## Positive Discipline in Everyday Parenting Register Now

**Tuesday mornings, 10:00 am – 12:00 pm for 8 weeks. Next session is April 12 – May 31 2016. Program offered free of charge and includes program materials, child minding, coffee, and snacks.**

Children have the right to protection from physical punishment and to positive discipline that respects their dignity. In this wonderfully affirming program, parents of children 0 – 18 years will learn the four principles of positive discipline: setting goals; creating a positive home climate; understanding how children think and feel; and problem solving in challenging situations. Parents will practice their skills in hands-on exercises and learn to apply these principles across a wide range of situations. The result will be a positive relationship with your child that will last a lifetime.

This program is facilitated by the SWCRC's social workers. To register, please call Marylou Breig at 403-238-9222 ext. 225 or Aynsley Walsh at 403-238-9222 ext. 224.

## Parent Talk – Register Now

**Thursday mornings, 10:00 – 11:30, January 21 to March 31 2016. Free child-minding, coffee, and snacks. Parenting tip sheets and children's books to take home.**

This free program is open to all parents of babies and young children.

- Enjoy the company and support of other parents
- Give your children some supervised play time
- Get your parenting questions answered with the help of facilitators from the Further Education Society
- Help your young children learn and develop their potential

You can register and start the program anytime over the 11 weeks of the session. Attend as many weeks as you can. To register, call the SWCRC at 403-238-9222.

## Neighbours Helping Neighbours

Calgary's economic downturn is hitting people hard. The baby and personal care items we have in stock are dwindling rapidly. We are in need of the following to share: newborn and sizes 1 to 6 diapers and pull-ups, formula and baby shampoo; for children, youth and adults shampoo, conditioner, toothpaste tooth brushes, bar soap (Dove recommended), feminine hygiene products, deodorant, disposable razors, men's shaving cream.

## SWCRC Volunteer Opportunity: Parenting Group Assistant

SWCRC is expanding its parenting education programming. To support the participation of low income and socially isolated parents, we would like to offer free child care for the parents' young children. As a member of our team of Parenting Group Assistants, you will care for the children by providing a safe, loving and fun environment in which to play, socialize and learn. The time commitment is approximately 2 ½ hours, 9:30 – noon, either Tuesdays or Thursdays.

It takes a village to raise a child. Your passion for kids, and your desire to contribute your knowledge and experience towards a community effort to optimize children's social, emotional, and intellectual development, will inspire you to contact the SWCRC for more information about this important volunteer role. Call 403-238-9222 ext. 222.

## Tutoring Program

**Wednesdays, 6:00 – 7:30 pm at the SWCRC. Offered free of charge to students in grades 4 – 12. Registration is on-going throughout the school year.**

This program is for students who are struggling with a particular subject(s) and who could make better progress in understanding concepts or improving grades given more individual attention. Qualified volunteer tutors assist students. This is not a homework club. Students must have problems or assignments to work on with the tutors. For more information and to register, please call 403-238-9222 ext. 223.

## Girl Greatness Starts Here!

# YYC and NAV CANADA Open House Meetings December 2015 and January 2016

Several representatives from YYC and NAV CANADA hosted open houses this past December and January to communicate proposed changes to current flight paths at the north and south ends of the city (RNP Approaches). We would like to thank YYC, NAV CANADA and everyone who came out to learn and voice concerns.

These open houses were focused on RNP flight paths, but the key interest to many attendees was the original 2014 flight path changes, and seeking options to address the noise impact that high frequency, low flying planes are having on communities.

The following are two options that were frequently voiced, and ideas we would like to have further discussions with NAV and YYC to reduce the constant impact to West Calgary communities:

1. Spread the flights out across many communities rather than substantially impacting just some (similar to the previously spread out paths prior to 2014). As global aviation transitions to concentrated flight paths, this is the direction NAV CANADA is instructed to proceed. Therefore, the "spread out" solution is currently not being explored. We believe this is the fairest long-term solution to this issue, which is occurring in many cities across Canada and the world.
2. Utilize less populated areas for flights when possible.

NAV CANADA stated this is difficult for our area due to the conflict between arriving and departing flights. NAV CANADA's explanation was difficult to visualize and understand. We would like to see fully explored studies involving this.

Attendees brought up the topic of legal compensation if a solution was not identified. Lawsuits exist in the US over the introduction of concentrated flight paths, and legal settlements have been awarded in Europe. To avoid this, YYC is very open to hearing concerns and suggestions. A satisfactory outcome is more likely if **residents actively vocalize their concerns**. To do this, visit [www.yyc.com](http://www.yyc.com) or [www.wcatc.ca](http://www.wcatc.ca).

A solution is required, as air traffic over West Calgary will increase in the future. This is not an easy issue, but it is not impossible to come to a fair compromise to solve the negative effects of air space change. This will require the aviation industry to listen to communities, achieve a better understanding of life under concentrated flight paths, to fully understand the effects on physical/mental health, and the real cost to property/domestic life. We encourage NAV CANADA to become world leaders in this and successfully find safe solutions for everyone in the air, as well as on the ground.

organization who has been involved in refugee resettlement for over 30 years, is a community leader with a mission to "...work in partnership with the community to help immigrants and refugees settle and become contributing members of Canadian society".

## MP CALGARY CENTRE HON. KENT HEHR

950 6 Ave SW  
[kent.hehr@parl.gc.ca](mailto:kent.hehr@parl.gc.ca)  
403-244-1880

I am honoured and humbled to have been elected as the representative for Calgary Centre and will work hard to deliver on the strong mandate that Canadians have given our new government. Additionally, I am thrilled to serve as Minister for Veterans Affairs and Associate Minister of Defence in Prime Minister Trudeau's Cabinet. I was elected as a passionate advocate for our city and I will continue to be that voice.

I've spoken with neighbours, leaders in the business community, individuals in the non-profit sector, and I've listened. I know that we are facing difficult times in our province. I understand that many people are struggling and seeking solutions, and let me assure you that I've taken that message to Ottawa and to the Prime Minister.

I am confident that we can solve these many complex issues. Our plan is to support Albertans and kick-start the economy, and we already have several policies that will address both short-term and long-term problems.

Infrastructure investment to the tune of hundreds of millions of dollars will provide jobs in the short term and create long term prosperity. These funds will be targeted at projects such as flood mitigation, updating infrastructure, affordable housing, and public transit projects. My colleague and fellow Alberta Liberal MP, Infrastructure Minister Amarjeet Sohi, is taking leadership on this file.

I am discussing with Finance Minister Morneau on the implementation of our platform's Child Tax Benefit that will provide support for struggling families and thousands of children in our province.

Tax relief that will benefit 9 million Canadians, making it easier to join and stay in the middle class.

Changing rules for Employment Insurance – part of our party's platform in the election and even more important to put to work now – is currently being taken on by Winnipeg MP and fellow cabinet minister MaryAnn Mihychuk.

By engaging with provincial partners – such as hosting the first First Ministers' conference in nearly a decade and actively engaging with premiers – a new tone and style of leadership is being brought to the federal government.

Ensure long term access for Alberta oil and gas through responsible pipeline development.

Representing my constituents is a top priority and I vow that your voices will continue to be heard in Ottawa. By the time this letter is printed my office will be operational at 950 6 Ave SW: you can email my team at [kent.hehr@parl.gc.ca](mailto:kent.hehr@parl.gc.ca) or give us a call at 403-244-1880. My door is always open.

## MLA CALGARY-ELBOW GREG CLARK

Leader - Alberta Party  
(403) 252-0346  
calgary.elbow@assembly.ab.ca  
Twitter: @GregClark4AB

Dear Neighbour,  
At time of writing the government has just released their royalty review. My first reaction is relief that it doesn't appear the government has significantly increased royalties, especially in these very tough times. I'm also glad to see the expert panel has found Albertans have been getting our fair share of resource royalties all along, and I'm optimistic the proposed changes will help keep our province competitive so Albertans can continue to benefit from oil and gas production for generations to come.

My team and I will study the document in detail to ensure there are no unintended consequences of the proposed changes, and as always I welcome your feedback on this or any other topic.

You can read the full royalties report at [www.letstalkroyalties.ca](http://www.letstalkroyalties.ca).

Another topic of interest to many in Calgary-Elbow and beyond is the status of the homes purchased under the Floodway Relocation Program. On January 29, 2016 I joined Minister of Municipal Affairs Danielle Larivee, Mayor Naheed Nenshi and Councillor Gian-Carlo Carra to gather community input about what should be done with the 17 properties purchased under the program. Although many (including me) would like to see at least some of the homes saved and resold immediately, the provincial government believes the liability risk is too great to allow this to happen.

The open house was very well attended and we heard loud and clear that you want the properties put on the market as soon as possible to make our communities whole again, and to recover some of the money spent on the original program. Based on the information presented in the meeting the Province is open to doing just that, but only once flood mitigation is in place. In the meantime the properties will be landscaped and the clear desire of the community is to prevent unauthorized access to these properties until they can be resold.

I will continue working with both the Minister and the City to ensure the integrity of our community is maintained, that safety is a priority and most importantly that the properties are eventually put back on the market. I will also continue to push the provincial government to build the Springbank Dry Dam as quickly as possible. I have asked for an update on the status of the project and the anticipated completion date. I hope to be able to provide that information to you in my next update.

The next Legislative session starts on March 8 with a budget to follow within the month. I'm always interested to hear what you would like me to raise in the Legislature on your behalf. Feel free to contact my office at any time with your ideas, questions or concerns. You can reach us at [Calgary.elbow@assembly.ab.ca](mailto:Calgary.elbow@assembly.ab.ca) or 403-252-0346.

Finally, we hope you can join us at our next Constituency Office open house on Saturday, March 19, 2016 from 12:00 – 4:00 PM. Our office is located in the Britannia Plaza on the second floor above Sunterra (the address is #205, 5005 Elbow Drive SW). See you there!

## COUNCILLOR, WARD 11 BRIAN PINCOTT

[www.ward11calgary.ca](http://www.ward11calgary.ca)

My team and I are being asked where the City is in the process of creating a SW Transitway. While we have worked to clarify some of the misinformation in the community before, we hope the questions and answers below will help address further questions and outline the upcoming project path.

### Will the SW Transitway be cancelled?

The SW Transitway will be proceeding. Council voted unanimously for the idea in 2011, and now the transportation project team at The City is working on the detailed design phase while addressing questions they have heard. As this project has been approved by City Council all final decisions will be made by the Project Team and their colleagues.

### Why not wait for the Ring Road?

While the Ring Road is expected to alleviate some of the traffic issues on 14<sup>th</sup> street, Glenmore, and Crowchild, it does not address the needs of all. The Ring Road is a provincial highway that is intended to bypass communities and as such does not work for transit. The SW Transitway is very specifically about improving transit for SW communities and increasing transportation options to move people through the city. The two projects, while complementary to one another, address different needs and serve different users.

### I keep seeing TOD. What is a TOD?

TOD stands for Transit Oriented Development. It is an urban planning term that means the placement of buildings, walkways, and houses within a community take into consideration the ability of residents and visitors to access transit. This typically means greater density development in the area immediately beside these stations. The goal with TOD is to remove the *need* to use a private vehicle to connect to transit.

### Will the City be doing TOD at the SW Transitway bus stations?

No. The City's TOD policy refers only to the development of City owned land surrounding LRT stations, or at BRT stations where an LRT is planned to be in the future. The SW Transitway is NOT planned as a precursor to an LRT line. The City will not be applying its TOD policy to these

stations, nor does the City own large tracts of land in the area.

### Brian brought a Notice of Motion to Council last year, regarding Glenmore Landing. What was that all about?

Glenmore Landing sits on privately owned land. While the landowner, Rio-Can, has not submitted any redevelopment applications to the City as of February 1, 2016, they have made it clear that they intend to do so in the future. Brian's Notice of Motion directed the City to work with the landowner as much as possible to avoid excessive construction disruption to the community and enable smart planning decisions to be made by both parties. The Notice of Motion can be found on the Ward 11 website.

If you would like more information, please see [www.calgary.ca/swtransitway](http://www.calgary.ca/swtransitway), and remember to sign up to receive updates from your Ward 11 office at [www.calgary.ca/ward11](http://www.calgary.ca/ward11).

**The Chrysler building** attained the title of world's tallest in building in 1930 for just one year when the Empire State was erected. Image Joris Van Rooden In the early part of the 20th Century, people everywhere were in a race to build the tallest building. At the time, this gorgeous Art Deco skyscraper was almost outdone by the Bank of Manhattan but its spire (which was constructed in secret) enabled it to take the title of 'tallest building in the world' in 1930.

## Double Zero

Meadowlark Park Community

**N**amed after the finest grade of flour on the planet, Double Zero is the perfect destination for family dinners, business lunches, corporate gatherings, and casual get-togethers. Opening their first location downtown in 2011, Chinook Centre felt like the perfect location to expand to in April 2014.

A perfectly sophisticated pairing between restaurateur brothers Chris and Jon Molyneux and Calgary's own Concorde Entertainment Group, Double Zero is a welcome departure from what is expected in a pizzeria. Executive Chef Robert Jewell (star of Gusto TV cooking show "A is for Apple") uses the highest-quality ingredients, resulting in a unique selection of Neapolitan pizzas that are truly second to none! While the recipes are

firmly rooted in Italy, a great deal of ingredients are sourced locally from the finest Alberta farmers and producers to fill out their menu of entrées and salads. Double Zero is also proud to offer gluten-free versions of every pizza on the menu, and is happy to accommodate for

food sensitivities wherever possible.

Along with an impressive food menu, Double Zero also boasts an impressive wine and beer list. Filled with top-rated vintages, their wine is carefully selected to compliment all the flavours of the food. The selections are constantly evolving and there is a unique bottle to fit every taste and budget. Wine lovers should be sure to check out their Late Night Wine List – 15 special bottles not listed on the regular menu, all quality wines listed at radical value, available after 9pm. Beers are available by the bottle or draught, and the choices are Canadian craft-beer focused – there is something for everyone.

Access the restaurant easily by walking straight in from Chinook Centre's NE corner to the Lounge on the main floor. This is a casual space to gather with your friends and family to enjoy both great food and drink. With a communal table that seats up to 24 guests for family style dining and a gorgeous open space. Catch the game on one of the six big screens, or stop in for one of the best Happy Hours in the city. From 3pm – 6pm, Monday to Friday, enjoy all pints, bottles, house wines and prosecco as well as a variety of bar snacks for only \$5.

If you're looking for something a little more intimate, head upstairs to the dining room. Feel welcomed in this grand space, which includes an open kitchen, outdoor patio, amazing prairie sky views, and contemporary design.
