## MESSAGE FROM THE BOARD

By the time you are reading this, most of migratory birds will have packed up and left, except the gulls and a few nervy robins. Although I kept my ears and eyes open, I did not come across any unusual birds this summer. This is not to say I didn't have any interesting encounters.

In late August, I was having my coffee in the backyard on one of the few mornings there was a break in the construction racket. Peace, for a moment, until a merlin, (a small falcon common in the inner suburbs) decided to attack some unfortunate small bird and consume it right above me. I threw my newspaper aside, and stood up, loudly suggesting it take its breakfast, and its murdering ways, somewhere else to dine. And it did, leaving a few small feathers to float down on me...

Another interesting event takes place in late August every year. Large groups of gulls wheel in the sky above our neighbourhood, seemingly aimless. What they are actually doing is devouring flying ants that have emerged from our lawns. Not every lawn; we haven't had them for a few years, but when we did, they seem to boil out of the ground for a few hours... and then they disappear. The gulls have a flying feast in the sky!

### One Year In

Time sure flies. It has been one year since I was elected to be Calgary Centre's representative in our nation's capital. I had the pleasure of running on an aggressive platform for the middle class and we are well on the way to implementing the changes that we were elected to do. Let me give you an update on some of the projects that we've been working on as a government.

In Budget 2016 our government brought into force the newer, fairer, and tax-free Canada Child Benefit which will put approximately \$930 million into the pockets of Albertan families, and give Calgarians more money to save, invest, and grow the economy. Nine out of ten families will see more money and on the whole this policy change will raise some 300,000 children out of poverty.

As for our commitments to seniors – we moved the chains of justice forward by restoring the eligibility age for Old Age Security (OAS) and Guaranteed Income Supplement (GIS) to 65; and introduced a Seniors Price index to keep OAS and GIS at pace with the rising costs faced by seniors each year. Further to this we increased the Guaranteed Income Supplement for single, low income seniors by 10%, improving the financial security of about 900,000 single seniors across Canada.

Budget 2016 invests \$2.3 billion over two years to give Canadians greater access to more affordable housing. Our Government has already started to engage provinces and territories, Indigenous and other communities, and key stakeholders to develop a National Housing Strategy. This marks a return for the Government of Canada back to the table to play a leadership role in supporting affordable housing.

With regards to my portfolio of Veterans Affairs – my ministry is reopening the nine Veterans Affairs offices closed by the previous Conservative government, along with opening an extra one to continue our commitment to doing more for our veterans. This is in addition to in-

creasing disability benefits, hiring hundreds more front line staff, and delivering on the care, compassion, and respect veterans and their families deserve.

Finally, the energy file this past year has been a focus of this new government with a combined effort by my cabinet colleagues. It is in this whole-of-government approach that we are reforming our regulatory framework, growing Canadians' trust in building energy projects, and working to getting our product to tidewater. By investing in indigenous communities, putting billions into the environment work we do at home and abroad, and improving the process, progress is being made.

As always, you can contact my office by email at kent.hehr@parl.gc.ca or by phone at 403.244.1880. My office is located at 950 6 Ave SW and my door is always open to you. You can follow my work in Parliament online at www.KentHehrMP.ca where you can watch clips of yours truly in question period and sign up for my e-newsletter.

## MLA CALGARY-ELBOW GREG CLARK

Leader - Alberta Party  
(403) 252-0346  
calgary.elbow@assembly.ab.ca  
Twitter: @GregClark4AB

As I talk with my neighbours in Calgary-Elbow and travel the province talking with Albertans, the one theme I hear over and over again is concern about the health of Alberta's economy. Many people have lost jobs, taken reduced hours or a pay cut (or both) and many more worry about the future. The big question they ask is: what is Alberta's role in a changing world?

I believe we will get back on our feet and will thrive again, and we'll do it how we always do in Alberta; we will embrace change and lead in emerging fields while continuing to succeed in traditional areas. I believe Alberta's future lies in what I call the "and" economy; Alberta can continue to be a world leader in oil and gas development AND lead in the new low-carbon economy.

We will do this through new companies started by innovative Alberta entrepreneurs and by attracting new business to Calgary. Companies can build on our strength in oil and gas to expand into green-tech, information technology, renewable energy, logistics and many other fields. Many such companies are already well on their way and others are being helped along through the efforts of Calgary Economic Development (CED) and others.

There are several initiatives currently underway to establish business incubators and business accelerators in Calgary including RE:SOURCE YYC ([www.resourceyyc.org](http://www.resourceyyc.org)) a co-working space recently established to facilitate and motivate the creation of start-ups by skilled professionals in Calgary.

Calgary's skilled workforce is our number one asset in attracting new businesses to Calgary. CED is working with WORKshift Canada to put people back to work and make use of underutilized downtown office space.

And this fall CED will begin a marketing campaign focused on innovation in Calgary that will change perceptions of our city and highlight business opportunities as we strive to attract investment and diversify our economy.

### Navigating the New Economy: Career Strategies – October 27

The folks at Calgary Economic Development are doing their part and I want to do mine. Please join us on Thursday, October 27<sup>th</sup> at Temple B'Nai Tikvah (900 47th Avenue SW) to explore career strategies in today's economic environment. It will be an evening to learn new resume and interview skills, hear how to pivot from one career to another, and learn how to turn your skills and passion into a new business. There will be plenty of networking opportunities and other resources as well. Space is limited and **registration is mandatory**. For more information and to register, please visit: <http://navigatingtheneweconomy.eventbrite.ca>. It's a free event, open to everyone in Calgary-Elbow and beyond, whether you're currently working or not. Bring a friend!

If you have questions or would like more information, contact the constituency office at 403-252-0346, or by email at [calgary.elbow@assembly.ab.ca](mailto:calgary.elbow@assembly.ab.ca).

I hope to see you there!

### Halloween Safety

The members of Calgary's Halloween *Partners for Safety*: Calgary's Child Magazine, EMS, Calgary Police, Fire, 9-1-1, Bylaw, Transit, and Shaw Communications would like to remind parents and trick-or-treaters of some Halloween safety tips, as October 31<sup>st</sup> approaches. *Partners for Safety* vehicles will be out patrolling communities on Halloween night to provide a visible safety resource for parents and trick-or-treaters.

### Trick-or-Treaters

- Remember: all regular pedestrian rules still apply. Be sure to cross the road at marked crosswalks, or well-lit corners only. It is safest to work your way up one side of the street, and then cross once to the other side.
- Stay away from houses that are not well lit. Do not accept rides from strangers, or enter any home you feel is unsafe.
- Let your parents know where you are going to be at all times (route) and advise them if you will be late returning.

### Costumes

- All costume accessories, such as sticks, rods, or wands, should be soft and flexible, with no sharp edges.
- Consider using hypoallergenic make-up kits instead of masks that may impair breathing, or vision.
- Be sure costumes are loose enough to be worn over warm clothing, but not so long that they become a tripping hazard. Costumes should not be longer than your child's ankles.
- Ensure your child is wearing adequate foot wear that takes into consideration weather conditions and walking.
- Consider sending your children with a flashlight for additional safety and increased visibility.
- When purchasing, or making costumes, look for materials and accessories that are labeled flame-resistant.
- Choose bright colored costumes that are highly visible. Adding reflective tape to costumes further increases visibility.

### Parents

- Be certain that young trick-or-treaters are accompanied by an adult. Older children should stay in groups.
- Advise children not to eat anything until they return home. Dispose of any items that appear to have been tampered with, or that are not properly wrapped.
- Pre-determine boundaries to trick-or-treat within and establish a firm time to return home.

You will notice continued work in our ward in preparation for the Southwest Calgary Ring Road (SWCRR). The City began work on SWCRR-related projects in late 2016. Each City project has its own timeline over the next four years, and the project teams will be updating and talking to residents throughout the different design and construction phases. The goal is to complete this work before fall 2021, when the Government of Alberta is scheduled to open the SWCRR.

Here's an update on The City projects and timelines that will affect us in Ward 11:

- **90<sup>th</sup> Avenue SW and Southland Drive connections**
  - Design: 2016 – 2017
  - Construction: 2018
- **Anderson Road widening, between SWCRR and Elbow Drive**
  - Design: 2016 – 2017
  - Construction: 2017 – 2018
- **Glenmore Trail widening and changes to the Glenmore / Crowchild interchange**
  - Design: 2017
  - Construction: 2018 – 2019

As the designs progress throughout 2016 and 2017, more information will be confirmed and available to the community. If you have questions or comments about The City's role with the ring road, you can email the project team at [CalgaryRingRoad@newsletter.ca](mailto:CalgaryRingRoad@newsletter.ca), contact 311, or visit their website at [www.calgary.ca/swrr](http://www.calgary.ca/swrr). If you have questions about the SWCRR's design, location or construction schedule, please contact the Government of Alberta at [email@sw-crr.ca](mailto:email@sw-crr.ca), or visit their website at [www.sw-crr.ca](http://www.sw-crr.ca).

Other projects that are underway in our ward and related to the SWCRR are:

- the ENMAX utility relocations at 90<sup>th</sup> Avenue SW and area
- the Anderson Pedestrian Overpass linking the communities of Woodbine and Cedarbrae
- the Crowchild Trail Corridor Study
- the 37<sup>th</sup> Street Stormwater Trunk Project

Details on these projects can be found on my website at [www.ward11calgary.ca](http://www.ward11calgary.ca), and on The City website at [www.calgary.ca](http://www.calgary.ca).
