## We Need Your Ideas & Expertise!

The Association's Board of Directors recently held a strategic planning session to establish priorities for the next few years. Our key objective is to continue increasing engagement with the goal of ensuring North Glenmore Park residents of all ages feel connected to the community.

We have some ideas – including a membership drive, more special events, a community garden and additional programming for kids and seniors. We want to make our facility a gathering place for everyone – from young families, to teens, and older adults too. But we need YOU to help make our plans a success!

We'd love to hear your ideas. What kinds of programming and events would you be interested in attending? We're open to anything - from fitness, to community gardening, to parties. The possibilities are endless.

And we need your talents! Do you have an interest in gardening, photography, or organizing special events? Are you keen to work with kids or older adults? Do you have a special talent or professional expertise such as marketing or fundraising that you would be willing to share with your community?

Let us know YOUR ideas for making North Glenmore Park an even better place to live. Drop me a line at [president@ngpca.ca](mailto:president@ngpca.ca) or give us a call at 403-246-4243. I look forward to hearing from you!

## myYYC Time has flown by!

The Calgary Airport Authority is celebrating its silver anniversary! July 1 marks 25 years since we assumed the management, maintenance, and development of YYC. This year we're going above and beyond by giving a little something back to our community. Throughout 2017, we are taking our passion for giving back to the next level with a campaign focused on participating in activities that benefit our surrounding community, including:

**Airport activities**, like reading to our tiny travellers while they wait for their flights, or welcoming Calgary Marathon runners to our beautiful city.

**Partner activities**, helping great organizations such as Habitat for Humanity, the Calgary Rotary Challenger Park, and the Alzheimer Society of Calgary in their initiatives.

**Community activities**, supporting our neighbours in their community garden builds, community fairs, and festivals with our Crew's time, passion, and expertise.

Is there a volunteer opportunity in your community that could use some additional assistance? Email us at [community@yyc.com](mailto:community@yyc.com)

## THANK YOU to our sponsors!

A huge 'thanks' goes out to our sponsors who generously donated gifts to our volunteer appreciation event that was held on June 1. Our dedicated volunteers were treated with fantastic door prizes! Shopper's Drug Mart (Lakeview Plaza) donated several manicure and pedicure sets, and the City's Neighbourhood Partnership program provided City of Calgary golf passes. Early Grey Golf Course generously donated a \$100 restaurant gift certificate and a weekend for two at Emerald Lake Lodge/ Buffalo Mountain Lodge. All of these generous gifts were greatly appreciated by the volunteers who attended the event.

An additional 'thank you' goes to Earl Grey Golf Course for not only providing delicious food for our Stampede Breakfast, but also expert staff to cook the meal for hundreds of hungry residents! We truly appreciate the ongoing support of the Earl Grey Golf Course.

*Thank you.....*

## Hats Off to the Beaver

Fur trade was a historical benchmark of Canada's international commerce. Felt from beaver fur could be molded into many creative hats. From top hats to bowlers, tricorn hats to fancy women's hats, the possibilities were endless. Thank goodness beaver fur went out of fashion in favour of silk hats, or not as many of our iconic furry friends might be around today!

## SAFE & SOUND

### EMS: Heat Related Illness

With the return of summer weather, Alberta Health Services EMS would like to remind everyone to stay safe in the heat and sun this season. While children and the elderly may be more susceptible to the effects of heat and sun, basic prevention measures should be taken by all to avoid a heat related illness during periods of hot and humid weather.

#### Heat exhaustion

- Heat exhaustion can occur due to excessive fluid loss during periods of prolonged sweating in a hot and/or humid environment (indoors or outdoors).
- Patients may suffer headaches, weakness, fatigue, nausea/vomiting, thirst, chills, and profuse sweating.
- The patient is usually cold and damp to the touch and the skin may appear pale or dusky gray.

#### Heat stroke

- Heat stroke is a medical emergency which, without prompt treatment, could be fatal.
- It occurs when the body can't cool itself naturally (e.g. perspiration). The body's temperature will continue to rise to dangerous levels.
- Due to severe dehydration and the inability to sweat, the patient may appear flushed, and skin may be hot and dry to the touch.

#### First aid

- First aid for all heat related illness begins with removing or sheltering the patient from the hot environment.
- Remove excess or tight fitting clothing, and allow them to rest in a cool environment.
- If the patient is conscious and alert, provide suitable fluids such as: water, juice, or a sports drink.
- If you are concerned, seek medical attention or call 9-1-1.

#### Prevention

- Stay well-hydrated by drinking plenty of water.
- Be aware that excessive alcohol consumption will promote dehydration.
- Always wear a broad brimmed hat to keep the sun off your face and neck.
- Apply a broad spectrum, waterproof sunscreen with a minimum SPF of 30+, especially for children. The sun's UV rays peak between 11am-3pm, even on cloudy days.

## Joey's Corner

Running with your dog is a great way to ensure you both get enough exercise, and can provide lots of enjoyment during our long summer days. If your dog is your running pal, or if the two of you are considering taking it up, here are a few tips:

Always keep your dog's breed and build in mind. Short-nosed friends such as pugs or bulldogs may find it difficult to breathe easily while running. Large-breed dogs are more prone to hip issues, and overweight dogs will need to start running gradually. Age is important too - I'm an active dog, but at fourteen years old, my running days are behind me!

It's also worth noting that not all dogs enjoy long distance running. Even for those canines who do love a long run, remember to take breaks for sniffing and other outdoor duties. And don't skip the warm-ups, cool-downs, and water breaks.

Happy running!

-Joey

# Seven tips for investing your tax refund wisely

Making the most of your tax refund is not always the easiest thing to do. It might feel like you're getting free money, but it's just a refund of taxes that you paid the government and tax credits from things like charitable donations and RRSP contributions.

Regardless, a tax refund can help you significantly in the future if you use it wisely today. If you're getting a tax refund this year, take a moment to consider how you can make the most of it by putting it to work for you:

- Add to your emergency fund. Set aside enough cash to cover six months of expenses just in case the unexpected happens.
- Pay down credit cards and other high interest debt. You will save money on interest charges and increase your monthly cash flow.
- Jump start next year's RRSP. Contributing early allows you to take advantage of all those extra months of tax-free growth. At retirement time this can mean thousands more in your pocket.
- Invest in a tax-free savings account. Growth or earnings in a TFSA are 100% tax free, and you are allowed to contribute up to \$5,500 for 2017.
- Pay down your mortgage. Lump sum payments on your outstanding principal will save significant dollars in interest charges over the long term. It also means you will own your home mortgage-free that much sooner.
- Save for a child's education. Invest in a registered education savings plan (RESP) on behalf of a child or grandchild and you will qualify for a government-sponsored Canada Education Savings Grant of between 20 and 24% of your contribution (to a maximum of \$600).
- Take care of outstanding RRSP loans. Some loans have three- or four-month grace periods, during which time you don't have to make any payments toward the interest or principal. Remember that the interest owed continues to add up until the loan is completely paid off.

# Thanks to the Public Art Community Project Team!

The Public Art Committee worked hard over the past several months to bring beautiful public art to North Glenmore Park through the Community Association's partnership with the City's 'This is My Neighbourhood' initiative.

You may have noticed the results of this team's dedication - thirteen art banners and three painted utility boxes throughout the community. In addition, five art-wrapped garbage bins will be completed this summer, and it is expected that the final public art project will be a painted mural on the west side of the community association facility.

The 'Public Art Affair' event was organized by this committee and held in May. The silent art auction raised more than \$2400 for a community public art fund that will be used to maintain current public art and hopefully create new projects in years to come.

A special thanks also goes out to local artists Katie Green, Michelle Hoogveld, Hiba Ibrahim, Bonnie MacRae-Kilb, and Kim Parrent for creating such beautiful art for North Glenmore Park!

## Green Carts are coming this summer

Starting this June, green carts will be rolled out to all households for food and yard waste collection. Here are some details on the rollout.

### Green cart collection start dates

Green carts will be rolled out by quadrant. Once all residents in a quadrant have their carts, collection will begin as follows:

Quadrant	Cart delivery	Weekly green cart collection starts:
SW	June 5 - July 15	Week of July 17
NW	July 3 - August 12	Week of August 14
NE	August 7 - September 2	Week of September 4
SE	August 28 - September 30	Week of October 2

### Three things to do when your cart arrives

**1. Bring your cart up to your home.**

Carts will be delivered to the front of your home. Bring your cart up to your home and store it in a safe place (e.g. garage, against the side of your house or back fence).

**2. Look inside the green cart.**

Everything you need to get started is inside the cart.  
This includes:

- Kitchen pail and sample compostable bags.
- Sample paper yard waste bags for extra yard waste that doesn't fit inside the cart.
- Instruction guide and collection schedule.

### 3. Consult your collection schedule.

The collection schedule inside your cart explains when green cart collection starts in your quadrant along with your new collection days and schedule. You can also find out your collection days and sign up for free automated reminders at [calgary.ca/collection](http://calgary.ca/collection).

To learn more, visit [calgary.ca/greencart](http://calgary.ca/greencart).

## Mexican Grilled Corn on the Cob

### Ingredients

Makes 5 pieces of corn  
5 pieces of corn on the cob, husks removed  
2 tbsp. olive oil  
Salt and black pepper to taste  
1/4 cup mayonnaise  
1/2 cup parmesan cheese, finely grated  
2 tbsp. garlic powder  
3 tbsp. paprika  
1 tbsp. cayenne pepper  
5 lime wedges

### Method

Preheat your barbecue on medium heat. In the meantime, coat corn cobs with olive oil and evenly sprinkle salt and pepper for taste.

Once preheated, place the corn on the grill and cook for 12-15 minutes turning every 5 minutes or so. When finished, the corn should be lightly browned or blackened just enough for the kernels to be cooked (this will be uneven, that's the way it's supposed to be!).

Cover each piece in the mayonnaise (as you would butter with regular corn on the cob), then sprinkle parmesan cheese, garlic powder, paprika and cayenne pepper. Serve with lime wedges and squeeze the juice over the corn before eating for an extra flavour blast.

# Green Cart tip – Five opportunities to collect food during kitchen clean-up

As weekly green cart collection is set to start for southwest communities the **week of July 17**, you'll be amazed at the amount of food and yard waste that's accepted in the green cart. Here are five times to remember to include the food from your kitchen clean up.

**Preparing meals:** Instead of throwing out vegetable peels, eggshells and other food scraps, add them to your kitchen pail for composting.

**Scraping plates:** Keep your kitchen pail visible and accessible and encourage everyone at home to help with the clean-up.

**Cleaning the fridge of spoiled leftovers:** Give a second life to food that has spoiled by emptying it into the kitchen pail for composting.

**Leftover grease and sauces:** Use a spatula or paper towel to scrape out excess grease. The paper towel is compostable too.

**Paper plates and napkins from summer barbeques:** If a lot of guests are coming over, line your green cart with a paper yard waste bag and toss the paper plates and napkins inside for a no fuss solution.

**Tip:** To keep things neat and tidy, line your kitchen pail with a compostable bag or newspaper. You can also give your pail a quick rinse or put it in your dishwasher to clean it out.

For more tips and a complete list of what's accepted in the Green Cart, visit [calgary.ca/greencart](http://calgary.ca/greencart).

Dear Constituents:

I hope all of you are enjoying the summer with family and friends while celebrating the 150<sup>th</sup> anniversary of Canada and Calgary Stampede. I would like to wish you all Happy Canada Day and Happy Stampede!

The spring session at Alberta's Legislative Assembly finished in June, and now I am excitedly looking forward to engaging with you all through various community stampede breakfasts, events and meetings.

## Recent Updates:

### 1) Employer Liaison Service Pilot:

The pilot project will support **employment** in Alberta by working with Alberta employers and connecting them with Albertans who have been displaced by the economic downturn and/or changes in the nature of work (automation, technological advancements and temporary employment contracts).

This service will help connect employers with unemployed workers and workers from untapped labour pools: Indigenous peoples, recent immigrants, persons with disabilities and youth.

The initial focus of this project is on employers impacted by the new Temporary Foreign Worker Program's "Refusal to Process" list which identifies 29 "high-wage" occupations for which there is a sufficient supply of Albertans who are skilled in these occupations and looking for work.

A dedicated landing page will be developed on [Alberta-Canada.com](http://Alberta-Canada.com). Employers will be directed to this page which will house information and resources to help those impacted by the Refusal to Process list. Some of those resources will include:

- labour market programs and services;
  - recruitment options for connecting with underrepresented groups in Alberta;
  - labour market information; and
  - A sign-up to Alberta Workforce Information email service.
- Alberta Labour works with employers to connect them to the Canada-Alberta Job Bank subscription service, which provides information and resources regarding recruitment and retention.

Alberta's government is helping employers to hire locally first through this program. The service will provide enhanced, proactive support services to employers impacted by the "Refusal to Process" list and help connect them with options for recruiting locally available workers.

## 2) Employment Standards Code and Labour Relations Code Amendments:

Alberta's government updated the Alberta workplace laws as they were not revised since 1988. These amendments will make life better for Alberta families by supporting family-friendly workplaces and protecting vulnerable Albertans who rely on the basic protections and rights enshrined in law. This means:

- Ensuring parents of critically-ill or injured children can take time off to care for their family without the fear of losing their job.
- Allowing Albertans the time they need to care for themselves when they're dealing with a short-term illness or mourning the loss of a loved one.
- Lowering the eligibility threshold for maternity leave so hardworking women can support themselves and their families.
- Strengthening our enforcement tools to ensure all employers follow the law and help Albertans receive the pay and benefits they're rightfully entitled to.

**My Participation:** Please check my Facebook: Anam Kazim- MLA Calgary Glenmore and Twitter @anamkazimMLA to watch my participation during the spring session.

### Alberta Parks Day

Summer is a fantastic time to take advantage of the natural beauty Calgary-Elbow and Alberta have to offer. Our outdoor spaces are world class.

Albertans are invited to celebrate “Parks Day” on July 15th. Provincial parks across Alberta will be hosting a variety of activities from scavenger hunts to sand castle building competitions. Alberta Parks has an extensive list of events on their website. Visit [www.AlbertaParks.ca](http://www.AlbertaParks.ca) to find out more.

We are fortunate to have Fish Creek Provincial Park located inside our city boundaries and many other parks within a few hours’ drive. There are new and exciting programs and activities being offered by Alberta Parks including geocaching and “comfort camping”. Did you know:

- More than 12.5 per cent of Alberta is designated as national or provincial parks (8.3 per cent - national parks, 4.2 per cent – provincial parks)
- The Alberta Parks system protects more than 27,600 square km of the province. That’s more than four times the size of Prince Edward Island
- There are about 250 campgrounds with nearly 14,000 campsites in the Alberta Parks system

Get out and enjoy!

### The Alberta Electoral Boundary Commission

The Alberta Electoral Boundary Commission published their interim report at the end of May. Recommendations for the constituency of Calgary Elbow are as follows:

It is recommended that the boundaries of this electoral division be adjusted to add the neighbourhoods of Lower Mount Royal and Kelvin Grove while moving the community of Rutland Park into Calgary-Currie.

The population would be 50,216, 8% above the provincial average. The level of positive variance in population created is justified, in the view of the majority, by the fact that the future population growth rate is likely to fall below provincial average given the character of this south-central area. As a result, its population levels will likely be at or below provincial average by the time of the next electoral boundaries review.

You can view and comment on the proposed changes by visiting [www.abebc.ca](http://www.abebc.ca). This website also provides information on public hearing taking place in Calgary on July 20th. Please feel free to share your comments with my office at [calgary.elbow@assembly.ab.ca](mailto:calgary.elbow@assembly.ab.ca).
