PRESIDENT'S MESSAGE

I moved with my husband and daughter to Southwood only a year and a half ago. While this makes it a bit odd to now be writing this message as your

new President of the Community Association, it really speaks to my experience of the community so far as I quickly got to know my new neighbours while volunteering at the phenomenal Rhubarb Fest, enlisting family members to build the 'vegetable' Little Free Library outside the community hall, and then as a new board member. I'm excited to build on all the great work that's been done, to keep making Southwood as welcoming, safe and fun for residents of all ages as it has been for my family already.

Because I'm new to the neighbourhood, many of you know far better than I how vital our outgoing President Vivien Jonathan has been to the Southwood Community Association over the years. I can certainly speak to how wonderful she has been to shadow this past year – generous, relentlessly energetic and full of good humour even while working extraordinarily hard! Although she's not quite off the hook (as our Past President), I hope the year to come brings more time for other pursuits after so, so many hours put towards the Community Association and this neighbourhood. Thank you!

In addition to the new 2017-18 board that was elected at our Annual General Meeting in June, there are also many opportunities for new people to step forward into volunteer roles big and small in the coming months.

A few to highlight:

- Our long-serving **Treasurer** is looking to retire. Whether you're already a whiz with QuickBooks or just willing to learn, you can shadow the role for several months before taking on more duties with mentorship.
- Our **Director of Casino** is similarly looking ahead to succession with the opportunity to assist and shadow on the planning for our next fundraising event in early 2018 including pulling together forty-odd volunteers to work a variety of shifts.
- We will be rebooting our **Programs Committee** this year! Whether you're looking to lend a hand planning our core events like the Halloween Howler, Winter Fest in January or Rhubarb Fest next June, or you have ideas for other initiatives the Association can offer, this is a great chance to work alongside others to make great events happen for your neighbours to enjoy.

Please feel free to reach out to me at president@southwoodconnects.ca about any of these volunteer opportunities or other ways to get involved. Another great way to support the Community Association's work is by buying a membership at southwoodconnects.ca/memberships – they're now only \$15! One of our next events is the **Community Clean Up** on **September 16th** held with the Southwood United Church. You can find more details in the newsletter and on our website as to what you can drop off – we hope you'll take good advantage. Our next Board Meeting will be on **September 28th** at 7:00 pm at the Community Hall – all are welcome.

Looking forward to meeting many more of you soon!

A total solar eclipse—the aligning of the Sun, Moon and Earth—will occur on August 21. The total phase will not be visible in Calgary, but can be observed as a partial solar eclipse here. It will be at its maximum at 11:33 a.m., so get out your pinhole camera and enjoy the spectacle; the last one was in 1979.

YOUR CITY OF CALGARY

New pilot signage aims to hit the mark with Calgarians

The City of Calgary places a Notice Posting sign on sites where a proposed land use change, or development application has been received by The City. The sign helps inform citizens about a proposed application, and how they can get involved in helping build our city.

We're working to enhance our signs to make them simple, informative and transparent. Thanks to your input last year, we're piloting a new Notice Posting sign and we want your comments. Take our quick survey at calgary.ca/noticeposting before August 31, 2017.

Dear Constituents:

I hope all of you enjoyed Canada 150 Celebrations, Citizenship and Stampede events. As I was able to attend and share many of these events with you, we had numerous opportunities to have good conversations, also on how we can work together to strengthen our communities and welcome new Canadians.

Our government continues to take new initiatives to make life better for Albertans as follows:

Expanded Cancer Treatment: Expanding treatment hours for cancer patients in Calgary and Edmonton by offering evening and weekend care at the Tom Baker Cancer Centre and the Cross Cancer Institute.

Home Care and Community Care: An increase of \$200 million to home and community care, helping more Albertans get care right in their communities where they live, increasing total funding for home and community care to over \$2 billion.

Seniors' Travel for Specialist Medical Appointments: Budget 2017 invests an additional \$550,000 to help low-income seniors cover costs, like transportation and accommodation, associated with travel for specialist medical appointments.

Library Funding: Our government is providing \$50 million this year to improve access and services at libraries; including increased operating grants to help keep pace with the province's growing population, and

to ensure that all Albertans have a welcoming space to learn, play, share and research.

\$25 per Day Child Care: 22 pilot Early Learning and Child Care Centers will receive funding to demonstrate the importance and viability of \$25-a-day child care in Alberta.

More Supports for those with Addictions: Investing in housing for Albertans overcoming addictions with a \$7-million to support 46 individuals and their families in Calgary who are recovering from addictions.

University of Calgary: Alberta invests in much-needed space with \$270.6 million over four years to 500 new study and classroom spaces with the renovation of the MacKimmie Complex and Professional Faculties building.

Deerfoot Interchange: Interchange at Deerfoot Trail and 212 Ave SE. supports 25,000 jobs and potential for more than \$4 billion in economic opportunity.

Cleaner Energy: An investment of \$10 million to convert carbon dioxide emissions into usable products at the Alberta Carbon Conversion Technology Centre helping us transition to a cleaner energy future and create jobs.

Supports for Immigrant and Indigenous Women: \$100,000 in funding for Making Changes Association to prepare immigrant and Indigenous women for careers in technology.

Schools: Budget 2017 allocates \$500 million for 8 new schools, 9 replacements and 7 modernization funds for 2 additional schools.

Apprentices: We are helping put hardworking Albertans back on the job: 1,000 more Apprentice Training Awards have been introduced to reduce financial barriers for apprentices returning to technical training.

Affordable Housing: Funding of \$5.7 million for planning 14 affordable housing projects across the province has been provided. The government is renewing or building more than 6,000 affordable housing units over the next 5 years.

For more details, please contact our office.
