre-recession peak of $6.7B seen in October 2014.

In 2016, Alberta farmers net cash income reached a record of $3.5 billion.

Last year private sector investment in Alberta was 250 percent higher than the Canadian average. And we are on track to lead the country again this year – by a wide margin.

In the first four months of 2017:
- Alberta goods exports are up 43.8% to $34.7 billion, compared with 2016.
- Alberta has exported more than $50 million worth of goods to 16 countries, up from 12 in 2016.
- Alberta accounted for more than 73% of Canada's entire exports increase compared to the same period in 2016
- Alberta represents 21% of Canada's goods exports with less than 12% of its population
- Alberta goods exports to the U.S. have increased over 48% compared to the same four months in 2016

Statistics Canada's latest GDP report shows Alberta has already begun bolstering the economic performance of the entire country.

MLA Kazim Report

MLA Kazim hi-lighted the following items:

Alberta Government is actively seeing to attract more business for Alberta and have been in contact with i.e. Amazon. The province will support all the bids to attract businesses in Alberta.

The following was copied from the website:

Headquarters and major investment attraction

For both domestic and international companies, Alberta is a great place to do business. For example, Calgary is home to the highest concentration per capita of international headquarters in Canada. It also has one of the country's youngest, most highly educated and skilled workforces. Working together to build on those strengths helps create and maintain jobs and diversify our economy.

As part of the Alberta Jobs Plan, government is investing $5 million over two years to build on Alberta's competitive advantages and attract major firms to set up their head offices in the province. Through this program, $2 million has been provided to both Calgary Economic Development (CED) and Edmonton Economic Development Corporation (EEDC) to support the enhancement and implementation of regional headquarters and investment attraction strategies, building on programs these organizations already have in place. The remaining $1 million will be used by government to support ongoing investment attraction efforts.

For information see: https://www.alberta.ca/jobs-plan-investment-diversification.aspx

C&C Liaison Report

No report.

NPC Report

Jenna communicated that she requires the Budget as she requires these numbers for the Business Plan. Sue is waiting for the Audited Statement from Nancy, she will then forward the information to Jenna.

Urgent for Board Members

Sue, communicated that she will be sending out an email to the board members as soon as she gets the Audited Statement and Budget numbers; due to the time crunch from the time that she receives information and the AGM she asks that the board members reply immediately. These financials are also required to be presented at the AGM.

A discussion ensued regarding the organic bin that needs to be available at the community hall in November 1, 2017. Sue, I had done an extension follow-up on garbage pickup at the hall earlier this year in conclusion the City of Calgary was hired being the most affordable. The board decided that we would hire the City of Calgary for the organic service. Sue will follow-up with the city.

As you are aware, Council approved changes to the Waste and Recycling Bylaw requiring all businesses and organizations (including community associations) in Calgary to divert a specific list of food and yard waste materials starting Nov. 1, 2017.

As per the City's food and yard waste bylaw requirements page, to comply with the bylaw, businesses and organizations will need to do the following:

- Collect and store food and yard waste separate from garbage or recyclables.
- Make sure materials are taken for composting or diversion.
- Post clear signs on collection containers showing what goes in each bin.
- Provide information to tenants and employees about what can be collected, and how to prepare and sort materials.
- Let tenants and employees know about these food and yard waste requirements on a yearly basis.
- Let new tenants and employees know about these food and yard waste requirements when they move in or start working at your business.

Green Calgary's list of local contractors that provide recycling services can be found here:

http://www.greencalgary.org/specialty-recycler-directory/?m1=76&m2=&m3

Groups can also request a quote from The City by calling 3-1-1.

Waste & Recycling will be offering a workshop for community associations and social recreation groups in November. A flyer will be sent out as soon as a location is booked.

Reduce your plastic use for Waste Reduction Week

Did you know that small plastic items can't be recycled in your blue cart? They are too small to be sorted properly at the recycling facility. By reducing your use of these plastics, you can help reduce plastic litter, keep

plastics out of our waterways and protect our wildlife.
Straws: Straws suck! When ordering your drink tell your server that you'll pass on the straw and drink directly out of the cup instead.
Cutlery: Ordering takeout or delivery? Request that no plastic cutlery be included with your order and use your own cutlery instead. Alternatively, bring your own cutlery with you when you are on the go. Your friends will be impressed when you pull that spork out of your purse.
Coffee Pods: Make the switch to a French press or Melitta-style coffee dripper instead. You won't be left with the bitter taste of your environmental footprint after that cup of joe.
Plastic Bags: Don't leave the house without your reusable grocery and produce bags.
Take Out Containers: Bring your own Tupperware and reusable mugs when eating out. Let your local coffee shops and restaurants know that you want your takeout order served in your reusable cup or tupperware. You'd be surprised how many local businesses are happy to save the planet and themselves some on packaging.
Waste Reduction Weeks runs October 16-22 but make use of these tips all year long.

Cleaning up the yard is easier with your green cart
This fall, enjoy the convenience of using your green cart as you get your yard and garden ready for winter. Leaves, pine cones, branches (up to 6" in diameter and 4 feet in length), old annuals and pumpkins can all go in the green cart for weekly collection and will be turned into nutrient rich compost.
Three-step checklist for fall yard waste
Fill your green cart first. Yard waste can go directly inside the cart; there's no need to bag it first.
If your cart is full, simply use paper yard waste bags and roll down the top. Home and garden or grocery stores sell paper yard waste bags. They're usually sold in packs of five.
Please don't use plastic garbage bags. These bags will not be collected since they contaminate the compost.
Place the bags approx. one foot away from the cart for collection, so you can walk between the cart and the bag. Bags should be easily lifted (max. 20 kg).
During busy fall periods, to ensure our crews stay on schedule we may not be able to collect all of your extra yard waste bags right away. Please leave them out and we'll pick them up as soon as possible. Other options for disposing of yard waste are available at calgary.ca/yardwaste.

Planning Committee
Clarke Court (affordable housing) opening was held on Sep 9th and was a great success with Ann Clarke receiving recognition for her community efforts over the past 3 decades. The event was featured on Global and CBC news and showed Kingsland to be a progressive and caring neighborhood. These are well designed and energy efficient buildings, and we expect the tenants will be a welcome addition to the community.
The Planning Committee supported a DP2017-4089, Sports Massage DP renewal for home occupation sports massage based on the application details and history.

Life Cycle Report
Ken emailed the following report:
Snow clearing contract with Tetris. I recommend we hire as no price increase from him for last 3 years and he does help clear rinks on occasion.
LED light installation at the hall has started.
Ken will schedule a meeting with Jenna for lifecycle inspection after the Oct 15, 2017.

Casino Report
No report.

Social Report
The movie in the park was attended by many people, fun activities were exciting and children enjoyed themselves. Unfortunately, due to unforeseen circumstances our hired company for the movie neglected to show up. The Social Director followed up with the outdoor movie company which was very apologetic, they sent a cheque for the full amount paid and have offered 50% off next year's event.
Pub night will held Saturday, October 21, 2017 from 7:00 pm - Midnight at the Kingsland Hall; bring your friends and neighbors for an adult's only party night. Tickets $5.00 each, email: kingslandsocial@gmail.com for tickets. There will be beer and wine sold as well as chili and a bun for sale. The purchased tickets will be delivered at address provided when you purchase the ticket or the purchaser can pick the ticket(s) at the door the night of the event.

Trico Liaison Report
Cris attended the Trico the September 21, meeting.
Cris communicated that the board survey was done with 92% members think that the board is doing a great job and that fund raising needs more attention.
Roles and expectations of Board members were reviewed and Trico Strategic Plan review was presented.

Membership Report
Membership table will be set-up at the Movie in the Park event this on Saturday.

Next Meeting
AGM, October 26, 2017.
Motion: Sue moved to adjourn the meeting at 7:50 pm. Chris K. seconds. The motion to adjourn meeting passes.
