PRESIDENT'S MESSAGE

Two cornerstone events in November were the Family Spaghetti Dinner and the WCA AGM. As customary with these events, the Spaghetti dinner sold out early and packed the hall—the spaghetti, provided by our friends at Crispy Crust Pizzeria, was delicious—and, conversely, the AGM had some room to spare.

Although I said it at the AGM, it is important, so I will say it again—Thank you, everyone, for contributing this past year to making your community great. Whether it was by volunteering at a function, attending events, purchasing a community membership, or simply calling the WCA office to report a pot-hole in front of your house (btw, please call 311) you all contributed to your community and for that, I thank you!

With the holiday season, December always feels like a short and packed month; this year is no exception. In addition to the normal weekly activities, the annual Kids Christmas event will be held on December 2, and the New Year's Eve Dinner & Dance on, of course, Dec. 31st. Tickets for the NYE event typically sells out so contact the WCA office to reserve your spot. January is typically slower with no large events planned, but we'll hit the boards running again in February.

From my family to yours, have a safe, happy, and fun holiday season!

Sincerely,
Scott A. Eden, President
Woodcreek Community Association

Woodcreek CA Halloween Report

Our Halloween party was visited by over 100 ghosts and goblins on October 21st. Our fortune teller was a huge hit again, as well as the haunted house! Children of Woodcreek were entertained by a creepy mystery feel game, witch hat toss and lots of Halloween crafts! We can't wait for next year!

Thank you again for our wonderful volunteers that show up to make this event happen each year!

Kelsey MacGregor
Youth Events Coordinator

Spider Playground

The playground located on Woodpark Avenue in front of Hull Services has now been removed. Hull Services had a 25-year lease from the City and due to the cost of upgrading the playground and the ongoing maintenance cost, Hull decided to not renew the lease. The playground equipment had to be removed and the property returned back to the City.

The City Parks Department will replace this playground in either 2018 or 2019. They will provide a basic park, including \$35,000 for ground work and \$40,000 for playground equipment. This is a standard park the City provides to any community. If we wish to add further playground equipment, the Community would have to fundraise for the difference.

If you have any interest in seeing what the City park would look like or in raising funds for expanded equipment, please attend a meeting at the Community Centre on Sunday, December 10th at 2:30 p.m.

WHAT IS WOODCREEK?

If you ask people in our area where they live, they say Woodlands or Woodbine. So where does Woodcreek come from? A little history lesson will give you the answer.

Woodlands was established in 1976 and Woodbine 4 years later in 1980. The Woodlands Community Association was incorporated on May 21, 1980, and two years later the Woodbine Community Association was registered on October 19, 1982. In order to better serve the needs of the area, the Woodlands and Woodbine Communities amalgamated on January 29, 1992 and the Community Association name was changed to Woodcreek Community Association and represents the 15,399 residents of both communities. In 1987 a Community Centre building (approximately 1000 sq. Ft.) was built at 1991 Woodview Drive S. W. In 2010 we added a 2500 sq. ft. addition with a full basement. We now have a facility that can better serve the needs of the community and provide a venue for meetings, banquets, dances, birthday parties, you name it. A portion of the basement area provides storage for our community groups.

So when you hear the name WOODCREEK think both of the communities.

A further point is that Woodcreek does have two properties. Our main location is the Community Centre in Woodlands. We also have a Woodbine location on Woodborough Road where we have tennis courts, pickle ball courts, basketball hoop, skating rink, a skate board park and a full basketball court. These are all part of the Woodcreek Community Association.

Merry Gift-mas

Assuming the gifts are repeatedly given each of the 12 days, there are 364 gifts given in The Twelve Days of Christmas carol, one for each day of the year, excluding one, Christmas Day, when the “true love” in the song can be presumed to be the final and ultimate gift.

THE WOODCREEK SCOUT GROUP

We would like to wish all of you a very Merry Christmas and a Happy New Year. Please drive safe over the holiday season. December is always such a joyful month as the sections include great events to celebrate the season like helping at the Woodcreek community Christmas craft fair or just decorating cookies in their troops.

Our big annual bottle drive will be taking place on January 6th. We would appreciate if you could consider saving your bottles for us throughout the holiday season. Alternatively, we have set up an account at the Tsuu T'ina Bottle Depot located at 20 Bullhead Road SW under Woodcreek Scouts. We thank you all in advance for being so supportive to our kids over the years. Please feel free to drop by the Community Centre on January 6th to enjoy a cup of hot chocolate or coffee with us during our bottle drive.

Here is an overview of what the Scouts have been up to since the start of this season as told by one of the Leaders.

"The Scouts had a canoe trip down the Red Deer River at the end of August, camping along the way. They volunteered at the Lions' Garage Sale on Sept 16th selling food at the concession, helping carry items to customers' cars and loading up the van with items to be donated. Then they went to camp in Wheatland County. They had a nice walk in the evening and did some stargazing. Sunday morning, they cooked their own pancakes and worked on their skills: lighting a stove and lantern, knife, saw and axe permits and the older scouts who already had earned their permits built a shelter. In the afternoon they performed some more community service by picking up litter at the Carseland School as a thank you for letting us camp on county land.

The Scouts also attended the Great Escape in the Badlands on Sept 29-Oct 1. We had two teams of Scouts and one Vent, our teams placed 7th and 8th! The idea of the game is to find all 5 check points, plus a 6th secret one without getting tagged by the Vents. This all takes place in the evening so a challenge to navigate in the dark! Congrats on a successful night despite the rain

and a huge thanks to the many volunteers who make this event happen each year."

The cubs have been busy with cub car building, bowling night, learning how to pack a backpack for a hike, and an epic evening of Archery at the Calgary Archery Centre. They also recently attended camp at Camp Valaqua where the cubs learned how to set up their tents and slept in them indoors which was great fun. At camp they learned how to start a fire, make a foil packet lunch, set up a shelter, etc. all towards earning their outdoor skills badge.

The beavers have been busy with a scavenger hunt learning about their motto, promise and law, hikes at Shannon Terrace and at the Inglewood Bird Sanctuary. The beavers also enjoyed a weekend camp out at Camp Valaqua where they built cars and pop bottle rockets. They also paid a visit to the Observatory to do a little star gazing.

If you have any great ideas for our Group or any questions on our programming, please feel free to call our Group Commissioner Tim Tratch at 403-251-4878. A very special holiday cheer goes out to our wonderful sponsors, the local Lions Club and the Woodcreek Community Association.

HULL SERVICES Christmas Hamper Program

Every year many Hull families access the Hull Services Christmas Hamper Program. Without the support of our generous donors, these families or individuals would have little or nothing at Christmas.

Many families we serve will attempt and fail to be placed on one of the city-wide agency donation lists for Christmas hampers. Others come to Hull Services after external hamper application deadlines have passed and some families simply need extra food to sustain them over the holiday season.

We have many hamper options available to our donors. Family compositions can vary from a single parent and a child to families with several children and adults living under the same roof. Hull also supports young adults with significant developmental delays. These young adults are attempting to live independently on limited funding and often have great difficulty making ends meet. They seldom have any extra money at the month's end; therefore, assistance with food and household items is essential.

As you can imagine, needs are numerous and vary significantly. We are pleased to assure you that 100 percent of your donation goes directly to the family or individual in need. We also can attest that the families' appreciation of this support is overwhelming.

How does the Christmas Hamper Program Work?
Donors are matched with a family or individual and provided with a "wish list." The Family Specialist working with the family or a Counsellor supporting the young adult will assist with the coordination of your hamper donation. If you are unable to adopt a family, a cash donation or a gift card to purchase food or gifts are welcome alternatives especially for kids and families who arrive at Hull at the last minute just prior to Christmas.

Children, youth and families who access Hull Services are hard at work attempting to overcome very challenging obstacles and making positive life changes. Will you help us to make this festive season brighter for these kids and families by supporting Hull's Christmas Hamper Program?

If so, please contact any of our Christmas Hamper Committee members:

- **Marilyn Boston:** 403-251-8063
msboston@cbe.ab.ca
- **Danielle Willrodt:** 403-207-2544
dwillrodt@hullservices.ca
- **Tammy Cameron:** 403-219-7434
tcameron@hullservices.ca

We appreciate your kind consideration and thank you for your generosity.

MISTLETOE MURDER

In Norse Mythology, the god of mischief, Loki, tricks the blind god Hod into fatally shooting his brother Baldr with a mistletoe-tipped arrow. Mistletoe was the only thing that hadn't promise not to hurt him, which was why it was able to harm him.

SILVERBIRCH DISTRICT

Silverbirch Girl Guides district has been quite busy the past couple of months. September we had a meet-and-greet for parents and girls at the Braeside Community Centre. We have 175 girls enrolled in the various branches of Guiding. Our Spark and Brownie units are full!

The Sparks, Brownies, Guides, Pathfinders and Rangers are busy with badge work, bake-offs, sleepovers, trips to the airport, the Banff Film Festival, Remembrance Day activities, and of course, selling cookies. Many thanks to those who supported us in our Cookie Blitz in your neighbourhood.

We would like to thank our great supporters for participating in our bottle drive. Our drop-off locations were at PBP, Braeside and Woodcreek Community Centres. It was a great success and we would like to thank all who participated by bringing bottles to us - including those who saw the signs that day and made a trip back with their bottles.

With the Oakridge Co-op restructuring, we are still not sure if we will be selling Christmas trees with Scouts. We are still hoping that this long-standing neighbourhood tradition and great fundraiser will go ahead again this year. Watch the south-west corner of the parking lot after December 1 to see if we made it happen.

Merry Christmas and Seasons Greetings to all.

Naughty or Nice?

In Iceland, in the thirteen days leading up to Christmas, children leave their shoes by the windows for the thirteen Yuletide Lads to put gifts in. However, if you've been a naughty child, Lads will leave you rotten potatoes for Christmas.
