**EXPERTISE • TECHNOLOGY • SERVICE • QUALITY**

Now that is  
some serious  
Calgary soccer  
pride.

AND WE'RE PROUD  
TO BE IN THE GAME.

It's the start of another outdoor soccer season. And this year, it's fully public — the way it should be.

That's because Calgary council has asked your city workers to take over management and maintenance of the the Calgary Soccer Centre from private organizations.

And here's our commitment to you:

- A clean, efficient facility — where you feel comfortable taking your family.
- Saving you money — city council saw a public solution as the most cost effective; there will be no more spectator fees.
- A community asset — open and welcoming to clubs, players and families from across the city.

**We think this is a pretty good game plan moving forward: Let's keep city recreation facilities public and working for all Calgary families.**

## Cell Tower In Woodbine

In March of 2014 we held a community information meeting with the City of Calgary and Telus regarding the installation of a cell tower in the parking lot on the west side of 24<sup>th</sup> Street at the north end of the playing fields. Nothing has happened over the past two years and I have now received notice that Telus will proceed with this construction. This is meant to keep our residents aware of what is happening in the community.

~Cec Jahrig

## PRESIDENT'S MESSAGE

April was a busy month for events in the community. We had a very successful Easter Egg Hunt with over 100 kids in attendance. See the article and pictures in this month's Chronicle.

We missed out on a St. Patrick's Dance this year due to previous bookings, so we held a Spring Fling Dance. As usual, great music, food and all told a fun evening in the community.

We did a recent survey on what activities and events our residents wanted us to add to our programs. We are working on this and should announce some events or activities in the near future.

One of our big needs is still getting a youth coordinator volunteer to head our existing kids programs and hopefully add more events. If this interests you, please call the office 403-238-1611 for details.

The next events we have coming up in May are the Community Cleanup on May 14 and Laser Tag the following Saturday on May 21. Again, see the Chronicle for details on both these events.

We have already had several enquiries on the new activity rooms in the basement and we hope to have the renovations completed by the beginning of July.

We have some great tennis and pickle ball courts on Woodborough Road and are going to try to get more organized use out of them this year. We now have a volunteer coordinator, so if you wish to play or learn, call the Community Centre at 403-238-1611. See the Racquet Club info in this issue.

This month's message was mostly about community activities so come out and get involved as volunteers or just enjoy the events.

See you at the Spring Cleanup.

## WHAT IS WOODCREEK?

If you ask people in our area where they live, they say Woodlands or Woodbine. So where does Woodcreek come from? A little history lesson will give you the answer.

Woodlands was established in 1976 and Woodbine 4 years later in 1980. The Woodlands Community Association was incorporated on May 21, 1980, and two years later the Woodbine Community Association was registered on October 19, 1982. In order to better serve the needs of the area, the Woodlands and Woodbine Communities amalgamated on January 29, 1992 and the Community Association name was changed to Woodcreek Community Association and represents the 15,399 residents of both communities. In 1987 a Community Centre building (approximately 1000 sq. Ft.) was built at 1991 Woodview Drive S. W. In 2010 we added a 2500 sq. ft. addition with a full basement. We now have a facility that can better serve the needs of the community and provide a venue for meetings, banquets, dances, birthday parties, you name it. A portion of the basement area provides storage for our community groups.

So when you hear the name WOODCREEK think both of the communities.

A further point is that Woodcreek does have two properties. Our main location is the Community Centre in Woodlands. We also have a Woodbine location on Woodborough Road where we have tennis courts, pickle ball courts, basketball hoop, skating rink, a skate board park and a full basketball court. These are all part of the Woodcreek Community Association.

# Foolish Vandalism in Woodbine

Below are the before and after pictures of one of our garbage containers at the skate park in Woodbine. Someone decided to light a fire in this bin and you see the results. We are now out around \$800.00 for the cost of this bin. It is our community and this was foolish.

# COMMUNITY EVENTS REPORT

## Update on our recent events:

We have in the past few months had several very successful events at the hall.

I want to thank all of the volunteers who stepped up and helped; we could not do these events without our fabulous volunteers!

Our Spaghetti Dinner was sold out. Nice to see so many enjoying good food and friendship. A wonderful time for families and friends to gather and enjoy a meal. We were pleased to see so many people stay for the Bingo and prizes after dinner. We owe a big **Thank You** to our wonderful community supporter **Louie at Crispy Crust Pizzeria**. Thank you for the yummy food you provide which helps make our spaghetti dinners into must attend events!

Our first Easter Egg Hunt was well attended and the children had a lot of fun hunting for eggs, colouring and making crafts and taking part in the great scavenger hunt. We look forward to another one next year and to seeing the Easter Bunny.

Our Spring Fling was a great event, with about 60 people who filled the dance floor for most of the night. Great music, good food, lots of door prizes and an enjoyable evening for all. A thank you to Tom Ward and Cec Jahrig for helping with the set up. And to our volunteers for the night: Bob Roblin, Mackenzie Bennett, Diane Klippert and Barb Augustyn. Also, thank you to Susan Cochlan for lending us her sparkly centrepieces!

**One more important thank you - to all the people in the community who come out and support these events. We hope you have fun and continue to come out and meet your neighbours!**

Remember: It is important that you register early for our kids' events and purchase tickets early for our Adult Dances. We've sometimes had to turn people away when sold out!

Hope to see you out at the Family Fun Day on June 11 and the Stampede Breakfast on July 10. Watch the Chronicle for details.

## Neighbour to Neighbour

In February, we started a new feature called Neighbour to Neighbour.

We all have surplus items around the house that we don't use. The idea is that if you are looking for some particular item, we would like you to list it in this column, and we may have someone who reads the Chronicle come up with what you are looking for.

This is meant to pass on for free unwanted items to another person who needs that item.

### Carla / 403-301-3347 / washing machine

If you wish to list something or have a useable item that someone else might want, please call the office at 403-238-1611.

# Will Power

Wills and Estate Planning 101+

As neighbours, volunteers, supporters, and friends we invite you to attend this free workshop the morning of Saturday, June 11, 2016.

Having a proper, up-to-date will is important for everyone. This workshop will help you understand the reasons why to have a will; what happens if you don't have a will; what to consider when making your will; the legal issues that affect wills; how to prepare a will, plus how to select an Executor. In addition, you will understand the Enduring Power of Attorney and how to ensure that your Personal Directives are followed.

This is a valuable presentation and will be beneficial to everyone.

Please accept our invitation to this **free** presentation. **It is important that everyone pre-registers.**

Jonathan Ng, Estate Lawyer, will cover all the essentials about sound planning to ensure your wishes are fulfilled and you optimize what you do with your estate (otherwise, the government decides for you).

# THE 401 WOODCREEK SCOUT GROUP

Another amazing year is winding to a close soon but that does not mean Woodcreek beavers, cubs and scouts stop being active. In fact they are busy as ever! With the weather getting warmer, the kids' activities are held outside more often.

The best camp of the year was held at Camp Valaqua on the April 16-18 weekend. This camp is very special as most of the kids from beavers, cubs and scouts attend the same camp together. This year's theme was Star Wars! This is a special time for all of them, beavers see the older scouts sleeping outdoors and making fires. Joint activities and games are held where the older kids have to learn to work with the younger ones. It's excellent bonding and learning time for all of them.

Some activities that the beavers have been busy with lately were electronics take apart night, rollerskating, building a planter and planting seeds, biking around Bebo grove and clothespin crafts. The beaver year official ended April 20th with a barbeque at the community centre.

The cubs have also been busy with sessions on how to build a fast cub car (this is very important and the cubs take this very seriously), working on black star requirements, swimming at Southland Leisure Centre, SPCA tour, rollerskating, planning for the annual soap box derby in May and hiking.

The scouts have had a bunch of fun activities also that included bowling, geocaching in Fish Creek Park, working on badges and the annual 18 wheeler races, sports and games at the community centre, rollerskating, soccer and rock climbing. <http://www.familyfuncanada.com/calgary/geocaching-with-kids-in-calgary/>

A huge thank you goes out to everyone who donated bottles to our second bottle drive in April. This year was the first time we held a second bottle drive. Your generous support is very much appreciated.

The Woodcreek group is stellar with amazing leaders already busy working on a great program for next year. If this groups activities sounds like something you would like your kids or yourself to be a part of please feel free to contact our Group Commissioner Tim Tratch at 403-251-4878. I'm sure you will not be disappointed. Additional information about the Scouting program in general can be found at [www.scouts.ca](http://www.scouts.ca).

Thank you to the local Lions Club and the Woodcreek Community Association for their ongoing support to us.

## IN & AROUND SCHOOLS

### Woodland School

As the weather gets warm, we often start thinking of summer activities like camping. Woodlands School is offering outdoor school to the students in Grade 5 & 6 at Kamp Kiwanis for the Active Living component of Physical Education. Thank you to those of you who helped these students with the Coco Brooks fundraising to lower the cost to participate in this enriching experience.

April was volunteer appreciation month. We realize that it takes a community to raise our children so thank you to those that offer their time and talents with the students of Woodlands School. Back in December, we held a casino and couldn't have done it without the countless hours of Jason Wudkevich organizing, recruiting of volunteers and providing all necessary paperwork to AGLC. Special acknowledgments to those that helped run this vital fundraiser. A casino can raise monies to help offset the cost for field trips, provide new technology that empower all the students, provide Artists in Residency, enabling new material to be purchased for the learning commons, Science supplies, and Kindergarten equipment and materials. Congratulations on raising over \$70,000 for this student body!

This year Sports/Active Living Day will be on June 3, rain or shine. The students will enjoy a morning filled with fun activities that will get all students moving.

The planning stages of our annual carnival are underway. With the overwhelming response to the raffle baskets last year, we will be asking for your help again with donations for your child's class basket. Save the date Monday, June 27.

The Annual General Meeting of the Woodlands School Council is scheduled for Wednesday, May 11. "Our responsibility to the student community is multifaceted with one responsibility being to provide academic and cultural exposure and, two, to do things in such a manner as to ensure, as possible, that this organization and funding is in place to ensure goals can be met in the current and future years. The hard work and dedication to acquiring grant to offset costs and raising and using of restricted funds, where possible, are in line with these goals and is VERY MUCH appreciated and both our current and future students benefit."

Positions on council will be elected at this meeting. We look forward to meeting many new faces.

### Neighbours Helping Neighbours

Calgary's economic downturn is hitting people hard. The baby and personal care items we have in stock are dwindling rapidly. We are in need of the following to share: newborn and sizes 1 to 6 diapers and pull-ups,

formula and baby shampoo; for children, youth and adults shampoo, conditioner, toothpaste tooth brushes, bar soap (Dove recommended), feminine hygiene products, deodorant, disposable razors, men's shaving cream.

### SWCRC Volunteer Opportunity: Parenting Group Assistant

SWCRC is expanding its parenting education programming. To support the participation of low income and socially isolated parents, we would like to offer free child care for the parents' young children. As a member of our team of Parenting Group Assistants, you will care for the children by providing a safe, loving and fun environment in which to play, socialize and learn. The time commitment is approximately 2 ½ hours, 9:30 – noon, either Tuesdays or Thursdays.

It takes a village to raise a child. Your passion for kids, and your desire to contribute your knowledge and experience towards a community effort to optimize children's social, emotional and intellectual development, will inspire you to contact the SWCRC for more information about this important volunteer role. Call 403-238-9222 ext. 222.

*L: Thanks to Bridlewood, Woodcreek and Evergreen Easter Egg Hunt organizers and participants!*

*C: I appreciate the amazing insights gained via SAIT's Petroleum Industry Certification Program.*

*R: Congratulations to Prab Gill, the new PC MLA for Calgary Greenway: welcome to our team!*

### Your PC MLA'S are engaging with Albertans!

Our PC caucus has launched the first document of its kind, "ENGAGE", which I was honoured to table in the Legislature. ENGAGE starts the conversation about how to build a better future for Alberta; and it is our intent that this will encourage Albertans to get involved and identify new ways of doing things. Please visit [abpcmla.ca/engage](http://abpcmla.ca/engage). I eagerly anticipate your feedback to this living document, which is designed to evolve, with your feedback!

### Jobs, the Economy, and our Team

Our PC team is focusing on issues that are important to Albertans. We are working hard to ensure the questions, concerns, and fears of Albertans will be heard and acted upon by the new NDP government; and our promise is to remain committed to providing realistic, common sense solutions. As Alberta's economic outlook worsens and the anticipated budget deficit could climb over \$11 billion, we will fight to have the government restrain spending, create jobs, and develop a credible debt repayment plan. With job losses topping 100,000 in the past year in Alberta alone, the NDP's only solution is to double down on measures that have already proven ineffective in creating jobs. It's critical that this government abandon its ideological agenda in favour of real solutions that produce tangible results!

### Anniversary of Premier Klein's Passing

Three years ago, Alberta lost one of its best friends and advocates and a terrible void was created in the leader-

ship of our province. "Ralph", as he was known by all, served for nine years as Mayor of Calgary, three years in the provincial cabinet and 14 years as Premier. During his time, tough decisions needed to be made and difficult steps had to be taken. Premier Klein never shirked from these responsibilities and always owned up to the actions of his government, apologizing with humility and sincerity every time it was appropriate to do so, a rare but invaluable attribute for a politician.

Ralph was the first Premier I ever served with, starting in 2004, and I learned a great deal from him. I will always appreciate that when I spearheaded Bill 201: "The Smoke-free Places Act", he completely had my back. It was my first private member's bill and it was very controversial but it was the right thing to do. When all was said and done, I was humbled that he and I were named two of the greatest "Albertans of Influence" that year, an honour I will forever treasure. Premier Klein was instrumental in my choice to seek elected office in the first place: I truly respected him for many of the things that he had done and he appreciated the fact that I had ideas on how we could do many things differently. As an elected member of Ralph's team, I will always be grateful for the opportunity to have worked at his side. Even though it has been nearly a decade since he left office, his legacy lives on everywhere in Alberta. He taught us so much about leadership and being honest with Albertans. These are lessons that we would all do well to remember. We will never forget you, Ralph!

Thanks to Ron MacLean, MP John Barlow and Lanny MacDonald (and James Rajotte) for sharing our national pastime, "Hometown Hockey", with Alberta kids of all ages!

### Ward 13 Mobile Town Hall – Coming in June!

This June, I will be holding my Mobile Town Hall in the Action Plan Engage Bus at key locations near you. The City's Action Plan, Calgary's business plan and budget document, was developed in 2014 for the years 2015-2018. Recognizing that the Plan needs to adapt with Calgary's changing needs, checking-in with citizens on what their priorities are for 2017 and 2018 is a key component.

Councillor Diane onboard the Action Plan Engage Bus

This will be your chance to meet with myself and City staff to discuss topics such as the Action Plan Check-in, as well as other issues concerning our communities. My hope is to meet with

as many residents as I can, so stay tuned to my website and social media channels for location announcements! To learn more about the Action Plan Check-in, check out my video interview [youtu.be/8BXcw0ov90M](https://youtu.be/8BXcw0ov90M).

### Brae Centre Community Operated Police Station (C.O.P.S) Closure

Police Chief Roger Chaffin has decided to close the Braeside C.O.P.S. This is a decision that many of us in the community see as an unfortunate detriment and tremendous loss to our communities. With the closure, only two officers are to redeploy. This closure will leave well over 65 long service-trained volunteer partners behind.

Closure notice posted at C.O.P.S. station

The community presence of our storefront police stations is vital to security and crime prevention in our neighbourhoods.

They are great examples of communities partnering with the Calgary Police Service. Many business owners and residents are very concerned that the visibility and

service of police officers are lost at the community level. This was the ultimate in community-based policing. The stations have been flagships of our communities for more than 20 years. This station in particular, has been a pillar in the community for years – well over the 16 years I have served on Council.

I have worked with several volunteers to organize an online petition. Please support our efforts to save this station which has a lease until 2017. Please visit the Save Calgary's Community Police Stations petition page at <http://ow.ly/106yCl> to sign the petition and keep our stations open. Safety in our communities must always be our top priority. As a Police Commissioner, I will continue to voice my disappointment on your behalf.

### Off-Leash Dog Park Closure

With the Province closing the temporary off-leash dog park just off Hwy 22X back in December 2015, many of you were very concerned and upset with this loss to the community as was I.

I am making it a top priority to find a new area for an off-leash dog park for us. We are working closely with Parks and area developers to find another suitable off-leash area that families in Ward 13 can use and enjoy. While still at a very high-level phase, The City is looking at:

- A potential location within the Transportation Utility Corridor (TUC) on the north side of Silverado.
- A possible off-leash area in a parcel of land immediately south of Bishop O'Byrne High School and The Cardel South Fish Creek Rec Centre.
- Wolf Willow when the developer begins and completes construction of the community.

### Important Dog Park Open House Announcement!

I am pleased to announce my Dog Park Open House on June 22, 2016, from 5:30 PM – 7:00 PM at the Woodcreek Community Association (1991 Woodview Drive SW). In partnership with the Providence Dream Developers, we will give a presentation to you right at 6:15 PM on our ideas and listen to your feedback. Please bring your family, friends and four-legged friends and drop by. Please contact my office to learn more. I hope to see you there!

## DID YOU KNOW?

Home staging is the process of preparing a property for sale in order to appeal to the greatest number of potential buyers. It is usually as simple as rearranging what you already have. Statistics show that professionally staged homes sell faster and for more money than unstaged homes.

In addition to being an experienced and successful REALTOR®, I am also a Canadian Staging Professional (CSP) which allows me to provide this complimentary service and value-added benefit to my clients.

...one more reason to call me for all your real estate needs.
