GREAT NEWS PUBLISHING HAS BEEN PROUDLY SERVING NORTH GLENMORE PARK FOR 2 YEARS!

North Glenmore Park's 'Bins, Boxes and Banners' Update

Through The City's 'This is my neighbourhood' (TIMN) program, North Glenmore Park (NGP) can look forward to seeing art on garbage bins, utility boxes and community banners throughout the community.

Public Art Project Team:

This is a dedicated team of NGP neighbours that are volunteering their time to work with The City, the North Glenmore Park Community Association and artists to complete these public art projects within the next year. Thank you to Diarmuid O'Mahoney, Lisa Frehlich, Renee Desroches, Robert Corrigan, and Tonya Seyer.

Utility Box Project Artists:

Residents in NGP may notice three utility boxes at the intersections of Crowchild and Glenmore Trails S.W., as well as Crowchild and 50th Avenue S.W., that look much better as a result of artists Michelle Hoogveld and Katie

Green artwork. THANK YOU Michelle and Katie for helping to make our neighbourhood a better place to live, work and play!

The following is a brief introduction of Michelle and Katie who are a part of The City of Calgary's 'Painted City Artist Roster'.

Michelle Hoogveld

Michelle is best known for her distinctive use of mixed media, whose work explores the relational boundaries of mediums in a figurative yet abstract fashion. Michelle's work can be seen in homes and businesses across North America and Europe, expanding her scope as an artist to include both indoor and outdoor spaces. She was juried onto the 2015 Calgary's Utility Box Program Roster, an opportunity which allowed for her works to be seen in public spaces within Calgary and led to the creation of murals within local communities and restaurants.

Katie Green

Graduating with distinction from the University of Calgary's Bachelor of Fine Arts program, Katie's work has exhibited in galleries such as Contemporary Calgary (MOCA), The Nickle, TRUCK, and Art Point Gallery. Her burgeoning body of mural work can be seen internationally in Nepal, India, Florida, Sri Lanka, and Berlin, and was undertaken both independently and in collaboration with a number of collectives, non-profit organizations and communities.

Call to Local Artists for Community Banner Project:

Throughout September, NGP's Public Art Project Team asked for local artists to apply in order to be part of helping beautify our neighbourhood through the Community Banner Project. Thanks to all local artist who expressed interest through your applications. The team looks forward to announcing the successful artist in November. Please visit www.ngpca.ca for more information.

We're looking for a **volunteer treasurer and board members!**

At North Glenmore Park Community Association, we're always excited to have new board members join our team! Sitting on the board is a great way to meet new people, learn more about the issues facing our community, and contribute to the vision and success of North Glenmore Park.

We're currently in need of a volunteer president, vice president, treasurer, secretary, and directors at large to sit on our board of directors starting this fall 2016. These two-year volunteer terms are a great way to get more involved in the community. If you're looking to get more involved in the community, we'd love to hear from you!

Our Board meets on the first Monday of the month from 7 – 9pm. If you're interested in any of the executive positions, or joining the board in another capacity, please get in touch!

For more details on board positions, or information on how to get involved, please contact Jill Mitchell at jags4@shaw.ca.

Dog adoption

Darling

- AARCS # **A22657257**
- female
- dog
- size: medium

Story

Darling came into AARCS care in 2013 heavily pregnant. She was a very timid and scared dog who had never known the kindness of humans. It was noticed right away that something was not right with her tail. Sadly nothing could be done because of her advanced pregnancy and she whelped her puppies in an AARCS foster home.

After many vet visits it was determined that she had a broken tail, but was not something that could be surgically repaired. She is not able to use her tail like a normal dog. She does have control of both her bowels and and bladder, although if really frightened will on occasion drop poop 'nuggets'. A minor set back, but in our minds, still very adoptable.

Darling is looking for a home who is ready and willing to give her all she needs, including lots of time and training to become what she truly deserves and that is a beloved family pet. She is still a very nervous dog so we are looking for an experienced dog home, preferably with another social canine companion.

Because of Darlings special needs, AARCS will consider a 30 day adoption trial period in this case to ensure that it is the perfect match. Darling is currently living in a home with other dogs and cats.

Casino Volunteers Needed!

**MLA CALGARY-ELBOW
GREG CLARK**

Leader - Alberta Party
(403) 252-0346
calgary.elbow@assembly.ab.ca
Twitter: @GregClark4AB

As I talk with my neighbours in Calgary-Elbow and travel the province talking with Albertans, the one theme I hear over and over again is concern about the health of Alberta's economy. Many people have lost jobs, taken reduced hours or a pay cut (or both) and many more worry about the future. The big question they ask is: what is Alberta's role in a changing world?

I believe we will get back on our feet and will thrive again, and we'll do it how we always do in Alberta; we will embrace change and lead in emerging fields while continuing to succeed in traditional areas. I believe Alberta's future lies in what I call the "and" economy; Alberta can continue to be a world leader in oil and gas development AND lead in the new low-carbon economy.

We will do this through new companies started by innovative Alberta entrepreneurs and by attracting new business to Calgary. Companies can build on our strength in oil and gas to expand into green-tech, information technology, renewable energy, logistics and many other fields. Many such companies are already well on their way and others are being helped along through the efforts of Calgary Economic Development (CED) and others.

There are several initiatives currently underway to establish business incubators and business accelerators in Calgary including RE:SOURCE YYC (www.resourceyyc.org) a co-working space recently established to facilitate and motivate the creation of start-ups by skilled professionals in Calgary.

Calgary's skilled workforce is our number one asset in attracting new businesses to Calgary. CED is working with WORKshift Canada to put people back to work and make use of underutilized downtown office space.

And this fall CED will begin a marketing campaign focused on innovation in Calgary that will change perceptions of our city and highlight business opportunities as we strive to attract investment and diversify our economy.

One Year In

Time sure flies. It has been one year since I was elected to be Calgary Centre's representative in our nation's capital. I had the pleasure of running on an aggressive platform for the middle class and we are well on the way to implementing the changes that we were elected to do. Let me give you an update on some of the projects that we've been working on as a government.

In Budget 2016 our government brought into force the newer, fairer, and tax-free Canada Child Benefit which will put approximately \$930 million into the pockets of Albertan families, and give Calgarians more money to save, invest, and grow the economy. Nine out of ten families will see more money and on the whole this policy change will raise some 300,000 children out of poverty.

As for our commitments to seniors – we moved the chains of justice forward by restoring the eligibility age for Old Age Security (OAS) and Guaranteed Income Supplement (GIS) to 65; and introduced a Seniors Price index to keep OAS and GIS at pace with the rising costs faced by seniors each year. Further to this we increased the Guaranteed Income Supplement for single, low income seniors by 10%, improving the financial security of about 900,000 single seniors across Canada.

Budget 2016 invests \$2.3 billion over two years to give Canadians greater access to more affordable housing. Our Government has already started to engage provinces and territories, Indigenous and other communities, and key stakeholders to develop a National Housing Strategy. This marks a return for the Government of Canada back to the table to play a leadership role in supporting affordable housing.

With regards to my portfolio of Veterans Affairs – my ministry is reopening the nine Veterans Affairs offices closed by the previous Conservative government, along with opening an extra one to continue our commitment to doing more for our veterans. This is in addition to in-

creasing disability benefits, hiring hundreds more front line staff, and delivering on the care, compassion, and respect veterans and their families deserve.

Finally, the energy file this past year has been a focus of this new government with a combined effort by my cabinet colleagues. It is in this whole-of-government approach that we are reforming our regulatory framework, growing Canadians' trust in building energy projects, and working to getting our product to tidewater. By investing in indigenous communities, putting billions into the environment work we do at home and abroad, and improving the process, progress is being made.

As always, you can contact my office by email at kent.hehr@parl.gc.ca or by phone at 403.244.1880. My office is located at 950 6 Ave SW and my door is always open to you. Halloween Safety

The members of Calgary's Halloween *Partners for Safety*: Calgary's Child Magazine, EMS, Calgary Police, Fire, 9-1-1, Bylaw, Transit, and Shaw Communications would like to remind parents and trick-or-treaters of some Halloween safety tips, as October 31st approaches. *Partners for Safety* vehicles will be out patrolling communities on Halloween night to provide a visible safety resource for parents and trick-or-treaters.

Trick-or-Treaters

- Remember: all regular pedestrian rules still apply. Be sure to cross the road at marked crosswalks, or well-lit corners only. It is safest to work your way up one side of the street, and then cross once to the other side.
- Stay away from houses that are not well lit. Do not accept rides from strangers, or enter any home you feel is unsafe.
- Let your parents know where you are going to be at all times (route) and advise them if you will be late returning.

Costumes

- All costume accessories, such as sticks, rods, or wands, should be soft and flexible, with no sharp edges.
- Consider using hypoallergenic make-up kits instead of masks that may impair breathing, or vision.
- Be sure costumes are loose enough to be worn over warm clothing, but not so long that they become a tripping hazard. Costumes should not be longer than your child's ankles.
- Ensure your child is wearing adequate foot wear that takes into consideration weather conditions and walking.
- Consider sending your children with a flashlight for additional safety and increased visibility.
- When purchasing, or making costumes, look for materials and accessories that are labeled flame-resistant.
- Choose bright colored costumes that are highly visible. Adding reflective tape to costumes further increases visibility.

Parents

- Be certain that young trick-or-treaters are accompanied by an adult. Older children should stay in groups.
- Advise children not to eat anything until they return home. Dispose of any items that appear to have been tampered with, or that are not properly wrapped.
- Pre-determine boundaries to trick-or-treat within and establish a firm time to return home.

You will notice continued work in our ward in preparation for the Southwest Calgary Ring Road (SWCRR). The City began work on SWCRR-related projects in late 2016. Each City project has its own timeline over the next four years, and the project teams will be updating and talking to residents throughout the different design and construction phases. The goal is to complete this work before fall 2021, when the Government of Alberta is scheduled to open the SWCRR.

Here's an update on The City projects and timelines that will affect us in Ward 11:

- **90th Avenue SW and Southland Drive connections**
 - Design: 2016 – 2017
 - Construction: 2018
- **Anderson Road widening, between SWCRR and Elbow Drive**
 - Design: 2016 – 2017
 - Construction: 2017 – 2018
- **Glenmore Trail widening and changes to the Glenmore / Crowchild interchange**
 - Design: 2017
 - Construction: 2018 – 2019

As the designs progress throughout 2016 and 2017, more information will be confirmed and available to the community. If you have questions or comments about The City's role with the ring road, you can email the project team at CalgaryRingRoad@newsletter.ca, contact 311, or visit their website at www.calgary.ca/swrr. If you have questions about the SWCRR's design, location or construction schedule, please contact the Government of Alberta at email@sw-crr.ca, or visit their website at www.sw-crr.ca.

Other projects that are underway in our ward and related to the SWCRR are:

- the ENMAX utility relocations at 90th Avenue SW and area
- the Anderson Pedestrian Overpass linking the communities of Woodbine and Cedarbrae
- the Crowchild Trail Corridor Study
- the 37th Street Stormwater Trunk Project

Details on these projects can be found on my website at www.ward11calgary.ca, and on The City website at www.calgary.ca. It's certainly a busy fall, be sure to subscribe to your Ward 11 update at www.ward11calgary.ca to receive timely updates on the SWCRR, and other projects in your community, and city.
